## Prologue

There is a way, the way of Universal Mind;  
It is the way of God, the way of peace,  
of happiness and the way of love.

You are the recipient of this way of Universal  
Mind, because you are beloved and you are  
worth it.

God loved you first, when you were in dense  
darkness mentally, when you were alienated  
from the light that belongs to life.

Embrace this love of God, with all your  
hearts, with your entire mind and with all  
your strength and vital energy; and love  
your neighbor as yourself.

This is the salutation of God toward men of  
goodwill.

# Foreword

## Disclaimer

The writings of this book are not to be misinterpreted. They are not meant to change the world or the governments and its supporting organizations including the financial system and the commercial establishment or the religions of this world. These writings are based on the belief that you cannot change another, all you can do is changing yourself.

## A Journey Into The Future

The history of man is a journey into the future, a journey based on a belief in two powers, of good and evil. This journey started with the creation account of Adam and Eve and led to a time of the here and now. After the proverbial flood of Noah's days, Abraham made his appearance and he became known to be the father of all those having faith. We can say that everyone alive should consider this journey of faith, which started with Abraham. In the end, it must lead to blessings. In order for us to understand the weightiness of this understanding, we need insight into the origin of the human demise. We have the need to understand destiny.

## We Have Our Origin In God

A look at the beginning of man, will give us much insight

into who we are and where we are going. There can be no progress in human thinking, unless we first come to understand that we have our origin in God. Therefore, we are of the understanding that we are the most intelligent physical creation in the universe. The Bible corroborates this fact and we would do well to pay attention to this understanding, which must lead to the greatest information transfer for the benefit of man. This information transfer has its origin in the rebellion against God, in the proverbial Garden of Eden.

## *Understanding God Must Lead To Understanding Faith*

Through this publication we will come to understand the man we are, within, and we are encouraged to change the way we think in order to obtain harmony with Universal Mind, or God. We will learn to understand life and come to appreciate the leadership of the Patriarch Abraham, who was indeed the greatest man of faith among mortals. The faith of Abraham is pivotal to understanding the very purpose of our existence. How can we ever come to fully appreciate the life and the teachings of the Christ, without fully understanding the things that are important with reference to God? Understanding God must include understanding the faith that can preserve alive its owner?

## Learn To Think Correctly To Get The Spirit Of Things

It is all about life and living the life of destiny. This we can only do if we fully comprehend and appreciate the faith of Abraham. The story of Abraham is full of meaning and helps us to appreciate what really matters in the out-workings of God's purposes. We have to learn to think deep in order to get the sense, or the spirit, of things. We have the need to meditate and think prayerfully about God's thought, which is of great benefit to mankind as a whole.

Today, we find ourselves in the company of many who confess a belief in Abraham as their forefather according to their faith. There are the three great religions of the world, which are the Jewish, the Christian and the Muslim faiths. All three have their core belief in Abraham, as their forefather, according to faith. Here we do not want to be ignorant as to the validity of our supposed foundation of belief.

## True Belief Is Rooted in Consciousness

Our belief is rooted in consciousness, which is a living faith. Here, we want to be clear minded; Abraham had

no religion. He was an oriental, who lived in Ur, in Mesopotamia. Abraham believed in a monotheistic God, which stood apart from all the other gods of the nations around him. As such, Abraham believed in the promises of God to men who receive of God's blessings and that those who blessed Abraham would themselves be blessed.

## *In The Finality Man Must Believe In One Power, God And Good*

The writings of this book will give evidence that man must, in the finale, believe in one power, in God and good. Abraham's faith had been tested; it required works of faith, which ultimately resulted in Abraham's willingness to sacrifice what he himself has received as a gift from God, the son of a promise, Isaac. This was the only son of Abraham, which Sarah bore. This came about at a time of Sarah's life, when she was well beyond her childbearing age. At a good age of 90 years, she gave birth to a son and she named him Isaac. This son was according to God's promise, which was according to the operation of Spirit.

## *Faith Is The Product Of Spirit And That Spirit Is From God*

This fact should instill in us a deep appreciation for God's way of teaching mankind, as a whole. We need to have strong faith in the promises of God, and act upon these promises, by works of faith. After all, faith is the product of Spirit and that Spirit is from God. From this consideration of thought we need to understand that any teaching of faith must have its origin in Spirit, because Spirit is truth, the only truth there is.

## Research Gods Word For The True Faith

There are many who follow their faith without thorough research and investigation. Many teachings of faith have their origin in error and misinterpretation and once you have accepted these teachings as truth, then this so called truth enters the subconscious domain of our mind as an absolute. Thereby, you will act upon the information in faith, and thereby, identifying yourself as a follower of this so called teaching of truth. You may, in fact, have been deceived to believe the lie.

Therefore, the story of Abraham must be verified by the teachings of truth, it cannot stand on its own to be believed, as being truth. This book has at its aim to provide irrefutable evidence that the principles in support of the life of Abraham are also the same principles, which are in support of the birth and life of

Jesus Christ, the Son of God, the son of man. Let us press ever forward to grow in understanding of the deep things of God and read the Word of God daily. You need to meditate on the things learned in order to get the Spirit of the things, focused on.

## Chapter 1

# Faith

## Faith, Not An Expression Of Many

We talk about faith and we believe that we have faith in abundance, yet, by closer examination of all the facts, we have to realise that the faith, which we have, is lacking in substance. We often ask ourselves, why do things go wrong, when I believe in Christ, in the good and in the power of God? Is there something that I do that is not in compliance with God's will and purposes, and therefore, I probably miss out on the expected blessings?

## There Is A Need To Be Humble

The case of Lots wife brings to our attention that faith is not the possession of all people. Faith requires a person to be humble and be spiritually aware of our blessings and limitations. Faith causes us to do. This is a fact, because faith is the assured expectation of things hoped for, the evident demonstration of realities though not seen. We need to be conscious of our spiritual needs, and for that, we need the knowledge of God, which is by means of Jesus Christ.

## The Need To See The One Who Is Invisible

When we have progressed to a position of exercising the faith that can preserve alive its owner, then we are able to see the one who is invisible, which is God, or Universal Mind. When we have been set free from the shackles of ignorance, then we wouldn't want to show a lack of faith all over again. This may be the case if one has come to know that he, or she, has been bought with a price, by means of the life blood of Jesus Christ, our Lord, and then, going back to a belief in two powers of God and evil, or, believing in good and bad. True faith, or belief, must lead to an expectations of what is good, because with God there can be no lack, nor can there be any limitations in anything, with God there is only one power, and that power is God and good.

## Having The Christ Within, We Do Not Want To Be Guilty Of A Lack Of Faith

When we believe that we have received the Spirit from God, the Spirit of which was also in Jesus Christ, then we do not want to be guilty of lack of faith. For example, when we have become conscious of one power, which is the power of God and good, then we are conscious of having an abundance of good. Therefore, we do not want to subject ourselves again to a belief in two powers, by believing in good and bad. This can be the case in point when we become fearful of becoming sick, or when

we are in the company of a person, that is a victim of a virus attack.

## Do Not Subject Yourself To Fear

To come out completely victorious, with radiant faith, we need to believe that anything, to which bad is attached, has no power over us. That belief is based on being conscious of having the Spirit of the Christ, within. That would mean that any sickness that is manifest couldn't attach itself to us, as may be the case, unless we show a lack of faith and fear the effects of a certain sickness. This may then lead to creating the condition, whereby, our immune system weakens to the level of the feared germ and then that sickness will become manifest in our body.

## Whatsoever, We Think About This We Also Bring About

Therefore, fear is a powerful negative thought-form, which triggers the Law of Attraction to bring about the product of fear, which in this case is the fear of germs or flue viruses. Whatsoever we think about, this we will also bring about is the underlying principle in all of our thoughts. By fear, we open ourselves to lowering our immune system by changing our environment, and then become subject to the feared germ or the flue virus. The

Law of Attraction will respond to your fears, and thereby, the Law of Attraction will bring about the product of such fear, which will result in you becoming a carrier of the germ or flue virus. The end result is always in support of the saying; you 'reap what you have sown'. You have sown fear and the product of fear becomes manifest in your case. We need to become conscious of having received of the Undeserved Kindness of God, which makes us perpetually clean and keeps us in an approved and Holy state of being, with health, wealth and good of every kind. We need to become conscious of the fact that we have received the Spirit of the Christ, within, which is Holy Spirit, and where there is Holy Spirit there must be love, and love throws fear outside. Holy Spirit sets us free from the manifestation of fear and gives us health, wealth and abundance of good. This must be so, because God's Spirit and our Spirit are one Spirit.

*The Spirit of God, which was Also  
In Jesus Christ, is Also Within The  
Man of faith*

What shall we do, when we are faced with a risky situation? Withdraw into your inner chamber and meditate on the power of the Spirit, within, and reflect on your baptism and your standing with God and his Christ, and thereby, become conscious of being one with

God. On the basis of right thinking, no negative, or harmful effects are able to attach themselves to you. The Spirit of God, which Spirit was also in Jesus Christ, is alive, within, or is active in you, the Christian, and you will be protected from harm on the basis of such faith. This faith fills you with a deep-seated joy, causing you to be happy and fearless. You are the blessed one, indeed, by God, through the Spirit of the Christ, within.

## *Become Conscious Of One Power, God And Good*

You need to become conscious of one power, of God and good and meditate on your standing with God on the basis of the Christ, within, and then, one power consciousness becomes part of you, which is the person you are, within. We want to remember that Jesus Christ was conscious of one power only and that was God and good. This simple example can be applied to any health-risk; therefore, you can remain free from fear of disease and sickness of any kind provided, we remain one with God. Some women have resorted to the removal of their breasts, because of fear of getting breast cancer. Is that the way we need to go in order to live lives free from fear? May that never be the case, in our situation, we want to become radiant in faith and have abundance of peace, and then, the good we wish will become manifests for our benefit.

## Where Good Appears Bad Cannot Manifest

Is it necessary to resort to such harsh measures as indicated above? No. All you have to do is to become conscious of one power, of God and good and believe that where good appears bad cannot manifest. This requires faith in one power, of God and good. This can be achieved through changed consciousness, from a consciousness which is based on a belief in lack and limitations and a belief in two powers, of God and evil; to a new consciousness, of super abundance of good, with a belief in one Power, which is the power of God and good.

## By Spirit From God, Which Spirit Was Also In Christ, You Radiate Pure White Light

You have to believe, that at the time of your Christian baptism, you received from God righteousness, undeserved kindness and everlasting life. You were declared to be a new creation, born of water and Spirit. This Spirit is the Spirit from God, which Spirit was also in Jesus Christ, our Lord. By this Spirit, which is Holy Spirit, you have oneness with God. By this Spirit, which is from God, the Spirit of which was also in Jesus Christ,

you have received the Spirit, which is pure white light. Therefore, every cell in your body is white light. Where light appears darkness cannot manifest. Whatever you ask in Jesus name this you shall also have, and that at the time of asking, and it will manifest. You ask once, and thereafter, you thank God for giving you the things you requested.

You are to cultivate this faith that can preserve alive its owner, it is yours on the basis of belief in the ransom sacrifice of, the righteous life of Jesus Christ, our Lord. Blessed is he that has faith in the righteous blood of Jesus Christ.

## *Become Conscious of One Power, And See Only God and Good*

You have to become conscious of one power, of God and good and as you walk in the way of Holiness, with your eyes looking straight ahead, as seeing the one who is invisible, you are seeing only God and good. Then the good, you wish to come upon you, will manifest in your life. However, if you look back because of a lack of faith, as did Lots wife, when on the road to salvation, than you will see two powers at work, which are in support of the good and the bad. However, bad has no principle and has no power, and it can always be destroyed by an additional good. By looking back you may become

inclined to give your thoughts to what may be bad, by paying attention to what is bad, displaying fear all over again, and thereby, you create bad, whereby, you become deprived of God's blessings. You have made a choice and by that choice you perpetuate and create bad of every kind. By looking back, you have made a choice, whereby; you become alienated from the source of all power and all good, which is God.

## *Single Minded; Keep Your Eyes Straight Ahead, To See Your Good*

Train yourself to believe in one power, believing in God and good and become aware of your oneness with Universal Mind, or God. Remember, the two angels of God, who guided Lot and his family to a place of safety, these also instructed Lot to keep on moving toward their place of safety, and not be standing still and not be looking back. They were expected to see, by faith, only God and good, because they were on the God directed road, leading to their salvation. By being single minded and keeping ones eyes straight ahead, in the direction of your good, then you are acting in faith, as seeing only God and good. If we learn from this example, and thereby, seeing only God and good, then we will never pay attention to that, which may prove to be bad, which is in opposition to God, namely the giving of support to a belief in two powers, of God and evil. That would prove

to be a gross lack of faith, which could lead to losing our lives at the critical moment of life's changing fortunes.

## A Belief In Two Powers Started With Man, As A Product Of Error

What do we learn from this discussion? We are to realise that we have created and that we have supported a belief in two powers from the beginning of man that started in the Garden of Eden. It was there that man acted in a lack of faith, when confronted with God directed changes, which, when disobeyed, they had the power to take man in a direction of a belief in two powers, of good and bad. By acting in faith, man would have turned away from the tree of the knowledge of good and bad, and instead, he would have paid attention to the Tree of Life, which was also in the middle of their Garden Home. From this statement we come to realize the need to focus on the real life, plain and simple, and do not waver in a lack of faith.

## The Tree Of Life Would Have Lead to Life Consciousness, Seeing In Man Only Life

By positive action, by being Life Conscious, man would have worked out perpetual good for humanity. Under such conditions, it would have been impossible to eat from the fruit of the tree of the knowledge of good and bad. Having Life Consciousness will always bring about the good, and as a result of this, the tree of the knowledge of good and bad could have been cursed by man and the tree would have withered and died.

## We Could Become Eye Witnesses Of The Destruction Of The Powers Of Evil, The World Of Mankind

The time will come, and it is now, when we can become eyewitnesses of the destruction of all political powers of this world. This will manifest in a catastrophic collapse of all human institutions, including the collapse of the belief system in support of a belief in two powers, which are the powers of God and evil. Such a belief renders man unfit for purpose, and therefore, the system we have created, which is in support of a belief in two powers, of God and evil, must go.

## Keep The Commandments Of God and The Faith Of Jesus

As a true Christian, you will be called upon to keep the commandments of God and the faith of Jesus Christ, as you behold this system crushing in defeat. That would require faith in the things we have learned from the reading and the study of God's Word, the Bible. You are expected to see only one power, and that is the power of God and good. Therefore, you need to have your eyes fixed on the one that loved you first, when you were in darkness mentally and alienated from the light that belongs to life.

## *As A Man Of Faith, Never Look Back To The Things Left Behind*

You are conscious that you were called into His wonderful light of understanding, and you are encouraged to keep on walking straight ahead and never to linger and never to be tempted to look back. For, by looking back, you display a gross lack of faith in the one that called you. You have to be single minded and never waiver in a lack of faith, but become empowered by faith, to continue seeing the one who is invisible. You are called upon to display one power consciousness, seeing only God and good. This is the faith that can preserve alive its owner. Blessed are you, the one with little faith.

## Chapter 2

# You Loved Me First

## To Love Is To Live for The Benefit Of The Greater Whole

When we were in darkness mentally and alienated from the light that belongs to life, it was then, that God loved us first. But what is this love, so that we should be loved first? Love is the constitution of the incoming Kingdom of God and love is also the operating principle in the universe, because God is Love. Love always works for the benefit of the greater whole. It is also one of the cardinal qualities of God along with justice, wisdom and power. To love means to be living in such a way as to be of benefit to your fellow man and to be loved by him, in return. This is of life changing importance. To love is to live for the benefit of the greater whole.

The fact that we have difficulty to love, in imitation of God's love, is due to our fall from perfection, at the beginning, while in the Garden of Eden. It was wrong thinking on the part of Adam and Eve, when they cultivated desire for something to which bad and death was attached. This took place under perfect conditions when man had a consciousness of super abundance of good. But in that environment, where everything is good, it is very important to have love. To love is to put the self behind and reach out to your fellow man, for his benefit, and to look outside of the proverbial box of limited understanding.

## A Commandment from God Requires Obedience By Faith

Here, Adam and Eve failed to be like God, in that they did not call to mind the love God has for them. A God of love could never have placed something bad before his children, in order to put them to the test. God cannot put those whom he loves to the test. But he would certainly teach them vital understanding and knowledge, which would keep them safe on their journey into the everlasting future. This is what God did when he pointed to the tree of the knowledge of good and bad and made it known to Adam and Eve not to touch and not to eat from the fruit of that tree. They had to learn to be like God, the Father, making right choices; and growing in knowledge and understanding of their God directed limitation in their daily thoughts, actions and desires. A commandment from the highest source demanded obedience by faith. After all, it was for mans common good that God stated not to eat of the fruit and not to touch the tree of the knowledge of good and bad.

### The Love Of God Was Behind The Prohibition not to eat of a certain fruit

Therefore, it was the love of God that was behind the

29

introduction of the tree of the knowledge of good and bad. The good of the tree was the teaching of obedience by faith and the bad of the tree was disobedience by touching and eating the fruit of the tree, which proved to be a lack of faith. Knowledge and wisdom was required to understand, that bad has no principle, and therefore, bad can always be destroyed by additional good. By reasoning on the purpose of the tree, Adam should have realized that a tree that has fruit, which was not good for food, had to be done away with, or be avoided. That tree did not qualify to be in the perfect Garden Home. It had to be destroyed by a strong desire for what is termed good. That good would and should have resulted in Adam eating from the Tree of Life, which was also indicated to them, as being in the middle of the Garden. This would have given Adam a super consciousness of life and good, which would have resulted in cursing the tree of the knowledge of good and bad. This tree, being a living entity, which had spirit, would have responded, and as a result, the tree would have withered and died. By Adam cursing the proverbial tree of the knowledge of good and bad, the temptation to eat from the fruit of that tree would have died with it.

*By Eating From The Tree Of Life  
Man Would have had Life  
Consciousness*

But, by eating from the Tree of Life, Adam would have become super charged with a consciousness of super abundance of good. They would have become Life Conscious. Thereby, they would have been able to pass onto their off spring their experience and the knowledge that bad cannot exist in a consciousness of super abundance of good. They would have come to know that bad can only be brought into existence by letting go and turning ones back to the God given super abundance of good.

*By Obedience By Faith The  
Temptation would have been  
removed*

By this action, by cursing the tree of the knowledge of good and bad, the calamity of creating bad would have been avoided and mankind's future would have been perfect into all eternity. Love would have won the day and peace would have been retained. But by cultivating desire for the fruit, of which it was said you must not eat, Eve brought about her downfall. She ate and instantly changed consciousness, from a consciousness of abundance of good to a consciousness of of lack and limitations, leading to worry, fear, sickness and finally death. Adam and Eve failed to see the bigger picture and they failed to understand the principles in support of godlike existence, based on obedience by faith. They

failed to eat from the Tree of Life, to which we can also add the expression, the tree of super abundance of good.

## By The Law Of Compensation Things Can Be Changed

After such a long time of living a life of despair and want of heart, with mayhem and bloodshed, is there any hope of us returning, to where we left off, in the Garden Home, in Eden. Has the love of God left mankind for all eternity? No, not so with the God of Love and Justice. By His justice, God has the means and the will, to bring the man of goodwill back into his fold of righteous godlike creatures. God knows that this can be done. This is taking place by means of the universal Law of Compensation, by the application of the life for a life principle.

## The Goodness Of God Continues To Be With Mankind Until Now

Here we are today, deep in the time of the endgame of life, of this wicket system of things, with the nations in an uproar, because of the difficulties, which have befallen us all. It is the greatest gift of God for mankind that deserves our most urgent attention, then and now. We have come through two world wars during the twentieth

century and now we find ourselves in the twenty first century. However, the mercy and goodness of God continues to be with mankind.

## *All Of Us Are Born In Sin And Error*

Here we want to be sober minded and pay close attention to the things that are of utmost importance to our success in life and come to benefit from the mercy of our God, the Father. It was while we were ignorant, not understanding the principles of the universe, which are designed to be of lasting benefit, that Christ Jesus died for every man, woman and child, because of God's love for us. All of us are born into sin by procreation, through Adam and Eve. By their error and sin, the Spirit of God, which was in Adam and Eve, became corrupted when Eve cultivated strong, wrongful, desire for the things not fitting, namely, eating of the fruit of the tree of the knowledge of good and bad. When, in fact, she had the choice to eat from the Tree of Life, which was also in the middle of their Garden Home, in Eden.

*By Strong Desire, Directed In Wrong Channels, The Spirit In Man Became Corrupted*

In the finality, the spirit yielded to Eve's desire to eat the fruit, which was on the tree, and by this yielding the spirit, which was in Adam and Eve, that spirit in man became corrupted and they ate of the trees fruitage. That same spirit has been transferred to every human by the process of procreation, and thereby, all of us have sinned and fall short of the glory of God. As a result of this, all of us are dying, because the spirit, which is the operating principle in all of us, is no longer Holy Spirit, but corrupted spirit which yielded to the desire of the fallen flesh and that led to death. That corrupted spirit is anti life, it is unable to bring eternal life to man.

## *A Righteous Life Has The Right To Live Forever if it is sacrificed*

In order to come to our rescue, God saw that it was necessary for another righteous man to be brought about. This was so, in order to have this righteous life sacrificed, for many to come to benefit from this righteous life. Because, a righteous life has the right to live forever: that life cannot be destroyed. However, a sacrificed righteous life can be transferred, if a suitable claimant has come to the fore. This righteous life became manifest some 2000 years ago when Jesus Christ made his debut on earth. This was on the basis of prophecy, highlighting the coming of the Christ, which was recorded 483 years earlier.

## Jesus Walked The Earth As The Lamb of God, To Sacrifice His Life

Christ's credentials were impeccable and that made it indisputable that he was indeed the Last Adam, the Christ. He was the Son of God, the son of man and he became known to us as Jesus, the Christ. It was Jesus that walked the earth as a lamb, going to the slaughter, to sacrifice the right to everlasting life for you, the one with little faith. It was the love of God that brought about the last Adam, the Christ, and through this love, the entire human family can be brought to have life and have life in abundance, with the prospect of receiving righteousness and harmony with God, the Father.

## Anyone Can Avail Himself Or Herself Of The Righteous Life That Was Given As A Sacrifice

Here we are today, as members of an earthly society that is bent on self-destruction. Indeed, we want salvation, but it is always on our terms, but not so with God. By an act of faith, in the ransom sacrifice of Jesus' righteous life, anyone can avail himself or herself of the righteous life that was given as a sacrifice. How can we be so sure? Well, it is by the Law of Compensation that it was possible for Jesus to become the Last Adam.

## By His Life, The Christ Became The Facilitator Of Everlasting Life

This was a requirement that was necessary in order for God's love to be fulfilled. This came to us through the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God, and that is none other than Jesus Christ. By His Life, and death, the Christ became the facilitator of everlasting life for everyone exercising faith in this ransom provision. This is the ultimate change and turn-around for mankind, as a whole. This is the facilitator of changed consciousness.

## Unwavering Believe Is A Most Powerful Quality To Have

Here we need to understand that believe is a most powerful quality to have, and that belief needs to be cultivate. The universe does not know the concept of not having. The Bible stated in the Book of James, speaking about faith, saying: 'the one that doubts is like the waves of the sea thrown about hither and thither and you must not think that you will get anything at all from the Father, because you asking for the wrong purpose, in order to be able to satisfy your craving for sensual pleasures'.

## To Take Possession Of This Unwavering Faith, We Need To Draw Closer To God

A child that belongs to God is from God, and with Him there is constancy and all things of which man can form a concept this he is also able to do. Therefore, it is doubt that destroys faith. In order to take possession of this unwavering faith, we need to draw closer to God and this can only be possible through Jesus Christ, the facilitator of goodness. We must believe that it was necessary for the Christ to be born of woman and to die a sacrificial death, in order to fulfill the role of the last Adam. By accepting the Christ, in faith, we can change consciousness, from lack and limitation, to a consciousness of super abundance of good.

## We Have To Be Born Of Water And Spirit To Enter Into The Kingdom Of God

Jesus stated, when with Nicodemus, who was a member of the Jewish Sanhedrin, saying; 'you cannot enter and you cannot see the Kingdom of God unless you have been born of water and Spirit'. By this statement, Jesus made it clear that anyone desiring to be in the Kingdom

of God must be transformed and changed completely. This change is only possible through changed consciousness and that required compliance with the Universal Law of Compensation.

## The Corrupted Spirit From Adam Was Passed On To His Offspring

The Christ compensated for what Adam had lost, namely, the right to everlasting life. By this provision, a person can change consciousness from a consciousness of lack and limitations to a consciousness of abundance of good. This new consciousness will, thereafter, do away with hardship, sickness, fear, anxiety, ageing and finally death. It was Adams failure to think in imitation of his Father, God, because the spirit that operated in Adam had become corrupted, and therefore, that spirit could no longer have access to the source of all love, justice, wisdom and power, which is God. Adam had to fend for himself and the corrupted spirit, within, was passed on to his offspring through the Law of Transference or through procreation.

## God Loved The World So Much That He Gave His Only Begotten Son

‘But God loved the world of mankind so much that he gave His Only Begotten Son, as a ransom, so that everyone that exercises faith in Him will not be destroyed but have everlasting life’. By this love, we can become reconciled to God, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ.

## We Have To Become Clean Before God On The Basis Of Faith

Love is one of the cardinal qualities of God; and for fallen man, it is impossible to cultivate this godly love. In the first instance, we have to become clean before God and this is only possible on the basis of faith. You have to believe that a righteous life has the universal right to everlasting life. To be declared righteous by God, you have come to Him on the basis of faith, in the ransom sacrifice of Jesus righteous life.

## You Are To Take In Knowledge Of The Christ And His Purposes

This will require taking in knowledge of the Christ and his purposes for the earth. Then, you are to exercise faith in this knowledge and get baptized into Christ death. He died as a righteous one for many unrighteous ones; Jesus died with reference to the sins of the world. Now, you

also, the one with little faith, willingly get baptized into Christ's death, by going under the water, and thereby, dying with reference to your own sins.

## God Gives His Spirit To Anyone On The Basis Of Faith In The Ransom Sacrifice Of Jesus Life

By this act, God views you as having died with reference to sin, and therefore, you are acquitted from your sins. Because you have died, your spirit, which is from Adam, returns to God, who gave it. That was the spirit that became corrupted, by Adam sinful course of action, and that spirit has now returned to God, because you have died with reference to your sin. God now sees you to be free from sin, but without spirit, because that spirit of yours has returned to God, who gave it. God now steps in and gives you his Spirit, Holy Spirit, which was previously also in Jesus Christ. It was God's privilege to give Christ's Spirit, because at Christ's death, Christ's Spirit returned to God, who gave it. From that time on, the Spirit of the Christ was God's to give to anyone on the basis of faith.

## By Spirit And The Circumcision Of The Heart, You Are Clean

As a result of this gift from God, as you come up from the baptismal water, you are given imputed righteousness, undeserved kindness and everlasting life. You are a new creation, born of water and Spirit. Because you have the Spirit from God, the Spirit of which was also in Christ Jesus, our Lord, therefore, you can now, and only now, receive the circumcision of the heart by Spirit. By Holy Spirit, you are now declared to be clean from God's point of view, because of the undeserved kindness of God, because of the mitigation of the Law of Consequences.

You are declared to be an adopted Son, or Daughter, of God, with blessings until there is no more want. What does it mean to be an adopted Son, or Daughter, of God? Well, it means everything, as a Son or Daughter of God you have become the beneficiary of a fountain of abundance of good and of love. Here we want to be sobered minded. Now, that you have become a Son or Daughter, of God, you have God's Spirit, the Spirit of which was also in Christ Jesus, our Lord. This means, that only now you are able to love in imitation of the love God has for you, because of the Spirit of the Christ that is in you. The fruitage of that Spirit produces love, joy, peace, mildness, kindness, goodness, faith, long-suffering and self-control.

*You Have The Spirit From God,*

## You Are Holy

By this Spirit, you have become circumcised in the heart, which means that you are now clean and Holy, with reference to God, and you are able to cultivate the fruits of the Spirit, which are love, joy, peace, mildness, kindness, goodness, faith, self control and long suffering. You have become conscious of belonging to the universal family of righteous ones. You have become a Son, or a Daughter, of the Great King, God, the 'I Am That I Am ', and this is based on love, which is the ultimate attainment for man. Everything you do, from now on, is loving and kind, at all times, and the blessings of God are upon you and upon your family, for your own good. You have become the proverbial Jew, because of the circumcision of the heart by Spirit, the Spirit, which was also in Christ.

## You Are Changed, Being Born Of Water And Spirit

You have changed by being born of water and Spirit and you have become a new creation, the progeny of the Christ. You cannot be judged, because you are Holy and righteous and you are walking with the Spirit from God to do the things pleasing in God's sight. You are ready to enter into the Kingdom of God, with Christ as King, and you are precious in that you may never have to die at all.

You have received the proverbial white outer garment spoken of at Revelation Chapter 7, by means of which, you will be identified as clean and righteous, being a survivor, to enter into the new earth.

## By Faith You Have Received Of The Love Of God and His Christ

It is indeed an awesome privilege to have arrived at this point in your life, where you can have communion with God, and whatsoever you ask of God, this you shall also have, because of your faith, and because of your love of God and that of His Christ. As such, you can be chosen, by Christ Jesus, to become a fleshly foundation stones of the new earth, which is the glorious privilege of those that are alive, when that great Day of Judgment comes upon mankind, where you have the prospect to survive that day, as a Son, or a Daughter, of God.

It is faith that qualifies you to become fit for purpose and enjoy a life with super abundance of good, with joy and peace, until there is no more want, today and even forever and ever, amen.

## Chapter 3

By The Power  
Of Love

## God Is The Primary Example Of Love

How are we to understand the need for the power of love, which is the driving force behind the universe? Let us be frank, love is the constitution of the Kingdom of God and love is also the cardinal quality of God, in addition to the qualities of justice, wisdom and power. Any person, desiring to be in harmony with God, needs to be in compliance with the Law of Love. Jesus Christ stated: "God loved the world so much that he gave his only begotten son, in order that everyone exercising faith in him will not be destroyed but have everlasting life". Therefore, love is behind the biggest change in the history of mankind. God set the primary example of love, because God is Love and God loved us first.

## It Is Mans Changed Consciousness That, At The Beginning, Led To Death

It is the absence of love, that led to the original sin of Adam, leading to death, and therefore, all of us are dying due to the sin, which led to alienation of man from the source of all power and love. Man became unfit for purpose, and as a result of this, he found himself to be outside of the family of the righteous Sons of God. Man

changed consciousness from a consciousness of abundance, with joy, health, peace and everlasting life, to a consciousness of lack and limitations, which finally led to man's death. It is changed consciousness, which led to Adams death.

## Change Comes to us By The Law Of Compensation

Mankind needs to change, but this change can only be brought about through the Law of Compensation. This law demands that a righteous life, lost at the beginning, must be exchanged for another life, of equal value. This righteous life was lost at the time of the original transgression in Eden. How is that exchange, of a life for a life, accomplished? It can only come about by an act of love. Adam lost his righteous life by an act of selfishness, disobedience and a lack of love when he reached out for the fruit of the tree of the knowledge of good and bad. Adam and Eve became the host of darkness. Adam would have retained his right to everlasting life with happiness and an abundance of peace, if Adam had refused to eat of the fruit, of which it was stated that he was not to eat, in order for him not die.

## Lack of Power Led to A Consciousness of Limitation

On the other hand, eating of the fruitage of the tree of the knowledge of good and bad rendered Adam unfit for purpose. Disobedience led to the prospect of being cut off from the source of all power. Access to this Power, which is by means of Gods Spirit, was taken away from man, which led to Adam obtaining a consciousness of lack and limitation, with sickness and death in view. This consciousness of lack and limitation resulted in the formation of a human society, which is based on a lack mentality. This is comparable to the construction and inevitable fall of the proverbial image related to us by the prophet Daniel. In the book of Daniel, it is stated that this immense image, this colossus of Nebuchadnezzar's dream, which becomes manifest in the time of the end, is about to come to nothing, by being pulverized in defeat. This takes place when Gods Kingdom is moved to become the stone that is released from the proverbial mountain of Gods Sovereignty.

## The Political Structure Of Government Must Come To An End

This proverbial stone has already been cut out of the mountain of Gods Sovereignty and it is about to be hurled toward the feet of this massive image, to strike it at the place of greatest weakness, which are the feet and toes of the image. By this development, the image will be

crushed and pulverized. This will take place when the time has finally arrived for Gods Kingdom to take over human affairs for the glory of God. This will be the end of this huge political image, the construction of which was build on a lack mentality, it will prove to be unfit for purpose and it will not be able to stand. In time to come, the memory of this huge image will have been forgotten.

## You Are Invited To Enter Into The Kingdom Of God, Living Forever

It is Gods love for mankind that will result in doing away with an entire failed system of things, to make way for an administration based on the constitution of love, with Jesus Christ as King. You are invited to share in this privilege of entering into the kingdom of God on the basis of faith, love and a changed consciousness. This will render any participant fit for purpose, because such a person has benefitted from the Law of Compensation by exercising faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord, who died for the sins of the world. As a result of this, anyone can have life and have it in abundance on the basis of faith in Christ's ransom sacrifice, his righteous life.

## Love Paves The Way To Survival

By an unloving act, on the part of Adam, all are dying, and by a loving act, on the part of God, through Jesus Christ, our Lord, all can attain to righteousness, with everlasting life in view. It is love that paves the way to survival and everlasting life and it is love that will bring about the needed changes from lack, limitation and death to an abundance of good with righteousness and everlasting life.

## At The End, Christ Will Hand Over The Kingdom Rule to God

This will usher in a new dispensation of righteousness and love, which will bring about a human society that will attain to the final acceptance into the family of righteous ones. This will take place at the end of Gods kingdom rule of a 1000years, so that all things will be all things to God. At that time, Christ Jesus himself will hand over the kingdom to his Father and everlasting peace will have been attained to Gods praise and glory, forever and ever and into all eternity.

## God Loved us First When We Were In Darkness Mentally

We love, because God loved us first. When we were in darkness mentally and alienated from the light that

belongs to life, Christ died for us. Thereby, Jesus Christ made his righteous life available to all of mankind, in order for everyone that believes in Him, to have everlasting life. This is the life, which was sacrificed by Christ, in order for us to attain to salvation. This is love at its finest. This is the love of God, the Father, for all those exercising faith in the ransom sacrifice of Jesus Christ, our Lord.

## Through Faith You Attain To The Righteousness Of God

This love of God is expressed in this way: You take in knowledge of the Christ and you exercise faith in this knowledge. Through this faith, you attain to righteousness with God. You are getting baptized, with the understanding that you die in the likeness of Christ's death. The Christ died with reference to the sin of the world, once for all times, a righteous one for many unrighteous ones. By this action, on your part, you also willingly die with reference to your own sins and a person that has died is acquitted from all his sins, as stated in the greatest book ever written, the Bible. Therefore, by your baptism, you are set free from the accusation of sin, because you have died in Christ with reference to your own sin. Now, because you have done this, your spirit, which is from your forefather Adam, corrupted indeed, returns to God. God now gives you his

Spirit, the Spirit of which was also in Christ Jesus. This is the Spirit, which was operative in Jesus Christ, when Jesus walked the earth as Gods Son, walking in the likeness of Adam's flesh.

## You Are A New Creation Born Of Water And Spirit

As you come up from the baptismal water you receive, from the Father, God, imputed righteousness and undeserved kindness and you also receive everlasting life, on the basis of this faith. You are a new creation born of water and Spirit. You have become the progeny of the Christ, by your rebirth. What an awesome realization and transformation. Because you have done this, you have become fit for purpose, in God's eyes so to speak, and you change consciousness from lack and limitations to a consciousness of super abundance of good.

## You Have Gods Spirit, Which Was Also In Jesus Christ Our Lord

Because you have Gods spirit, the Spirit of which was also in Christ Jesus, our Lord, you can now receive the proverbial circumcision of the heart by spirit. You are now clean; and you are Holy, as viewed by God, the

Father. You are called a Son or Daughter of God, by adoption. What great love God has for us, the ones with little faith.

They Love God, They Love The  
Christ And Their Neighbor, With  
All Their Heart

Persons of such faith will embrace each other with a holy kiss; and they love each other, as they are, indeed, love God and the Christ. They love God, the Christ, and their neighbor with all their heart, mind, soul and vital energy. One thing is certain to take place soon and that is the sudden outbreak of the great tribulation, which was foretold by Jesus Christ to come. This event will take place suddenly and we are expected to endure through this terrible time of discontent, however, doing so in faith. Thereafter, we will face the day of Gods Judgment, which is a time that follows the great tribulation, now so close at hand.

Anyone Found To Be In Gods  
Favor Would Enter Into The  
Kingdom Of God

All we have to do is to endure and keep the

commandments of God and the faith of our leader, Jesus Christ. A person, that is the progeny of Christ and who declared to be God's Son, or Daughter, cannot be judged. He, or she, will have been declared righteous by God, and therefore, is clean. Anyone found to be in Gods favor, is destined to enter into the Kingdom of God, as a righteous one. There, by Gods love and mercy, some of us may be chosen, by Christ Jesus, to become fleshly foundation stones in the Kingdom of God. This is a blessing, indeed, without compare.

## The God Of Love Comforts You In All Your Tribulation

May the love of God comfort you, in all your tribulations, and may the peace of God be with you all the days until your entry into the Kingdom of God, here on this very earth, where resurrected mankind will be brought to perfection under the Kingship of Jesus Christ, with everlasting life in view. All this is to Gods praise and glory, today and even forever. This is the power of love.

## There Are Some Who Will Have A Heavily Resurrection, To Rule With Christ

However, there are Christians who will not be on earth

in the flesh. These are the ones chosen by God, the Father, for a special purpose. These are the ones that will rule with Christ, as associate kings and priests, for a period of one thousand years, and they will have a spiritual resurrection to heavenly places, to be with Christ, their leader. From their heavenly abode, they will take care of humanity during mankind's growth to perfection; they are loving and compassionate brothers and sisters of Christ, bought from the earth, as first fruits to God, and they will rule with Christ Jesus as Kings and Priests for a 1000years and the number of them is 144000. These were taken from mankind, at the time of their physical death, as first fruit to God. At the end of the one thousand year rule of Christ, after mankind has been brought to perfection, and death has finally been destroyed forever, Christ will hand over the Kingdom to God, the Father, so that all things may be all things to God.

We Are To Live With Love, Joy,  
Peace Mildness, Kindness,  
Goodness, Faith, and Self-control

These 144000 will then be assigned to new heavenly challenges and privileges. This will be to Gods praise and glory. As for us, those who have come unscathed through the great tribulation, and who have not accepted the mark of the beast, we are to live with

55

love, joy, peace, mildness, kindness, goodness, faith, and self control, being long suffering as Sons and Daughters of God, living into all eternity, even forever. A life of unprecedented joy and peace, with love, awaits all those who love God and his Christ with all their heart, soul and vital energy and this to Gods praise and glory forever and ever, amen.

## Chapter 4

# The Progeny Of The Christ

## A Reflection

You are acquiring accurate knowledge of the Christ. This you do by gaining understanding of universal principles and learn to live by them. It is necessary to engage in the reading of Gods Word, the Bible, and pray for understanding and wisdom. You must come to appreciate that if a passage is difficult to understand at first, you must not give up. Rather, read the passage again and again until the necessary brain cells have been formed with which to understand the things focused on.

## God Is The Almighty and His Son Is The Word Of God

After a reasonable time of study, you will have become aware of the principles surrounding the teachings of Christianity. One of the most important facts to make your own is the understanding that God, the Almighty, is the only true God and his Only Begotten Son is the Word, or Spokesman of God. Through this one, all other creatures, including Spirit creatures, came into existence. He is rightly called the Word, or spokesman of God.

## Holy Spirit Is The Facilitator Of Gods Purposes

The Holy Spirit, as the third entity of God loving arrangement for salvation, is the Spirit from God, the Spirit of which is given to righteous and free moral agent, man. Spirit is the operating principle in man, and it is activated by thoughts. Holy Spirit in man has oneness with Gods Spirit, because, all spirit is One Spirit with God. Holy Spirit will deliver to you the request of your heart and it keeps your body functioning in the best possible way.

## *Exercise Faith In The Ransom Sacrifice Of Jesus Life*

Because you have taken in accurate knowledge from Gods Word, the Bible, you are therefore, to exercise faith in the ransom sacrifice of Jesus Christ's righteous life. Now, mankind as a whole is alienated from God, because of not meeting Gods standard of righteousness. Therefore, it was necessary for the Christ to die a sacrificial death, a righteous one for many unrighteousness ones. This is in compliance with the Law of Compensation, the life for a life principle.

## *A Son of God Has Everlasting Life, Within*

Having the understanding that we are from God, we

become aware that a Son of God has everlasting life in him. Now, this life was lost at the beginning, when our first parents transgressed and failed in their loyalty, love and obedience to Gods Word. By their selfish action, man changed consciousness, from a consciousness of abundance of good, to a consciousness of lack and limitation, leading to sickness and death.

## The Word Of God Became Flesh

As an act of love, the Word, Gods Son, became flesh and resided among men, he was the only righteous man after the fall of Adam. We know him as being the Christ, Jesus, who was born of women, as an act of God's love for the salvation of mankind. This love is now at work, trying to lead you to change and reach out to the new life, with a new consciousness of super abundance of good, as children of God.

## Jesus Christ Is Indeed The Last Adam

By reading the prophesy of the 70 weeks of years, as spoken of by the Prophet Daniel, recorded in God's word, the Bible, your understanding will grow to appreciate that Jesus Christ is indeed the Last Adam, the Eternal Father, the wonderful councilor, the Prince of

Peace and the Mighty God. By sacrificing His righteous life for the sins of the world of mankind, known to be the ransom sacrifice, he has become to us a life giving Spirit, giving his Spirit, the Spirit of which returned to God at the time of Christ's death. He died for us, and was raised up from the dead, to become a Spirit person, as a mighty King in the kingdom of God, ruling over his earthly domain, ruling from heaven over resurrected mankind.

Jesus Christ sacrificed he righteous human life, for you, the one with little faith, so that you can have imputed righteousness and everlasting life, as an adopted Son and Daughters of God. Based on this understanding, you are getting baptized into the death of the Christ, because Christ died a sacrificial death with reference to sin, the sins of the world of mankind.

You in turn desire to die in the Lord, Jesus Christ, in the likeness of His sacrificial death, and thereby, you die with reference to your own sins.

## *You Are Raised In The Likeness Of Christ's Resurrection*

You are raised in the likeness of Christ's resurrection. Christ died with reference to sin; therefore, you also die with reference to your sins, in Christ. Christ was raised with reference to the Spirit, from God, and therefore,

you also have the prospect to be raised up with reference to the Spirit, from God, which Spirit was also in Jesus Christ. Christ is the spiritual Son of God and you are the progeny of the Christ and the adopted Son, or Daughter, of God, by Spirit.

You are raised in the likeness of Christ's resurrection. This you can say with confidence, because Christ has died with reference to the sins of the world, and by this act, Christ has made his righteous life, his Spirit, available to anyone who desires to be set free from the accusation of sin and death. At your baptism you died in the likeness of Christ's death, by going under the baptismal water. As you come up from the baptismal water, you are raised up in the likeness of Christ's resurrection, you come alive with reference to the Spirit from God, the Spirit of which was also in Christ Jesus, our Lord.

## *You Are Conscious That You have Been Acquitted From All Sin*

You are conscious that you have been acquitted from all your sins, because you have died. Now, you are set free from the bondage of sin and death, because you have died, as to sin. The power of sin has been broken. This is possible on the basis of your faith in the ransom sacrifice of Jesus Christ. Baptism changes consciousness,

and consciousness is truth to you, you are what you think. This acquittal, from all your sin, causes God to make you come alive, by giving you his Spirit, the Spirit of which was also in Jesus Christ.

## Your Spirit Returns To God at Death

The spirit, which is from Adam, corrupted indeed, is given to Adams offspring through the Law of Procreation. At the time of your death, your spirit leaves the body and then that spirit returns to God who gave it. This transfer of spirit normally takes place at the time of your natural death, or, as in this case, at the time of your baptism, which is at the time of your spiritual death. This is a remarkable understanding, which leads us to embrace a changed consciousness. At the time of our baptism, the spirit, which is from Adam, goes back to God who gave it. It was Holy Spirit, at the beginning, and it became corrupted, when Adam sinned. Now, you are set free from the domination of that sin, because your spirit, which is from Adam, has returned to God, the Father, who gave it.

## Being Set Free From Sin, You Receive The New Spirit From God

At your scriptural baptism, you're being set free from sin and death; there you receive from God His Spirit, the Spirit of which was also in Christ, when Christ walked the earth as a man. Therefore, you are a new creation, born of water and Spirit, according to the Bible Book of John chapter 3. By partaking of the bread and the wine, at the celebration of the memorial of Christ's death, you enter into an agreement with God for a Kingdom, with Christ as King. Either you have a heavenly resurrection, to rule with Christ as associated Kings and Priests, or you have an earthly resurrection, as a righteous one, to enter into the Kingdom of God, here on earth. There you willingly subject yourself under the rule of Christ, and that of the Bride of Christ, which is made up of the 144000 associated Kings and Priests.

On the basis of being a new creation, born of water and Spirit, God declares you righteous; God imputes righteousness to you, as an act of justice, on the basis of faith and there God gives you undeserved kindness, which is based on love and on the mitigation of the Law of Consequences. You have become conscious of this change, which causes you to love God and the Christ with all your heart, and you love your neighbor as you love yourself.

*By Undeserved Kindness You Are  
Made Clean*

This change allows you to receive from Gods undeserved kindness, by means of which, you can be declared clean before God. In fact, you are being declared Holy. As a result of this, you are receiving the gift of everlasting life, from God, although you may have an ailing body, you have, nevertheless, the prospect to live forever, because God sees you as being clean and Holy. The Spirit in you, the Christ Spirit, facilitates everlasting life and that Spirit will bring to you the request of your heart, which must include health, wealth, love, peace and everlasting life. Should you die an untimely death, because of old age or due to sickness, than you will have a resurrection as a righteous one in the Kingdom of God, having Gods Spirit, the Spirit of which was also in Christ. That Spirit, which is from God, is with you forever.

Because you are in receipt of the circumcision of the heart, by Spirit, having the Spirit, which was also in Christ, you are clean. The urges as to sin are no more. However, should you cultivate strong desire for sin and practice sin, then there can no longer be any redemption from sin, otherwise the Christ will have to die many times on account of your transgression. This is no longer possible. In that case, there will be no resurrection from the dead and there will be no entry into the Kingdom of God for a willfully sinner.

*You Are A New Creation And God*

## Declares You Holy

However, you have changed consciousness, from a consciousness of lack and limitations to a consciousness of super abundance of good. You are a new creation and you are conscious that you have super abundance of good, which is supported by principle. As a result of this, you are now clean before God, the Father, and God declares you to be Holy. You are a Son, or Daughter, of God by adoption and you call God, Father, which is based on a Father, Son or Daughter, relationship.

You can now enter into the Kingdom of God to be subject to the kingdom rule of Jesus Christ, our King, High Priest and Leader and this for a period of 1000years of righteousness and peace.

## You Have Become The Progeny Of Jesus Christ

You have become the progeny of the Christ, and you have the Spirit from God, the Spirit of which was also in Christ. In addition to this you also put on Christ, because he died for you and set you free from the accusation of sin and error. You are a Christian, clean and Holy.

## You Are No Part Of The World

You are no part of the world, because God has chosen you to be out of this world. Because of changed consciousness and changed thinking; you can no longer identify with the world, whose thinking is based on a lack mentality. You have become Holy and righteous and you have received a consciousness of super abundance of what is clean, Holy and good.

## You Are From Christ The Eternal Father

Christ Jesus has become to you the last Adam, the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. He is your King, High Priest and Leader.

Christ has become to you the life giver, the Last Adam. You live, because Christ Jesus lives in you, by his Spirit, which is from God. You are the progeny of the Christ you are the offspring of the Last Adam.

Now you are able to love, because God loved you first when God gave his only begotten Son as a ransom sacrifice. You love God with all your heart and with all your soul and you love your neighbor as you love

yourself. You are the progeny of the Christ, the offspring of the Last Adam, forever and that to Gods praise and glory, into all eternity.

## Chapter 5

# Self Control

## Self Control Requires Power

Most of us understand that self-control requires power. But where we fail is in possession of power that can transform. This power is god-power and it comes to us by Spirit. But what spirit are we here emphasising. There is spirit in every living thing and there is Infinite Spirit, God, the source of all Spirit and power.

## The Spirit that Is From God

In our discussion we want to focus on the Spirit that is from God, the Spirit of which was also operative in Jesus Christ, our Lord. By taking possession of that Spirit, we will be able to cultivate the most powerful qualities man needs in order to exercise self-control. Self-control is a fruit of God's Spirit.

## Self-Control Is A Fruit Of Gods Spirit

Self-control is a word much emphasised, in the first instance, in the Bible, as being part of the fruit of Gods Spirit. Men of knowledge have considered self control to be a necessary quality to be cultivated, in order to enter

the fourth dimension of the universe, the Plane of the Absolute, the God Plane.

## This Book Is Written For The Upliftment Of Man

The Plane of the Absolute is the God Plane of existences and that plane can only be reached through the Law of Compensation, the Law of Forgiveness and through the mitigation of the Law of Consequences or the Law of Grace. Thereby, the person is becoming conscious of consciousness of power. This book has been written with the ordinary man in mind, for the upliftment of the man and the woman, to bring about change and faith, which can preserve alive, its owner. Without self-control there can be no lasting success.

## Without Consciousness of Power There Can Be No Self Control

On the other hand, without consciousness of power, there can be no self-control? Real power is displayed through self-control and unless we realise this fact, we will not be able to progress to the point taking possession of love, with lasting happiness, peace and success.

## Lack Of Self-control was needed From The Beginning Of Man

The history of mankind is a story, which is underwritten by a lack of self-control. This lack of self-control was introduced to mankind at the beginning, when in the Garden of Eden; where Eve wilfully displayed lack of self-control. There, in the Garden of Eden, Eve reached out to the fruit of the tree of the knowledge of good and bad, although having the understanding that this action would lead to death. It was as a result of reasoning, on the purpose of the tree, and its perceived goodness, and the benefit of the knowledge of good and bad that Eve finally became convinced that the fruit was good for food; she yielded to satisfy her desire for the fruit, to which death was attached as a retribution of error, and she ate. This action instantly resulted in changed consciousness, from a consciousness of abundance of good to a consciousness of lack and limitation. This event ushered in the age of lack and limitation, with man being in possession of spirit that had been corrupted by Adam and Eve's transgression, resulting in sickness and death.

## The Age Of Enlightenment Has Arrived

We are living at the time of great changes where old values are being replaced with new ones and uncertainty can everywhere be found. The age of enlightenment has arrived and many are searching for a higher calling in life. This is the time of sober contemplation of the deep things of God, and therefore, there is a need to reach out to knowledge and understanding that liberates and transforms to give freedom.

## Watchman What Of The Night?

Today, universal laws are being discovered and old human values are being overthrown, for the benefit of the greater whole. This raises the question: Watchman, what of the night? Indeed, the night is fast approaching and fearful indicators show that the survival of mankind, as a whole, may be at stake.

## Faith That Can Preserve Alive Its Owner

Now is not the time to seek riches and wealth for ones own selfish gratification and pleasures? No, now is the time to cultivate the faith that can preserve alive its owner. Therefore, arise and look at the harvest and see that it is white for harvesting. Now is the time for sober contemplation of the deep things of God and take in life

giving knowledge that will lead to true faith and everlasting life.

## Self Control Is Important For Success

Self-control is a vital quality, which is important, in order for us to succeed in our lives, and therefore, we need power to exercise self-control. But where do we obtain this power to obtain? This power is god-power, by means of which we will be able to display self-control, this being a fruit of Gods Spirit. This power can only come to us on the basis of true faith. This book is written to help the reader to grow in the knowledge and understanding, which must bring power to the reader, power, which is from God, the power of which will lead to self-control, with happiness, joy and peace.

## In The World There Are Two Powers, Good And Bad

But, by closer examination of all the facts, including the knowledge that gives us the understanding that we believe in two powers, we may miss its purpose. There are two powers to which mankind has subjected itself. There is god-power and there is evil power. God-power is designed to bring about what is good; and evil power brings about what is bad. Because, man has accepted the

power of good and the power of bad, he has accepted lack and limitations, which are the dominant thought forms in man's life.

However, with God there is constancy, and with Him, there is not a variation of the turning of the shadows. With God, there is no consciousness of evil nor is there any consciousness of bad. These concepts are mind creations of fallen man, these are illusions, which dominate our thoughts and from there we will bring forth every variation of the creation of bad.

What is needed is, the correct understanding, which belongs to the man who has a standing of righteousness with God, the Father. This understanding is based on a belief in one power, believing in God and good. Therefore, our belief in two powers must change and be replaced with a belief system that is free from error, leading to truth and God power.

## *Self-control Is A Fruitage Of Gods Spirit*

We believe that we can obtain this power, which is from God, and that belief is rooted in changed consciousness, which is a product of faith, it is based on the ransom sacrifice of the Only Begotten Son of God, Jesus Christ, our Saviour and Leader. Self-control and true faith are

both fruitages of the Spirit, the Spirit of which is from God, and that Spirit was also in the man, Jesus Christ. But in the meantime, while we are contemplating our standing with God, the power of evil dominates our thoughts, because we keep on giving power to what is bad, by our thoughts of lack and limitations. We are conscious of two powers, of God and evil and that is a real problem, which will bring to us pain, suffering, sickness, fear, insecurity and finally death. These are just a few of the problems we are creating for ourselves, apart from a lack of self-control.

## Real Power Is From God, By Spirit

Everything that we want to accomplish, in life, requires power of one sort or another and true and real power is from God, by means of Spirit; this Spirit was also in Jesus Christ. To obtain this power, we need to become subject to the transfer of Spirit, from Christ Jesus to men of faith. This comes to us at the time of our scriptural baptism, which is on the basis of true faith in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ.

## Dying In The Likeness Of Jesus Death

At the time of our baptism, we are required to willingly die in the likeness of Jesus Christ's death. Here, we need

to remember that the Christ died with reference to the sins of the world, of mankind. We in turn are also required to die, and this with reference to our own sins. Therefore, the person that has died, according to the scriptural injunction, will also be acquitted from all his sins, because he has died. The Greatest Book, ever written, bears witness to the fact that a persons sins are wiped out at the time of one's death. At that time, the person who has died has been set free from the accusation of sin, because he is free from the effect of sin, and therefore, sin is no longer counted to him.

## Christ's Spirit Returned To God Who Gave It

This change takes place while you are under the baptismal water, and there, God gives you His Spirit, the Spirit, which was also in Jesus Christ, our Lord. It is good to remember, that, at the time of Jesus death, on the torture stake, he breathed out his last breath and he died. At that time, the righteous Holy Spirit, which was in Christ Jesus, returned to God who gave it, because the scripture indicates in the Bible Book of Ecclesiastes 12:7 that man, at the time of death, returns to the dust and the spirit in man returns to God, who gave it. Now, that Spirit of God, which was in Jesus Christ, returned to God and from that day it is God's to give, to anyone, on

the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord.

## A New Creation Born Of Water And Spirit

After our baptism, we become conscious that we are a new creation, born of water and Spirit. Therefore, let us be humbled under the mighty hand of God, and become empowered, to do what is good, by the Spirit, within, by means of changed consciousness. This must manifest in a transformed personality, which is to be like that of Christ Jesus's, because of the Spirit, which dwells in us, which was given to us by God, the Spirit of which was also in Jesus Christ when walking the earth as a man. This is a remarkable and glorious transfer, which causes the recipient to be changed instantly into a new creation, manifesting the Christian personality.

## By Christ's Spirit We Cultivate The Fruitage of Gods Spirit

By the power of that Spirit, which now supports and operates our Christian life, we have the power of Holy Spirit, which was also operative in Christ Jesus, and the power of that Spirit allows us to cultivate the fruitage of the Spirit, according to the book of Paul's writings to the Galatians, in Chapter 5. This fruitage of the Spirit,

according to the book of the Galatians, Chapter 5:23, is the fruitage of love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control.

## We Are The Progeny Of The Christ

We are here reminded, that in fact, we are a new creation born of water and Spirit; and by this process we have become a new creation, we are the progeny of the Christ and the offspring of the Last Adam. We are declared to be Sons and Daughters of God, by adoption, through Jesus Christ, our Lord and King. What a wonderful understanding of the deep things of God. This knowledge and spiritual comprehension will help us to believe in only one power, which is God and good.

Why can we say this? This is a true understanding, which we have by means the fact that Holy Spirit gives no recognition to evil and bad, because bad has no principle, and therefore, bad can always be replaced by additional good. This is the change that every Christian has to undertake, in order to be set free from the urges of the fallen flesh, which leads to death. We have become conscious of being clean and Holy, as adopted children of God.

## Adam Had To Exercise Self Control, But He Failed

From the beginning of man, lack of self-control was introduced to mankind, when Adam and Eve ate from the proverbial tree of the knowledge of good and bad. It was a time of change, and self-control and love were the only fruitages of Gods Holy Spirit, which had to be exercised by the first human couple. They failed to exercise true faith, by giving way to reasoning on the right and wrong of taking or not taking of the fruitage, and thereafter, eating of the forbidden fruit.

Why do we make this statement? Because, every fruit of the Spirit is part of perfect man's way of life and this must included the fruitage of self-control. In fact, there are nine fruits of the Spirit that are in support of the man of God, and these are, love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control.

## *Self-control Demands from us One Power Consciousness*

Self-control requires a pre-condition, which is supported by belief and that belief demands to see only one power, which is God and good. For this reason, a tree was indicated to the first human couple in Eden, with the given limitation, not to eat of the fruit of the tree of the knowledge of good and bad. In fact, they were not to touch the fruit of the tree of the knowledge of good and bad, in order for them not to die.

This commandment came from God, which entered the subconscious mind of man as an absolute. However, for Eve, there was a clarification, which she required to be given, which raised the question; why should Eve not be eating from the fruit of this tree, when Adam and Eve were told to eat from every tree of the garden to satisfaction? Eve started to reason on this subject of the rightfulness of the tree of the knowledge of good and bad. This was a sin, whereby Eve started to cultivate a strong desire for the fruit of the tree of the knowledge of good and bad.

Eve failed to consider the fruit of the Tree of Life, which was also in the middle of their Garden Home. Her faith in God had become marginalised, by her reasoning on the subject of the rightfulness of Gods requirements, not to eat and not to touch the fruit of the tree of the knowledge of good and bad.

## *With God There Can Be No Bad*

Eve should have exercised faith in God's word, believing that with God there can be no bad, because bad has no principle and therefore, bad can always be destroyed by an additional good. By an additional good, the temptation of eating from the fruit of the tree of the knowledge of good and bad would have vanished. This additional good would have come to the first human pair, by means of eating from the fruit of the other tree,

which is the Tree of Life that was also in the middle of the Garden of Eden. This other tree, which was also in the middle of their Garden Home, was the Tree of Life. They failed to comply with the latter. Adam and Eve were aware, of the fact that to one tree death was attached, and to the other tree eternal life was given to the eater. It was a catastrophic mistake to reason and pay attention to the tree of the knowledge of good and bad and to cultivate desire for the forbidden fruit. They should have been taking and eating of the Tree of Life.

## *Eve Reasoned On The Law of God - Not By Faith*

Eve reasoned on the matter of good and bad. Why should she not eat from the tree of the knowledge of good and bad, when the fruit appeared to be good for food? This reasoning was a grave sin. Her subconscious mind would not allow her to take and eat the fruit of the tree of the knowledge of good and bad, because her subconscious domain was the seat of the Absolute, which was the God-man within. Violating her subconscious mind would have serious consequences, leading to changed consciousness and believing in two powers, of good and bad, when in fact, there was only one power, and that was the power of God and good.

## The Exercise Of The Fruits Of The Spirit Required God Power

Therefore, violating her subconscious mind was no option for Eve. Holy Spirit within did not allow her to violate her subconscious mind. She had to exercise the fruitage of the Spirit, which was self-control, which would prevent her from taking of the fruit and eating it. Self-control was a fruitage of the Spirit, which operated in Eve among the other eight fruitages of Gods spirit mentioned previously. The exercise and operation of all of the nine fruits of the spirit required power from God and that power was in plentiful supply, because of the righteousness that was in them.

## Desire Needs To Be Directed In The Right Channels of Thought

What Eve failed to appreciate was the fact that desire needs to be directed in appropriate channels of thought in order to operate for her benefit. However, Eve cultivated desire for something that would bring death to her. This was inappropriate and not the right thing to do for a righteous person. Such a desire was contrary to Gods will and purpose, and therefore, it could not be of benefit to her. In fact, it would lead to death for her and her husband and the offspring after her.

## Eve Kept On Looking At The Tree Of Good And Bad, Cultivating Desire To Obtain Its Fruitage

In addition to wrongly directed strong desire, Eve kept on looking at the fruit and allowed her desire to become stronger. Her subconscious mind could not support her desire, and therefore, by persistent desire directed in wrong channels of thought, Eve created an illusion, in order to reason, in an intelligent way, on the subject at hand, and thereby, she would become convinced that eating from the fruitage of the tree of the knowledge of good and bad would be good for her. Here we want to be reminded that Adam and Eve were creators, made in the image and likeness of God, their Father. Creating the concept of bad should have been no option in their case. However, her persistent desire brought about the corruption of spirit, leading to the creation of an illusion, which manifested in a speaking serpent, and that serpent reasoned with Eve in support of her desire.

## Eve Created Belief In Two Powers

During this reasoning process, and by the dialogue that followed between Eve and the Serpent, Eve became convinced that eating of the fruit of the tree of the knowledge of good and bad would be of benefit to her. Through her reasoning, Eve created a belief in two

powers, when in fact; there was only one power, God and good. Eve gave power to the concept of evil, which operated in opposition to Gods power. By this power of evil, Eve became convinced that eating from the tree of the knowledge of good and bad would be good for her.

## *A Secondary Power was Created By An Illusion, Which Manifested In The Speaking Serpent*

As a result of this, the power from God, which was able to give her the power to exercise perfect self-control, was marginalised. As a product of her illusion, a secondary power was created, which would give her the power and the belief that eating from the fruit of the tree of the knowledge of good and bad would be good for her. This illusion on Eve's part brought about a mind creation, which was in opposition to God-power, which, when obeyed, would rob Eve of God-power.

## *Evil Was Born Leading To Death*

The result for Eve was changed consciousness, from a consciousness of super abundance of what is good to a consciousness of abundance of what is bad. Evil was born, to bring to man every form of badness in support of man's desire, bringing about sin, which led to anxiety, fear, worry, insecurity, sickness and finally death.

## By Her Desire, Eve Became Weakened In Her Power To Do Good

Eve became convinced that what she was about to do was good and beneficial for her, and as a result of this, Eve became isolated from the source of all power, which is God and good. She became weakened in her power to do good and she became strengthened in the power to do bad, and thereafter, she took of the fruit of the tree of knowledge of good and bad and she ate. Later she also gave some of the fruit to Adam, and he ate.

## Adam and Eve's Sin Changed Consciousness

As a result of this, Adam and Eve instantly changed consciousness, from a consciousness of super abundance of good to a consciousness of lack and limitation. Adam and Eve became instantly conscious of not having enough, and thereby, they displayed a lack mentality, which progressively brought about sickness leading finally to death. This sin, which was brought about by Adam and Eve, finally affected the entire human family. Adam manifested a lack mentality, when in the Garden of Eden; and as a result of this, Adam started covering his loins. When God ask Adam why he was hiding himself in the garden, Adam replied to God, saying: 'I am ashamed, because I am naked'. Then God answered

88

and said: 'Who told you that you are naked'? 'Have you eaten of the fruit of the tree, of which I commanded you not to eat'? Then God gave them a loin covering. Adam and Eve became flawed for life, which manifested in a lack of self-control and to a consciousness of lack and limitations.

## *Adam and Eve Created An Illusion To Believe In Two Powers, in Good And in Bad*

Adam and Eve had unlimited power from God to display perfect self-control, as a fruitage of the Spirit, within, which was Holy Spirit. However, by uncontrolled desire, as was the case when considering the fruit of the tree of good and bad, Adam and Eve created an illusion, as a mind creation, as an imaginary power in opposition to God-power. By this illusion they became convinced, to believe that by taking from the fruit of the tree of the knowledge of good and bad they would become like God, knowing good and bad. This plunged humanity into isolation from God and man began to display a mental condition known to us as a condition of lack and limitation. The lack mentality was born, which led to a life of limitation and isolation from God, the source of all power. They began to believe in two powers, of good and bad, which led to their isolation from God power.

## Evil Was Born Thro' Forced Desire

Adam and Eve created a power, on the basis of an illusion, which was in opposition to God, which was the power of evil and bad. However, bad has no principle and could always be destroyed by an additional good. Today, mankind as a whole believe in two powers, in God and good as well as in believing in the power of evil and bad. By this duality of belief, man found himself to be isolated from the source of God-power. They obeyed an illusionary power, which is a thought creation of fallen man and this power has no right to exist, it is an illusion, which is in opposition to God-power. The tragedy of mankind's existence unfolded and to this end, the history of mankind is written in fear and violence, which proved to be our witness.

## The Law Of Compensation, Gods Way To Bring Change

Today, we are in a situation of a similar magnitude as that which took place in the Garden of Eden. God has come to our rescue by means of the Law of Compensation. By this law, the righteous life, which was lost at the beginning, had to be compensated or replaced with another righteous life, of equal value, as that which was lost. This came about through a man, who came to

be in the likeness of Adam's flesh, who is Jesus, the Christ, our King, High Priest and Leader.

## *The Messiah Had Come To Change Mans Consciousness*

The written account in the Bible bears witness to the prophecies in support of the coming of the Messiah, the Christ. Man had changed consciousness in the Garden of Eden, from a consciousness of super abundance of good to a consciousness of lack and limitation. They believed in two powers, the power of good and the power of bad, instead of believing in one power, in God and good. The Messiah had the assignment to change the consciousness of man, from a consciousness of lack and limitation, to a consciousness of super abundance of good. This change is now taking place in humanity with startling accuracy. Mankind, as a whole, is in need of this good news.

## *For Us There Is But One Power, God and Good*

The power, which is needed to display self-control, was lost at the beginning and this power needs now to be restored. This would mean that all of us, on this planet earth, are to benefit from a new power, God-power. First of all, we have to understand that there are not two

91

powers, good and evil, but rather there is, for us, only one power, which is the power of God and good.

## *The Messiah, The Last Adam*

Today, the Messiah, or the Christ, has come a long time ago and he became manifest on this earth as being the son of man, the Son of God. This one was righteous and Holy and he proved this by his life on earth. He was indeed the Messiah, the Son of God and the Last Adam, which was promised to come. Through Christ Jesus, our Lord, all mankind could change consciousness and take on the Christ, within, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, and come to belief in one power, of God and good.

## *By Love God Gives us His Spirit Which was Also in Jesus Christ*

On the other hand, God would do His part and that would include giving us His Spirit, which was previously also in Jesus Christ, our Lord. This would lead to changed consciousness, by being restored to Gods favour and have the gift of eternal life. Anyone, or all of mankind is encouraged to exercise faith in the Last Adam, or in the Christ, and be born again. By faith, a person would change consciousness from a consciousness of lack and limitation to a consciousness of super

abundance of good. This 'good' would include an abundance of power, which is from God, and by this power we can produce the nine fruits of God's Spirit, which included the fruit of self-control. This causes us to be happy and be at peace.

## *The Biggest Change Takes Place On The Basis Of Love*

By means of the Spirit, which is from God, the Spirit of which was also in Jesus Christ, the biggest change in man can take place, as an act of God's love and this to His praise and glory. This change can come to anyone by means of the scriptural baptism. In addition, we are to receive the blessings of the undeserved kindness, which is from God, which is also known to us as the Law of Forgiveness. This makes us perpetually clean before God, resulting in happiness to receive of God's blessings.

## *Take In Knowledge Of God's Word*

According to this process, we are to take in knowledge of Gods Word and of the life of the Only Begotten Son of God, Jesus Christ. Thereafter, we are to express faith in the things learned and believe in the ransom sacrifice of the righteous life of Jesus Christ. At the time of our baptism, we are required to die in the likeness of Jesus

Christ's death. He died with reference to the sins of the world of mankind.

## Be Willing To Exercise Faith In Christ

You in turn, need to be willing to exercise faith in Gods provision for salvation, and die with reference to your own sins, by being submerged under the baptismal water, where you die, in a spiritual way, as to your own sins. Thereby, you are being set free form the accusation of sin, through the ransom sacrifice of Jesus Christ. This is so, because the scriptures stated that everyone that has died has been acquitted from all his sins. By your willingness to die in the likeness of Jesus Christ's death, you are set free from the accusation of sin and as such you are set free from the dominance of death.

## God Gives You His Spirit, Which Was Also In Jesus Christ

Because you have done this, God now gives you His Spirit, the Spirit of which was also in Jesus Christ, and by this act you come alive with reference to the Spirit of Holiness. You are in fact a new creation, born of water and Spirit, which gives you entry into the Kingdom of God, with Christ as King. As you come up from the baptismal water you take in your first breath and God

94

declares you righteous and He gives you Undeserved Kindness, or Grace, and everlasting life. You are a new creation, indeed.

## You Are A New Creation Born Of Water And Spirit

You are now a new creation, a Christian, with the Spirit of the Christ now operating in you. You have become conscious of harmony with God, by the Spirit, within. As a result of this, you are to have whatsoever you desire and you take possession of it at the time of asking and it will manifest.

## Circumcision of The Heart By Spirit

Because you have the spirit of the Christ, within, you have in fact Holy Spirit operating in every cell in your body. By this Spirit, you can now receive the circumcision of the heart by Spirit, and thereby, you are declared to be a Son or a Daughter of God, by adoption. You are happy and you cannot be judged, at the time of Gods judgement of the nations, at Armageddon. You are clean by the Spirit of Holiness within.

## You Can Exercise Perfect Self Control

Therefore, as to self-control, you now have the power, which is from God, to do the things willed by the Spirit, within. In fact, you have become conscious of consciousness of power, and thereby, you can now exercise perfect self-control by means of the Spirit, which operates inside of you. Where Adam and Eve failed, in their exercising of self-control, you, who have the Spirit from God, which Spirit was also in Jesus Christ, you have succeeded and are standing firm in faith with a consciousness of super abundance of good.

## There Is Super Abundance Of Good For All Of Us

A person who has perfect self-control can also control the world. This you can also do as you walk so as to be fully pleasing God in all your ways. There is no longer any lack and limitation in anything you desire. All things are possible for you, as you venture out into the world with a new conscience, a consciousness of super abundance of good. You can conquer the world, as Jesus Christ also conquered the world. You are a super human and nothing is impossible for you.

## Moved By Unlimited Power From God

You have a consciousness of super abundance of all that is good and you are moved by the unlimited power from God, to display the fruitage's of the Spirit, which are love, joy and peace, mildness, kindness, goodness, faith, long suffering and self-control. You are happy in walking as a Son or Daughter of God and nothing is impossible for you.

## Use Your God Given Power Wisely

Use your God given power wisely and the peace of God, that excels all thought, will guard your heart and vital power by means of Jesus Christ, our Lord. You are a Son, or Daughter, of God, you are the progeny of the Christ and the offspring of the Last Adam. Enter into the Kingdom of God with Christ as heavenly King and enjoy growing to perfection over the 1000year rule of Christ, the King in the Kingdom of God.

## People Are Searching For A Way Forward

The unthinkable has taken place. Thousands of years of mankind's journey to the presence of today have been

dominated by a consciousness of lack and limitation, of every kind. This lack mentality is about to come to an end. Changes are everywhere to be seen and people are searching for a way forward, for a better life, with a better understanding of one's destiny.

The problem of self-control is universal in scope. Most people have given up in trying to improve their understanding of the forces at play. But the problem has always been the lack of accurate knowledge and the lack of understanding of the things pertaining to life itself. Many people have made much progress in the new psychology in order to find the answers to the complexity of life. However, time and again, they fail to see the bigger picture. They are lacking in self-control and that is why there are wars and human conflict.

## Reaching Out To The Last Vestiges Of Lack Of Spiritual Comprehension

This is now changing, as mankind reaches out to the last vestiges of lack of spiritual comprehension. Now, we can overcome guilt and fear, as we reach the ultimate plane of existence, the God Plane. The search is on for a fuller understanding of our spiritual identity, which must lead us to the conclusion that we are first and foremost

spiritual. Therefore, the progress, which we desire to make, must include our spiritual identity.

## Chapter 6

# The Man Within

## The Survival Of Man Is At Stake

From time immemorial, until now, the quest for the purpose of life has been ongoing. We have seen incredible progress being made by human endeavor to create a better life, for us all. We have made massive progress in our quest for advancement in science and technology, with a better future for us all in mind. However, we have also created a global situation where mankind's very survival appears to be at stake.

### An Invisible Barrier

There is a saying, that a fly trapped behind a window pane sees the bright light of day but is unable to reach the light it seeks. The insect flies toward the light, but cannot go beyond the glass barrier, which, in this case, is the window; the windowpane is what keeps the fly from reaching the light. Irrespective how many times the fly tries to get to the light, it cannot overcome the invisible barrier of the glass window.

We Have Created Invisible  
Spiritual Barriers That Keep us In  
A State Of Lack And Limitations

As humans we are displaying tendencies, which are similar to that of the fly. The fly cannot go beyond the glass barrier, as we also cannot go beyond an invisible barrier of our imagination, which takes on the form of an invisible glass ceiling. We are born thinkers and by our thoughts we desire and we create. The things we create are the things desired and seen with our eyes and pictured in our mind. However, there are also unseen barriers we have created, which are spiritual barriers that keep us in a limited state of being. We may accomplish many wonderful things, which we call success and we may even come into possession of great power and wealth, but we are unable to reach beyond the limitation of the imaginary glass ceiling; the ceiling of our mind.

*This Is The Paradigm Of Our Life  
That Keeps Us Limited Within  
Our Spiritual Barrier*

With our mind we should be able to perceive unlimited potential for success. This may be the case if we consider ourselves as living forever under perfect conditions with peace and security, but in reality, we have no power to go beyond the confines of the imaginary glass ceiling that keeps us in our limiting condition. This is the paradigm of our lives that limits us to the things seen. Time and again we have to face the reality of our limitation. We

104

may see through the imaginary glass ceiling, filled with desire, but the reality remains within the limitation of the proverbial glass ceiling.

This book has been written for every man and woman who have the desire to become liberated, being set free from lack and limitation that has brought about the world we see today.

## Become Empowered with A New Consciousness Of One Power, of God and Good

The time has come for change, now is the time to become liberated in our thoughts and aspiration and enjoy the prospect of unlimited success on an earth where there can be global peace and security for us all. Is this a dream? No, this is a reality that is rooted in changed consciousness, which liberates, to give us super abundance of good with health, wealth, love and goodwill. Please pay close attention to the things discussed, in this publication, and become empowered with a new consciousness of One Power, of God and good. There is an increased urgency to embrace the changes we need to make, leading to conditions of splendour and peace, for everyone desiring a life of freedom, here on this earth. This change must come

upon the entire earth, affecting every man, woman, the young and old.

## *Evil Cannot Exist With God, It Is A Mind Creation Of Fallen Man*

Now is the time to gain insight and understanding of the deep things of God and remove the limitations, which the proverbial glass ceiling has placed upon us all. This glass ceiling is nothing more than a mind creation. This mind creation springs from a wilful and forceful desire, which was directed in wrong channels of thought. The glass ceiling is an illusion and that illusion is rooted in an erroneous belief in two powers, of God and evil. But evil cannot exist with God, and therefore, evil can only exist in the mind of fallen man. Evil is a mind creation of our first parents, when they created evil as a self-willed act of rebellion against God.

## *At The Beginning, Man Was Conscious Of Super Abundance Of Good*

At the beginning, man was not conscious of any glass ceiling, nor were they conscious of any limitations. They were conscious that they had super abundance of what is termed good. There was no consciousness of bad and

man was conscious of One Power and that power is God and good. However, since we are conscious that we are made in Gods image and likeness, we are also conscious that we are from the source of all power, and that Power is God. However, since our first parents created a secondary power, for them to obey, they were, as a result, declared by God to be unfit for purpose.

## *Fallen Men and Angels Believe In Two Powers, in God and in Evil*

Here we want to be reminded that the creation of a secondary power is an illusion, a mind creation, and a sinful condition, which originated in the consciousness of fallen man. That secondary power has no right of existence. It is in support of lack and limitation, which is bad for mankind as a whole and must lead to death. This secondary power can only exist, in the mind and in the consciousness of fallen and sinful man. In the universe there is no secondary power, there is only God and good. Angels are also buying into the one power concept, and thereby, creating harmony with the source of all power and all good, which is God. Fallen Angels believe in two powers, believing in God and evil. This belief, in two powers, and the belief in lack and limitation has brought about every disharmony, every war, every disease and every mental disorder and a disorderly and chaotic society of men.

## We Need Help To Overcome The Limiting Condition Of The Spirit, Which Is From Adam

Today, we perceive humanity to be alienated from God and the spirit operating in man is corrupted by sin; and sin is lawlessness. We need help to overcome this limiting condition of our mind and that help can only come from the Creator of life, from God. It was God who brought about the first perfect man, Adam, who was commissioned to fill the earth with righteous offspring. Adam failed and plunged mankind into sin and death. That failure, on the part of the first man, Adam, requires the bringing about of the 'Last Adam' who must be of the flesh as that of the first Adam. The first Adam passed on sin and death to us all and the 'Last Adam' is to us a life giving Spirit. This is our destiny, to be transformed into a new creation, born of water and Spirit. This would mean that all humanity, both the living and the dead, could benefit from such a transformation.

## Breaking The Glass Ceiling Of Our Mind

Humanity as a whole has come a long way since the beginning of recorded time. At the beginning, man was privileged to see with the eyes of the Spirit. Spirit is the

Spirit from God that operated in man, which was Holy Spirit. That Spirit, in man, was in union with Gods Spirit, at the beginning. God caused man to see with the eyes of the Spirit. That was a wonderful time of existence and man walked as seeing the 'One Who Is Invisible', the Almighty, the Omniscient, the Omnipresent and Omnipotent.

## The Law Of Attraction Is An Impartial Law

Man had a consciousness of abundance of all good and there was nothing that man could not attain. Everything was in mans reach, including the concept of bad, because man creates by thoughts, by acting on the Law of Attraction. However, the Law of Attraction is a completely impartial law and this law will bring to man the good or the bad, it matters not to the law.

## The Concept of bad is Not Supported By Principle

Man, as a product of Universal Mind, was created in the image and likeness of God. However, bad, as a concept of thought, was not known, nor was it to be entertained by a Son of God, because the concept of bad is not supported by principle, since bad could always be

destroyed by additional good. Bad is nothing more than an illusion. There was an abundance of good that was available to the first human parents. Man had to become Life Conscious and that would require of man to avoid the concept of bad and embrace the concept of everlasting life, within.

## *Man Was Not Created With A Consciousness Of Everlasting Life*

Man was not created with a consciousness of everlasting life. Man had to do something that would change consciousness and that required of man to reach out to the proverbial 'Tree of Life' and eat its fruitage on the basis of faith, and thereby, man would have become Life Conscious. However, man was a free moral agent who was in need of the knowledge of God; therefore, God also had to indicate to man the tree of the knowledge of good and bad. The tree of the knowledge of good and bad had the power to change consciousness in man, from a consciousness of super abundance of good, to a consciousness of lack and limitation. Therefore, by reaching out to the fruit of the tree of the knowledge of good and bad, man failed to exercise faith in Gods command, and as a result of this failure, man changed consciousness to believe in lack and limitation. This changed belief resulted in mans death, as a retribution for error. This Consciousness of lack and limitation

caused man to be unfit for purpose. The result of this has brought about a world that is flawed and unfit for purpose.

## God Placed A Limitation Onto The Tree Of The Knowledge Of Good And Bad

For this reason, God placed a symbol of good and bad, a tree, in the garden home of early man. God attached a limitation to the tree of the knowledge of good and bad, and that limitation was not to eat and not to touch the tree and its fruitage, in order for man not to die. This was the only limitation that was imposed on man at the beginning. Man was under obligation to accept that limitation, on the basis of faith and not by reasoning.

## God Is Limited To The Doing Of Only Good

Here we want to be reminded that God, who is the greatest thinker in the universe, was purposefully limited to the doing of only good. This is so, because God creates whatever he desires, on the basis of love through the Law of Attraction. Bad was nothing more than a lack of good. But God is omnipotent, omniscient and

omnipresent and the concept of any lack does not exist with God.

## Failure to Obey Gods Commands Leads to Man's Death

Since the command, not to eat and not to touch the fruitage of the proverbial tree of the knowledge of good and bad, came from God, who is the source of all power and life, it had to be obeyed on the basis of faith. When acted upon in faith, then that limitation, not to eat its fruitage, would have gone straight into mans subconscious mind as a good thing. Failure, and non-compliance with Gods commands, would lead to man's death, because God is love. Man would change consciousness from a consciousness of abundance of all good to a consciousness of lack and limitation. That changed consciousness would lead to mans death, because mans thoughts are based on his consciousness of good, or bad. Man is what he thinks.

## Whatsoever Man Thinks About This He Will Also Bring About

It can be stated that man's consciousness is man's belief, his paradigm, which was originally based on a consciousness of good. Changing that belief and

replacing it with a belief of good and bad would lead to man's death. This must be so, because man creates by thought, and at the foundation of mans thinking was his belief, his consciousness, and whatsoever man thinks about this he will also bring about. Having the concept of bad in his consciousness must lead to thoughts of bad and those thoughts would bring about the very product of bad into mans life, leading to fear, anxiety, worry, sickness and finally death.

## *Only By Corruption Of Spirit Could Man Change Consciousness*

This took place at the beginning of man, while in the Garden of Eden. That change of consciousness took place after violating Gods commandment, not to touch and not to eat from the fruitage of the tree of the knowledge of good and bad. Man had a perfect consciousness, at the beginning; the only way man could change his perfect consciousness is by the corruption of Spirit. Spirit, in man, is the operating principle in man and that Spirit became corrupted by strong desire directed in wrong channels of thought. That Spirit was Holy Spirit, from God, and after mans transgression it became a corrupted spirit causing alienation from the source of all power.

## Change Of Consciousness Took Place By Strong Desire

This corruption of spirit, in the perfect man, within, could only take place through a process of reasoning. To do that, man had to become completely convinced that what he was about to do would be good for him. Change of consciousness took place by strong desire directed in wrong channels of thought. This was accomplished through reasoning, whereby, man reasoned on the right or wrong of eating, or not eating, of the fruitage of the tree of the knowledge of good and bad.

## A Fictitious Mind Creation, Based On Wrong Desire, Brought About The Speaking Serpent

Strong desire, by perfect man, directed in wrong channels of thought, must lead to the product of desire. In Adam's case it was man's desire for eating the fruitage of the tree of the knowledge of good and bad. By strong and persistent desire, directed in wrong channels of thought, a power in opposition to God-power was created. This is the power, which manifested in a speaking serpent. This was a fictitious mind creation, an illusion, as a figment of mans vain imagination. Eve, by communicating with the speaking serpent, became

completely convinced that what she was about to do would be good for her, and therefore, she ate.

## Man Had Created A Consciousness of Lack And Limitation

Adam changed consciousness, and as a result of this, he realized that he was naked, avoiding contact with God. Man has become ashamed of his nakedness, and Man had become flawed in his thinking. His spirit had changed and Adam had no longer unimpeded access to God, the Great Spirit. Man had created a changed consciousness and that was a consciousness of lack and limitation. As such, man was no longer able to approach God with freeness of speech. Therefore, man was forced to leave his Garden Home, in Eden, to live a life of lack and limitation, outside of the perfect environment of his Garden Home. This isolation, from God's Spirit, led to mans ageing and finally it led to his death.

## We Have Brought About An Invisible Ceiling beyond Which We Cannot Reach

How do we understand what this lack and limitation meant for mankind, as a whole? We have come to pride ourselves to be enlightened and educated with an

understanding of human destiny. This, so called enlightenment and this understanding has its limitations, being limited to the seen realities of life. However, we have little or no understanding in respect of the unseen realities of life. By this misconception, which is a limitation of our mind, we have brought about an illusion, resulting in an invisible ceiling, beyond which we cannot reach, nor can we understand the unlimited abundance that lies beyond the limitations of the invisible ceiling. This ceiling is global in scope.

## *The Invisible Ceiling Of Our Mind*

Some may argue that this cannot be true, since we have reached out well beyond the limitation of this world. This understanding may be backed up by the application and use of space exploration programmes. Here we need to remember, that man, in order to travel through space, must enter the limiting confinement of the space capsule and then travel into space. In other words, man takes with him the limiting environment, which the space capsule offers; the proverbial ceiling is the limitation of the physical environment of the space capsule itself. This is the product of man's vain imaginations, the invisible ceiling of our mind. The environment of the physical is limiting man to create the substance of the seen, however, the seen realities are forever changing leading to more lack and limitation.

## *Any So Called Success Is Limited To Mans Faith*

What about the amount of success a man can attain here on earth? Surely there can be no limitation to the amount of money a person can accumulate? From a human perspective, this may appear to be true, but from a universal perspective, the amount of money is limited to the imagination of man. That limitation has been created by what we may call the glass ceiling of our mind.

This glass ceiling may not prove to be a literal glass ceiling, but it is an imaginary glass ceiling, nonetheless, which may prove to be based on the very limitation we set for ourselves, due to the limitation we have within our consciousness. That limitation is nothing more than the proverbial glass ceiling, which we have created for ourselves, according to our limited understanding.

## *At The Beginning, There Was No Need For What We Call Success*

Therefore, success is an expression we have created for ourselves, based on our limited understanding, and that success is always limited to the height of the proverbial glass ceiling. At the beginning of man, there was no need

for establishing an understanding of success, because, our very existence was, at that time, the epitome of success. Man was declared to be the essence of what is good. Therefore, mans consciousness was a consciousness of super abundance of all that is good. There was no need to strive to a set measure of success; man was a living testimony to what success could and would ever be.

## *Mans Way, Is At Best Only A striving After Wind*

That is the reason why the wise man Solomon stated saying: everything that man accomplished and attempted to do was nothing more than a striving after wind. Therefore, everything we have created, and everything, which will be created in the future, by man, is subject to the limitation of the proverbial glass ceiling. It is based on our limited understanding of destiny, and it is based on the limitations of the laws we have created for ourselves. Unless we come to realise that we have a calling that is much greater then the things that we have been told to believe. We will continue to believe in the limitations of our mind, unless we come to realize the changes knocking on the door of destiny.

## As Long As We Are Conscious Of Our Limited and Fallen Condition, We Cannot Be Holy

As long as we are conscious of our limitations, as represented by the invisible glass ceiling of our mind, we cannot expect to have lasting and real success. However, should we be able to break through the limitation of the glass ceiling of our mind, then there is waiting for us the unlimited possibilities of Life Consciousness. How can we expect to break through the glass ceiling, of our mind, when, at the same time, we believe in two powers, of God and evil? Our belief system must change, if we really want to enjoy ultimate success without any limitations. By a belief in evil, we will continue create that what is evil in our lives, because we create by mind and thoughts, and therefore, thoughts of evil will always bring about more of the same thing and that is more evil.

## Whatever We Become Conscious Of That Is What We Also Believe

Here we want to be sober minded and come to realise, that, whatever we become conscious of that is what we also believe to be. As long as we consciously subject ourselves to the limitations of our proverbial glass ceiling, we can never expect to be set free. On that basis, we

cannot expect to reach harmony with our Creator, God. Indeed, that is what it is all about, us reaching harmony with the source of all power, which is God and good. That will require, of us, to break through the imaginary glass ceiling of our mind, and be set free from the curse of a consciousness of lack and limitation.

## *We Need To Be Set Free From A Consciousness Of Two Powers*

What are we to do? What can we expect our future to be? Are we expected to continue to live under the tyranny of those who we have elected? May that never be the case? Rather, let us reach out to acquire insight; knowledge and understanding that can preserve alive its owner. Let us reach out to be set free from the limitation of a consciousness of two powers, which is the power of God, and the power of evil. This is the tyranny of our mind. By this tyranny we will continue to create, for ourselves, the bad, which is based on our limiting thoughts. We have to throw this erroneous thinking far away from us we need to destroy our limitations and banish it from dominating our mind and our thinking processes.

## Change Has The Power To Bring In A Belief In One Power, Which is the power of God And Good

Whether we are Christian's, or Jews, whether we are Muslim's, or Hindu's, or whatever we have chosen to be, we have to change our thinking and our thoughts. By undergoing this change, in the right way, we will be able to change consciousness, from a consciousness of lack and limitation, to a consciousness of super abundance of good. This change has the power to bring in a belief in one power, which is the power of God and good. The lasting benefits of this change must lead to love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control. It must lead to an abundance of peace and poise with love and goodwill, and by this, we will be able to dissolve all negative thought vibrations.

Therefore, stop thinking in the way of death; rather think in the way of Holiness of Spirit, with super abundance of life and of all that is good.

## This System Of Things Has Failed To Deliver Love And Peace

What can we expect from this system, which we have created for ourselves, on the basis of a consciousness of

lack and limitations? Many thousand of years have passed since the original failure of man to maintain a consciousness of super abundance of good. The entire system of things, with its countries, political persuasions, languages, human organisational structures and their teaching organisations, is what is manifest before our eyes. This is a failed system of things, where the prospect of nuclear war looming ominously over our heads, as a constant reminder of our failure to find true peace and security.

## Is There A Way Out Of This Limited State In Which We Find Ourselves

We desire to be reaching out to what we may call the pinnacle of our lack mentality, calling it success in order to gain the applause of our fellow man. However, in reality, whatsoever we bring about is at best lacking in some way, and finally, it must be leading to death. What are we to say about this failed system, which we have created for own benefit? Is there a way out? Can it be changed for the better?

## We Have To Break Through The Proverbial Glass Ceiling Of Our Mind

There is a wise expression, underwriting knowledge and that is the understanding that bad will always fall away by its own weight. We are living at the time of the greatest changes, manifesting within mankind. These are momentous times, indeed. As humanity, we may have accumulated enough dead weight for our own destruction. However, is there no way out from this perceived calamitous certainty that is to come upon us all? Indeed, there is a way out of this calamitous situation. We have to break through the proverbial glass ceiling, which is the product of our vein imagination and the product of changed consciousness, in order to obtain the freedom of the children of God.

## You Are Called To Understand

We have followed the lead of those in power and we perceive that we have arrived at the end game of life. Science has added their understanding and all we are told to believe is that we are from lower forms of life and the calamitous conditions we perceive at the present are expected to lead us to a better future of some sort. The evolution theory has been presented to humanity as a

cornerstone of wisdom and of understanding human destiny. This will include the knowledge that is designed to keep us in ignorance and mental poverty.

## One Thing Appears Certain That Man Has No Power To Break The Glass Ceiling Of His Mind

In order to prove that man can do anything, and that the future may offer unlimited potential for what is good, one thing is certain; man cannot, on his own, break the glass ceiling of our mind that keeps man in a limited state of being. Science has brought about the exploration of space and possible space flights, which is perceived to be leading man to leave the limiting environment of our earthly home and enter the so-called ultimate freedom by means of space travel.

## So Called Progress Is At Best A Striving After Wind

Again we may think we have broken through the proverbial glass ceiling of our mind, by leaving the limitation of the earth and enter space. However, what we fail to realize is the fact that we are still surrounded with the imaginary glass ceiling of our mind, which we desire to believe that we have left behind. This is not

progress; this is delusional, the product of a self-willed mind, which is bent on proving that we understand our environment, painting a picture of unlimited achievements. This is nothing more than a striving after wind.

## We Are Blind To The Spiritual Realities

However, this is the fallacious mental condition of man who can only reach out to the things seen. However, the spirit realm remains locked out from man's understanding of destiny. We may perceive the limitless universe, by looking at it with powerful telescopes, but in respect to our spiritual eyes, we are blind, because we see what is bad, when in fact there is only good. We are conscious of the limitations of our environment, where the imaginary glass ceiling forms an impenetrable barrier, beyond which we cannot go. To penetrate the proverbial glass ceiling, we need to have spiritual insight to understand what it is that keeps us in this state of lack and limitation. We are indeed slaves of our limited thinking, seeing only the physical realities, being blind to the much larger, and unlimited, spiritual realities.

## We Need To Become Spiritualized Thinkers, Seeing The Roadway Ahead Free From Obstacles

This is now to change; we have to become spiritualized thinkers, seeing the roadway ahead of us free from any obstacles and limitations. This change we can only accomplish by leaning to look the way God looks at things and seeing what God see's. God sees with the eyes of Spirit. Here we need to understand that the first step to spiritual growth is to understand that we are from God. God is a Spirit and the only thing Spirit can do is to think. Therefore, God is the greatest thinker of all, and God creates by thought, and thought is the greatest power in the universe. Desire needs to be directed in right channels of thought, in order for man to progress in the way of righteousness in compliance with universal laws.

## We Have To Realize That We Are Fallen From Gods Grace, We Have become Unclean

Since we are from God, fallen indeed, we are first and foremost thinkers, created in the image and likeness of God. But, this realization and understanding that we are

from Source must cause us to be humble, which allows us to reflect upon the unlimited possibilities to do the good. We have to realise that we have fallen from an approved standing with God, and thereby, we have become unclean, deserving of nothing more than death.

## It Was Mans Failure To Act In Faith At The Beginning

It was man's failure to act in faith, at the beginning, when man was faced with the prospect to walk with God and enjoy a consciousness of super abundance of what is good. Man acted in a self-willed manner, independently of the God given direction, when it was clearly stated that man was not to touch and not to eat from the fruitage of the tree of the knowledge of good and bad. Man desired, to work it out for himself and to decide what is good and what is bad. However, that command from God, if disobeyed, would lead to man's death. As soon as man decided to work it out for himself, he had to realize his limitation to determine what was good and what was bad.

## Mans Own Way Led To A Belief In Two Powers Of God And Evil

Man chose his own way, the same way that has brought us to the brink of annihilation, through nuclear war. It started with a choice to be obedient to God's commandments and live by faith, or, to live by reasoning on the matter at hand, and making your own choice, deciding what is good and what is bad for our-self. We know the outcome of this self-willed action on the part of the first man. It led to separation from the source of all power and to a consciousness of lack and limitation. It led to a belief in two powers, the power of good and the power of evil.

*With God There Is No Evil, There Is Only good*

However, with God there is no evil, there is no bad, there is only super abundance of good, and the first man was cut off from this super abundance of good and man became a creator of what is bad. By man's consciousness of lack and limitation, man was no longer able to commune with the source of all power, which is God. Man desired to be his own god, and therefore, man was cut off from the source of all power and good, which is God.

*Where Is Mans Paradise Of Plenty,  
where Is Mans Power*

Today, we are invited to look and see for ourselves what man has created? Where is the paradise of plenty? Where is the wisdom and understanding of destiny? Where is man's power? Can man harness the limitless energy of the universe, when, at the present time, he is unable to bring about safe nuclear energy, without the risk of global catastrophe. There is an ever-present danger, the danger of destructive calamity, bringing possible destruction upon man and beast? This event is now closer than we may realize. All the signs, we see all around us, seem to indicate that the fall of the proverbial Great Harlot, riding the seven headed Wild Beast of the Bible book of Revelation, is imminent, which will plunge mankind into mayhem and anarchy.

## *We Have Failed In Our Endeavour To Bring About A Better World*

Have we been able to bring peace and prosperity to all of humankind, certainly not? We have failed miserably to bring about justice, righteousness and prosperity to mankind through the agency of human government and their institutions. We are teetering on the brink of a third world war and we have the audacity to consider this as a real possibility. What is this madness we have brought about over the many thousands of year of human endeavour. We have completely failed to bring about peace and security, and therefore, it should be to no

surprise, to any one of us that God, from long ago, has spoken of a time when God will step in and bring to ruin those ruining the earth. This is indeed a fearful prospect to all those who continue to rebel against the incoming Kingdom of God.

## The Kingdom Of God Will Bring About Changed Consciousness With Super Abundance of good

This Kingdom of God, with Christ as King, will break the proverbial glass ceiling, which is nothing more than a figment of man's vain imaginations. What no man-made government can do, namely the changing of man's consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good, will be accomplished by God's Kingdom, with ease. In addition, surviving humanity, in the finality, will have a firmly rooted consciousness of one power, which is the power of God and good. These changes will come upon the inhabited earth as a witness to all the nations and then end will come. The man, within, is to be revealed, as a new creation, born of water and Spirit.

## Spirit Is From God And Spirit Is Truth, It Changes Consciousness

We understand that consciousness is truth to us, it has come to us by Spirit, and Spirit is from God, the Spirit of which was also operative in Jesus Christ, when Jesus walked the earth as righteous man. At the time of Jesus death, that Spirit, which operative in the Christ, returned to God who gave that Spirit. From that time on, it was God's privilege to give this 'Spirit' to anyone on the basis of faith, the faith of which must be in the ransom sacrifice of Jesus righteous life. This arrangement, of God, was based on the universal 'Law of Compensation'. This law will facilitate the changes, which are needed in human society.

## *Faith Has The Power To Change Consciousness In Man*

This arrangement, which is based on faith, has the power to change consciousness in man, because man, at the time of his baptism, is being born of water and Spirit, thereby, becoming a new creation, indeed. At the time of baptism, man dies in the likeness of Jesus death and man comes alive with reference to the new Spirit, given to the baptismal candidate, by God. This is the Spirit, which was also in Christ. From the time of our scriptural baptism, man becomes conscious of being a new creation, being born of water and Spirit. He has received the Christ-Spirit, within, and by that Spirit, he is declared to be clean, by God, the Father. Now, God

gives man undeserved kindness, which is according to the 'Law of Forgiveness', and thereby, that person is viewed by God as being clean and ready to be declared a Son, or a Daughter, of God, with everlasting life in view.

## Any Man Can Be Benefitted To Become A New Creation, Being Born Of Water And Spirit

Man, at the time of his baptism, changes consciousness, in an instance, from a consciousness of lack and limitation, to a consciousness of super abundance of good and a consciousness of one power, which is God and good. Bad, or evil has no longer any power over a Christian, because bad is nothing, it has no power, and it can always be destroyed by an additional good. Man will have been set free from the enslavement to sin and death, and as such, man cannot judge his fellow man, because he sees in every man the same potential for change, which he himself has experienced. He is being set free from sin and death, by means of the Spirit from God, within, the Spirit of which was also in the Christ.

## A True Christian Sees God In Every Face And Good In Every Situation

The proverbial glass ceiling has been broken and man has been set free from sin and death and from lack and limitations. Whatsoever man desires, this he is also able to attain and that at the time of asking and it will manifest in his, or her life. A true Christian sees God in every face and good in every situation. Evil thought-forms have no longer any hold on him, because of the Christ Spirit, within. He, or She, loves God and His Son, the Christ, with all their heart and vital energy and they love their neighbour as they love themselves.

This is the future of humanity, as a whole, and this good news must be spoken to all we meet, so that many will be saved from condemnation at the time of God's Judgement of the nations. Blessed are all those who die in the Lord, at this time. This blessing will change consciousness, in all individuals, on the basis of faith in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ, our saviour.

## Chapter 7

# On the Plane of the Absolute

## One Power Consciousness

It is with humility that we must acknowledge the wisdom of God, which has become manifest to men of ordinary means. To grasp the weightiness of this statement we need to go back to the time of long ago. It was the time when man started his debut on earth. It was when Universal Mind, or God, stated that what He had created was very good. It was the beginning of the chapter in mans history, which must finally end in love, peace, glory, joy and happiness for all men of goodwill. This is the time of goodwill to gather together all the righteous fruit according to Gods will and purpose.

## Man Made In Gods Image And Likeness

The beginning of physical manifestation, of godliness in the flesh, was by means of the creation of the first man Adam, the Son of God. Adam was perfect in all the physical aspect of life and Infinite Spirit, the Father, continued with the process of grooming Adam for a life of righteousness for an eternity, here on this earth. This meant that Adam had to be introduced to the responsibilities of godly life. Now, Adam was God's Son, he was also a creator in the likeness of God, the Father. Adam had to understand that righteous principles have

the right to exist eternally. Man, who is walking, must embrace these righteous principles for his own good.

## To Live By Principle Causes Man To Be Fit For Purpose

But there were also manifestations, which are not supported by principles and these manifestations needed to be avoided, by free moral agent man. Although, man may be aware of these manifestations, but not necessarily existing within man. This understanding and compliance with principles would make Adams creative ability godly, and fit for purpose. This would prove to be a pivotal quality of Adams existence, as a Son of God, in the flesh.

## Two Trees Were Indicated To Adam At The Beginning

Thereafter, it was stated by Universal Mind, that, all given creation on earth would be subject to Adam and his offspring after him. This was Adam's domain, and the power to accomplish all of this with ease came from Infinite Spirit, the Father, the source of all power and love. For this reason, God pointed out two trees in the middle of their Garden Home, and stated; from every tree in the Garden you may eat to satisfaction but from the tree that is in the middle of the Garden you must not

eat, you must not touch it that you may not die. Here we want to remember that there was also another tree which was also indicated to Adam and that was the Tree of Life, with no restrictions attached to it.

## God Loved Man First

This instruction, by God, not to eat and not to touch the fruit of the tree of the knowledge of good and bad appeared to Adam and Eve as a restriction, as a limitation. This was the first and the last restriction given to man, by God. This tree of the knowledge of good and bad should have caused Adam and Eve to meditate with respect to its purpose. They should have called to mind the fact that God loved man first, therefore, the purpose of the tree could and would reinforce the love God has for man. Also, the first human creation should have understood that they found themselves on the Plane of the Absolute, the God Plane of existence, and nothing would be impossible for them. They had unlimited power from God to do the things pleasing in their sight. They had to find out the good, which God communicated to Adam and Eve, which was by means of the tree of the knowledge of good and bad. This good would come to the first human pair on the basis of obedience by faith. Here we need to remember that all of God's commandments need to be obeyed by faith and not by reasoning.

## Eve Looked At The Tree With Eyes Of Man

But, this was not to be so at the beginning. Eve kept on looking at the tree of the knowledge of good and bad, and cultivating desire for its fruitage. Eve was only looking at the physical reality and the benefit this could have for the fleshly person. She saw that the tree was good for food, but she failed to consider the more important aspect, which was that of love that was behind the prohibition not to eat from the fruitage of the tree. Eve was not to touch the tree and not to eat of its fruitage, in order for her not to die. That was the commandment from God to his earthly children.

## Directing Desire In Wrong Channels Leads To Chaos

As we know, the end result was a catastrophic failure to discern the love that was to protect the human couple from becoming unfit for purpose. Instead, Eve cultivated strong desire for the fruit of the tree and strong desire will always lead to obtaining the product of desire, because desire is based on thoughts, and thought forces are the strongest creative forces in the universe. By desire we create, but by forced desire, directed in wrong channels of thought, we can bring about disastrous and

chaotic results. This was the case in point, with Eve.

## By Forced Desire and Corruption Of Spirit, the Speaking Serpent came about

Eve had Holy Spirit operating in Her and that Spirit did not know the concept of bad. Bad could only be created by forced desire, directed in wrong channels of thought, which led to the corruption of Spirit, within, and as a result of this, the spirit, within, became subservient to the desire of the flesh. Eve's desire led to reasoning on the subject of right and wrong, as to God's instructions. It became a dominating force in her life. The Spirit, within, in order to comply with Eve's desire, produced an illusion, which was a mind creation and as a result of this the speaking serpent became manifest.

## Whatever You Believe, will prove to be Truth To You

In order to justify her desire, which Eve had within, Eve entered into dialogue with a lowly serpent in order to become convinced of the rightfulness of her eating from the fruit of the tree of the knowledge of good and bad. By this dialogue, with a lowly serpent, Eve became thoroughly convinced that the fruit was good for food,

and therefore, she took of the fruit of the tree and she ate. Later that day, she also gave some of the fruit to Adam and he ate. What they failed to realize was the full effect of ignoring God's prohibition, not to touch and not to eat of its fruitage. This prohibition, if ignored, would result in their death, it entered their perfect mind as truth, as an absolute, because Spirit is truth. This transgression resulted in changed consciousness, in Adam and Eve. It changed their belief, resulting in a belief of lack and limitation and that belief turned out to be truth to Eve.

Adam and Eve went against established truth, which was by means of Spirit. Therefore, they changed consciousness after eating of the trees fruitage; they changed from a consciousness of super abundance of good to a consciousness of lack and limitation, leading to their death. For, whatsoever you become conscious of, this is truth to you, therefore, Adam became conscious of lack and limitations and this turned out to be truth to him, dominating his thoughts and leading to alienation from the source of all power, which is God? Adam and Eve started to believe in two powers, in God and evil. This is a gross sin, which is the belief in two powers, when in fact there is for us only one power, which is God and good.

*Adam and Eve Failed To See The*

## Good The Tree In The Middle of The Garden Communicated To Them

They were cut off from the source of all power, and now, they had to live with a consciousness of lack and limitation, which resulted in ageing, fear, sickness and death. Adam and Eve had failed to see the greater good that was behind the tree of the knowledge of good and bad. This greater good would have prepared them to become truly godlike in creative ability and discernment. They would have learned that a godlike creator would never want to create anything bad. The concept of bad, once accepted for themselves, would make them unfit for purpose.

## Desire For The Tree Of Life Was An Appropriate Requirement

Bad, in whatever form, has no principle, it has no purpose in the out-working of what is beneficial and good, for a godlike creator, man. Bad is nothing at all because it can always be dissolved by an additional good. Therefore, it can be stated that bad indicated an absence of good, but, Adam and Eve possessed an abundance of good, they had a consciousness of good. Therefore, their action was inexcusable, it lacked in love and in wisdom, and their action was based on a lack of faith. If the first

humans would have meditated on the love, which God has for them, then love would have been the power behind their action, and then the original sin could never have happened. Love would have caused them to eat from the Tree of Life, and thereby, they would have become Life Conscious.

## *Action By The Chief Agent Of Life Is Required*

Now, many thousand of years have passed and mankind has literally filled the earth with people to do what is bad of every description and magnitude. It can be stated that wickedness has come into full expression and Universal Mind, or God, is about to take action on behalf of righteous mankind. The Christ, who has become the Chief Agent of Life, supports this action of God.

## *Enter Into The Peace Of Infinite Spirit*

But many are asking themselves, is it really possible to expect change, manifesting in a transformation from wickedness to righteousness? Can we ever expect to reach the Plane of the Absolute, the God plane of existence, as was the case at the very beginning of man? Here we must deliver a resounding affirmation. It is

indeed possible for individuals to find the way back to the Plane of the Absolute, to reach harmony with God, the Father. This possibility has been made available by God, since Christ Jesus made his debut here on earth, the Christ introduced to mankind the prospect of entering into the Kingdom of God on the basis of faith in the ransom sacrifice of his righteous life.

## Can Your Faith Preserve Alive Its Owner

This prospect of change is nearing its time of fulfillment and completion, and there is a measure of urgency attached to the call for change. Religion as a whole is under pressure from all sides and people of faith would do well to examine their standing with God on the basis of their faith. Can their faith preserve alive its owner? If your faith is able to deliver and preserve you alive its owner, at this pivotal time now so near at hand, than that would prove to be the right kind of faith. However, should there be any doubt as to God directed truthfulness, then it would be wise to examine your faith, referencing it to the written word, the Bible, which is the greatest book ever written. Remember, to enter into the Kingdom of God, you have to be born of water and Spirit, you have to become a new creation.

Take In Knowledge Of The

## Teachings Of The Christ

Now, this is what the scripture state; you are to take in knowledge of the deep things of God and of His Christ and learn about the teachings of salvation. After you have made sure that the teachings of the Bible are truth and are rooted in universal law, that it is scientific and true, then you have found a treasure of immense value. You have found the doorway, which leads to the Plane of the Absolute, the God Plane of existence.

## Teachings Must Be Based On Universal Laws

Here we need to be sober-minded. Any teachings, which is not backed by universal law and universal principles is not truth. Truth speaks with authority; it is certain and leaves the student without any doubt. Here we talk about the Law of Compensation, which is backed by a life for a life principle, which indicates that the righteous life, which was squandered by Adam, must be compensated by a life of equal value to what was lost.

## Love of Infinite Spirit or God Is Behind The Righteous Seed

This is a profound statement and it satisfies justice. But is it possible to bring about a perfect life again after it was lost by a selfish act, by the first man, Adam? Indeed, it is possible, because with Infinite Spirit, or God, nothing is impossible; he is our maker and statute giver. He is our God and the Father of righteous ones. Out of love for mankind God prepared a way from long ago, to raise up a righteous seed, the Messiah, who became manifest at the right time, so that no man could argue otherwise.

## The Messiah Came In The Role Of Adams Flesh And He Came To Be Born Of Woman

Over a period of 70 weeks of years, from the first announcement to his arrival 483 years have passed, so that when he arrived, the written word would bear witness about the truthfulness of his identity. He became known as Jesus Christ, the son of man, and the Son of God. Now, here we need to understand that Adam was also called the Son of God, because Jesus came in the flesh like that, which Adam had before his transgression. Jesus was not God in the flesh, no, he was the Son of man, and the Son of God, and Jesus was flesh, born of woman.

Jesus Christ Was Conscious Of

## Being The Last Adam

Now the son of man, Jesus Christ, had the righteous credentials to be called Holy, because he was clean from God's point of view. He was without sin and a righteous life like that, which was in Christ, has the universal right to continue to live for eternity. Jesus Christ was conscious of his approval by God, the Father, and therefore, he was conscious of the fact that his life was the only righteous human life on earth, after Adam squandered his righteous life by his transgression of the God given commandments.

## This Is The Faith

This is the faith: Christ laid down his righteous life as a sacrifice, for sinful mankind, so that, on the basis of faith in this sacrifice, God could redeem sinful man. Therefore, Christ Jesus died willingly, with reference to the sins of mankind. Putting faith in this sacrifice would require believing that the person of faith would benefit if he or she would die in the likeness of Jesus death, dying with reference to his or her own sins. The right to everlasting life was transferred from the Christ to God, his Father, at the time of Jesus death, and God, thereafter, transfers the life Spirit that was in the Christ to any person, on the basis of faith. Jesus died as a righteous man for unrighteous ones, once for all times,

therefore, you also, by faith, you can choose to die in the likeness of Christ's death.

## *A Person That Has Died Has Been Acquitted From His Sins*

This means that a person that has died has been acquitted from his sins, because he or she has died. The greatest book ever written, God's Word, the Bible, corroborates this. Because, a person of faith that has died in the Lord, he or she as been set free from sin, on the basis of faith, and therefore, he or she can now receive the righteous life force that was sacrificed. Jesus righteous life, which has the universal right to live eternally, on earth, can now become yours. It is by faith that you receive this life from God, the Father, and this by God giving you His Spirit, the Spirit of which was also in Jesus Christ, our Lord.

By this process you have the prospect to become the progeny of the Christ, and God, the Father, gives you righteousness, undeserved kindness and everlasting life.

## *You Have To Die In The Likeness Of Jesus Death*

What are we to say; are we to be declared righteous by

faith and receive from God his Spirit, the Spirit of which was also in Jesus Christ, our Lord? Indeed, we have been declared righteous, on the basis of our faith, in the ransom sacrifice of Jesus righteous life. Now, Christ Jesus becomes our progenitor, the last Adam. The first Adam passed on to us his spirit, which was corrupted, by sin, and thereby, we were sold into sin by the law of genetics, and by the Law of Procreation. The last Adam has achieved a reversal, in that he died for us; and we ourselves also, in like manner, die willingly in the likeness of Jesus Christ's death. This takes place at the time of our baptism, in order to receive from the Father, God, his Spirit, which was previously also in Jesus Christ, our Lord.

## God Gives us His Spirit, Which Was Also in Jesus Christ

The process is this. Christ Jesus, who was flesh in the likeness of Adams flesh, died a sacrificial death. At the time of his death, he breathed out his last breath and the Spirit, which was in Christ Jesus, left his body and it returned to God, who gave it. In like manner, at the time of our baptism, we are submerged in a body of water by faith, and there we die in the likeness of Christ's death. That baptism is in fact a sacrificial death, and by this action, our spirit, which we had from Adam, leaves our body and returns to God. Now God, seeing that we have

died and we have become acquitted from all our sins, steps in and gives us His Spirit, which is God's Spirit, the Spirit of which was previously also in Christ Jesus, our Lord. By this action you have become a new creation, born of water and Spirit. By this change, God declares you righteous, and you receive undeserved kindness and everlasting life. You have received the right of entry into the Kingdom of God as a righteous one.

## *A New Creation Indeed*

By this arrangement, we have become a new creation, indeed. But now that we have received the Spirit, which was also in Christ, we have become like Jesus Christ and we have become conscious of the love, which God had for us, first. Now, with the Spirit of the Christ operating in us, we have become a much-loved creation to God and he calls us Sons, and Daughters, and we call Him, Father.

## *We Have Been Circumcised In The Heart By Spirit*

By the Spirit that has been given to us by the Father, which Spirit was also in Christ, we have received the circumcision of the heart by Spirit and we have been declared clean and Holy, by God; and that is what we are. This understanding is very precious to us, because

150

by this understanding we change consciousness, from a consciousness of lack and limitation, with sickness and death, to a consciousness of super abundance of all that is good, with everlasting life in view.

## We Have The Power To Abstain From Practice Of Sin

By this Spirit, which was also in Christ Jesus, we have extraordinary power to abstain from the practices of sin. Being declared free of sin, cause us to be joyful and happy, and as a result of this, we love God with all our heart and all our vital energy and we love our neighbor as we love ourselves. We have become a new creation born of water and Spirit; we are the progeny of the Christ. Now is left for us the entry into the Kingdom of God, to be blessed with an abundance of health, wealth and love with righteousness and everlasting life.

## We Love Because God Loved Us First

We have become the product of Universal Mind, or a product of God's love, and therefore, we love in imitation of the love God had for us, at first. We rejoice in our newly found freedom, as children of Universal Mind, or God, with everlasting life in view. We have the

privilege to be used as fleshly foundation stones in a new human society made up of resurrected mankind, being of service to our King, High Priest and Leader, Jesus Christ, whereby, we finally become all things to the glory of Universal Mind, or God, with everlasting life in view. We have entered the plane of the absolute and whatsoever we ask of Him this we shall also have, because we belong to Him who loved us first.

## Life Consciousness Gives Insight To Reject Bad

However, without eating from the Tree of Life, there can be no lasting life. It was like this in the days of Adam transgression. Adam failed to go to the Tree of Life and eat from its fruit in order to change and become Life Conscious and enjoy a consciousness of super abundance of good. As such, he would have been fit to reject all temptations from a super consciousness of good, and therefore, he would only bring about good from a super consciousness of good, resulting in perfect harmony with his Father, God.

## They Failed To Eat From The Tree Of Life

But, as we have come to know, Adam and Eve lived in a

paradise of plenty and they had no knowledge of lack or limitations, nor did they have Life Consciousness, with consciousness of super abundance of good. They failed to see the benefit of eating from the Tree of Life, and therefore, they ignored the Tree of Life. However, they did not fail to notice the tree of the knowledge of good and bad, more than that, the tree of the knowledge of good and bad appealed to them in respect of the food that was on it

## The Power Of Bad Was Created By Desire

The tree of the knowledge of good and bad appealed to them in a fleshly way, and therefore, they kept on looking at the tree and the tree was desirable to their eyes. They created the pretext, which allowed them to take of the fruit and eat it and as a result of this, they changed consciousness. This was a change from a consciousness of abundance of good to a consciousness of lack and limitations and they started to die. So, also today, we have to ensure that we remain on the Plane of the Absolute, forever, as Sons, and Daughters, of God.

Jesus Christ gave us The Real Bread From Heaven

To accomplish this, we need to cultivate desire for the antitypical Tree of Life. Today we have again two trees, the tree of the knowledge of good and bad and the Tree of Life. The Tree of Life appeals to the spiritual man and this tree stands for taking in spiritual food with everlasting benefit. This food, of the antitypical Tree of Life, is perfect food, and this food is the proverbial bread from heaven, which Universal Mind, or God, supplied by means of Jesus Christ. This bread from heaven was supplied, when Christ offered his righteous life for the sins of the world. This is the real bread from heaven, and anyone feeding of this bread will never go hungry again. The life sustaining power of this bread of life will give a consciousness of everlasting life, in perfection.

## You Have Been Born Of Christ

As a result of this, you change consciousness to super abundance of good, with everlasting life in view. When you have attained to super abundance of good it will be almost impossible to sin, because you have become like God, knowing good and bad. Bad cannot manifest where there is consciousness of super abundance of good, because you have been born of Christ, and therefore, you love in imitation of the love God has for you.

Backed By Gods Spirit, Changed

## Consciousness Is Truth

You changed consciousness; and changed consciousness is truth to you, because God's Spirit is at the back of you. Therefore, from the storehouse of super abundance of good, from your sub conscience mind, you can bring forth only what is good? The power of fear, and the consciousness of bad, has been broken forever, it cannot manifest where there is a consciousness of super abundance of good.

## By The Memorial Celebration of Jesus death You Eat Of The Tree Of Life

This, eating from the antitypical Tree of Life, takes place as you break the unleavened bread and drink the unfortified wine at the memorial celebration of the death of Jesus Christ, our Lord. This memorial celebration takes place once year based on the Jewish calendar day of Nissan 14, which is the day of the Jewish Passover celebration. By eating of the unleavened bread, broken indeed at that celebration, you take in the righteous flesh of the Christ, in a figurative way; and by drinking the ceremonial unfortified red wine, you take in the life sustaining benefit of the Lords sacrificed blood. By this action, you take in the atonement for your sins, which

causes you to be righteous, until the Christ comes in Kingdom power to bring resurrected mankind to perfection.

## You Have Become Fit For Purpose

You have become clean and righteous with a conscience of super abundance of all good. You have become fit for purpose, and bad, in whatever form, cannot manifest in you, because of your being in possession of a consciousness of super abundance of good. Therefore, whatever you ask of God, this you shall also have and that at the time of asking and it will be given to you. You have changed, to be like God, and God has become manifest in you, through the Spirit of God, which Spirit was also in Jesus Christ.

## You Have Entered The Plane Of The Absolute

You have entered the Plane of the Absolute, the God Plane of existence, and you are a Son, or Daughter, of God. You have harmony with God, the Father, and whatsoever you do will prove to be a success. You are a living success; you are at peace, with joy and happiness, with health and wealth, and in the end, you shall have everlasting life in perfection.

## Chapter 8

# Concluding Thought

## A Reflection

In this short publication we have addressed the man, within. This is the man, or the woman, that has undergone changes in consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good, with health, wealth and love. This is the change we have been encouraged to undergo when Jesus Christ stated to his followers to make disciples and baptize them in the name of the father, the Son and the Holy Spirit. Why do we have to listen to this when we know that every Christian has been baptized in the name of the Father, the Son and the Holy Spirit? Here we want to appreciate, that baptism is a spiritual experience, requiring full submersion under the water by faith, which can preserve alive its owner.

## You Cannot Enter Into The Kingdom Unless You Are Born Of Water And Spirit

If we were baptized in the proper way, the way that is supported by the teachings of the greatest Book ever written, the Bible, which is based on the teachings of Jesus Christ, then we are indeed privileged to enter into the Kingdom of God, with Christ as king. We would have come to qualify and comply with the requirements underwritten by the words of Jesus Christ, when a

member of the Jewish Sanhedrin, named Nicodemus, visited Jesus at night. At that time, Jesus stated; speaking with Nicodemus saying: 'You cannot enter and you cannot see the Kingdom of God unless you have been born of water and Spirit'. At that time, Nicodemus did not understand what Jesus was talking about. Therefore, we, also, cannot expect that all so called Christians understand what Jesus was referring to, when he mentioned to Nicodemus, that, a person must be born again in order to enter into the Kingdom of God.

## *Salvation Is Based On Faith*

Today there are over 2Billion Christians on earth all claiming to comply with the biblical requirements for baptism. However, we need to understand that there are over 2000 differing Christian faiths, each one claiming to be following the biblical requirements for baptism. To understand what this means, is not always easy for most of us. We have to understand that salvation is based on faith, in the ransom sacrifice of Jesus righteous life.

## *A Righteous Person Is A Son Or Daughter Of God*

First of all, we need to understand that a righteous person is a Son, or a Daughter, of God, and as such this person is Holy, because of the Spirit, within, or because

the man we are, within. If we believe that this is true, in our case, then we are indeed conscious and we are privileged to have received righteousness, undeserved kindness and everlasting life from God, through the ransom sacrifice of Jesus righteous life. As such, we have become conscious that we have the Spirit from God, which Spirit was also in Jesus Christ. In addition, we are also conscious that we have power from God, to cultivate the fruitage of the Spirit, by means of which we are able to produce love, joy, peace, mildness, kindness, Goodness, faith, longsuffering and self-control.

## We Do Not Fight To Keep The Ruling Authorities In Power

As a true Christian, we have chosen not to fight in the wars of the nations, in order to keep the ruling authorities in power. This we do in faith, understanding that we belong to the Christ, and by deduction, we also belong to the Kingdom of God, where Christ Jesus will rule as the King of Kings and Lord of Lords. We also are conscious of having super abundance of good, which means that we no longer are dominated by a consciousness of lack and limitation. This also we do, in faith, believing, that whatever we ask of God, through Jesus Christ, our King, this we shall also have and that at the time of asking and it will manifest. This shall include

health, wealth, love and goodwill and by this we are able to dissolve all negative thought vibrations.

## We May Live Based On The Teachings Received, Accepting The Good And The Bad

On the other hand, we may have been baptized, according to the teachings received from church leaders, by means of indoctrination. We may believe that the teachings we have received are from God, are true and we act upon these teachings, throughout our lives and live our lives accepting the good and the bad. However, there could be a problem with what we have accepted as Christian truth. If the things accepted as truth are in conflict with the written Word of God, then, we may find that our faith may not be strong enough to withstand the test of time. It may not be strong enough to preserve alive its owner. This is a very serious and revealing aspect of our lives. Is there a possibility, that we may have been good and obedient followers of so called Christian teachings, but falling short of its power?

## The Love Of God And Of His Christ Are With Us

These writings help us understand that the love of God, and that of His Christ, is with us as Christians. We have seen, what appears to be God directed efforts to protect our Christian way of life, which may be indicative by the action of the most powerful government on earth, the United States of America and Britain. However, by closer scrutiny, of available facts, there appears to be the manifestations of indescribable wickedness in high places. This is of particular interest to us as Christians, as we perceive that we are deep in the time of the end of this system of things. This we understand to be true, as we come to understanding the destiny of the great Harlot of Revelation, riding the seven headed and ten-horned wild beast. The true identity of this harlot, that has the name "Babylon the Great" written on her forehead, is on the minds of most Christians and this great harlot is destined to be destroyed within a very short duration. The Bible account in the Bible book of Revelation indicates to us that the destruction of Babylon the Great will take place within one proverbial hour. This time is now very close at hand.

## God's Angel Commanded Every Christian To Get Out Of Babylon The Great

But why, you may ask, should that be of interest to us, as Christians? This is of the utmost importance to all

Christians, since the angelic warning indicate that all Christians are commanded by God to get out of her; if you do not want to receive part of her plagues, because this Great harlot is about to experience a violent destruction over a very short period of time. As we consider the concern of Christians, all over the world, we discern that there is a lack of clarity of understanding who this “Babylon the Great” really is? One thing is certain; she cannot be a political harlot, because the political beast with seven heads and ten horns is responsible for her destruction. In addition to this she can also not be a commercial harlot, since the traders of the world have become rich from the abundance of her luxuries. These, who buy and sell, have become rich through her and they stand at a distance and weep over her destruction. Therefore, this harlot “Babylon the Great” can only be a religious prostitute, with whom the Kings of the earth have committed spiritual fornication. Can we say that this harlot is limited to anyone religious organization; most certainly not. Babylon the Great is an international religious harlot and this harlot is made up of all the religions of the earth, including Christianity. Many Christians have been kept in bondage to her false teachings and to her corrupt practices.

God Is Helping Us To See The  
Abomination Taking Place In The  
Churches

We are certain of this, especially in the light of present day understanding of global events, where we see grossly deprave moral conduct, which has been exposed as having taken place in many churches of Christendom, committed by the religious clergy in the highest of places of authority. It is a very loving act, on the part of God, to give us insight into the abominations taking place in many churches. Therefore, the encouragement from the Angel of God is to get out of “Babylon the Great” and separate yourself from this harlot. All Christians are facing an onslaught on their faith that may rock many to their knees. However, to a person that has the faith, that can preserve alive its owner, there is nothing to worry about. The eyes of true Christians looking straight ahead, as seeing the One who is invisible, as seeing the Kingdom of God, with Christ as King. This understanding of Christian destiny must lead to keeping the commandments of God and the Faith of Jesus Christ, which will lead to salvation, now, so close at hand.

*Make Sure You Have The Faith  
That Can Preserve Alive Its Owner*

To ensure we have this faith that can preserve alive its owner, we need to reflect on the writings and the explanatory notes of the One Power Consciousness books. We have learned that we have to be baptized into the death of Jesus Christ. This means that we have come

to understand that Jesus Christ is indeed the only begotten Son of God and that it was necessary for this one to die a sacrificial death. The scriptures indicate that at the time of ones death that spirit, within, goes out and returns to God who gave it. In compliance with this injunction, a person that has died is acquitted of all his sins. In the case of Jesus Christ, he had no sins to be forgiven, therefore, his Spirit that returned to God has been sacrificed and that Spirit has the right to live eternally. But the Spirit, which was in Jesus Christ, the Spirit of which is now with God, the Father, to give to anyone salvation, on the basis of true faith.

## *At The Time Of Our Baptism We Were To Die In The Likeness Of Jesus Death*

What is this faith that can preserve alive its owner? It speaks this way; I believe that it was necessary for the Christ to die, one righteous man for many unrighteous ones. I believe that at the time of my baptism I died in the likeness of Jesus death. He, the Christ died for the sins of the entire world of mankind and I died in the likeness of Jesus death. Thereby, you have died with reference to your own sins. Because, you have died, in the likeness of Jesus death, you are also acquitted from all your sins.

## At The Time Of Your Baptism, Your Spirit Within Returns To The Father, God

At the time of your death, dying in the Lord, Jesus Christ; your spirit, within, which is from Adam, your forefather, returns to God who gave it. While you are under the baptismal water, at the time of your baptism, you are viewed by God, as having died, and therefore, you are free of sin; God now gives you His Spirit, the Spirit of which was also in Jesus Christ. As you come up from the baptismal water, you are a new creation, born of water and Spirit. You have become the progeny of the Christ; you are a Christian. You have received the Spirit of the Christ, within, and the man within is a Christian by reason of the Spirit, within.

## At The Time Of Your Baptism You Received The Circumcision Of The Heart, By Spirit

From the time of your baptism, you are beloved of God, and you have received the circumcision of the heart by Spirit, which makes you clean, to be called a Son, or a Daughter, of God and the Spirit, within, gives you harmony with God's Spirit. You instantly have changed

consciousness from a consciousness of lack and limitation to a consciousness of super abundance of good. With immediate effect you are conscious of one power, the power of God and good. If this is what has taken place in your case, then you cannot be judged by God, at the time of the end, provided you hold onto your faith and your consciousness, being Holy and being conscious of having harmony with God, the Father.

## Read These Writings Often In Order To Retain Them To Memory

Read these sayings often and should you realize that you do not qualify to be called Holy, then reach out to get baptized into the name of the Father, the Son and the Holy Spirit and change consciousness on the basis of faith that can preserve alive its owner.

Blessed are the dead, who die in the Lord, from now on.
