# Destiny

MANFRED H. E. ROHDE

There is urgency; there is an outcry; there is uncertainty; where are the leaders, where are the visionaries who understand destiny. Religion has failed us to impart this life sustaining knowledge and a clear understanding of what lies yet ahead.

There are fearful realisations, indicating that we are in a spiral of violence and lawlessness that, by reason of some, who see themselves to be in the know, must lead to worse to come.

Is this the kind of understanding we need? May that never be the case! What we need is understanding of what is truth and truth is indeed in short supply. We must come to understand that Spirit is truth. In fact, Spirit is the only truth there is, and therefore, we would do well if we learn to pay attention to what is revealed by Spirit.

Where there is Spirit, there is life, life in abundance. Therefore, mankind's destiny is intertwined with the operation of Spirit; and Spirit is truth and Spirit is from God.

This is our destiny

## Prologue

From The beginning of man, the search for the true destiny of mankind has been on going. This is particularly the case today, where we see humanity on the move to search for the very purpose of life.

Politicians may be searching for a new way forward, which is in support of the common good for all. However, they are finding it very difficult to go beyond the Status Quo, which is the establishment of organized society.

Religion has failed us, and by its statutes it has added to the confusion of the captive mind. There are philosophers who compound the lack of understanding and there are psychologists who desire to give a new direction, for the good of the greater whole. But, all are adding to our ignorance in respect to destiny.

This book is a mile stone event of knowledge transfer, for the benefit of the greater whole. It is love that opens the way to the future, which can bring about power, happiness, health, wealth and goodwill to us all.

Love is the constitution of the incoming Kingdom of God, with Christ as King. Enter into the Kingdom of God on the basis of faith, by a rebirth, by means of water and Spirit. Enjoy this reading and treasure it; this is Knowledge Transfer.

# Foreword

## Disclaimer

The writings of this book are not to be misinterpreted. They are not meant to change the world, or change the governments and its supporting organizations, including the financial, the commercial establishment or the religions of this world. These writings are based on the belief, that you cannot change another; all you can do is changing yourself.

## Mankind Is In An Uproar

There has never been a time like we see today. The restless sea of humanity is on the move in search of a new way through the fog of misinformation and the error of our way. Mankind is in an uproar, because of the insecurities and corruption of human government and its institutions. Good education has come to be out of reach for the man of ordinary means. Unemployment is at record levels and the wealth of the nation is concentrated in the hands of the few.

## We Have Come To A Cross Road

What have we achieved, with our education and its supporting teachings? Over the many centuries of learning and government-instituted education, no real change has come about for the good of us all? We have

come to a cross road, with life on the one side, and death on the other side. If the governments are not prepared to change, then anarchy and mayhem will come to rule. We have observed the action of the Swiss authorities. They have suggested that every family should be entitled to a minimum pay, which is in support of a reasonable life, irrespective of what salaries their work may offer, or what support they may get for being unemployed. Is this the way to peace and prosperity? It is certainly worthy of our attention and only the future will be our arbiter.

## *Quo Vadis*

Destiny is on the mind of many and the question that is coming up in our hearts and minds is 'Quo Vadis', where do we go, and where shall we find ourselves to be? It has become common knowledge that the distribution of wealth is at this stage not benefitting the masses of humanity, although originally designed to be for the common good of all. The system we have created is not leading us to a prosperous future. The forces of change have become manifest and those in power are indeed concerned. They have been put on notice.

*It Does Not Belong To Man, who is  
walking, To Direct His Own Foot  
Steps*

There is an urgent need for knowledge, knowledge that can preserve alive its owner. By and large, the authorities are of the understanding that they are in control of human destiny. However, this may be far from revealed truth. From the study of biblical events, we have come to understand that at a certain time, during man journey and that is now, the ruling authorities will no longer be able to rule without the interference from God and His Christ, the King of Kings. This may be a subject difficult to understand, at first, however, people in the know understand that God rules the universe and all living things, within. The scripture, in the Bible book of Jeremiah, states that 'it does not belong to man, who is walking, to direct his own foot steps'. This is indeed good food for thought.

## *We Are On The Brink Of Massive Change*

Events seem to indicate that we are on the brink of massive change, and it would be the wise thing to do to pay attention and adjust to the reality at hand. That reality is tied up with dramatic changes affecting all ruling authorities. That change cannot be reversed, as by human counter productive reactions, no, this change will come upon us all, as an unchanging reality of the forces of light and life. Now is the time for sober contemplation of all the facts, which are available to mankind, to take

corrective actions for our own benefit and for the blessings of our loved ones. Now is the time to wake up, as from a deep sleep.

## Religion Failed, To Lead Us To Fountains of Water of Life

This book is prepared to encourage meditation, or deep thinking, in order for us to realize the need for heavenly wisdom, of the things recorded for our benefit, written in the greatest book ever written, the Bible. We are living at a time where we come to realize that this understanding is in very short supply, because the religious fraternity has failed to lead us to fountains of water of life and light. They proved to be interested in only their own means of control, of human destiny, for their own benefit and power. They have failed to see the beauty, the splendour and the magnificence of the applied word of truth. They pride themselves to have understanding of destiny, however, by careful consideration of all the facts, we must come to the conclusion that only Spirit is truth.

## By Thought We Create

Affirmation is a simplified means to bring about change to our thinking, because, by thought we create and the saying is confirmed that whatsoever we think about we also bring about. Therefore, correct thinking is

paramount to man, in order to bring about what is beneficial and good. Affirmations can be taught to our young ones, the teachings of which will lead them to become inspirational thinkers, in later years. For these, the saying has come true; that the perfect square of life brings health, wealth, love and perfect self-expressions. It is theirs for the taking. The benefit of the affirmations for adults is not to be missed. These are powerful tools, with which to bring toxic and negative thought forms under control.

## *We Need To Think Outside Of The Box*

We need to learn how to think outside of the box. Here the box can be understood to mean the limiting environment of the world of our making. The limiting environment of our world, in which we live, can be understood to be our predominating thoughts, which are based on lack and limitations. By thinking thoughts of good or bad, or thinking God's thoughts or evil thoughts, we, in fact, expressing two opposing thought forms, of which bad and evil have no principle and are based on nothing, because bad and evil can always be destroyed by an additional good, as darkness is always destroyed by light.

## It Is Necessary For Man To Change Consciousness

We have to understand that it is necessary for man, who is seeking harmony with Universal Mind, or God, to change consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good. This would necessitate the need for changes, of the individual, to become the progeny of the Christ, or the offspring of the Last Adam. This is a tall order, indeed, which will require faith that can preserve alive its owner. We need to become spiritualized thinkers and take possession of the Spirit from God, the Spirit of which was also operative in Jesus Christ, when Christ walked the earth as a man, in the likeness of the flesh Adam had before his transgression.

## Change Is Knocking On The Door Of Destiny

Change is knocking on the door of destiny and every lover of what is good and righteous is well advised to take note. This is the change that will bring about changed consciousness, from a consciousness of lack and limitation, to a consciousness of super abundance of good. This is the fore-gleam of what is to come upon the inhabited earth and to humanity as a whole. This change

will come about by means of faith, faith in the ransom sacrifice of the only begotten Son of God, Jesus Christ, who is destined to rule with righteousness and justice for one thousand years. You are the one that has the prospect to see this taking place in your lifetime and you are the one who will be given the power, and the faith, to embrace this change.

## *Change Will Come To Us By Means Of Spirit*

This change will come to us by the operation of Spirit, the Spirit of which is from God, and that Spirit was also operative in Jesus Christ, our Lord, when walking the earth as a man. The scriptures indicate that there can be no lasting change, except by Spirit, because Spirit is truth, and therefore, the coming global changes are in support of truth. The scriptures are plain, indicating that Spirit is truth and everything else is forever changing. In order for anyone to have life, and having it in abundance, one has to be born of water and Spirit. That action, on our part, offers a new beginning as a new creation, leading to everlasting life with an abundance of peace, poise, love and goodwill.

## *We Cannot Be Clean Except By Faith and An Act Of God*

We are inherently sinful, by reason of having our source in Adam and Eve, our progenitors. Adam and Eve were the first transgressors against the arrangement of God. Therefore, we cannot be clean in God's eyes, unless we are cleansed by means of the undeserved kindness of God. This must be so, because of the dominance of the fallen flesh, which causes us time and again to sin, either in thoughts, or in deeds. However, through the undeserved kindness of God, which can also be understood to be the universal Law of Forgiveness, God can view us as being truly clean. This is our destiny, to become clean, as children of God, not on the basis of our own righteousness, but rather, on the basis of the undeserved kindness of God. Thereby, we have the privilege to become adopted children of God, on the basis of faith. This faith is in the ransom sacrifice of the righteous life of Jesus Christ, and the benefit of the Undeserved Kindness of God, which will lead us to be acquitted from all sins and sets us free from death. We become clean.

## *Faith Causes us To See The One Who Is Invisible*

It is by faith, which can preserve alive, its owner, that we are being declared righteous and be given of the Undeserved Kindness of God. This is the faith that causes us to look ahead, as seeing the one who is

15

invisible. Never do we want to become like Lots wife, who, when on the road to salvation, which was on the basis of God's undeserved kindness, she looked back in a lack of faith. Eve, in the Garden of Eden, also looked back to the things left behind, the physical realities, which were hers. Eve created a secondary power in opposition to God, which is the power of evil, and by that power Eve was deceived. Likewise, Lots wife also acted in support of a belief in two powers, of God and evil. However, when on the road to the God directed salvation, then, the person must walk and live by faith, by a belief in one power, which is God and good. Destiny requires of us an unswerving faith, believing not in two powers, of God and evil, but believing in one power, which is God and good. Thereby, you will attract the smile of approval of the Omnipotent, the Omnipresent and the Omniscient One. This is the One who loved us first, when we were in darkness mentally and alienated from the life that belongs to the Light.

In the finality, destiny will lead us to the Plane of the Absolute, which is the God Plane of existence, and there we find only one power, and that power is God and good. Enjoy the writing of this book and acquire the faith that can preserve alive its owner.

In the world of our making, we have created an abundance of problems for ourselves, which are of serious concern; the man made problems causes all of us

to be unfit for purpose. These are the things, which we have created on a global scale, a belief in and a consciousness of two powers, of God and evil. By this belief in two powers, all of us are alienated from the source of all power, and thereby, we have become unclean and unfit for purpose.

As a result of this alienation from God, we have brought about, an abundance of problems; some of these are highlighted below.

These problems are including but not limited to the problems listed below:

-Wars in many places, keeping humanity disunited and oppressed.

-The teachings of ignorance, which are designed to keep man in a consciousness of lack and limitations.

-Poverty, keeping mankind in constant want of heart.

-Shortage of clean drinking water and poor water management and sanitation.

-Change of climate due to wanton ignorance by the abuse of power and the manifestation of greed.

-Noise pollution, air pollution, water pollution of lakes, rivers as well as underground water sources.

-Moral degradation of mans way, on a global scale, leading to lawlessness, crime and violence.

-Anxiety and fear leading to wars, diseases, sickness and death.

-Mental Health problems, which are rooted in fear, which can now to be seen on a global scale, manifesting in mental illness including depressions, incurable diseases and early death.

-Rampant diseases and the abuse of antibiotics, as a means of mans cure of infectious diseases with associated high risk to our lives.

-Lawlessness on a global scale.

-Failures of government to rule for justice itself.

-Religions hatred, with violence and murder, including racial discrimination.

-Confusion of ones true identity, as a result of the God dishonouring evolution theory, accepted on a global scale and taught at the houses of higher learning.

-Limiting education, leading to ignorance, which is in support of the status quo.

-Political correctness, which is a teaching of error, which is in support of man made rules and laws, for a perceived new world order, of mans making.

-Failure to bring about a clearly defined personal identity.

Should we be concerned about the present state of human affairs? Indeed, we are constantly been made aware that we are on the wrong road, leading at best to an uncertain future. Are we on the brink of self-destruction, as many may claim? There is evidence that we are entering the endgame, the last days of this system of things. This understanding is coming to us by means of prophecy, which indicates that humanity is no longer ruling without the interference from Universal Mind, or God. Man, by himself, cannot bring about global peace and security, because man cannot successfully direct his own footsteps.

This means, that the ruling authorities are being placed on notice, that their way of doing things are no longer fit for purpose. They have utterly failed to create a new world order, which is based on love for the benefit of the greater whole. Therefore, humanity is increasingly becoming subject to godly forces of change, which must

come upon mankind, to bring about the Kingdom of God, which is based on universal laws and universal justice. We are to take note, of the fact, that mankind as a whole is walking the road of destiny, the road that must lead to a God ordained New World Order, which is fit for purpose.

This is a remarkable understanding, and that understanding must be made public, in order for many to reach out to be part of this Kingdom of God, with Christ as King; in order to survive the coming great tribulation and the war of Armageddon. Great events are unfolding, which indicate that we are on the brink of something better; this news is based on a ruler-ship of justice with peace and prosperity. This is not the time to throw one-selves headlong into a life of pleasure and debauchery. No, now is the time for sober contemplation of the all the things that must take place. Both men and women, who love life, are addressed, to stand up and be counted, among those who have the wisdom and insight and the faith to preserve alive its owner.

Everyone that loves life is to take note of the things that will shortly take place. You are encouraged to take in knowledge of the deep things of God and of His Christ and align yourselves with the forces of good and become the beneficiary of what has been laid up in trust for you. Read the content of this book often and meditate on the weightier things of life and become wise to preserving

alive of the soul. May you come into possession of peace, poise with love and goodwill and by this you will be able to dissolve all negative thought vibrations.

## Chapter 1

# Meditation

## Light and Darkness

## Light And Darkness

In the beginning there was darkness all around and God said: 'let there be light'; and there was light. Darkness has been replaced by light. Thereafter, all living things were created, which are supported by light and following these events, darkness was reduced to its native nothingness. The glory of physical creation was man, who was created in the image and likeness of God. Man was the ultimate physical manifestation of light, in that man walked in the light, by the power of Holy Spirit. Man was created, as a righteous and free moral agent, a thinker, a Son of God. This was the dawn of splendour, the glory of which is from God, resulting in the man who was created for the benefit and the eternal good of all physical creation on earth.

## Adam, The Physical Manifestation Of White Light

Man had been given a Garden Home, in Eden and God gave man a wife, which was taken from Adam. God formed the woman and God named her Eve, because she was from Adam, and Adam was the Physical manifestation of Light, from God, for the benefit of the earth and all those living on it. Eve also radiated this light of Holiness. Both Adam and Eve were a creation

declared by God to be very good. Their purpose was to subdue all creation to God's praise and glory. There was no spiritual darkness and man radiated the spiritual light of Holiness, which is from God, for the benefit of us all.

## Where There Is Holiness There Can Be No Darkness

Spiritual darkness cannot exist with God, because God is Holy and where there is light, or holiness, there can be no darkness. This is a fundamental truism and that truism had to continue with man, living on the earth. Therefore, darkness cannot exist with God, because darkness has no principle and it can always be done away with and be destroyed by additional light. Since God is Light, there can be no darkness with God, and spiritual light was the title deed given to man, radiating this light, wherever man walked. Man was a walking reflection of God's light and with man there was no darkness, this was the way at the beginning.

## Eve Reached Out To Obtain The Product Of Darkness Through A Reasoning Process

However, this was about to come to an end, when Adam and Eve reached out to obtain the product to which

darkness was attached, which came to them by means of the tree of the knowledge of good and bad. This tree can also be understood to mean the tree of light and darkness. We have to understand that bad, or darkness, has no principle, within, and therefore, bad and darkness can always be done away with by an additional good or by additional light. However, because man is a creator made in the image and likeness of God, man created by thinking and by thoughts, subject to the application of the God given provision of the universal Law of Attraction.

## *Man Must Only Create The Good*

The Law of Attraction is God's creative Law, by means of which God and man are able to create good or bad, it mattered not to the law, but indeed, it mattered to God. To man and to God it mattered, because God is the very manifestation of Holiness and man was created a moral agent, and as such, man must only create what is good, that, which is in harmony with God given principles. This is the requirement God made known to man, by means of the proverbial tree of the knowledge of good and bad. In this respect, man failed to continue to live by the principle of Holiness and righteousness, and man transgressed against the God given directives, with respect to the tree of the knowledge of good and bad. In fact, in order to support mans transgression, man created

the concept of bad, as a power, which is the power of darkness, which is spiritual darkness, which is in opposition to God power.

## Only Through Man Can Power Be Given To Darkness

However, there can be no power that can be given to darkness, except through man, who, by his transgression and disobedience, created a power in opposition to God-Power. By disobedience, which manifested in rebellion against God's arrangement, which was for mans eternal good, man became the facilitator of evil, and through this evil Satan was born.

## Man Has Become Conscious of Two Powers, Good and Bad

Man became the owner of darkness, and man had become conscious of a belief in two powers, of good and evil, and by this belief, man became the host of darkness and he continued to create what is bad and there was not even one man that could change this darkness. Man became alienated from the source of all power, which was God and good, and man was driven out of their Garden Home of abundance, to live a life of lack and limitation outside of their Garden Home. Man needed a

Saviour, a helper that was not to be found among the offspring of Adam and Eve. That Saviour had to have the Spirit of Holiness, within, and that Saviour could only come from God, by means of the universal Law of Compensation, reinforcing the life for a life principle.

## *Mans Success Is Intertwined With God's Success*

Here we need to consider the wider implication tied up in the existence of man. Mans success story is in fact God's success story. Mans success is intertwined with God's success, in that God's success is universal success, and therefore, man is in need to look intensely at the outworking of God's purposes, with respect to the earth, with man playing its part in it.

## *With Prolific Darkness Comes Ignorance*

This brings to our attention, the fact, that with prolific darkness comes ignorance, and ignorance is an enemy of knowledge, which is an enemy of the deep things of God. That is why, the governmental authorities flourish with injustice, where abundance of ignorance is present. That ignorance is also an enemy of God's plan for the future of mankind.

## The Saviour Of Mankind Comes With Prophecy

The Saviour of mankind makes his appearance in compliance with the written word, the Bible, and in compliance with prophecies, which announced the coming of the Messiah. This one is the Christ, who was prophesied to come; he was destined to bring about the necessary reconciliation between man and God. This one has become known to us as 'the light of the world' and the light of God, and anyone that would listen to the light of the world, and follows him, would become an associate light bearer, bringing light and life to those who incline their ears to their teachings and who listen to this one. This one is the Christ and he was born of woman, in order to qualify, to be called the Son of God and the son of man. The Christ had to come in the likeness of the flesh of the man, Adam, in order to meet God's requirement of the universal 'Law of Compensation', which is in support of the life for a life principle.

## This Is The Light Of The World That Brings Understanding To Those Who Desire Life

Therefore, humanity became conscious of this message of goodwill and hope, which was to benefit the whole of

mankind, the world at large. However, this is the light of the world, which brings light and understanding to anyone who desires life, health, wealth, peace, poise, love and goodwill. This light has the power to do only good. Now, let us use a little time to muse over what has been stated and what is being considered in these words. Change is the over-riding principle, which is to affect every human on the surface of the earth; and change is coming upon mankind, by means of the word of God. This change has the power to affect mans consciousness, because consciousness is belief, and belief is manifest in faith.

## *Consciousness Is Substance Of Mind*

What do we understand by consciousness, when we speak about the consciousness of man? Consciousness is substance of mind and that substance of mind can affect our thoughts and actions. Consciousness is our belief; it is the substance of what has been stored in our mind as truth. But truth is a word much used and abused; it is often misunderstood. However, we need to understand that truth is Spirit and Spirit is truth. Therefore, unless we have become compliant with Spirit, Holy Spirit that is, we have not found truth. So it is also with light, unless we become compliant with Spirit we have no light, within. Therefore, light is truth, and that light became

manifest in the one that was to come upon the inhabited earth, for the salvation of mankind. This is the Christ.

## *By Spirit We Shall Live And Have Life In Abundance*

Here we want to be sober-minded and listen to truth, listen to Spirit, because by Spirit we shall live and have live in abundance. Therefore, let us not imagine or think that God needed creatures in human form that believe that they are evolved from single cell organism? It would have been better, if God, by His power, would have create other four footed creatures that lived in harmony with other animals to fulfil their purpose to eat and to be eaten. No, this is not what God wanted and this is not what God desired, God wanted man, made in his image and likeness, to be the crowning glory of his creator-ship. This is what we are, and that is what we are destined to become, and there is no power that can prevent God from bringing humanity to perfection. You are the one that is invited, to be enlightened and to share in the knowledge and understanding of the deep things of God.

## *Change And Become Fit To Enter Into The Kingdom Of God*

The light of God has come into the world, of our making, and that light is changing everything. Ask yourself; am I ready to enter into and become part of this glorious manifestation of God's goodness? The time will come, and it is now, when we need to make ourselves available, to be changed, and thereby, become fit to enter into the Kingdom of God, with Christ Jesus as King. This is the Kingdom of light, and there, darkness cannot exist. All of humanity has the prospect to become children of light, in God's Kingdom of Light, and this to God's praise and glory. This is our destiny, this is our future; and you are encouraged to reach out for this destiny.

## *We Have To Become A New Creation, Born Of Water And Spirit*

In order to share in this hope and this understanding, we have to become a new creation, born of water and Spirit. This must be in compliance with God's will and purposes. We need to change, in order to be born of water and Spirit. Here, the operative phrase is Spirit and Spirit is truth. This is truth, which is the manifestation of Holiness by means of the universal 'Law of Transference'. By an act of faith, and not by reasoning, shall we be declared righteous and fit for purpose? Thereby, we are destined to enter into the Kingdom of

God, as righteous ones. As a result of the foregoing, we desire to be set free from the shackles of darkness and ignorance and become children of light. This is our destiny and it is now that we need to ready ourselves to change consciousness, from a consciousness of lack and limitations to a consciousness super abundance of good and having a belief in one power, which is God and good, and to live by a 'One Power Consciousness', of God and good, today and to time indefinite, even forever.

## *Are We Ready To Side With God And Good*

The forces of darkness are being put on notice that their time is coming to an end. We are entering a very dark period of time, where we will behold the forces of evil positioning themselves, clearly, in opposition to the forces of righteousness, with Christ as King. Are we ready to side with God and good, or are we bend to side with bad and evil? We have to make a choice, either in support of this system, which is in dense darkness, or in support of the King of Kings, the King of light, who is Jesus Christ, our King and our Lord.

## *Our Faith Is In The God Who Cares*

It is faith, that can preserve alive its owner, and we align ourselves with this faith, in order to live through the coming time of the Great Tribulation and through the end game of this system of things. We have come to understand and we know that our faith is in God, and in His Christ, who loved us. On the basis of this love, we shall be putting our faith in one power and that power is God and good. Thereby, our survival is certain, leading us to be gathered together, as one, to enter into the upcoming Kingdom of righteousness. We have to turn our back to a belief in two powers, of good and bad, because bad is nothing, it has no power and it has no principle, it can always be destroyed by an additional good. There is nothing that can prolong the existence of evil; in due time, darkness must be destroyed forever. By its own weight evil will fall, it will come to its native nothingness.

## *It Is By The Christ, Within That We Radiate The White Light*

We have learned to walk by faith and in the radiant light of righteousness and this light is manifest by means of Spirit, the Spirit of which is from God and that Spirit was also in Jesus Christ, when walking the earth as a righteous Son of God. It is by the operation of Spirit, that we radiate this white light. Therefore, this light, which is by means of Spirit, brings light to every cell in our body, and thereby, we shall have righteousness,

health, wealth, love, goodwill and peace with poise and this to God's eternal praise and glory.

## Look, The Tent Of God Is With Mankind

The time will come, and it is now, when the forces of good are being mobilised, which will change everything. The writer of the book of Revelation expresses himself in these terms, saying: 'Look the tent of God is with mankind and He will reside with them, and they will be His People's. And God himself will be with them. And He will wipe out every tear from their eyes, and death will be no more, neither shall there be mourning, nor outcry nor pain, be anymore. The former things have passed away. And the one seated on the throne said: Look, I am making all things new. Also, He says: Write, because these words are faithful and true.'

## Those Who Love The Light Will Come To The Light

All those who love the light will come to the light in order that their works may be made manifest as having been worked in harmony with God. Here, we are talking about works of faith, which has the power to preserve alive its owner. These works will manifest in works of

faith, the faith, which Abraham also had, and by that faith, Abraham was declare righteous. As for us, we know that God loved us first, and therefore, we love. We are in the light, and thereby, we are in for a blessing and that blessing is by means of water and Spirit.

## The White Light Of The Spirit Lights up Every Cell In Your Body

Those who have the Spirit from God, the Spirit of which was also in Jesus Christ, these are called Sons or Daughters of God; that Spirit is the white light of Holiness and that white light is lighting up our body so that every cell in our body is light; and where there is light there can be no darkness. This is the belief that will bring happiness with health, wealth, peace and poise, with love and goodwill. The one who has this light has received a consciousness of super abundance of good, including a consciousness of One Power, of God and good. Blessed are those who walk in the light of the Christ, now and into all eternity, even forever, which is by means of the ransom sacrifice of the righteous life of Jesus Christ, our Lord.

## Darkness Has Come To Nothing, It Is No More

Darkness has come to its native nothingness and bad is no more, because of God's Undeserved Kindness, which is by means of the white light of Holiness. All darkness and all badness will return to its native nothingness, it will be no more. Take life, and live your life to the full, in Holy disposition, by the Spirit of God, within; the Spirit, which was also operating in Jesus Christ, and this to God's eternal praise and glory, even forever.

## Chapter 2

# Affirmation

## Introduction

We are aware that we have a mind into which we may have fed an abundance of information over our life span, some of which may be beneficial and some of it may be harmful. Some thoughts may have been good, but, the majority of information we have taken into our mind is of little benefit, or it can even be termed to be outright damaging and harmful. A lot of this information has been received in ignorance.

## Two Faculties Of The Brain, The Conscious And The Subconscious

From the beginning, man had to deal with the two faculties of the brain, which are the conscious and the sub-conscious mind. The conscious mind deals with the seen, the physical realities of life, which are observed with our five senses and that part of our mind we can call the reasoning mind. This is the reasoning faculty of mind and it is slow to respond to sudden changes as in cases of emergencies. The other faculty of our mind is the sub-conscious domain of mind and the sub conscious mind springs into action when the person feels threatened and when the well being of the person is perceived to be at stake. The sub conscious mind, which cannot reason, will act fast in cases of emergencies. From its storehouse it can bring to the fore the good or the bad, it depends

entirely on what we have stored in the sub conscious domain. The bulk of the information stored in our sub-conscious domain, of our mind, which applies to the majority of the information stored, comes to us through the teachings of our parents and persons we trust. This information is received into our mind as truth and is acted upon when there is a corresponding situation that may require protective actions on the part of the owner.

## *The Subconscious Mind Will Act Upon Things Stored In The Mind, Either Good Or Bad*

We want to remember that any information stored in the sub conscious domain, is truth to its owner, because the sub conscious mind is a very moral faculty. However, over our lifespan, both good and bad has entered the sub conscious domain as truth. This may be so, because we may have considered the information received as being absolute and truthful as may be the case when this information has come to us by persons we trust. In that case, the sub conscious mind will act upon the good or the bad in order to protect the body from perceived harm. The things stored in our sub conscious domain may prove to be a problem, if it has not been scrutinized by the conscious mind prior to being accepted as truth. This problem of oversight can threaten the well being of

the person under consideration, and that must be changed, if we want to become truly happy.

## *The Power Of Evil Is A Thought Creation Of Man*

It is a good thing if we briefly consider why we keep on storing bad concepts into the sub conscious domain of our mind. In the final reality, we should be like God and bring only an abundance of good into our lives, through the good thoughts coming from a Mind trained in right thinking. This good information is stored in our sub-conscious domain. Unfortunately, this is not the case with most of us. God is Spirit and Spirit is truth. However, this understanding is not fully supported by our mind, because we are fallen men. Here the expression 'fallen' can be understood to mean fallen from an approved standing with Universal Mind, or God. From the beginning of mans existence, after mans fall from a standing of Holiness; we have learned to believe in two powers, in God and evil, or good and bad.

The concept of evil is a thought creation of man, because with God, bad or evil cannot exist. Evil, in man, is due to the corruption of spirit, within, the spirit of which is from Adam, by procreation, and that spirit now operates in every man and woman. By this belief in two powers, of good and bad, we have become conscious of bad.

However, bad is nothing, it has no principle, and it can always be destroyed by and additional good. By our actions and by our thoughts we have given power to the concept of bad, and therefore, bad is manifest everywhere in human society. Bad is the product of our creative thoughts, which are the results of man's consciousness of bad, including man's consciousness of lack and limitations.

## *Lack And Limitation Are Products Of Changed Consciousness*

Through the operation of the sub-conscious mind we act upon lack and limitations, in life, and lack and limitation are the products of changed consciousness. This took place in the Garden of Eden, when Adam and Eve reached out and ate of the fruit of the tree of the knowledge of good and bad. Here, we want to state that Adam and Eve ate of the tree of the knowledge of good and bad, which became manifest, through consciousness, as a transgression against God's word. However, bad is not supported by principle, it is nothing at all and it can only exist in the consciousness of fallen man. Man has given the concept of bad a home. As a result of this, we have become creatures dominated by lack and limitations believing in two powers, the power of God and evil, which brings about the good or the bad.

## Conscious Mind is The Watchman At The Gate Of The Subconscious Domain

In order to manage our mental home, successfully, the conscious or reasoning mind needs to become active as the protector of the sub conscious domain. The conscious mind, thereby, becomes the Watchman at the Gate of the sub conscious domain. This is a very important function, which, if not properly employed to protect our mental home from erroneous ideas, can lead to life-long damages through the operation of the sub conscious mind. Here, the affirmatives play a very important role, in the process of undoing some of the damage done. By allowing undesirable content and thought forms into the sub conscious domain of your mind, you are establishing that what you have determined is truth to you, which enters your sub conscious mind as truth. Therefore, undesirable content may be acted upon as if it is truth. This is a very dangerous phenomenon, indeed.

This problem needs to be addressed, and changed, in order to live happy, successful and fulfilled lives. The sub conscious mind is at the back of our paradigm and that paradigm must change.

## The Subconscious Mind that Never Sleeps

The sub conscious Mind is the seat of memory and it has the function to protect the life functions of the body, such as the heartbeat and the breathing, as well as the blood circulations, to mention just a few of these life sustaining functions. In order to support these life-sustaining functions of the body, the sub conscious mind can never sleep. This phenomena has been observed by the medical and psychological institutions and to some extend it has been used to manipulate large sways of humanity to do the bidding of their masters.

## Mankind Subjected To Manipulations Of the Subconscious Mind

The whole world of mankind has been subjected, from the time of birth, to the manipulation of the subconscious domain, for the benefit of government, the military, religion, commerce and education. This has resulted, to some extend, in mental disorders needing psychiatric attention and at times it can even lead to hospitalization. This mind manipulation takes place through institutionalized stupefaction and teachings of ignorance.

## Mental Disorders From The Teachings of Fear and Guilt

This has resulted, to varying degrees, in mental illnesses and social misconduct, leading to suffering, which is global in scope. The religious fraternity, among others, must be held accountable, to answer for many of the mental disorders coming from the teachings of fear and guilt. Today we have been enlightened, to know that the use of religious hypocrisy and indoctrination has given way to a string of wrong conduct. This would include sexual abuse, of the young, by some members of organized religion and persons in position of power. This has resulted, in nearly all cases, in mental disturbances and mental illness, which may last a lifetime, with resultant damage even to future generations.

## Proper Use Of Affirmatives Can Bring About A Reversal Of Damages

Real help, through the introduction and use of affirmatives, can reverse this social malaise, to some extent. Here, we do not want to suggest that the affirmations are the beginning and the end of all mental problems. Rather, the use of affirmatives is a very powerful teaching aid that can have a hugely beneficial

effect on those who suffer from mental disorders, including anxiety and fear, or who have experienced mental or other forms of distress and abuse at some time in their lives.

## Negative Experiences Dominate Ones Life and it will harm you

Negative experiences enter the unsuspecting mind, the sub conscious domain of persons, as truth, and from there they brings forth depraved practices. These damaging practices affect their thought processes, to dominate them and leading to practices that harm them. This can result in physical sickness of many kinds, mental disorders, and to increased misery, unhappiness and despair.

## Mental Problems A Product of Erroneous Thought Pattern

This article will bring real change to persons who have suffered mental abuse in childhood and who live out this damage through the sub conscious mind. The purpose of this article is to bring relief to those who are affected and who are displaying mental problems in life. In most cases these mental problems are the product of erroneous thought pattern. The thinking must change, and for that

reason this article has been written, to help the reader to change his thinking, from negative and destructive thought forms, to constructive thoughts, lifting the person to new and elevated planes of thinking, which will bring happiness, health, wealth, prosperity and peace. However, to change consciousness would require further thought development through other articles produced by the 'Thought Revolution Publishers'. These writings can be accessed through 'One Power Consciousness' books and other motivational articles.

## *Affirmatives*

We have a daily struggle with our inner self. However, we desire to go through life in a reasonable, happy and successful way. There are many, who attempt to change themselves, only to find that the power of the sub conscious mind wins the day, time and again. You may even choose to go through a punishing physical exercise; however, they are not getting you to where you want to be.

## *We're Dominated By A Consciousness of Lack And Limitations*

Then there is the money making drive, which may

absorb all ones time and energy, only to find, that as soon as you have acquired riches, then these will pass by in the pursuit of excessive pleasures. We find that we are dominated by a consciousness of lack and limitations and a belief in two powers, of God and evil, which brings about good and bad. You may ask yourself, is there a way out of this madness? Indeed, there is a way out, which may empower you to get on top of thoughts based on lack and limitations.

## We Need To Become Empowered By A New Spirit

We have to realize that as human beings, we are first and foremost spiritual. Spirit is the force driving the human process, which is affecting our mind. We have to decide if we want to become empowered thinkers or not; and as such thinkers, we need to reach out to new levels of understanding with a changed consciousness with happiness in view. Here, we need to become empowered by a new Spirit, the Spirit, which is from God, the Spirit of which was also operative in Jesus Christ. This Spirit is Holy Spirit, which has become manifested also in the life of Jesus Christ, while walking the earth as a man, in the flesh like that which Adam had at the beginning.

## We Need To Become A New

## Creation

In order to reach out for this Spirit, the Spirit of Universal Mind, or God, and become empowered to do the things pleasing in the sight of Infinite Spirit, we have to gain accurate knowledge of the deep things of God. We must cultivate strong desire for harmony with Universal Mind, or God, which drives the process forward toward obtaining the things longed for. We need to change our thinking and we need to be born of water and Spirit, in order to reach the ultimate success mentality. We need to become a new creation, which has the Spirit from God, the Spirit of which was also operative in Jesus Christ, while walking the earth as a man, in the likeness of Adam's flesh.

## Use Of Affirmatives Will Manifest In Changes In Our Lives

To successfully change our thinking is not an easy thing to do. Some have advised the use of affirmations, which they believe will bring them a more manageable and successful life. But what are these affirmations? These are principles or perfect self-expressions we desire to make part of our inner self, and then, by repetition, we believe that these affirmations will manifest in changes in our lives. Here we follow the principle that whatever you

think about this you will also bring about.

## Repeating Affirmations Often Brings Change For The Better

By repeating affirmative's often, you may reach out for this change to manifest in your life, which can bring happiness and success to you. Here are some often used affirmatives, and it is a good thing to repeat these affirmatives often, in morning and in the day, in the evening and during wakeful hours of the night, when sleep is not easy to come by. You can also use these affirmatives during times of travel or even when at work. Here we find that some of the affirmations, which are essential for our progress toward a happy and peaceful life, need to be repeated often. Affirmations are spiritual in nature, because they address the 'I am', the spiritual you, the Spirit, within. This understanding will be by the Undeserved Kindness of God, or by the 'Law of Forgiveness', whereby, you are becoming conscious of being forgiven on the basis of your faith. You believe that you have Gods favor on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. You are here encouraged to read the One Power Consciousness books on a regular basis and become spiritualized in your understanding of the deep things of Universal Mind, or God. Some affirmations are listed below for your reading and repetition in the morning, in

the evening, at night and during your travels or at the place of work.

## *Affirmatives*

By Spirit from God, the Spirit of which was also in Jesus Christ, I am whole and I am perfect.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am strong and I am Powerful.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am full of love and I am kind.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am harmonious and I am righteous.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am joyful and I am happy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am peaceable and I am healthy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am wealthy and I am grateful.

These are the perfect self-expressions we all so desperately need. Whatsoever we think about, this we

bring about is a truism, because by thought we create the product or the substance of our thoughts. Therefore, let us be diligent in the application of these perfect self-expressions and see the power that can change many things. Not least, it will change the world around you, because of the use of these affirmations. Use these expressions often and retain these in the subconscious domain of your mind and from there you will bring about peace, poise, love and goodwill. You will bring fourth the perfect square of life, which brings about health, wealth, love and perfect self-expressions.

## By Spirit I Am

When you say 'I am', then you are affirming that this is what you are, and what you are is what the Spirit in you indicates for you to be. The spirit in you is differentiated spirit from God, which is giving life to every cell in your body. Your Spirit, and Gods Spirit, is one Spirit because, Spirit cannot exist divided? Holy Spirit is one with God and the only thing Spirit can do is to think and bring about an abundance of good. By your ability to think you are identified to be like God, bringing in what is desired, loving, good, holy and righteous.

Corrupted Spirit Became  
Subservient to The Fallen Flesh

At the beginning, Spirit, which was differentiated Holy Spirit from God, became corrupted by man. Spirit became subservient to the desires of the fallen flesh. The immediate result has been a changed consciousness, from a consciousness of abundance of good, to a consciousness of lack and limitation with fear, insecurity, sickness and finally death. The belief in two powers was born to believe in God and evil, good and bad.

## *Affirmations Are Based On The New Spirit, Which Is From God*

The use of affirmations is reinforcing the belief system, which is based on the new Spirit, operating in man. That Spirit is from God, the Spirit of which was also operative in Jesus Christ, our Lord. Although, we are able to recite the affirmation for our benefit, and it will have a beneficial mental effect on the user, it is, nonetheless, through the operation of spirit, which we have received from Adam and passed on through procreation, that this is achieved. That is the actual spirit, which is operating in sinful man, and as a result of this, we will time and again fail in our endeavor to create harmony with God and good conditions in our lives.

## *Affirmatives Benefit Anyone, They Address The Spiritual Man*

## Within

Therefore, the use of these affirmations has benefits for anyone that desires to improve his or her life. These affirmations address the spiritual man, within. If the flesh, by its desire, has corrupted the spirit, within, then that spirit cannot bring eternal Life. Therefore, any improvements, as a result of these affirmations, would be limited, indeed. We have the need to receive the new Spirit, within, that Spirit can only be created according to Gods will and purpose. This will take place at the time of our scriptural baptism, where we come to understand that dying in the likeness of Christ's death is key in understanding Gods purpose for man.

## The New Man Desires Entry Into The Kingdom Of God, With Christ As King

This new man is he that desires entry into the Kingdom of God. Jesus spoke to a member of the Jewish Sanhedrin, and his name is Nicodemus, as recorded for us in John chapter 3. There, Christ Jesus stated that you can not enter or see the kingdom of God, unless you have been born of water and Spirit. You have to be born again and undergo a change of conscience, by means of which, you are able to obtain the new life, everlasting

life, with peace, poise, love and goodwill.

## Christ Died With Reference To The Sins of the World, for All Mankind

This takes place at the time of your baptism, where you, by faith, are being baptized into the likeness of Jesus Christ death. Christ died with reference to sin, the sins of the world of mankind. You in turn, also die with reference to sin, your own sins. This is on the basis of faith in the sacrifice of Jesus righteous life, which he gave in your behalf, so you can put on the Spirit of the Christ, within, and gain everlasting life and righteousness with God the Father, through Jesus Christ our Lord.

## By Faith You Change Consciousness, You Live With Reference to The Spirit

By this act of faith, you change consciousness and you come alive with reference to the Spirit, the Spirit which is from God, and that Spirit was also operative in Jesus Christ, our Lord and King. Baptism opens the door to receiving the Spirit from God, the Spirit of which was also in Jesus Christ, causing you to become like Christ,

and thereby, you become the progeny of the Christ, the offspring of the Last Adam. When Christ died for mankind as a whole, Christ's Spirit returned to God who gave it. Therefore, it was God's to give this Spirit, which was previously in Christ Jesus, to anyone, on the basis of faith in the ransom sacrifice of the righteous life of God's Only Begotten Son, Jesus Christ. This is in compliance with the Law of Transfer that this is possible.

## You Become A New Creation, Born Of Water And Spirit

If you use the affirmations, you in fact confirm the operation of the Spirit, within, the Spirit of which was also in Christ Jesus our Lord, which means, that you can now identify with the power of the Christ manifesting in you, and through you, by means of a changed consciousness. You become a new creation, born of water and Spirit, as a Son or Daughter of God. You become super conscious of having super abundance of good.

## Conscious Of The Christian Identity

You become conscious of the Christian identity, the new creation, which is born of water and Spirit. This is

causing you to be happy and you become conscious of oneness with God, the Father, through the shed blood of Jesus Christ. It is by blood that all agreements with God are validated. You become empowered to do the things the Christ did, while Christ was on earth in the likeness of Adams flesh.

By repeated use of the affirmations, you become conscious of a new identity, causing you to reach out to be clean and Holy, before our God and Father. This causes you to be happy at all times and you become positive in all your thoughts and you become a source of inspiration and encouragement to those that listen to you.

## Harmony With God Brings Freedom Of Speech

You now have freeness of speech, on the basis of harmony with God, the Father, and you are able to use the Word of God, in a convincing way, and by this, you become identified to be no part of the world, which exists as being alienated from God. You can now become a tool in the hand of the Almighty, through Jesus Christ, our Lord, to make known the Kingdom of God to those asking of you a reason for your faith. By this new freeness of speech you learn to express yourself perfectly, and gain health, wealth and love, which

manifest as the perfect square of life. You become happy and successful.

## You Are The Progeny Of The Christ, The Offspring Of The Last Adam

May the blessings of God remain upon you and empower you to fully emulate the Christ in all your ways and this to God's praise and glory, forever and ever. You are to keep moving forward in your Christian Identity, and reach oneness with God, the father, and thereby, receive His Spirit, which was also in Jesus Christ. You are to believe that you are the progeny of the Christ, and by doing this you are fully accepted into the family of the ones that love God and neighbor. You have the Spirit from Universal Mind, or God, the Spirit of which was also in Jesus Christ. You shall have all things asked for and this at the time of asking and it will manifest.

## Undesirable Thoughts Are Driven Deep Into The Sub Conscious Domain

By the repeated use of the affirmations, you will force undesirable subconscious thoughts into the background

of the subconscious domain. These undesirable thought forms are driven deep into the subconscious domain of your mind where they are no longer readily accessible to cause disturbance and hurt to you. You have been set free and you are a new creation, born of water and Spirit, with a consciousness of abundance of all that is good and beneficial. You have received of the Undeserved Kindness of God and you are perpetually made clean and acceptable to God.

## You Are To Receive The White Outer Garments Of Righteousness

May you be blessed in your endeavor to do the things pleasing in God's sight and receive from Him the white outer garments of righteousness, identifying you as a survivor of the coming cataclysmic events of the great tribulation and the day of God's judgment of the nations, by means of Jesus Christ, our King, high priest and leader.

## Chapter 3

# Thinking Outside Of The Box

## Man Was Conscious OF Having Abundance Of What Is Good

From the beginning of man, the prospect for mankind was oneness with God and having in subjection all living things, on earth. This meant, that man, having been made in the image and likeness of God, had to be like God, knowing good and giving no place for bad, because, bad has no right to exist with a man of holiness; bad has no principle. Man was conscious of having abundance of what is termed good, he being a thinker. By thought man created, whatever he desired, but for a Son of God, that would mean thinking thoughts in harmony with universal principles and natural law, thinking for the good of the greater whole.

## The Law of Attraction Is Neutral

Now, man had to be introduced to the creative law, which is the Law of Attraction. This law is totally impartial, it is neither good, nor is it bad, it is neither righteous, nor is it wicket; this 'Law of Attraction' is neutral. Through this law, man could create whatsoever he desired, and it always was to be good, it mattered not to the law. But it was a matter of principle to God, the Supreme head of man. For this reason, God placed the proverbial tree of the knowledge of good and bad in the garden home of man, and attached to it the prohibition,

not to eat from its fruitage, no, not even to touch it, so that man would not die. Man had to understand that desire for what has been identified as bad, had to be avoided, because, if not avoided, it could lead to alienation from God and to death. Man must willingly and happily obey the commandments of God, by faith, and not by reasoning.

## Man Must Not Desire What Is Bad, Bad Has No Principle

This tree of the knowledge of good and bad required clear thinking ability with respect to the purpose of such a limitation. Man is a free moral agent, and that means that as such, he can do what he termed to be good for him and his offspring after him. The worst thing that could be done was to cultivate desire for the fruitage of this tree, which would thereafter, lead to the fall of man, namely alienation from the Source of all Power and Love. Here we need to remember that bad is destructive and good is creative. As a creator, made in the image and likeness of God, man would not ever want to entertain any desire for what is bad. Bad has no principle, and therefore, it has no right to exist in God's Holy arrangement for man, it has no power at all to sustain itself and it can always be destroyed by an additional good. Bad will always fall by its own weight.

## By Spirit Man Had Unimpeded Access To God

Here we need to consider that Spirit is in support of the fleshly creation, including man. Man had the Spirit from God, which Spirit was in Adam when walking on earth in the flesh. This Spirit is the creative principle in man and it was perfect and would only bring about perfect conditions for man. By means of this Spirit, man did have unimpeded access to God, to accomplish whatever he desired, and this in compliance with natural laws. As a result of the original transgression, in Eden, the spirit of man became corrupted by desire, which was directed in wrong channels of thought leading to the corruption of Spirit. The corrupted spirit in man was transferred to Adams offspring, through the law of genetics, or through procreation. Adam could only pass on to his offspring that what he himself had to give, and that was his spirit, which had become corrupted. Therefore, all of us have inherited the corrupted spirit from Adam, and thereby, we became alienated from God, the Father; and therefore, all of us are dying.

## Man Changed Consciousness From Abundance Of Good To Lack And Limitation

Man changed consciousness from a consciousness of abundance of good to a consciousness of lack and limitations. Mans ability changed, from thinking outside of the box to thinking inside of the box. This box can be understood to mean mans environment or his sphere of understanding. All of us are affected by this limited way of thinking, leading to error, weakness, sickness and finally death.

## To Think Outside Of The Box Requires Insight Into The Workings Of God

However, there are schools of thought, who advocate to think outside of the box. Here we need to consider the essence of the matter. To think outside of the box requires more than mere desire to expand ones thinking in a superficial way. It requires insight into the workings of God and of the universe. It requires compliance with physical, mental, moral, spiritual and natural laws.

## We Are Focusing On The Physical Realities Of Our Lives

What we have seen, in the wider context of this discussion, is, that there is a desire to think outside of the box, but because of our inherent lack mentality, we

gravitate, time and again to think in terms of the here and now, the visible and physical realities of life. This shows that we are focusing on the limitations, which are manifest in the physical at all levels of our lives. What then is the case? Are we eternally flawed and condemned to live our pitiful lives, with all the pain and sufferings, which it brings about. Or is there another way, which needs our most urgent attention?

## We Have The Prospect To Become Super Human

Indeed, we are about to be set free from the limiting thoughts, which brought about so much pain and suffering, to mankind. We are about to be enlightened to see the bigger picture of our lives, which will enable us to reach out to powers of understanding never before realised or attained. We have the prospect to become super humans, in our abilities to shape the future of mankind, as a whole. This aspect of our lives, will, of course, be with God's blessings, through Jesus Christ our Lord.

## Adam Could Have Rejected To Think Inside Of The Box

Let us go back to the beginning of man, to the time of the original transgression in the Garden of Eden. Adam could have affected the destiny of mankind by realising his oneness with God, the Father. He could have rejected to think inside the box, when fully aware that he had the ability to think outside of the box. He transgressed and entered the age of limited thinkers with all the bad that was associated with this way.

## *Changed Consciousness Resulted, In Mans Ability, To Think Outside Of The Box*

Adam changed consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation, with sickness, ageing and finally death. This changed consciousness resulted in his inability to think outside of the box. Here, we can realise that mans demise was brought about by Adams original transgression and sin. All of us have inherited this lack mentality and that is what must change. If we want to have a share in the glorious future of mankind, then all of us need to learn how to think outside of the box.

## *Adam Changed Consciousness, By Realizing That He Was Naked*

Let us consider the facts. How do we know that Adams sin has brought about changed consciousness from a consciousness of super abundance of good to a consciousness of lack and limitation, with sickness and finally death? Well, remember, that after eating the fruit of the tree of the knowledge of good and bad, Adam became instantly conscious that he was naked. When God called on him, when in the Garden, Adam did not answer and when later questioned by God; Adam said that he was ashamed, because he was naked. Then God said to Adam; who told you that you are naked? Have you eaten from the tree of which I told you not to eat? Here we have the first account of Adams lack mentality, when Adam covered his loins, because he realised that he was naked, he was lacking covering. The lack mentality was born.

## *Adam Caused His Own Death By Becoming Conscious Of Lack And Limitation*

So, it was not God who put Adam to death, no, it was Adam who caused his own death, when he partook of something to which the prospect of death was attached. Death was the result of Adams transgression against the arrangement of God, being cut off from Gods Spirit. Adams spirit had become corrupted, and therefore, he had no longer access to the source of all power, which is

God. On this account all of us are dying, because the spirit, which is through Adam, by an act of transference, by procreation, was corrupted and that spirit is in all of us; inherited from Adam and Eve. From that day on, we lost unimpeded access to the source of all power, which is God, and we became subject to a consciousness of lack and limitation, leading finally to fear, sickness and death.

## By Thinking Outside Of The Box We Need To Have Access To The Power Of God

This has led to our inability to think outside the box. Here the box can be understood to be our sphere of physical and mental and spiritual operation. Therefore, to think outside of the box, we need to have access to the Power from God, including having access to the power of love, justice and wisdom. This access has been blocked out by our changed consciousness, and we became obsessed with the physical, the seen manifestations of our world. The unseen spiritual world, so to speak, was cut off from our environment on the basis of our lack mentality. This lack mentality prevents us from seeing the one who is invisible. Our thinking and our thoughts are no longer in harmony with God's thoughts; our thinking and our thoughts are flawed and rooted in error. We have become unfit for purpose.

## The More Important Realities Are The Spiritual Realities

Here on earth, we have explored every conceivable aspect of the material world and we indeed have made amazing in-roads into understanding matter, the physical creation, be it animate or inanimate creations. But the things, which are of the more important necessities, these are not the physical, but rather, these are the spiritual realities. The physical realities are forever changing and there is no constancy. But with God, as stated in the greatest book ever written, there is not a variation of the turning of the shadows, there is constancy.

## We Need To Learn To Think Outside Of The Box

Therefore, the desire of thinking man must be for the things not seen, the spiritual realities. We need to learn to think outside of the box. Are we here to conclude that we are doomed into bondage to the limitation of the box in which we find ourselves, to finally face annihilation? It is good to remember that we have been made aware that there is a way out, but we have not reached out to this new way. As a result of our inability to think outside of the box, we suffer lack and limitations, which brings to

us fear, sickness, anxiety, violence, uncertainty, insecurities and finally death.

## We Are On The Brink OF Unprecedented Growth And Prosperity

What are we to say; is man condemned to futility; not at all, we are on the brink of unprecedented growth and prosperity on the basis of change, which we will want to embrace, if we desire to have any share in the abundance of good, which is to come upon humanity as a whole. Outside of the box there is abundance and the invitation has gone out; come and take your share and live a life of abundance until there is no more want.

## Spiritual Realities Are Perfect, Dependable And Constant

The realities, which are outside of the box, are the spiritual realities, which are perfect, dependable and constant. These realities have their origin in God, who loves us, and who cares. This we know, because with God there is omnipotence, omniscience and omnipresence and his cardinal qualities are love, justice wisdom and power. The greatest of these qualities is love. Indeed, love is the constitution of the incoming

Kingdom of God and it is this quality of love that needs to be cultivated by man. Love must be part of our environment.

## God Provided The Way Out for man, By Means Of The Law Of Compensation

This requires, the ability to think outside of the box, where there is perfection and unlimited possibilities, with constancy and love for the good of man. Now, God provided the way out, by means of the 'Law of Compensation' and the 'Law of Love'. This Law of Compensation comes to us by means of an exchange, of the bad for the good, which will bring unprecedented growth and prosperity to mankind.

## The Right To Everlasting Life Is Rooted In Universal Law

Everlasting life comes to us by means of an act of faith in the ransom sacrifice of God's Only Begotten Son, Jesus Christ, who laid down his righteous life, in sacrifice, in order that everyone who exercises faith in him, or in his ransom sacrifice, shall have everlasting life. This right to everlasting life is rooted in universal law, the 'Law of exchange', and the 'Law of Compensation'. A righteous

life lost, as in the case of Adams life, needs to be compensated by a righteous life, which is gained, as in the case of Jesus Christ's. This must be so, because a righteous life sacrificed has attached to it the right to eternal life, and that right to eternal life cannot be lost when that life has been sacrificed. This sacrifice is a loving act and has the approvals of Universal Mind, or God.

## By Thinking Outside Of The Box You Perceive The Righteousness Of God

Therefore, God, through Jesus Christ, has provided this righteous sacrifice. That righteous life is now available to be given to anyone of Adams offspring, on the basis of faith. This provision cannot be obtained on the basis of reasoning, as if it could be obtained by mans intellect? No. By thinking outside of the box you perceive the righteousness and justice of this arrangement leading you to cultivate a strong desire to obtain the benefit of that sacrifice, on the basis of faith.

## Christ Died With Reference To The Sins Of The World Of Mankind

This faith speaks this way; Christ Jesus died for you and therefore, you die, at the time of your baptism, dying in the likeness of Christ Jesus death. He, the Christ died with reference to the sins of the world, of mankind, a righteous one for many unrighteousness ones. This means, that you, the one desiring to benefit from the ransom sacrifice of Jesus Christ, you willingly, in faith, die in the likeness of Christ's death by going under the baptismal water, and thereby, you are considered, by God, as having died. Therefore, according to the Scriptures, a person that has died is acquitted from all his sin, because he or she has died, and thereafter, he or she is declared to be free from sin. A sinless human body has the right to everlasting life, the life of which was made available by Jesus Christ's sacrificial death, when the Spirit of the Christ returned to God who gave it.

## God Steps In And Gives You His Spirit, Which Was Also In Jesus Christ

What is the case? Are we able to claim the right to eternal life, which was sacrificed by Jesus Christ? Indeed, eternal life is available to everyone who exercises faith in the ransom sacrifice of Jesus righteous life. Remember, at the time of your natural death, the spirit, which is from Adam, returns to God who gave it. Now, at the time of your spiritual death, God steps in, at the time of

your baptism, and gives you His Spirit, which Spirit was also operative in Jesus Christ. This causes you to become a new creation, the progeny of the Christ and the offspring of the Last Adam. As a result of this, God gives you righteousness, undeserved kindness and everlasting life. You have now received a changed consciousness, on the basis of your faith, by means of which, you have been set free from a consciousness of lack and limitation and you have received a consciousness of super abundance of good, with everlasting life in view. You are a new creation, indeed, with a consciousness of one power, of God and good.

## *Because Of The Spirit Within, You Receive The Circumcision Of The Heart, By Spirit*

Because of the Spirit, which is from God, the Spirit of which was also in Jesus Christ, you have received the circumcision of the heart by Spirit. You are now clean and Holy, and God calls you Son or Daughter and you call God, Father. But the progenitor is none other than Jesus Christ, who has become to you the Wonderful Councillor, the Eternal Father, the Prince of Peace and the Mighty God according to the scriptural injunction of Isaiah chapter 9.

## You Are A New Creation Born Of Water And Spirit

You have been born of water and Spirit, and now you are a new creation and you have the prospect to enter into the Kingdom of God, as a righteous one, never to die at all. Should that day of God's judgement arrive in your lifetime, then, you will be privileged to enter into the Kingdom of God as a righteous one never to die at all. However, should you die of old age, before the coming of God's Kingdom, then you receive a resurrection as a righteous one, to live in the Kingdom of God under the rule of Jesus Christ, our King, High Priest and leader.

## You Are Set Free From A Consciousness Of Lack And Limitation

You have been set free from lack and limitations and you are now able to think outside of the box, because you have a changed consciousness, and in addition, you have the power and the wisdom from God, the Father, to do the things pleasing in His sight and this to God's praise and glory, forever and ever. Remember, you have the Spirit from God, which is Holy Spirit, the Spirit of which

was also in Jesus Christ. You are from God, and you love, because God loved you first.

## *There Can No Longer Be Any Lack And Limitation*

You think in unlimited terms, and the Spirit from God, which was also in Jesus Christ, our Lord, gives you unimpeded access to the Father, God. This in turn allows you to grow in wisdom and understanding of the deep things of God. There can no longer be any limitation to our ability to affect our future. Sickness is a matter of the past and so is ageing and death. By our imagination, on the basis of joy of heart, we are able to shape our future into something wonderful. We will be able to create an abundance of good, with love, justice and peace.

## *You Are Able To Create Your Own Environment With Health and Wealth, Love and Goodwill*

We have received unlimited power, to do the things which are good and for the benefit of the greater whole. Each one of us will be able to create his own environment with health, wealth, love and all the good, which can be had. By means of the Spirit, within, which

has been given to us by God, the Father, we are able to bring any and all good things into our lives. Air, water and noise pollution and overcrowded cities will be no more. They will be done away with; it will be a thing of the past.

## By Spirit We Will Have Audience With God

Understanding the above, we are called upon to rally around the call of God who said; 'come and let's set matters straight'. The time has come, and it is now, that every one that cares reaches out to the things outside of the box and becomes empowered to do the things pleasing in God's sight. According to the words of Isaiah the Prophet, let us go up to the mountain of our God and worship him with Spirit and Truth. Spirit is Truth and this Spirit is from God, the Spirit of which was also in Jesus Christ. By this Spirit we will be able to have audience with God, the Almighty, to obtain the desires of our clean hearts, which brings about righteousness, goodness, faith, love and power to God's praise and glory, today and into all eternity, even forever.

## By Spirit, You Are Able To Prevent Undesirable Thought Forms to Surface

Reach out to the new life, of plenty and rejoice and be happy, because you have changed consciousness and you have received the understanding of the deep things of God. Your sub conscious mind has stored many undesirable things, within, over the many years of our life, when we walked in ignorance of the splendour of God. This is now your call to obtain what is yours by divine design. By Spirit, you are able to prevent undesirable things from surfacing and causing disturbance in your mind and heart. For this reason, you are encouraged to consider the affirmative's, which, when practised and repeated often, will push undesirable thought forms deep into the sub conscious domain of your mind, where they are no longer able to cause disturbances.

You are to go through the affirmative's given below and retain these to memory, by repeated use, and thereby, they will create perfect self-expressions. ## Chapter 4

# The Progeny Of The Christ

## A Reflection

You are acquiring accurate knowledge of the Christ. This you do by gaining understanding of universal principles and learn to live by them. It is necessary to engage in the reading of God's Word, the Bible and pray for understanding and wisdom. You must come to appreciate that if a passage is difficult to understand, at first, you must not give up. Rather, read that passage again and again until the necessary brain cells have been formed, with which, to understand the things focused on.

## God Is The Almighty and His Son Is The Word Of God

After a reasonable time of study, you become aware of the principles surrounding the teachings of Christianity. One of the most important facts to make your own is the understanding that God, the Almighty, is the only true God, and his Only Begotten Son is the Word or, the Spokesman of God. Through this one, all other creatures including Spirit Creatures came into existence. He is rightly called the Word, or, the Spokesman of God.

## Holy Spirit Is The Facilitator Of Gods Purposes

The Holy Spirit, as the third entity of God's arrangements for salvation, is the Spirit from God, which is given to righteous and free moral agent man. Spirit is the operating principle in man and it is activated by thoughts. Holy Spirit, in man, has oneness with God's Spirit, because all spirit is one Spirit with God. Holy Spirit will deliver to you the request of your heart and keeps your body functioning in the best possible way.

## *Exercise Faith In The Ransom Sacrifice Of Jesus Life*

Because you have taken in accurate knowledge from God's Word, the Bible, you are to exercise faith in the ransom sacrifice of Jesus Christ's righteous body. Now, mankind, as a whole, is alienated from God, because of not meeting God's standard of righteousness. Therefore, it was necessary for the Christ to die a sacrificial death, a righteous one for many unrighteousness ones. This is in compliance with the Law of Compensation, which is understood to underwrite the life for a life principle.

## *A Son, Of God, Has Everlasting Life, Within*

Having the understanding that we are from God, we are aware that a Son of God has everlasting life in him.

Now, this life was lost at the beginning, when our first parents transgressed and failed in their loyalty and obedience to God's Word. By selfish desire man changed consciousness from a consciousness of abundance of all that is good, to a consciousness of lack and limitation leading to sickness and death.

## *The Word Of God Became Flesh*

As an act of love, the Word, God's Son, became flesh and resided among men, he was the only righteous man after the fall of Adam. He became known as Jesus Christ, who was born of women, as an expression of God's love, for the salvation of mankind. This love is now at work, trying to lead you to change and reach out to the new life, with a new consciousness of super abundance of good, as children of God.

## *Jesus Christ Is Indeed The Last Adam*

By reading the prophesy of the 70 weeks, of years, as spoken of by the Prophet Daniel, your understanding will grow to appreciate that Jesus Christ is indeed the Last Adam and the Eternal Father, the wonderful councilor, the Prince of Peace and the Mighty God. By sacrificing His righteous life, for the sins of the world of

mankind, known as the ransom sacrifice, he has become to us a life giving Spirit, giving us his Spirit, the Spirit of which returned to God at the time of Christ's death. He died for us and was raised up from the dead to become a mighty Spirit person, as a mighty King in the kingdom of God, ruling over his earthly domain, here on this very earth, ruling from heaven over resurrected mankind.

Jesus Christ sacrificed his righteous human life for you, the one with little faith, so that you can have imputed righteousness and everlasting life, as adopted Sons and Daughters of God. Based on this understanding you are getting baptized into the death of the Christ, because Christ Jesus died a sacrificial death with reference to sin, the sins of the world of mankind.

Therefore, you cultivate desire in order to die in Christ, in the likeness of Christ's sacrificial death, and thereby, you die with reference to your own sins.

## You Are Raised In The Likeness Of Christ's Resurrection

You are raised in the likeness of Christ's resurrection. Christ died with reference to sin of the whole world of mankind; therefore, you also die with reference to your own sins, in Christ. Christ was raised with reference to the Spirit from God, and so you also have the prospect of

being raised with reference to the Spirit, which is from God, the Spirit of which was also in Christ Jesus, our Lord. Christ is the spiritual Son of God and you are the progeny of the Christ, the offspring of the Last Adam, the adopted Son, or Daughter, of God, by Spirit.

You are raised in the likeness of Christ's resurrection. This you can say with confidence, because Christ died with reference to the sins of the world, and by this act, Christ has made his righteous life available to anyone that desires to be set free from the accusation of sin and death. At your baptism, you died a spiritual death, in the likeness of Christ's death, by going under the baptismal water. As you come up from the baptismal water, you are raised up in the likeness of Christ's resurrection, you come alive with reference to the Spirit from God, the Spirit of which was also in Christ Jesus, our Lord.

*You Are Conscious You Have Been  
Acquitted From All Sin*

You are conscious that you have been acquitted from all your sins, because you have died. Now, you are free from the bondage of sin, because you have died as to sin. The power of sin has been broken. This was possible on the basis of faith, the faith of which was in the ransom sacrifice of Jesus Christ. Your baptism changes consciousness, and consciousness is your belief.

Therefore, this changed consciousness is truth to you; you are what you think. By your acquittal from sin, God causes you to come alive, by giving you his Spirit, the Spirit of which was also in Jesus Christ, when walking the earth as a man.

## Your Spirit Returns To God at Death

The spirit of man, which is from Adam, corrupted indeed, is given to Adams offspring through the Law of procreation. At the time of your natural death, your spirit leaves the body and returns to God who gave it. This takes place at the time of your natural death. However, in your case, as a Christian, at the time of your baptism, your spirit, which is from Adam, is being exchanged for the Spirit, which is from God. This is a remarkable understanding, which leads to changed consciousness. The release of the corrupted spirit, which is from Adam, goes back to God who originally gave it. It was Holy Spirit at the beginning and became corrupted when Adam, by forced desire, sinned. Now, you are set free from the domination of sin, because your spirit, which is from Adam has left your body at the time of your baptism, and it returned to God, the Father, who originally gave it.

## Being Set Free From Sin, You

## Receive The New Spirit From God

Being set free, from sin, you receive from God of His Spirit, the Spirit of which was originally in Christ, when Christ walked the earth as a man. You are a new creation, born of water and Spirit, according to the Bible book of John Chapter 3. By partaking of the bread and the wine at the memorial celebration of Christ's death, you enter into an agreement with God for a Kingdom, with Christ as King. Either you have a heavenly resurrection, to rule as associated King and Priest with Christ Jesus, or you have an earthly resurrection, as a righteous one, to enter into the Kingdom realm, here on earth. There, you willingly subject yourself to the rule of Christ Jesus and to the rule of the Bride of Christ, numbering 144000, being associated Kings and Priests, to God. Whether you receive a heavenly resurrection, as associated Kings and Priests, ruling with Jesus Christ, depends on God's choosing. The number of those chosen by God to rule with His Son is 144000 who are faithful Christians. All other righteous Christians will have a resurrection into an earthly Paradise, which is ruled over by our heavenly King, Jesus Christ and the 144000 associate Kings and Priests.

On the basis of being a new creation, born of water and Spirit, God declares you righteous; God will impute righteousness to you, as an act of love and justice; and God gives of His Undeserved Kindness, which is based

103

on love. You have become conscious of changed consciousness and this causes you to love God and His Christ, with all your heart, mind and vital force, as you love your neighbor as yourself.

## *By Undeserved Kindness You Are Made Clean*

This change causes you to receive from God undeserved kindness, by means of which, you can be declared clean before God. In fact, you are being declared Holy. As a result of this, you are receiving the gift of everlasting life, from God, the Father, although you may have an ailing body, you have, nevertheless, the prospect to live forever on earth, because God sees you as being clean and Holy. The Spirit, within, facilitates everlasting life and that Spirit will bring to you the request of your heart, which must include health, wealth and everlasting life. Should you die before God's Judgment Day, then, because of old age, you will have a resurrection as a righteous one, in the Kingdom of God, having God's Spirit, within, the Spirit of which was also in Christ Jesus, our Lord.

You are in receipt of the circumcision of the heart by Spirit, the Spirit of which was also in Christ Jesus, and thereby, you are clean. The urges, as to sin, are no more a dominant force in your life. However, should you cultivate strong desire for sin, and practice sin, then there

can no longer be any redemption for sin remaining, otherwise the Christ will have to die many times on account of your transgressions. This is no longer possible. In that case, there will be no resurrection from the dead and no entry into the Kingdom of God for a Christian that has become a willful sinner.

## You Are A New Creation, Declared Holy, By God

Nonetheless, you have changed consciousness, from a consciousness of lack and limitations to a consciousness of super abundance of all that is good. You are a new creation; you have received changed consciousness, giving you a consciousness of super abundance of good, which is supported by principle. As a result of this, you are clean before God, the Father, and God declares you to be Holy. You are declared to be a Son or, Daughter of God, and you call God, Father. This is a Father Son and Daughter relationship, which is based on the undeserved kindness of God.

You can now enter into the Kingdom of God, to be subjected to the kingdom rule of Jesus Christ, our King, High Priest and Leader. This will be for the duration of 1000years, of righteous rule, over mankind on earth, being a rule of love, justice and peace.

## You Have Become The Progeny Of Jesus Christ

You have become the progeny of the Christ, and you have the Spirit, from God, the Spirit of which was also in Jesus Christ. In addition, you have also put on the Christ by means of his Spirit, because he died for you and set you free from the accusation of sin and error. You are a Christian, clean and Holy, with the Spirit of the Christ, within.

## You Are No Part Of The World

You are no part of the world, because God has chosen you to be out of this world. This is on the basis of changed consciousness, and changed thinking. You no longer identify with the world, whose thinking is based on a mentality of lack and limitations. You have become Holy and righteous and you have received a consciousness of super abundance of what is clean, Holy and good. You have one power consciousness of God and good.

## You Are From Christ The Eternal Father

Christ Jesus has become to you the Last Adam, the

106

Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. He is your King, High Priest and Leader.

Christ has become to you the life giver, the Last Adam. You live, because Christ Jesus lives in you, by his Spirit, the Spirit of which is from God. You are the progeny of the Christ.

Now, you are able to love, because God loved you first when God gave his only begotten Son as a ransom sacrifice for the sins of the whole world. You love God with all your heart, with all your soul and with all your your vital energy; and you love your neighbor as you love yourself. You are the progeny of the Christ, forever, to God's praise and glory, into all eternity.

## Chapter 5

# The Offspring Of The Last Adam

## *A Reflection*

In the beginning there was God, and the Word was with God, and the Word was a God, as a master worker at the side of God. After that, God formed the man from the dust of the ground and He breathed into his nostrils the breath of life and Adam became a living soul, made in God's image and likeness. The master worker, at the side of God, was there, because everything created was created by means of the Word and for the Word.

## *Adam Had A Consciousness Of Super Abundance Of Good*

God cultivated a Garden, in Eden, where every tree was good for food. Into this environment, Adam was placed to fulfil God's purposes and fill the earth with righteous offspring. But, the life of Adam was to be more than eating and drinking of the abundance of food that was in the Garden of Eden. Adam and Eve had been made in the image and likeness of God and they had a consciousness of abundance of good. They were perfect. Adam had been given a wife, who was taken from Adam and formed into a woman, to become the mother of mankind. The human family was originally created perfect and their commission was to multiply and fill the earth with righteous offspring. They were to take care of

all the physical creation and fill the earth with their offspring to God's glory.

## *Free Moral Agent, Man, Was Not To Pay Attention To What Is Bad*

But in order to fill the earth with righteous offspring, God wanted his fleshly Son and Daughter to be like God, knowing only good and being the creator of that which is termed good. The concept of bad had no place in God's arrangement of things. It was necessary for the first humans, to turn away from bad in order to fulfil God's purposes for a free moral agent, man. It was love that needed to be displayed and this to God's praise and glory and into all eternity. With God, there is no concept of bad.

## *By The Exercise Of His Free Will, Man Should Give Evidence That He is Fit For Purpose*

Here we want to be using thinking ability and come to understand that the knowledge of good had to be appreciated, as it was the title deed of man and by the righteous exercise of his free will, man would provide evidence that he is indeed fit for purpose. However, the Law of Attraction allowed the exercise of both good and

bad. For this reason, God provided the proverbial tree of the knowledge of good and bad? Thereafter, God also indicated another tree that was in the middle of the garden and that was the Tree of Life. He then said: from every fruit bearing tree of the garden you may eat to satisfaction, but, from the tree that is in the middle of the garden, which is the tree of the knowledge of good and bad, you must not eat, no, you must not touch it that you may not die. For, from the day of your eating from the tree of the knowledge of good and bad you will positively die. Man had been faced with the first limitation and that was to abstain from what is identified as being bad.

## It is Impossible For God To Tempt His Progeny

Here was the most powerful teaching of good and bad, which, when obeyed in compliance with God's purposes, would prove man to be fit for purpose. But, in addition to the above, God also indicated to the first human pair another tree, which was also in the middle of their garden home and that was the Tree of Life. This is very interesting, in that, God did not want to put man in a difficult situation, whereby, he would be tempted to eat from the tree of the knowledge of good and bad, only to die. God desired that Adam and Eve, by their free will, marked the tree of the knowledge of good and bad as

undesirable, and instead, pay attention to the Tree of Life.

## *Spirit In Man Was One Spirit With Gods Spirit*

Therefore, both these trees reflected the two aspects of life, which were manifest in support of the spirit. On the one hand the appeal was to the fleshly man and on the other hand was the spiritual man to whom the Tree of Life was attractive. However, Spirit was the creative operating principle in man, which was given to him by God, the Father, in order to fulfil God's purpose. This Spirit was Holy and was one with God.

## *Spirit Is In Support Of The Flesh and Of The Spirit Operating In Man*

However, being made in the flesh was an indication that flesh had to be fed, to drink water, to eat food and to breath the air provided by God, in order to sustain mans physical existence. This indicated to the first man that he was dependant on the physical for his existence and by this process the Spirit could be supported to fulfil its function to give oneness with God, the father, on the

basis of consciousness, and thereby, using this oneness to facilitate everlasting life.

## By Thought All Things Were Created

However, we need to understand that God Himself is subject to universal laws and principles, in order that all living things may exist in an orderly, harmonious and fully functioning universe that can exist into all eternity. But God creates by thoughts and God uses His Mind to generate thoughts by means of which the law of Attraction brings about the product of thought to the thinker. By the generation of thought, God created everything, which included the animate and inanimate manifestations. Man was created in the image and likeness of God, and therefore, man was a thinker, like God, and that required godlike application of universal laws and principles.

## A Mind-set Of Good Will Bring About An Abundance Of Good

In order to complete the creative process for the benefit of free moral agent, man, man had to learn to reach out for the good only, because, only a consciousness of good is able to bring about super abundance of good and this

to God's praise and glory. Free moral agent man could reach out for super abundance of good by eating from the Tree of Life and receive Life Consciousness; or, on the other hand, man could reach out for the tree of the knowledge of good and bad, to satisfy his desire for the flesh, by eating of its fruitage, and thereafter, pay the price for his disobedience and then die as a result of the consequence of his error.

## *Man Changed Consciousness From Abundance to Limitation*

The final outcome is clear, for all of us; Adam and Eve took the fruit of the tree of the knowledge of good and bad and they ate of it, after becoming completely convinced in their own mind that the fruit was good for food. The end result is clear, to all of us, today; man changed consciousness from a consciousness of abundance of all good to a consciousness of lack and limitations. This change brought about the corruption of Spirit, which was no longer able to function as the perfect operating principle in man. Man's spirit, would, from now on, yield to the desires of the fallen flesh, and on this count, the spirit in man manifesting corruption, causing man to be unfit for purpose.

## Man Failed To Eat From The Tree Of Life, thereby Failing To Become Life Conscious

By means of procreation, the spirit, which was in Adam, became corrupted indeed, and therefore, that spirit could now be passed on to Adams offspring with the resultant lack mentality manifesting in Adams offspring, leading to anxiety, fear, sickness ageing and finally death.

Man has become unfit for purpose by eating from the tree of the knowledge of good and bad. In addition to Adams disobedience, Adam failed to eat from the Tree of Life. As a result of this, he did not receive Life Consciousness, of super abundance of good, with everlasting life in view. Adam and Eve could only pass on that, which they themselves had, and that was a lack mentality, bringing about lack and limitations of every kind, which finally lead to their death.

Mankind seemed to be doomed to eternal destruction, being no longer fit for purpose, and therefore, there was no longer any place for them in the orderly and harmonious universe, of which the earth is a part. They were driven out of their Garden Home and they had to cultivate, the ground on the outside of the Garden Home, in the sweat of their face.

## The Life which Adam Had Was Lost At The Beginning

Therefore, all of Adam's offspring were sold into sin, error and death, not by their own will, but through the error of their forefather, Adam. All humanity is a victim of Adam sinful course of action. Mankind had become alienated from the source of all wisdom and power. In order to restore harmony to the universe, man had to comply with the God given Law of Compensation. This law requires, that a life of equal value, to that which was lost at the beginning, was required in order to restore mankind to an approved standing with God. The value of the perfect life, which Adam had at the beginning, was lost and it needed to be replaced with a life of equal value. That life had to be provided in order to reinstate ailing mankind into God's favour, with harmony and everlasting life in view. As quick as it was to introduce sin and death to the human family, it will be as quick to change our conscience in order to gain everlasting life. This change was finally made possible through God's love, in order to satisfy justice and bring about harmony and peace into the universe and to mankind as a whole. This change came through the ransom sacrifice, of the righteous life of God's Only Begotten Son, Jesus Christ.

## The Christ Was To Come And

## *Offer His Life As A Sacrifice*

This required change can only come to man through changed consciousness, because Adam, by his selfish act, changed consciousness from a consciousness of abundance of good to a consciousness of lack and limitation, leading to death. Over a long period of time and through the law of Compensation, the compensator was brought about. He was born into a humble existence into the family line of King David. This compensator was the Christ, the only begotten Son of God, who had a heavenly existence as the Spokesperson of God. The Christ volunteered, to be born of woman, and become the one who could and would provide the required ransom sacrifice that could finally do away with sin. This was possible through offering this righteous life, as a sacrifice, in order for sinful man to attain to righteousness, by faith, and thereby, to be set free from sin and death.

In order to complete the process and change the consciousness of man, it was necessary for the Christ to die a sacrificial death so that the one with little faith, you and I, could receive everlasting life. This everlasting life comes to us through a gift of God, by means of changed consciousness from lack and limitation to a consciousness of super abundance of good.

## *A Transformation Must Take Place In Order To Change Man's Consciousness*

Jesus Christ stated in John Chapter 3, when speaking to Nicodemus, a member of the Jewish Sanhedrin, saying; 'unless you are born of water and Spirit you cannot see or enter into the Kingdom of God'. This scripture indicates that a transformation must take place for anyone, in order to enter into the Kingdom of God and have everlasting life. This transformation has the power to change consciousness in man, through the process of the ransom sacrifice of the righteous life of Jesus Christ, our Lord and King.

## *This Transformation Of Consciousness Comes Through The Last Adam*

This transformation must come through the Last Adam, who has been identified by scripture, to be the Wonderful Councillor, the Eternal Father, the Prince of Peace and the Mighty God! (Isaiah chapter 9) It was this one, the Christ, that qualified to be the 'Last Adam' and he became known to us as Jesus, the Christ, the only begotten Son of God, the Master Worker at the side of

the Father, God, through whom, and by whom, all things came into existence, the things in heaven and the things on the earth. In the finality, everyone alive will owe his life to the Last Adam, who is the Christ, in order for the whole of mankind to enjoy everlasting life, being the offspring of the Last Adam.

## *You, The One With Little Faith, Are To Receive Super Abundance*

But how, you may ask, can this come to be? This has come about by an act of limitless love, God's love. This is so, because God knows the full potential of righteous man, which has been invested into the creation of man. This potential, which was invested by God, from the beginning, is known to be in his Son, Jesus Christ, and they know that at the base of this potential is super abundance of good; which is godliness. You, the one with little faith, are invited to receive this super abundance of good, by means of which we are able to accomplish God's will to perfection.

## *You Are To Share In The Super Abundance Of Good*

This is the process, where man is invited to follow in the footstep of Jesus Christ, in order for man to benefit from

this marvellous provision. This is the biggest game changer in the history of mankind and we would do well to consider this information carefully and act upon it in faith. You are to take in knowledge of the Christ, by reading the Word of God in an undertone day and night, in order to grow in the knowledge of God and that of His Christ. This will bring about a knowledge base that will give us the faith, which can preserve alive its owner.

## The Principles Which Govern The Universe Need To Be Embraced

You are encouraged to become familiar with the principles, which we need to embrace, which also operate in the universe. This will be the roadway to a changed consciousness. You have to embrace the principle of good and come to understand that good will always destroy bad, as light destroys darkness. This good must lead to strong desire to get to know God, His Christ and the power of the operation of Holy Spirit.

## You Are To Exercise Faith In The Things Learned

You are to exercise faith, in the things learned, and believe that it was necessary for the Christ to be born of women, and that he had to be perfect and righteous and

in harmony with His Father, God. He qualified in all aspects, as to the requirements that are recorded in the written Word of God, the Bible. He, the Christ, was declared to be the Son of God in the configuration witnessed by John and Peter, the apostles of Jesus Christ, our saviour, Lord and King.

## The Christ Died With Reference To The Sins Of The World Of Mankind

You are to exercise faith, in the following way, by willingly dying in the likeness of Christ's death. This dying in Christ Jesus means understanding that the Christ died with reference to the sins of the world. This has the effect of putting on the Christ, or putting on the Spirit, which Christ had while walking on the earth. This Spirit, Jesus sacrificed for you, and thereby, you are to be set free from your sins.

## By Christian Baptism You Die In Christ

You are to take in knowledge of the Christ and exercise faith in what He has done for us. Then you decide to die in faith, in the likeness of Christ's death, by getting baptised and going under the baptismal water. By this

process you are being declared spiritually dead, because you have died in the likeness of Christ's death and that on the basis of faith. A person that has died is set free from the accusation of sin, because he or she has died. This action changes consciousness, from a consciousness of lack and limitation, with sin and death in view, to a consciousness of everlasting life, with health, wealth and love in view, which is based on the undeserved kindness of God.

*At The Time Of Baptism, Your  
Spirit, which is From Adam,  
Returns To God Who Gave It.*

At the time of your physical death, your spirit, or the operating principle working in you, which is from Adam through procreation, returns to God who gave it. This is in compliance with the scriptural injunction of God's Word. You are now without sin, but for a moment, and without the spirit from Adam. God steps in and he gives you his Spirit, Holy Spirit, the Spirit of which was also in Jesus Christ, when walking the earth in the flesh. As you come up from the baptismal water, you become conscious of having been born of water and Spirit, according to the words of Jesus Christ, to Nicodemus, a member of the Jewish Sanhedrin.

## You Cannot See Or Enter The Kingdom Of God Unless You Are Born Of Water And Spirit

There it was, where Christ stated, that, 'you cannot see or enter into the Kingdom of God unless you are born of water and Spirit'. You have now complied with this requirement in full, and therefore, God, the Father declares you righteous and He gives you undeserved kindness and everlasting life.

## How Are We To Be Sure That We Have The Spirit Of God?

But, how are we to be sure that we have the Spirit of God, which was also in Christ Jesus, our Lord. This we know, because when Christ Jesus died, the scripture stated, that, Christ breathed out his last breath and said: 'It has been accomplished' and then he died. At that moment in time, the scripture stated that the Christ yielded up, or gave up his Spirit and that Spirit returned to God, who gave it. Therefore, this Spirit, which was in Christ Jesus, is now with the Father, to give to anyone, on the basis of faith in the ransom sacrifice of the righteous life, of his Son, Jesus Christ.

## You Are Freed From Sin And Death By The Undeserved Kindness Of God

By this action, you are being set free from sin and death, and thereby, you are born of water and Spirit, a new creation, indeed. This knowledge, this fact, enters into your sub conscious domain as an absolute, as truth and this changes consciousness, from a consciousness of lack and limitation, with death in view, to a consciousness of super abundance of all that is good, with everlasting life in view. This is so, because where there is righteousness there can be no bad, because we have put on the Christ, and by His Spirit, we have become the offspring of the Last Adam, being the progeny of the Christ.

## The Father Sees Us As Righteous By Reason Of The Spirit Of The Christ Within

Therefore, the Father sees us as righteous, by the Spirit of God, the spirit of which was also in Jesus Christ. As a result of this, we are able to cultivate the fruits of the Spirit, which are love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. In addition, by Spirit we were circumcised in the heart, the

Spirit of which was also in Jesus Christ, our Lord. Thereby, we are being declared clean, from God's point of view, we are declared to be Sons and Daughters of God. We changed consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good, and a consciousness of one power, of God and good.

## *We Are The Progeny Of The Christ*

As such, we have become conscious that we are the progeny of the Christ and the offspring of the Last Adam. And the Last Adam has become to us the Wonderful Councillor, Eternal Father, Prince of Peace and Mighty God. We have changed consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of all that is good and this to God's praise and glory. We are a new creation, born of water and Spirit; we are the progeny of the Christ and the offspring of the Last Adam, we have the Spirit of the Christ, within.

## Chapter 6

# Change

## *Conscious Mind*

What is changed consciousness that we should pay attention to it? What benefit will come to us, if we change consciousness, from a consciousness of lack and limitation, to a consciousness of super abundance of all that is good? Consciousness is mind in action. We have come to understand that in respect of consciousness, there is one mind, which has two phases, within. There is the conscious mind, which we can call to objective mind and there is sub conscious mind, which we have identified as the subjective part of mind.

## *Sub Conscious Mind*

The conscious mind is the objective part of the mind and it deals with all events, which are being absorbed through our five senses. It is the reasoning part of mind. The sub conscious mind deals with the subjective part of mind, which has the function of guarding the body functions and allowing the vital functions of life to continue operating without our being aware of its operation. In addition, the sub conscious mind is also the seat of memory and it never sleeps, the same as the heart never sleeps. Therefore, the subconscious mind is taking care of the vital operations of the body and it's protective life functions. It is the storehouse of memory.

## Protecting the Sub Conscious Mind

When we listen to a certain teaching and we accept this teaching, or it's subjects, as truth, then the subconscious mind will store this information, within, and thereafter, it will act upon this information at any given time, when it will be necessary to protect the body from harm. Therefore, we can say that the conscious mind is the watchman of the subconscious domain of our mind. When this watchman sleeps then the subconscious mind can be subject to all kinds of teachings and it will accept these as truth and stores this in the mind.

## Accepted Teachings of Error Enters into the Sub Conscious As Truth

Here we comprehend that wrong teachings, which have been received and accepted by the conscious mind as truth, will enter the sub conscious domain and it will act on it whenever necessary. This is so, because anything received by the sub conscious mind is acted upon as truth. Now, the sub conscious mind cannot reason on a subject, this is left to the conscious mind to do. The conscious mind has the power to reason and to accept or to reject any thoughts even those thoughts, which are not in compliance with universal principles. The thoughts,

which have been accepted by the conscious mind as truth, these thoughts are stored in the subconscious domain to be acted upon at any given time. This highlights the importance of protecting the subconscious mind from erroneous concepts and teachings. This would require the conscious mind to be well trained, to discern right from wrong.

## By Strong Desire Sub Conscious Mind Accepts Error As Truth

The failure, to protect the sub conscious mind from wrong perceptions, concepts and teachings was the case in point in the Garden of Eden, where Eve subjected the subconscious mind to error. There, in the Garden of Eden, the sub conscious mind of man accepted, through the reasoning process, directed in wrong channels of thought that eating or touching the fruit of the tree of the knowledge of good and bad would lead to some good. This erroneous desire entered the mind as an absolute, as truth. Now, this prohibition not to touch and not to eat from the tree came from God and eating of the fruit would be a transgression, which will lead to death. However, Eve had other ideas, she reasoned on the subject to eat or not to eat. She cultivated desire for the fruit of the tree of the knowledge of good and bad, contrary to the command received, and she opened her mind to thoughts and concepts, which were in conflict

with what she had accepted as truth, in the sub conscious domain of her mind. Eve overruled what was accepted as truth. This was, and this is, a very dangerous way of dealing with the sub conscious mind.

## Belief In Lack and Limitations Changes Consciousness

Adam and Eve were conscious that only good would come to them, and they had no concept of bad, they were perfect in mind and spirit. However, by introducing the concept of bad, they started to entertain thoughts, which were no longer in harmony with God's thoughts. But, being a free moral agent, made in God's image and likeness, they had the freedom to cultivate desire for what has been termed good or bad. However, paying attention to concepts, which are based on what is bad would be to their peril, because they would have to go against their conscience, and that would mean a possible change of consciousness, from a consciousness of abundance of all good, to a consciousness of lack and limitation, leading to insecurity, fear, error, sickness and death. Here, we need to understand, that lack is not a concept in the universe, or with God, because by additional good any lack can be filled and any bad can be dissolved. Therefore, bad is nothing at all, it is a thought creation; it can only be held in the consciousness of fallen man.

## Right to Eternal Life Lost

This was a matter of the most serious concern for God and man, because the right to eternal existence would be at stake for man. The first man and woman were creations of God, and therefore, they were God's children. However, Adam and Eve failed to install, into their sub-conscious mind, life-consciousness. They did not discern the need to eat from the Tree of Life, which was also in the middle of their Garden Home. Eating from the Tree of Life would have given them a consciousness of never ending life, which is a spiritual quality, indeed. Instead, Eve kept on looking at the fruit of the tree of the knowledge of good and bad, seeing only the physical benefit, which she desired. Eve saw only the fruit and the good this fruit could do for her and her husband. However, food was not the driving concept in the manifestation of the tree of the knowledge of good and bad, it was knowledge transfer that was important to God and to the first human pair. Eve's conscience did not allow her to proceed and eat without serious consequences for her and for mankind as a whole. Eve was, after all, a perfect creature knowing only the concept of good.

*Believe in Two Powers, Good And Evil, An Illusion of Fallen Man*

Because of her inability, to move and taking of the fruit of the tree, Eve went on and cultivated strong desire for the fruit of the proverbial tree of the knowledge of good and bad. The fruit was just a symbol of God's limitation highlighting what is good and what is bad from God's point of view. Eating of the fruit would bring forth death, not because there was something wrong with the fruit, no but, because God stated the consequence of taken of the fruit and eating it. However, in order to satisfy her desire, Eve cultivated strong desire for the fruit and she reasoned and thereby, Eve created the concept of the speaking serpent. This speaking serpent was the created intelligence Eve desired. Eve entered into a dialogue with a speaking serpent, in order to become convinced that the fruit was good for food. The speaking serpent was nothing more than a product of Eve's vein imagination. It was an erroneous thought creation, a figment of her imagination, which was an illusion. This action, of Eve, which was based on strong desire directed in wrong channels of thought, lead to Eve's transgression.

Eve's reasoning on the subject, of taking or not taking of the fruit of the tree of the knowledge of good and bad, was a grave mistake. Eve had to change her believe system, the change of which would come to her by reasoning on the subject of good versus bad. When Eve became convinced, through the dialogue with the

speaking serpent that the fruit was good for food, she reached out for the fruit and she ate. Later she also gave some of the fruit to her husband and he ate.

## Changed Consciousness At The Beginning Caused Man to become Unfit For Purpose

As a result of this action, both of them violated their conscience, which at that time knew only God and good. As a result of their erroneous action, they changed conscience, from a conscience of abundance of all good to a conscience of lack and limitation, leading to fear, insecurity, sickness and finally death. Man changed consciousness, and thereby, man has become unfit for purpose. He no longer had free access to the source of all power, which is manifest in God, the source of all good, because their consciences had changed to accept a belief in lack and limitation and a belief in good and bad. This new belief changed mans standing with God, and thereby, they no longer were able to communicate with God, because they were unclean, sinners. Adam and Eve started to believe in two powers. This is the belief in God and the belief evil, or the belief in good and bad. Thereby, they became subject to the Law of Consequences, or the Karmic Law, you reap what you sow.

## *Lack and Limitations The New Consciousness Of Man*

How do we know that this was so? Well, we know, by considering what happened next, as the drama unfolds. Adam, who used to talk with God during the breathy part off the day, was no longer seeking God's company, avoiding contact with God, by hiding in the garden home. When God called on Adam, Adam failed to answer. Later, God asked Adam why he did not answer, then Adam said; I am ashamed, because I am naked. Then God said; who told you that you are naked? Have you eaten of the fruit of the tree, of which I have told you not to eat? Adam had become conscious that he lacked coverings; he had become conscious that he was naked. God then gave Adam and Eve loin coverings, made from animal skin. They had accepted two powers, the power of good and the power of bad, however, bad is nothing at all, because bad can always be destroyed by additional good. But now, bad has found a home in the consciousness of Adam and Eve, and from this consciousness of lack and limitation, every form of bad would be created to the detriment of mankind. Here we need to remember that Adam and Eve were creators, made in God's image and likeness. The concept of the devil was born, as a power in opposition to God, in order to differentiate between good and bad. Man has come to believe in two powers, in God and evil, or good and

136

bad. Man has become unfit for purpose.

## *Spirit when Corrupted Becomes Subservient To The Flesh*

God rejected Adam and banished him from the Garden of Eden, to live outside of their Garden Home, and there they had to cultivate the ground in the sweat of their face. By the sinful action of Adam and Eve, the spirit, which operated in man, had become corrupted by strong desire directed in wrong channels of thought, and as such, the spirit could no longer sustain the body in perfection. The spirit from God, operating in Adam, has become subservient to the desires of the fallen flesh, to do the bidding of the flesh. By this fact, mans spirit had no longer unimpeded access to the source of all power, to support the flesh in perfect health, with everlasting life in view. As a result of this flaw, sickness developed, within. Man's fear of death lead to his death. All of Adams offspring inherited this corrupted spirit from Adam and Eve, which came to be with man by means of procreation.

## *Belief in Two Powers Brings Alienation From God*

Man had changed consciousness, from a consciousness

and a belief in one power, which is God and good, to a consciousness of two powers, which is the power of good and the power of evil. The new consciousness was based on a consciousness of lack and limitation. This changed consciousness has dominated man ever since that fateful day. Today, we are facing another challenge of a similar magnitude, as that, which was experienced in the Garden of Eden, and most of us are ignorant of this fact.

## *Changed Consciousness of Modern Man*

Today, on the basis of the love of God and in compliance with universal laws, man's consciousness can change. The prospect of changed consciousness from lack and limitation to a consciousness of super abundance of good is now available to mankind. This is a direct reversal of what took place at the beginning, in the Garden of Eden. This changed consciousness can only be achieved through a change of belief. To achieve this change of belief, requires an act of God. The spiritual Law of Compensation, which is a universal law, had to be complied with in order to change man's consciousness.

## *The Compensator Is Needed*

On the basis of love and justice, God, in compliance with the Law of Compensation, provided the Compensator, to bring about a perfect life to compensate for the perfect life that was lost, at the beginning. This perfect life was lost when Adam and Eve transgressed against the arrangement of God. Through the prophetic word, given to us in the Bible, the arrival of the compensator was announced 483 years before his arrival. This was in support of indisputable evidence of God's love, for mankind. It was designed to change man's consciousness and give us Life Consciousness, and thereby, we can obtain God's favor and in the end have everlasting life.

## *Christ the Compensator Through Gods Will*

We have come to know the Christ, the compensator, who was born in the genetic line of King David in compliance with the prophetic word, which was communicated through an angel to the Jewish Virgin, Mary. This was an act of God's love for mankind, because through procreation, it was impossible for man to supply a righteous compensator to intercede on behalf of mankind, before God. The compensator came in the role of the proverbial Lamb of God, in order to sacrifice his righteous body, so that everyone, on the basis of faith, in the righteousness of this sacrifice, may change consciousness. This changed consciousness would lead to

139

everlasting life and free access to God on the basis of Holiness and in compliance with universal laws, on the basis of faith.

## *Christ's Sacrifice Is For Anyone On The Basis Of Faith*

This is the process, by means of which, we are able to receive the full benefit of a changed consciousness and have life in abundance. This is so, because a righteous life sacrificed, has the eternal right to live to forever. A righteous life, when sacrificed, cannot be lost, nor can it be squandered, or be destroyed. God is willing to use this sacrificed life, which is the life of Jesus Christ, when walking the earth as a man, through an act of faith. You have to believe that Jesus Christ is the Son of God and the son of man. This life, which was sacrificed, is called the ransom sacrifice, because it pays for our sinful life and provides an exchange for everyone alive. At the time of Christ's sacrificial death, the Spirit of the Christ, or the life force, within, which was in Jesus Christ, returned to God who gave it? This Spirit can now be given to anyone, by God, on the basis of faith, so that you, the individual, can have changed consciousness and have life in abundance. This is the life force, which was operative in Jesus Christ, it was Holy Spirit, from God, which was given to Christ at the time of Mary's conception. This Spirit is now available to be given to anyone, by God, on

140

the basis of faith, in the ransom sacrifice of the righteous life of Jesus Christ.

## The Knowledge Of Christ

You are to take in knowledge of the Christ, by reading God's Word, the Bible, in an undertone day and night in order to acquire the faith that can preserve alive its owner. You are to exercise faith, in the things learned, which are about the Christ. This you do, by using your free will, and by faith you are getting baptized into the death of Jesus Christ, by dying in the likeness of Jesus death. He, the Christ, died with reference to sin, the sins of the world of mankind, therefore, you, also, die with reference to your sins, by going under the baptismal water, on the basis of faith, and there you die as to your sins.

## You Die As To Sin, Through Baptism

Because you go under the baptismal water, in faith, God views you as having died with reference to your sins, and therefore, you are acquitted of all your sins, because you have died, as to sin. This is in compliance with the written word of God, the Bible, where it says that everyone that has died has been acquitted from all his

sins. But now, that you have died with reference to your sins, your Spirit, which has been received through procreation, from Adam, has returned to God who gave it. Therefore, you are acquitted from the curse of sin; you are free, as to sin, on the basis of love, through Jesus Christ our Lord.

## *Born Of Water And Spirit*

Because you are being declared free from sin, and your spirit, which is from Adam, has returned to God, who gave it, you are now ready to receive from God his Spirit, which was also in Jesus Christ, our Lord. You have complied with the scriptural entry requirements into the Kingdom of God, as stated by Jesus Christ at John Chapter 3. There Jesus stated, speaking to Nicodemus, who was a member of the Jewish Sanhedrin, saying; 'you have to be born of water and Spirit in order to enter and see the Kingdom of God'. In compliance with this requirement, you have become acceptable to God. God declares you righteous, and as a result of this, he also gives you undeserved kindness and everlasting Life. You are a new creation, born of water and Spirit, and you can now receive the proverbial circumcision of the heart, by Spirit, which makes you clean in God's sight.

## *Receive The White Outer Garment*

Because you have done this you receive the white outer garment, which has been made white in the blood of the lamb, according to the scripture in Revelation Chapter 7, and this through the ransom sacrifice of the righteous life of Jesus Christ, our Lord, King, High Priest and Leader.

## You Are The Progeny Of Christ By Faith

This process is based on faith, in the ransom sacrifice of the righteous life of Jesus Christ, which causes you to become the progeny of the Christ, because you have God's Spirit, the Spirit of which was also in Jesus Christ. And the Christ has become to you the Last Adam, also referred to in scripture as the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. (Isaiah chapter 9.) The Spirit of the Christ, within, has become your source of life. Through your baptism, you have become the offspring of the Last Adam and you have received a changed consciousness, having received a consciousness of super abundance of abundance of good, of light and life. In fact, we can say that by your partaking of the bread and the wine, which are the emblems of Christ's sacrifice, taken at the time of the memorial of Jesus Death, you are in fact partaking of the unleavened bread, which symbolizes Christ's body and you are also partaking of the unfortified wine, which

represents the blood of the sacrificial lamb of God. By this action, it can be said that you are eating from the proverbial Tree of Life, which in this case is prefigured as Jesus Christ our Lord. By this action you become Life Conscious.

## You Changed Consciousness To An Abundance Of Good

Now you have become precious in God's sight, and no human can teach you about God, but God will complete your teaching and your training, and this to his praise and glory, forever and ever and into all eternity. You have changed consciousness, from a consciousness of lack and limitation, to a consciousness of super abundance of good, because you have become a Son or a Daughter of God, the Father. You are a new creation, born of water and Spirit.

## Bad Has Come To Nothing

By changed consciousness, you have received harmony with God, and whatever good you desire, this you shall also obtain. You have become conscious of one power, of God and good and the concept of bad has no longer any power over you. Bad, in fact, is nothing, it has come to nothing, by the good of the Christ, within. You have a consciousness of power and whatsoever you desire this

you shall also have. You have the Spirit from God, which is Holy Spirit that was also in Christ Jesus and you can do the things the Christ did, on the basis of faith. In addition, you have health, wealth, love and power with joy of heart and peace. You have a consciousness of super abundance of good, and bad cannot attach itself to you, because of super abundance of good, which is supported by the Undeserved Kindness of God, or by the Law of Forgiveness. You have become conscious that bad is nothing, and you believe that bad can only exist if we believe in two powers, which is the power of God and the power of evil, instead of one power, which is the power of God and good.

## *Associated Kings And Priests with Christ*

You have changed consciousness, from a consciousness of lack and limitations to a consciousness of super abundance of good, and as a result of this, you are a super human and you have the prospect to be selected by God, to become associated Kings and Priests with Jesus Christ, ruling with Christ from Heaven, bringing resurrected mankind to perfection over a period of 1000years of Kingdom Rule. This group, of selected ones, number 144000, who are the bride of Christ, and as such, they have part in the first resurrection, to be with Christ in Heaven. Alternatively, Jesus Christ may

choose you to be a Foundation Stone in the new earthly society in God's Kingdom, on earth, which is made up of resurrected mankind. You have the prospect never to die at all, to live, on a restored earth, in the Kingdom of God. You are righteous and you cannot be judged at the end of this system of things. You are Holy and you are indeed happy as a Son or Daughter of God.

## *Conscious of the Spirit Of The Christ Within*

You are conscious that you have the Spirit of God, the Spirit of which was also in Jesus Christ, thereby, you are able to love God and your fellow man at all times, as you love yourself. This will prove to be for the benefit of all those who listen to you and who desire to emulate the Christ in their lives. You are blessed with super abundance of good and you are happy, because of the good conscience. This good conscience gives you joy and peace with power; health, wealth, mildness, kindness and goodness today and into all eternity, even forever and ever. God declares you to be righteous and you have been accepted as a Son or Daughter of God, on the basis of your faith. This faith has led you to obtain changed consciousness, with the circumcision of the heart, by Spirit.

## Repeat The Reading Often

In order to retain the above information and make this information your own, you are encouraged to read this discourse often. By doing this, you will instill these principles in the subconscious domain of your mind. This provides you with a solid foundation of faith and God will complete your teaching and training as you continue to apply yourself to the daily reading of God's Word, the Bible. You are changed, indeed.

## Chapter 7

# By The Power Of Spirit

## Introduction

Where there is life, there must be spirit. Spirit is manifest in all-living things and the outworking of spirit can also be seen in all creation. The very rock formation bear witness to the forces that were active during the creation of the earth. Spirit is from God, by means of which, God made everything. Whatever we behold is the product of the operation of Spirit and the mind behind Spirit is God's mind.

Now, spirit is from God, and God is the source of all Spirit, by means of which He accomplishes His purposes, manifesting in animate or inanimate creation. Every living thing has spirit from the Creator, or is subject to spirit, to do the bidding of God's spirit. Therefore, when we observe the animal creation, we see the workings of spirit and we see the hand of God. Now, when we look at man, we see more than just the spirit of God, we see the image of God, because we are made in His image and likeness, being free moral agents, and Holy Spirit is the operating principle in righteous man.

## Mind Directs Thought Concepts To Accomplish Things

By the operation of mind, man develops and directs his thoughts to accomplish things according to his desire.

Through mind, concepts are developed and these concepts are dressed in thoughts and spirit takes these thoughts and delivers the product of these thoughts through the Law of Attraction and through the power of God. This understanding reinforces the knowledge that whatsoever we think about we bring about. It is the spirit of man that must have oneness with God, in order to meet the minimum requirements of the universe, in order to display love, justice, wisdom and power, which are the cardinal qualities of God.

## *Spirit Must Have Oneness With God*

For the Spirit to have oneness with God, it has to be Holy. But mans spirit is not holy, because of the corruption of spirit, which took place in the Garden of Eden. The Spirit in man yielded to the persistent desire of the first human, and by this desire, spirit became corrupted to do the bidding of the fallen flesh.

## *All Spirit Is One Spirit With God*

Her we need to understand that all Spirit, whether spirit in plant, animal or human is one Spirit with God. Spirit cannot exist divided and each creation has differentiated spirit from God to fulfill its purposes. Now, therefore, the problem is that we are the progeny of Adam and Eve,

who have broken the rules of engagement, when they failed to abstain from bad. Adam and Eve failed to discern the impartial Law of Attraction, the creative law, by means of which we can bring about the good or the bad. But bad has no principle, and therefore, bad can always be destroyed by additional good. Bad must not receive of our creative attention, or of our thoughts, because bad is nothing, it has no power, and can always be destroyed by additional good. Bad can only exist, if man holds bad in his conscience and in his subconscious domain, and from there, bad comes alive to do its work. The person who desires bad believes in two powers, in good and bad or in God and evil.

## *Adams Spirit Was Holy And It Came To Be Corrupted By Strong Desire*

Before Adams transgression, the Spirit in Adam was Holy Spirit, which is from God, the Father. There was an abundance of good to be had, and whatever Adam desired, this he could also obtain. Adam and Eve did not know the concept of bad. They had to be introduced to this concept of good and bad, which came to them by the introduction of the proverbial tree of the knowledge of good and bad. This tree was an act of love, on God's part. This tree was not designed to tempt man to eat it's fruit, rather it was a symbol of knowledge, which could

assist man in working out his own limitations as a godlike creation. This would include avoiding thoughts and cultivating desires, which would give life to the concept of evil, or bad. Believing in bad is based on a belief in two powers, the power of good and God and the power of evil and bad. But with God, evil does not exist. It can only exist if we believe in evil, and thereby, we create the devil as a force for bad.

## Taught By Means Of The Tree Of Good And Bad

Bad is in fact nothing, it has no principle. But good has principle and a right to exist eternally. Adam was not aware of this and he had to learn from this proverbial tree of the knowledge of good and bad. Some may reason that this may have been an unloving act on God's part to place this temptation before man at the beginning. But by careful consideration of all the facts we must come to the conclusion that the tree communicated to man the good and the bad. There was a choice to be had. By applying the benefits to this God given knowledge, of good and bad, our forebears could have had everlasting life, in perfection.

The Tree Of Good And Bad Was A Loving Provision From The God of

## Love

But, apart from this, the first humans were a product of love and they had the ability and the knowledge to love perfectly, because they had Holy Spirit, within, which was the operating principle in them. They understood the fact that God is love, and the tree of the knowledge of good and bad were part of God's loving arrangement for life. In fact God is true love. It was God's way, by means of which God was teaching man about responsible godlike conduct, which was based on the given creator ship, realizing that man was made in the image and likeness of God.

## Where Good Appears Bad Cannot Exist

Adam and Eve had to understand that good has principle, and the right to eternal existence and bad could always be destroyed by an additional good. Where good appears, bad must disappear. Good and bad cannot exist in the same place, at the same time. Additional good would always have destroyed the bad. The first human pair did not expand their minds and observe this basic principle. They were thinking inside of the box, so to speak, and they saw only the benefit the fruit of the tree would have for them and they concluded that there was nothing wrong with the fruit; rather, they

were sure that the fruit was good for food. They failed to act in faith and abstain from eating the fruit of the tree of the knowledge of good and bad; instead, Eve reasoned on the right and wrong of the God given limitation. God's commandments are absolute and must be obeyed in faith, because they always work for the benefit of the greater whole.

The erroneous kind of thinking, which was employed by Eve, led to strong desire, a desire for the fruit of the tree of the knowledge of good and bad, and by this desire, they created the pretext to taking of the fruit and eating it. But how, you may ask, was it possible for perfect man and woman, having been made in the image and likeness of God, to transgress and eat of the fruit, to which death was attached?

## *Strong Desire Brought About The Illusion Of The Speaking Serpent*

It was by failure to exercise faith, and instead, cultivating strong desire, directed in wrong channels of thought, the desire of which was for the fruit of the tree. This resulted eventually in a dialogue with an illusion, a fictitious thought creation, and that manifested in the speaking serpent leading to a dialogue with the speaking serpent. Thereby, Eve became convinced that the fruit was good for food, and she ate. Eve reasoned that God was

holding something that is good back from her, which she had judged to be of benefit to her. That was the precursor for Eve, she desired to convince herself, through the dialogue with a lowly serpent, and that is what she was about to do, it was perceived to be good for her and she took of the fruit and she ate. Eve created an illusion, which was a fictitious mind creation, and through this illusion Eve became convinced that the fruit of the tree of the knowledge of good and bad was good for food; it was, in her estimation, good for her. By her action, Eve created a power in opposition to God, to believe in two powers, in good and in evil, when in fact, there was only one power, and that was, God and good.

This was a grave mistake, indeed, and a warning to all of us today, in order to keep our desires in check, and to focus our mind, not on what we not have, but rather to focus our mind on the things we have. The use of affirmatives will help us in focusing our mind on the good things we have.

But how was it possible for Eve to become convinced that what she was about to do was good for her, when the operating principle in her was Holy Spirit, which was from God, the Father? Here we can learn an important lesson for life. The only activity, which Spirit has, is its ability to think. But thinking comes from concepts generated in the mind. Therefore, when a person keeps cultivating strong desire, directed in wrong channels of

thought, desire for something to which death is attached, then, the Spirit in man becomes corrupted, to do the bidding of flesh, or the desire, within. In this case, it was the speaking Serpent, who was a mind creation of Eve, who convinced Eve that the fruit was good for food. Spirit cannot reason on a matter, which is left to the conscious mind of man, to do. Man must take responsibility for what he allowed into his mind. Man failed to exercise faith in the God given command, not to eat of the fruit of the tree of the knowledge of good and bad. This God given command was an absolute, which needed to be obeyed on the basis of faith.

## *Spirit Cannot Reason It Can Only Do*

It is thought, which brings about a response from the Spirit, within. Now, there can be good thoughts and there can be bad thoughts, the Spirit does not reason as to which thoughts are generated. Spirit cannot reason on any matter, it can only do that which is in support of mans thinking and deliver the product of thought. But man is responsible for his thoughts, whether good or bad, because the Law of Attraction is an impartial law and it makes no difference to the law if a thought is good or a thought is bad. The Spirit, in man, will do the things you think about and it will bring it in, because all spirit is one Spirit with God. Therefore, by our thoughts and by

Spirit, we are linked to God and you are a creator of either of good or of bad, this is the privilege of a free will. However, bad has no principle and can always be destroyed by additional good, therefore; good must be the foundation of all our thoughts.

## *Eve Became Convinced That Eating Of The Forbidden Fruit Was Good*

Instead of focusing on the good, which they had in abundance, when in the Garden of Eden, they focused on the concept of bad; and whatsoever you think about you bring about. As it turned out to be, Adam and Eve focused on the fruit of the tree of the knowledge of good and bad, to prove that the fruit of the tree was good for eating, and by this action, Eve became thoroughly convinced that the fruit was indeed good for food and she ate. Their Spirit, Holy Spirit, which was from God the Father, became corrupted by strong desire directed in wrong channels of thought. Spirit was directed in wrong channels of thought, to do the bidding of the flesh. The desire to obtain that which they should have avoided, namely the fruit of the tree of the knowledge of good and bad, led finally to the corruption of Spirit, to do the bidding of the flesh. This action led to alienation from the source of all power, which is God and good, because man started to believe in two powers, the power

of good and the power of evil. But evil could not exist where good appeared, therefore, Adam and Eve were delusional, they were deceived, to believe in two powers, when in fact, there is only one power, which is God and good.

## *The Tree Of Good And Bad Communicated God's Principle*

Man finally found out that the tree of the knowledge of good and bad had nothing to do with food, it had something to do with principle, the principle that bad can always be destroyed by additional good. In consequence, thereof, bad has no principle, it is nothing, and it can only exist in the consciousness of fallen man. Adam has become the host of darkness and he became unfit for purpose and he died, because the spirit in man was no longer Holy Spirit, it was corrupted spirit, to do the bidding of the fallen flesh. Therefore, all of us are dying by being subjected to the Law of Procreation, through the transfer of sin, and by this we have received the spirit, which was also in Adam. That spirit was corrupted to bring to man the desire of the fallen flesh, which must lead to death. The lack mentality was born. Adam changed consciousness from a consciousness of super abundance of all good to a consciousness of lack and limitation, which brings about sickness and death. Adam paid attention to the things he did not have, when

in fact he had everything, he, by his error, became flawed in his thinking. Eve started to believe in two powers, the power of good and the power of evil. A grave mistake indeed, especially in the light of our understanding that Adam and Eve had created a power in opposition to God, which was evil, and thereby, the devil was born.

## Death Is Brought About By Imperfect Thought, By Lack

The concept of death is part of man conscience, and therefore, death is brought about by the imperfect thoughts of man and the spirit of man can only bring about the product of thought, and in this case, mans thoughts were on not having enough, which must lead to death. We need a new spirit, but how can that new spirit become ours when we are alienated from the source of all power and love. The only time we are set free from our spirit is at the time of death, when our spirit returns to God who gave it.

## The Law Of Compensation, A Life for A Life Principle

To rehabilitate man, and to bring about mans salvation, will require the operation of universal law, the Law of Compensation, or the principle of a life for a life of equal

160

value of what has been lost. The first man, Adam, brought about death, and the last Adam has the power from God, to bring about everlasting life and a conscience of super abundance of all that is good. This would, by deduction, mean for us to receive a new spirit, Holy Spirit, which is from God, the Father. But, in order for us to obtain this Spirit, man has to die with reference to his sin first, as an act of faith. Sin is the mark of imperfection, which we have inherited from the First Adam, at the beginning.

## *Man Can Now Look With Confidence To The Future*

It is remarkable to think that such a process is possible when all we know is a short life of lack and limitation and finally we have to bow down to the demand of death. By the Law of Compensation, the process of the rehabilitation of man is acceptable to God, and therefore, mankind can look with confidence to a future of abundance of all good. This becomes fully realized in the Kingdom of God, for which Christian mankind has been praying, where Christ Jesus will rule as King with the assistance of 144000 associated Kings and Priests, bought from the earth as first fruits to God. This is a loving act by God, which is to God's everlasting praise and glory. This will prove to be a ruler ship of abundance of all good.

## Man Needs Grace, The Undeserved Kindness Of God

Now, however, in order to have a share in the future in God's Kingdom arrangement, any person can avail himself, or herself, of the undeserved kindness of God and follow the process, which leads to salvation. This is what has to be done to qualify and enter into the kingdom of God as a righteous one.

## Take In Knowledge Of The Life Of Jesus Christ And Exercise Faith

You are to take in knowledge of God's Word, the Bible, by studying and reading the four Gospel accounts and get to know the Last Adam, which is the Christ. Jesus died a sacrificial death, for you, in order for you, by an act of faith, to take hold of this righteous life. Once you have taken in this knowledge, and acquired faith that can preserve alive it's owner, you then get baptized following the example of the Christ.

## Christ Fulfilled Bible Prophecy And He Died A Sacrificial Death

Christ Jesus was born, according to the scriptures, at the appropriate time and place, and he lived a life in

fulfillment of all the prophecies written before his time, in order for you to obtain the faith that can preserve alive its owner. Christ died for you, the one with little faith, one righteous man died for many unrighteousness ones. Christ died with reference to the sins of the world. Now, you also, by faith, can choose to die with reference to your own sins, in the likeness of Christ's death. This takes place at the time of your scriptural baptism, by going under the baptismal water. There you die, in a spiritual sense, with reference to your sins. This is a spiritual death, which we have to die, on the basis of one's faith, in order to receive righteousness with God and obtain undeserved kindness and everlasting life.

## *At the Time of Death The Spirit Within Returns To God Who Gave It*

At the time of man's spiritual death, the spirit, your spirit, which is from Adam, goes back to God who gave it. As you come up from the baptismal water, you come alive with reference to the Spirit, which is from God, the Spirit of which was also in Christ Jesus, our Lord? This can only take place because the spirit, which is from Adam, leaves your body at the time of your spiritual death and returns to God who originally gave this spirit to Adam. Therefore, by this arrangement, you have been set free from the corrupted spirit operating in your body,

the spirit of which was in Adam, and you have now received a new Spirit, God's Spirit, Holy Spirit, which was also in Jesus Christ. The Spirit, which was also in Jesus Christ, returned to God at the time of Christ's sacrificial death, when Christ Jesus breathed out his last breathe, he said; 'it has been accomplished'. This is the Spirit of Truth, which is now with God and He gives this Spirit to you, the one with little faith, and that at the time of your baptism. This is a remarkable happening, resulting in a transformation from death to life for everyone having faith.

## God Declares You Righteous By Faith And Not By Law

Because you have done this, God declares you righteous and He also gives to you of His undeserved kindness and everlasting life. By your willingness to die, with reference to your sins, in faith, God views you as being dead with reference to your sins, and a person that has died is acquitted from all his sins. Your spirit, which you had from the beginning, the spirit of which you have inherited from Adam, returns to God who gave it. This action on your part allows God to give you His Spirit, Holy Spirit, the Spirit of which was also operative in Jesus Christ, our lord.

## You Are A New Creation Born Of

## Water And Spirit

You are now a new creation, born of water and Spirit, according to Jesus words to Nicodemus, a member of the Jewish Sanhedrin, when he said; ‘you can not enter and see the Kingdom of God unless you are born of water and Spirit’. (John Chapter 3) You are indeed a new creation and God calls you Son, or Daughter and you call God, Father. You instantly change consciousness and you start to believe in one power, which is God and good.

By Spirit From God, Which was In  
Jesus Christ, You will become The  
Offspring Of The Last Adam

By this Spirit, within, you are and you have become, the progeny of the Christ, who, according to Isaiah Chapter 9, is the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. This is the one that will be king in the Kingdom of God, to bring resurrected mankind to physical, moral, mental and spiritual perfection. You belong to the Christ, by being a new creation born of water and Spirit. You have the Spirit of the Christ, within.

By Spirit Within You Are

## Declared To Be A Son Of God

By Spirit, the Spirit which is from God, by Holy Spirit, you can say; I am a Son or a Daughter of the Great Spirit, the 'I Am That I Am', who is God the Almighty, and God will become all things to all, when the Christ hands over his Kingdom Rule to his Father. This will take place at the end of the 1000year rule of Christ, when all things have been subjected to the Christ, and death will be no more, nor outcry, nor pain be anymore, the former things have passed away.

A period of unprecedented peace, prosperity and growth lies ahead for mankind, with unimaginable joy, happiness and peace and super abundance of all that is good, and this happiness will be our 'title deed' into all eternity, even forever.

## Holy Spirit Makes You Clean By The Circumcision Of The Heart

Because you have the Spirit from God, the Spirit of which was also in Jesus Christ, you can now receive the circumcision of the heart by Spirit. Your Spirit, Holy Spirit, makes you clean and Holy before our God. In addition you are now able to cultivate the fruitage of the Spirit, which is love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. You are

indeed happy and you have a consciousness of super abundance of good, being constructive and beneficial. Bad is no longer a force in your life, because bad has come to nothing and bad has no principle and can always be destroyed by an additional good. You now can take your place among the children of God, with health, wealth, love and perfect self-expressions, which is the perfect square of life.

## *You Are Born Of Water And Spirit*

You are a new creation, born of Water and Spirit; and you are precious in God's sight and you are conscious that God loved you first, when you were in darkness mentally and alienated from the life that belongs to the light. Now, therefore, you love God and your neighbor, as you love yourself, and this in imitation of God's love for you, because you have the Spirit of the Christ, within, as a product of God's love.

By Spirit, which is from God, the Spirit of which was also in Christ Jesus, our Lord, you are saying: 'I am a new creation, born of water and Spirit, and this to God's praise and glory forever and ever, amen'. Whatsoever you desire, which is on the basis of faith, this you shall also obtain and that at the time of asking and it will manifest. You have become one with God, the Father, by adoption, and you are the progeny of the Son of God, the Christ.

By this new Spirit, you have become all things to God, and you belong to the family of the righteous ones today and into all eternity, even forever, and ever.

## *Eating From The Tree Of Life Would Have Made Adam Life Conscious*

Remember the other tree in the Garden of Eden, which is the Tree of Life, which was also in the middle of the Garden. The spiritual man, Adam, had the choice to eat of the Tree of Life, in the first instance, and thereafter, Adam would have changed consciousness to become Life Conscious, having a consciousness of everlasting life. In that state of consciousness, Adam would have been perfectly poised, to reject any form of bad and he would have been in a position of power, to curse the tree of the knowledge of good and bad, and the tree would have withered and died. Thereafter, Adam would have been perfectly positioned to father perfect offspring and pass on to every one a consciousness of eternal life with a consciousness of super abundance of what is good. This opportunity passed him by, when he failed in his loyalty to God, and instead, passed on to all of us sin and death.

Obtaining this super consciousness is now in reach of every one, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord and King, the

last Adam. Study this book often and by this process you will be able to grasp the deeper things of life more fully. May you be blessed by the God who loves you, and who called you out of darkness into his wonderful light of truth and understanding?

## Chapter 8

# By Undeserved Kindness

## A Reflection

There are many teachings of salvation. However, the issue of the ransom sacrifice comes up time and again as the pivotal teaching. Unless we get the whole picture, we are still lacking in the full depth of understanding of destiny. This article is designed to give the reader the knowledge and insight, which is essential for true happiness. The teachings of the Law of the Undeserved Kindness of God are paramount to the teaching of Christianity and to the teachings of salvation. Understanding and becoming subject to the undeserved kindness of God changes consciousness, from a consciousness of sin, to a consciousness of one power, of God and good. This is the source of Christian joy and happiness.

## By Undeserved Kindness We Become Conscious Of Being Clean

At the time of our baptism we have been told, or we have come to believe that we have died in the likeness of Jesus death, with reference to our sins. At that time, we have been set free from the domination of sin and death and we have come under the domination of God's Undeserved Kindness, of God's Grace. From that time on, sin and death have no longer any power over us; because we have died as to sin, sin is no longer counted

against us. Sin is no more dominating our thoughts and our lives and we have come under the Law of Forgiveness, or the Law of God's Undeserved Kindness. We are free. We have changed consciousness, from lack and limitation, to a consciousness of super abundance of good, with God's undeserved kindness and love.

## *We Have Been Set Free From The Law Of Consequences*

We experienced a change in consciousness and we have been set free from the Law of Consequences, the Law of cause and effect, or the Karmic Law, you reap what you sow. This is a remarkable change and by this change we have come under the undeserved kindness of God, or, we have come under the Law of Forgiveness. This means that any failure on our part, is made null and void by the Law of Forgiveness, or by the Law of God's Undeserved Kindness, and this would also mean that we walk in the consciousness of a clean people, every day of our lives. We are Holy, by the Spirit of God, the Spirit of which was also in Jesus Christ, our Lord, when Jesus Christ walked the earth as a man, in the likeness of Adam's flesh.

## *The Law Of Forgiveness Mitigates The Law Of Sin And Death*

The Law of Forgiveness is making us clean from God's point of view and that law has mitigated the Law of Sin and Death. This allows us to have freeness of speech as we conduct our Christian affairs in a Christian way. The sacrificed blood of the Christ constantly cleanses us and we have become like a free people, having received a new birth, according to the written word of God, at John chapter 3. There, Christ Jesus stated, when being visited by Nicodemus, a member of the Jewish Sanhedrin, saying: 'you cannot enter and you cannot see the Kingdom of God unless you are born of water and Spirit'.

## *You Change Consciousness From Lack And Limitation To believe In An Abundance Of Good*

To be a Christian, one needs to experience a new birth in order to be acceptable to God, and thereby, change consciousness from lack and limitation to a consciousness of super abundance of good. At the time of your baptism, you in fact died, with reference to your own sins, and therefore, you were set free from sin. According to the scriptural record, every person that has died has been acquitted, or has been set free, from his sins. Now, that you have been set free from your sins, your spirit, which is from Adam, your forefather, returned to God who gave it, at the time of your baptism. This must be

174

so, in order for a person that has died with reference to his own sins, to be set free, as to his sins. For this freedom from our sins, Jesus Christ has died.

## Your Spirit, Which Is From Adam Returns To God Who Gave It

At the time of you going under the baptismal water, your spirit, which you have received from Adam through procreation, returned to God who gave this spirit. This spirit is the spirit Adam received at the time of his creation. As you are submerged under the baptismal water, your corrupted spirit, which is from Adam, returns to God who gave it. Thereafter, you receive the new Spirit, Holy Spirit, which is from God and that Spirit was also operative in Jesus Christ, while living as a man among mankind. You are now in possession of the new Spirit that was also operative in Jesus Christ when he walked the earth as a man. This Spirit, which is from Jesus Christ, returned to God at the time of Christ's death, and therefore, this Spirit is now for God to give to anyone, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. This process has freed man from the domination of sin and death.

## Christ Jesus Death Works Out Life For Us On The Basis Of Faith

Therefore, we have come under the domination of the Law of Undeserved Kindness of God, and that means, whereas before our baptism, the dominant quality was that of sin, which worked out death for us. Therefore, after your scriptural baptism, you have become subjected to the dominance of the Law of the Undeserved Kindness of God, which works out life for you. This means that we have now become Life Conscious, which works out everlasting life for us. Whereas, before, we were sin conscious, and sin worked out death for us. Therefore, Christ Jesus death becomes life for us, by means of the transference of Spirit, the Spirit of which is from God, who gave us His Spirit, which had previously been operative in Jesus Christ, while walking as a man among us. That Spirit, which was in Jesus Christ, now dwells in us and brings forth righteousness, on the basis of the undeserved kindness of God, with everlasting life in view, and this by the given word of God.

## *We Have Been Set Free From The Karmic Law, The Law Of Consequences*

It was by means of the Law of Forgiveness, or the Law of the Undeserved Kindness, we were released from the Law of Consequences, or the Karmic Law. Therefore, we were freed from a consciousness of lack and limitation and we were freed from the Karmic Law,

176

which subjected us to the Law of Consequences, you reap what you sow. The Karmic Law teaches us to believe in two powers, which are the power of God and Evil. Yet, for us, as baptised Christians, there is only one power, and that power is God and good.

## *We Have Been Given A Changed Consciousness To Believe In An Abundance Of Good*

Therefore, we have been given a changed consciousness resulting in a belief of super abundance of all good. As a result of this, we have become clean, to be reconciled to God, as children of God, and that is what we are. We are truly set free from the oppression of sin and death, through the Law of the Undeserved Kindness of God. We have obtained freedom of speech, before God, which works out health, wealth, love and perfect self-expressions, which is the perfect square of life. The perfect square of life must lead to perfect happiness. As a result of this, whatsoever we ask of God, through Jesus Christ, in faith, this we shall also have and that at the time of asking and it will be given to us. Now remains obedience to the teachings and commandments of the Christ, as we behold the day of vengeance drawing near. This day of vengeance will usher in God's Kingdom Rule with Christ as King. We have received the white outer garments, according to Revelation Chapter 7,

177

which identifies us as being clean and Holy, before our God and before Jesus Christ, our Lord.

## *If We Have A Failure In Life We Baptise It Success*

When we have a failure in life, as in the case of unintentional sin, then we have the opportunity to baptise this event as a success, in the name of the Father, the Son and in the name of the Holy Spirit. Thereby, we remain clean and Holy and acceptable before our God and His Christ. However, we do not want to become guilty of the practice of sin, because for such practice, there can be no forgiveness. Otherwise, the Christ would have to die many times. This is not possible. After having received of the undeserved kindness of God, including a changed consciousness, you in fact become Christ like, in conduct, preventing you to sin wilfully.

## *Ask And You Shall Obtain The Things Asked For In Faith*

Whatsoever you desire, this you shall also obtain and that at the time of asking, because God is not limited to time, space and amount. God gives generously and in abundance to those asking in faith. We are happy, because we have found favour in God's eyes and we

have changed consciousness, from a consciousness of lack and limitations to a consciousness of super abundance of all that, which is good.

## There Remains Faith, Hope And Love; The Greatest of These is Love

There remains faith, love and hope and the greatest of these is love. By the Spirit of the Christ, operating within, you are able to cultivate love, joy, peace, mildness, kindness, goodness, faith, long suffering and self control, these are the fruitages of the Spirit of God, the Spirit of which now dwells inside of you. You are indeed a new creation, born of water and Spirit and you have indeed received the circumcision of the heart by Spirit, the Spirit of which is from God and that Spirit was also in Jesus Christ.

## Let us Keep The Commandments Of God And The Faith Of Jesus

There remains for us the crown of life and the survival into the Kingdom of God, at the end of this system of things. Therefore, let us keep the commandments of God and the faith of our Lord, Jesus Christ and conduct ourselves with godly fear and awe with the everlasting

blessings of God, which will come upon us as a gift and this to God's eternal praise and everlasting Glory.

## At The Finality There Is The Last Blessing Of The Dead In Ignorance

Finally, there is also the last blessing reserved for those who are dead, who have not accepted the number of the Beast on their hands or on their forehead, (see the Book of Revelation chapter 13). These persons are in for a blessing at the very last remaining time before the destruction of the global system of things. The scripture in Revelation Chapter [14:13](#) states: 'blessed are the dead who die in the Lord from now on'.

## By Faith, You Will Be Blessed To Have Life To Enter Into The Kingdom Of God

This is the greatest gift from God, to those who have not as yet died, in a scriptural sense, who have not as yet come alive by dying in the likeness of the death of Jesus Christ, our Lord and King. May all of you who are seeking life, have life in abundance, and thereby, you be blessed indeed by our God, and Father. You may choose to die in the Lord, at that critical time, before the judgment of the nation, on the basis of faith, in the

ransom sacrifice of the righteous life of our Lord, Jesus Christ. On the basis of this faith, you will be blessed to have life in order for you to go alive through the time of the great day of God the Almighty.

*May All Of You, Who Read This  
Writing, Be Blessed By The  
Undeserved Kindness Of God*

May all of you who read this writing be blessed through the arrangement of God, by means of the glorious Law of the Undeserved Kindness of God, or by means of the Law of Forgiveness, or the Law of Grace and receive a changed consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of all that is good. Blessed be all of you who love God, the Christ and your fellow man, as you love yourself.

## Chapter 9

# Faith

## Faith, Not An Expression Of Many

We talk about faith, we also believe that we have faith in abundance, yet by closer examination of all the facts, we have to realise that the faith, which we have, is lacking in substance. We often ask ourselves, why do things go wrong when I believe in Christ, when I believe in the good and in the power of God? Is there something that I do that is not in compliance with God's will and purposes, and therefore, I miss out on the expected blessings?

## There Is The Need To Be Humble

The case of Lots wife brings to our attention that true faith is not a possession of all people. Faith requires a person to be humble and be spiritually aware of our blessings and limitations. This is a fact, because faith is the assured expectation of things hoped for, the evident demonstration of realities, though not seen. We need to become conscious of our spiritual needs, and for that, we need the knowledge and understanding from God, which is by means of Jesus Christ.

## We Need To See The One Who Is Invisible

When we have progressed to a position of exercising the faith, which can preserve alive its owner, then we will be able to see the one who is invisible, which is God, or Universal Mind. When we have been set freed from the shackles of ignorance, then we wouldn't want to show a lack of faith again? This may apply in the case of the one that has come to know that he or she has been bought with a price, by means of the life blood of Jesus Christ, our Lord, and then, going back to a belief in two powers of God and evil, or believing in good and bad. True faith, or true belief, must lead to expectations of good, because with God there can be no lack, nor can there be any limitations in anything, with God there is only one power, which is the power of God and good.

## Having The Christ Within, We Do Not Want To Be Guilty Of A Lack Of Faith

Because, we believe that we have received the Spirit from God, the Spirit of which was also in Jesus Christ, we do not want to be guilty of any lack of faith. For example, when we have become conscious of One Power, which is the power of God and good, then we are conscious of having an abundance of good. Therefore, we do not want to subject ourselves again to a belief in two powers, by believing in good and bad. This can be the case in point when we become fearful of becoming

185

sick, when we are in the company of persons who are victims of a virus attack.

## Do Not Subject Yourself To Fear Of Any Kind

To come out completely victorious, with radiant faith, we need to believe that anything to which bad is attached has no power over us. That would mean that any sickness that is manifest, couldn't attach itself to us, as may be the case, unless we show a lack of faith and fear the effects of a certain sickness. This may then lead to creating the condition, whereby, our immune system weakens to the level of the feared germ and then that sickness will become manifest in our body.

## Whatsoever, We Think About This We Also Bring About

Therefore, fear is a powerful thought-form, which triggers the Law of Attraction to bring about the product of fear, which in this case is the fear of the germs or flue viruses. Whatsoever, we think about, we bring about, is the underlying principle in everything. By fear, we open ourselves to lower our immune system and become subject to the germ or the flue virus. The Law of Attraction will respond to your fears and bring about the

product of such fear, which will result in you becoming a carrier of the germ or flue virus. The end result is always in support of the saying; you reap what you have sown'. You have sown fear and the product of fear becomes manifest in your case. We need to become conscious of having received of the Undeserved Kindness of God, which makes us perpetually clean and keeps us in an approved and Holy state of being, with health, wealth and good of every kind. We need to become conscious, of the fact, that we have received the Spirit of the Christ, within, which is Holy Spirit, and where there is Holy Spirit; there must be love, because love throws fear outside. Holy Spirit sets us free from the manifestation of fear and gives us health, wealth and abundance of that which is good.

## *The Spirit of God, which was Also In Jesus Christ, is Also Within The Man Of faith*

What shall we do, when we are faced with a risky situation? Withdraw into your inner chamber and meditate on the power of the Spirit, within, and reflect on your baptism and your standing with God and his Christ, and thereby, become conscious of being one with God. On the basis of right thinking, no negative or harmful effects are able to attach themselves to you. The Spirit of God, which Spirit was also in Jesus Christ, is

187

alive, within, or is active in you and you will be protected from harm. This faith fills you with a deep-seated joy, causing you to be happy and fearless. You are blessed, indeed by God, through the Spirit of the Christ, within.

## *Become Conscious Of One Power, God And Good*

You need to become conscious of one power, of God and good, and meditate on your standing with God on the basis of the Christ, within. Then, one power consciousness becomes part of you, the person you are, within. We want to remember that Jesus Christ was conscious of one power only, and that power was God and good. This simple example can be applied to any health risk, and thereby, you can remain free from fear of disease and sickness of any kind. Some women have resorted to the removal of their breasts, because of fear of getting breast cancer. Is that the way we need to go in order to live lives free from fear? May that never be the case, in our situation, we want to become radiant in faith and then all good will manifest for our benefit.

## *Where Good Appears Bad Cannot Manifest*

Is it necessary to resort to such harsh measures as indicated above? No. All you have to do is to become  
188

conscious of one power, of God and good, and believe that where good appears bad cannot manifest. This requires faith in one power, in God and good. This can be achieved by changed consciousness, from a consciousness, which is based in a belief of lack and limitations and a belief in two powers, the power of God and the power of evil; to a new consciousness, a consciousness of super abundance of good, with a belief in one Power, which is God and good.

*By Spirit From God, Which Spirit  
Was Also In Christ, You Radiate  
Pure White Light*

You have to believe, that at the time of your Christian baptism, you received from God righteousness, undeserved kindness and everlasting life. You were declared to be a new creation, born of water and Spirit. This Spirit is the Spirit from God, the Spirit of which was also in Jesus Christ, our Lord. By this Spirit, which is Holy Spirit, you have oneness with God. By Spirit, which is from God, the Spirit of which was also in Jesus Christ, you have received the Spirit, which is pure white light. Thereby, every cell in your body is white light. Where light appears darkness cannot manifest. Therefore, whatsoever you ask in Jesus name this you shall also have, and that at the time of asking, and it will

manifest. You ask once, and thereafter, you thank God for the things you are destined to receive.

You are to cultivate this faith, which can preserve alive its owner, it is yours on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord. Blessed is he that has faith in the righteous blood of Jesus Christ.

## *Become Conscious of One Power, And Thereby, You See Only Good*

You have become conscious of one power, the power of God and good, and as you walk in the way of Holiness, with your eyes looking straight ahead, seeing the one who is invisible, you are seeing only God and good. Then the good, you wish to come upon you, will manifest in your life. However, if you look back, because of a lack of faith, as did Lots wife, when on the road to salvation, than you will see two powers at work, which are in support of the good and the bad. However, bad has no principle and bad has no power and it can always be destroyed by an additional good. By looking back, you may become inclined to give your thoughts to what may be bad, by paying attention to what is bad, displaying fear all over again. Thereby, you create bad and you become deprived of God's blessings. You have made a choice and by that choice you perpetuate and

create bad of every kind. By Looking back, you have made a choice, and thereby, you become alienated from the source of all power and all good, which is God.

## *Single Minded; Keep Your Eyes Straight Ahead To See Your Good*

Train yourself, to believe in one power, in God and good and become aware of your oneness with Universal Mind, or God. Remember, the two angels of God, who guided Lot and his family to safety, these also instructed Lot to keep on moving toward their place of safety and not be standing still and not to look back. Lot and his wife were encouraged, to see by faith, and see only God and good, because they were on the God directed road to salvation. By being single minded and keeping ones eyes straight ahead, in the direction of your good, then you are acting in faith, seeing only God and good. If we learn from this example, and thereby, seeing only God and good, then we will never want to pay attention to that which may prove to be bad, which is in opposition to God, namely the giving of support to a belief in two powers, the power of God and the power of evil. That would prove to be a gross lack of faith, which could lead to losing your life at the critical moment of life's changing fortunes.

## A Belief In Two Powers Started With Man, From The Beginning

What do we learn from this discussion? We are here to realise that we have created and we have supported a belief in two powers, from the beginning of man, which started in the Garden of Eden. It was there that man acted in a lack of faith, when confronted with God directed changes, which were designed to take man in a direction of a belief in one power, of God and good. By acting in faith, man would have turned away from the tree of the knowledge of good and bad, and instead, he would have paid attention to the Tree of Life, which was also in the middle of their Garden Home.

## The Tree Of Life Would Have Lead to Life Consciousness

By that positive action, man would have become Life Conscious, which would have worked out perpetual good for man, and under such conditions, it would have been impossible to eat from the fruit of the tree of the knowledge of good and bad. Having Life Consciousness will always bring about the good, and as a result of this, the tree of the knowledge of good and bad could have been cursed by man and the tree would have withered and died.

## We Could Become Eye Witnesses Of The Destruction Of The Powers Of The World Of Mankind

The time will come, and it is now, when we could become eyewitnesses of the destruction of all the powers of the world, which is alienated from God. This will manifest in a catastrophic collapse of all human institutions, including the collapse of the belief system in support of two powers, of God and evil. Such a belief renders man unfit for purpose, and therefore, the system, which we have created, which is in support of a belief in two powers, of God and evil, must go.

## Keep The Commandments Of God and The Faith Of Jesus

As a true Christian, you will be called upon to keep the commandments of God and the faith of Jesus, as you behold this system crushing in defeat. That would require faith in the things we have learned, from the reading and the study of God's Word, the Bible. You are expected to see only one power and that is God and good. Therefore, you need to have your eyes fixed on the one that loved you first, when you were in darkness mentally and alienated from the light that belongs to life.

## *As A Man Of Faith, Never Look Back To The Things Left Behind*

You are conscious that you were called into God's wonderful light of understanding, and you are encouraged to keep on walking straight ahead and never to linger and never to be tempted to look back. For, by looking back, you display a gross lack of faith in the one that called you. You have to be single minded and never waiver in a lack of faith, but become empowered by the Spirit, within, to continue seeing the one who is invisible. You are called upon to display one power consciousness, seeing only God and good. This is the faith that can preserve alive its owner. Blessed are you, the one with little faith.

## Chapter 10

# The Plane Of The Absolute

## Introduction

It is with humility that we must acknowledge the wisdom of God, which has become manifest to men of ordinary means. To grasp the weightiness of this statement, we need to go back to the time of long ago. This was a time when man started his debut on earth. It was when Universal Mind, or God, stated that what He had created was very good. It was the beginning of a chapter in mans history, which must finally end in peace, glory, joy and happiness for all men of goodwill. This is the time of goodwill to gather together all the righteous fruit according to God's will and purpose.

## Man Made In Gods Image And Likeness

Man is the physical manifestation of godliness in the flesh, which was at the beginning by means of God's creation of the first man, Adam, the Son of God. Adam was perfect in all the physical aspect of life and Infinite Spirit, the Father, continued with the process of grooming Adam for a life of righteousness for an eternity, on earth. This meant, that Adam had to be introduced to the responsibilities of a godly life. Now, because Adam was God's Son, he was also a creator, in the likeness of God, the Father. Adam had to understand that godly principles have the right to exist eternally and

197

these principles have to be embraced by righteous man.

## *To Live By Principle Makes Man Fit For Purpose*

However, there were also manifestations, which are not supported by principles and these needed to be avoided by free moral agent man, although man may now be conscious of negative thought forces, these where, however, not existing with man at the beginning. This understanding and compliance with principles would make Adams creative ability godly, and fit for purpose. This understanding would prove to be a pivotal quality in Adams life, being a Son of God, in the flesh. As people, in general, desiring to have God's approval, we have to learn to be godlike in thought and in deeds. We have to learn to see ourselves the way God elected to see us, after our scriptural baptism, and that is being Holy and free from sin.

## *Two Trees Were Indicated To Adam*

Universal Mind, or God, stated in the greatest book ever written that all creation on earth would be subject to Adam and his offspring after him. This was Adam's domain, and the power to accomplish all this with ease

came from Infinite Spirit, the Father, the source of all power and love. For this reason, God pointed out two trees in the middle of their Garden Home and stated; from every tree in the Garden you may eat to satisfaction but from the tree that is in the middle of the Garden you must not eat, you must not touch it, that you may not die. Here we want to remember that there was also another tree, which was also in the middle of the Garden, which was also indicated to Adam and that was the Tree of Life, with no limitation attached to this tree, or its fruit.

## *God Loved Man First*

This instruction, not to eat and not to touch the fruit of the tree of the knowledge of good and bad appeared to Adam and Eve as a limitation. This was the first restriction introduced to man, by God. This tree should have caused Adam and Eve to meditate and to think, as to the purpose of its existence. They should have called to mind the fact that God loved man first, therefore, the tree could and would reinforce the love God has for them. Also, the first human creation should have understood that they found themselves on the Plane of the Absolute, the God Plane, and nothing would be impossible for them. They had unlimited power from God to do the things pleasing in their sight. They had to find out the good, which God communicated to Adam

and Eve, by means of this Tree of Life.

## *Eve Looked At The Tree With Eyes Of Flesh*

But, this was not to be the case. Eve kept on looking at the tree of the knowledge of good and bad, and thereby, cultivating desire for its fruitage. This was a gross lack of faith, on the part of Eve. Eve was only looking at the physical reality and the benefit this could have for the fleshly person. She saw that the tree was good for food, but she failed to consider the more important aspect, which was that of love, which was behind the prohibition not to eat from the fruitage of the tree of the knowledge of good and bad. No, she was not even to touch the tree, or its fruitage, in order for her not to die. Eve was expected to act obediently on the basis of faith.

## *Directing Desire In Wrong Channels Leads To Chaos*

We know that the end result was a catastrophic failure to discern the love of God that was to protect the human couple from becoming unfit for purpose. As a result of this failure, Eve cultivated strong desire for the fruit of the tree of the knowledge of good and bad. Strong desire will always lead to obtaining the product of desire,

because desire is based on thoughts and thought is the strongest power in the universe. By desire we create, but by forced desire, directed in wrong channels of thought, we can bring about disastrous and chaotic results. This was the case, in point, with Eve.

## *By Forced Desire and Corruption Of Spirit, the Speaking Serpent Came About*

Eve had Holy Spirit operating in Her and that Spirit did not know the concept of bad, in fact, Holy Spirit cannot support the concept of bad. Bad could only be created by forced desire, which, when fertile, led to the corruption of Holy Spirit, within. As a result of this, the spirit, within, became subservient to the desire of the flesh. Eve chose to reason on the subject of right and wrong in respect of eating of the fruit, which had become the dominating thought force in her life. The Spirit, in order to comply with Eve's desire, produced an illusion, which manifested in a speaking serpent, designed to deceive Eve, in order to take of the fruit of the tree of the knowledge of good and bad, and eat it. The speaking serpent was an illusion a fictitious thought creation, which was created by forced desire, directed in wrong channels of thought.

## Whatever You Believe Is Truth To You

In order for Eve to satisfy that desire, Eve entered into dialogue with a lowly serpent, a fictitious creature of her vein imagination, in order to become convinced of the rightfulness of eating of the fruit. By a dialogue with the speaking serpent, she became thoroughly convinced that the fruit was good for food and she took the fruit of the tree and she ate. Later, she also gave some of the fruit to Adam and he ate. What they failed to realize was the full implication of ignoring the God given prohibition not to touch and not to eat of the tree's fruitage. This prohibition, when broken, would lead to man's death. This concept of disobedience entered their perfect mind as truth, as an absolute, because Spirit is Truth. This instantly changed Adam and Eve's consciousness, it changed their belief system, because believe is truth to its owner. Their conscious mind failed to protect the sub conscious domain of mind from thoughts, actions and concepts that would lead to their death.

Adam and Eve went against established truth, which was by means of Spirit, which was by means of God's Word. Therefore, their action resulted in changed consciousness, after eating of the fruit of the tree; they changed from a consciousness of abundance of good to a consciousness of lack and limitation, leading to their

death. For, whatsoever you are conscious of, this is truth to you, be it good or bad. Therefore, Adam and Eve became conscious of lack and limitations, and this was truth to them, leading to alienation from the source of all power, which is God. They started to believe in two powers, in the power of God and in the power of evil, and evil is a power in opposition to God-power. The Devil was born in the consciousness of fallen man.

## *Adam and Eve Failed To See The Good The Tree Of Good And Bad Communicated*

They were cut off from the source of all power, and now, they had to live with a consciousness of lack and limitation, which resulted in ageing, fear, sickness and death. Adam and Eve had failed to see the greater good that was behind the tree of the knowledge of good and bad. This greater good would have prepared them to become truly godlike in creative ability and discernment. They would have learned that a godlike creator would never want to create anything bad, because creating bad would make man unfit for purpose, being ungodly. They failed to appreciate a consciousness of super abundance of good. On the other hand, the Tree of Life would have prepared man to become Life Conscious and that would have lead to becoming truly godlike in thoughts and deeds.

## Desire For The Tree Of Life Was Required In Order To Understand The Tree Of Good And Bad

Bad, in whatever form, has no principle, it has no purpose in the out-workings of what is beneficial and good for the godlike creator, man. Bad is nothing at all, because it can always be destroyed by an additional good. Therefore, bad indicated an absence of good, but Adam and Eve had already an abundance of good, they had a consciousness of good. Their action was inexcusable, it lacked in faith, love and wisdom, and it was based on a lack of faith. If the first humans would have meditated on the love of God, then love would have been the power behind their action, and therefore, the original sin could never have happened. Love would have caused them to eat from the Tree of Life, and thereby, they would have become Life Conscious. By life consciousness, they would have been able to reject and curse the tree of the knowledge of good and bad, and the tree would have withered and died.

## Action By The Chief Agent Of Life Is Required

Now, many thousand of years have passed and mankind has literally filled the earth, not with righteous offspring,  
204

no, but with unrighteous offspring, to do what is bad of every description and magnitude. It can be stated that wickedness has come into full expression and Universal Mind, or God, is about to take action on behalf of righteous mankind, for their salvation. The Christ, who has become the Chief Agent of Life, is the Prototype, who is in support of God's judgment of wickedness.

## Enter Into The Peace Of Infinite Spirit

However, many persons may be asking themselves, is it really possible to expect change, or a transformation from wickedness to righteousness? Can we ever expect to reach the 'Plane of the Absolute', the God plane, as was the case at the very beginning of man? Here we must deliver a resounding affirmation. It is indeed possible for individuals to find the way back onto the Plane of the Absolute, to reach harmony with God, the Father. This possibility to reach harmony with God has been made available since Christ Jesus made his debut here on earth. Jesus introduced to mankind the prospect of entering into the Kingdom of God on the basis of faith in the ransom sacrifice of his sacrificed and righteous life.

## Can Your Faith Preserve Alive Its Owner?

This prospect, of change, is nearing its time of fulfillment, and completion, and there is a measure of urgency attached to the call for change. Religion as a whole is under pressure from all sides and people of faith would do well to examine their beliefs. Can their faith preserve alive its owner? If it can, then that would prove to be the right faith. However, should there be any doubt as to the truthfulness of their accepted teachings of righteousness, then it would be wise for them to examine their faith, referencing the written word, the Bible, the greatest book ever written.

## Take In Knowledge Of The Teachings Of The Christ

Therefore, this is what the scripture state; you are to take in knowledge of the deep things of God and of His Christ, accepting the teachings of salvation. After you have made sure that the teachings of the Bible are fact, truthful, scientific and rooted in universal law, then you have found a treasure of immense value. You have found the highway of holiness, which leads to the 'Plane of the Absolute' the God Plane of existence.

## Teachings Must Be Based On Universal Laws

Here we need to be sober-minded. Any teaching, which is not backed up by universal law, and universal principles, is not truth. Truth speaks with authority, and it is certain, and leaves the student without any doubt. Here we talk about the Law of Compensation, which is in support of a life for a life principle. This then indicates that the righteous life, which was squandered, by Adam, must be compensated with a life of equal value, to that, which was lost.

## Love of Infinite Spirit or God Is Behind The Righteous Seed

This is a profound statement and it satisfies justice. But is it possible to bring about a perfect life again after it was lost, by a selfish act lacking in faith, as was the case with the first man, Adam? Indeed, it is possible, because with Infinite Spirit, or God, nothing is impossible, he is our maker and statute giver, and He is our God and the Father of righteous ones. Out of love for mankind, God prepared a way, from long ago, to raise up a righteous seed, the Messiah, who became manifest at the right time to fulfill prophesy, so that no man could argue otherwise.

## The Messiah Was Flesh, Born Of Woman

Over a period of 70 weeks of years, from the first announcement of his arrival, 483 years have passed so that when he arrived, the written word would bear witness about the truthfulness of his identity. He became known as Jesus Christ, the son of man and the Son of God. Now, here we need to understand that Adam was also called a Son of God; therefore, Jesus came in the flesh like that which Adam had before his transgression. Jesus was not God in the flesh, no, he was the son of man and the Son of God, Jesus Christ was flesh, born of woman, by God's will and purpose.

## Jesus Christ Was Conscious Of Being The Last Adam

Now, the son of man, Jesus Christ, had the righteous credentials to be called Holy, because he was clean from God's point of view. He was without sin, and a righteous life like that, which was in Christ, has the universal right to continue to live for eternity. Jesus Christ was conscious of his approval by God, the Father, and therefore, he was conscious of the fact that his life was the only righteous human life on earth, after the fall of Adam, our progenitor; this righteous life has the potential to continue to live forever.

## This Is The Faith

This is the faith: Christ laid down his righteous life as a sacrifice for sinful mankind, in order that, on the basis of mans faith in this sacrifice, God could redeem sinful man. Therefore, Christ Jesus died willingly, with reference to the sins of mankind. Exercising faith in this sacrifice would require believing, that the person would benefit, if he or she would die with reference to his or her own sins. This dying, with reference to ones own sin; will be in the likeness of Jesus Christ's death. The right to everlasting life could be transferred, from the Christ to man, on the basis of faith. Jesus died, as a righteous man, for many unrighteous ones, once for all times, so that you, by faith, can choose to die in the likeness of Christ's death.

## *A Person That Has Died Has Been Acquitted From Sin And Death*

This understanding is manifest in a person that has died and has been acquitted from his sins, because he or she has died. This is what the greatest book ever written, God's Word, clearly states. Here, a person of faith has been set free from sin and that person can now receive the righteous life that was sacrificed. Jesus righteous life, which has the universal right to live eternally on earth, can now become yours. It is by faith that you receive this life from God, the Father, and this by God giving you of His Spirit, the Spirit of which was previously in Jesus

Christ, our Lord.

By this process you become the progeny of the Christ and God, the Father, gives you righteousness, Undeserved Kindness and everlasting life.

## You Have To Die In The Likeness Of Jesus Death

What are we to say; are we to be declared righteous, by faith, and receive from God of his Spirit, the Spirit of which was also in Christ Jesus, our Lord? Indeed, we have been declared righteous on the basis of our faith in the ransom sacrifice of Jesus righteous life. Now, Christ Jesus becomes our progenitor, who is the Last Adam. The first Adam passed on to us his spirit, which was corrupted by sin; therefore, we were sold into sin and death by the law of genetics, by procreation. The last Adam has achieved a reversal, in that he died for us; and therefore, we also, in like manner, died willingly in the likeness of Christ Jesus death. This takes place at the time of our baptism, in order to receive from the Father, God, of His Spirit, the Spirit of which was also in Jesus Christ our Lord.

## God Gives us His Spirit, Which Was Also In Jesus Christ

The process is this. Christ Jesus, who was flesh, in the likeness of Adams flesh, died a sacrificial death as a righteous man. At the time of his death he breathed out his last breath and the Spirit, which was in Christ Jesus, left his body and returned to God who gave it. In like manner, at the time of our baptism, we are submerged in a body of water, and there, we die in the likeness of Christ's death. That baptism is in fact also a sacrificial death, and by this action, our spirit, which we have from Adam, leaves our body and returns to God who gave it. Now, God, seeing that we have died in compliance with the scriptures, whereby, we were set free from the accusation of sin and death, steps in and gives us His Spirit, the Spirit of which was previously operative in Christ Jesus, our Lord. By this action, you have become a new creation, born of water and Spirit, and by this change you are declared righteous and you receive of God's Undeserved Kindness and everlasting life.

## *A New Creation Indeed*

By this arrangement you have become a new creation, indeed. But now, that you have received the Spirit, which was also in Christ, you have become like Jesus Christ. Thereby, we have become conscious of the love, which God has for us. With the Spirit of the Christ operating in us, we have become a much beloved creation, and this to God's glory, and God calls us Sons

and Daughters and we call Him, Father.

## *We Have Been Circumcised In The Heart By Spirit*

By the Spirit, which has been given to us, by the Father, the Spirit of which was also in Christ, we have also received the circumcision of the heart by Spirit. God has declared us clean and Holy, and that is what we are. This understanding is very precious to us, because by this understanding we change consciousness, from a consciousness of lack and limitation, with sickness and death, to a consciousness of abundance of good with holiness and everlasting life in view.

## *We Have The Power To Abstain From Practice Of Sin*

By the Spirit, which was also in Christ, we have extraordinary power to abstain from the practices of sins. This, being declared free of sin, causes us to be joyful and happy, and as a result of this, we love God and His Christ with all our hearts and with all our vital energy and we love our neighbor as we love ourselves. We have become a new creation, indeed, born of water and Spirit. We have become the progeny of the Christ. Now is left for us the entry into the Kingdom of God, to be blessed

with super abundance of health, wealth and love with righteousness and everlasting life.

## We Love Because, God Loved Us First

We have become the product of Universal Mind, or God, and therefore, we love in imitation of the love God has for us in the first place. We rejoice in our newly found freedom, as children of Universal Mind, or God, with everlasting life in view. We have the privilege to be considered by Christ Jesus, to become fleshly foundation stones, in a new society made up of resurrected mankind. There we will be of service to our King, High Priest and Leader, Jesus Christ, to finally become all things to God, and this to God's eternal praise and glory, with everlasting life in view.

We have entered the 'Plane of the Absolute' and whatsoever we ask of Him this we shall also have, because we belong to Him who loved us first.

## Life Consciousness Gives Insight To Reject Bad

However, without eating from the Tree of Life, there can be no lasting life. It was like this in the days before

Adam's transgression. Adam failed to go to the Tree of Life and eat from its fruit, in order for him to change and become Life Conscious and enjoy a consciousness of super abundance of good. Adam, thereby, would have become fit to reject all temptations out of a consciousness of super abundance of good, and therefore, he would have brought about good resulting in perfect harmony with his Father, God.

## They Failed To Eat From The Tree Of Life

But as we have come to know, Adam and Eve failed to eat of the Tree of Life, and therefore, they were prevented to live in a paradise of plenty. Instead, they became conscious of lack and limitations, to live a life with death in view. They failed to see the benefit of eating from the Tree of Life, and therefore, they ignored that tree. However, they did not fail to notice the tree of the knowledge of good and bad, more than that, the tree of the knowledge of good and bad appealed to them in respect of the food that was upon it

## The Power Of Bad Was Created By Desire

The tree appealed to them in a fleshly way, lacking in

faith, and therefore, they kept on looking at the tree and the tree was desirable to their eyes. They created the pretext, which allowed them to take of the fruit and eat it. As a result of this, they changed consciousness from a consciousness of abundance of good to a consciousness of lack and limitations, and they started to die. Therefore, also today, we have to make sure that we remain on the 'Plane of the Absolute', living, as Sons and Daughters of God, in an earthly paradise.

## Jesus Christ gave us The Real Bread From Heaven

To accomplish this, we need to cultivate desire for the antitypical Tree of Life. Today we have two trees, the tree of the knowledge of good and bad which was never removed from the paradise of plenty and the antitypical Tree of Life. The antitypical Tree of Life appeals to the spiritual man and that tree stands for taking in spiritual food with everlasting benefit. The food of the antitypical Tree of Life is perfect food, and this food is the proverbial 'bread from heaven', which Universal Mind, or God, supplied through Christ Jesus. This bread from heaven was supplied when Christ offered his righteous life for the sins of the world. This is the real bread from heaven and anyone feeding of this bread will never go hungry again. The life sustaining power of this bread of life will give you a consciousness of everlasting life in

perfection.

## You Have Been Born Of God

As a result of this, you change consciousness to a consciousness of super abundance of good with everlasting life in view. When you have attained to being conscious of super abundance of good, it will almost be impossible to sin again, because you have become like God, knowing good and bad. Bad cannot manifest where there is a consciousness of super abundance of good, because you have been born of God, therefore, you live in imitation of the love God has for you.

## Backed By Gods Spirit, Changed Consciousness Is Truth

You change consciousness, and changed consciousness is truth, because God's Spirit backs it up. Therefore, from the storehouse of super abundance of good, your conscience can only bring forth only good. The power of fear and bad has been broken forever, it cannot manifest where there is a consciousness of super abundance of good.

By The Memorial Celebration of  
Jesus death You Eat Of The Tree Of

## Life

This eating from the antitypical tree of life takes place, at the time of the memorial of Jesus death, which is the time of the Jewish Passover celebration. As you break and eat the unleavened bread, and drink the unfortified wine, during the memorial celebration of the death of Jesus Christ, our Lord, you take in the benefit of the righteous body of the Christ and you partake of His sacrificed righteous blood. In other words, by eating the unleavened Bread, you take in the righteousness of the Christ, and by drinking the Wine you take in the life sustaining benefit of the Lords sacrificed blood. By this action, you drink atonement for your sins, which makes you clean and righteous until the Christ comes in Kingdom power, to bring resurrected mankind to physical, moral and mental perfection. The memorial celebration takes place once a year on the Jewish calendar day of Nissan the 14th, which is at the same time as the Jewish Passover celebration.

## You Have Become Fit For Purpose

You have become clean and righteous with a conscience of super abundance of all good. You have become fit for purpose, and bad, in whatever form, cannot manifest in you, because of a consciousness of super abundance of good. Therefore, whatsoever you ask of God, this you

shall also have and that at the time of asking and it will manifest. You have changed, to be like Jesus, and God has become manifest in you through the Spirit of God, the Spirit of which was also in Jesus Christ.

## You Have Entered The Plane Of The Absolute

You have entered the 'Plane of the Absolute', the God Plane of existence, and you are a Son or Daughter of God. You have harmony with God, the Father, and whatsoever you do will have success. You are at peace with joy and happiness, with health, wealth, love and perfect self-expressions. This is the perfect square of life.

## Chapter 11

# Concluding Thought

## A Reflection

Understanding human destiny may prove to be the most important understanding in life. The information contained in this book may prove to be the most important understanding we have ever been subjected to. We have elected our leaders to bring prosperity and peace, however, what we have created is a world gone mad, in the practice of what is bad. At the same time, we are facing a global crisis affecting human rule and our democratic ideals have almost vanished. In our search for a plausible way forward, we have come to understand that we have to change, and change we need now.

## What Is Needed Most Is To Change Our Thinking

We have come to understand that to man, his way does not belong. Whenever there is a crisis of destiny, the rulers of the day start sabre rattling, and thereby, placing the whole of humanity on the edge. This is not the way into a prosperous future, especially in the light of two devastating World Wars. What is needed most is a change of thought. We have to move away from the old and dysfunctional thought concepts and learn a new language, an international language, which brings about global unity of thought with love and peace. We need to

become united in a common goal leading to health, wealth, love and goodwill.

## *Ignorance, Evil and Bad In The Universe Has No Right To Exist*

We have come to understand the power of right thinking and we have come to realize that we are from the most powerful source in the universe. We are from Universal Mind, made in the image and likeness of God. As such, we have to be educated to live up to our true identity, which is rooted in the operation of Spirit, and Spirit is truth, the only truth there is. We have learned to meditate on the power of light and darkness and we have come to understand that darkness has no power, it is nothing, and therefore, darkness, ignorance or bad has no right to exist anywhere in the universe. By deduction, the same principle must also apply to the concept of evil and bad.

## *From Our Thought Concepts Every Form Every Bad And Evil Springs*

Bad and evil can only exist in the consciousness of fallen man, and man's fallen condition is the result of changed consciousness, which is from the beginning. These powers of evil are interwoven into all of human society,

and therefore, evil and bad is part of our thought-concepts, and from these thoughts, every evil and bad comes about. This is what we call sin, and what is needed now is a liberation from the power of sin, which works out a liberation from the power of death. This liberation is what the Kingdom of God is designed to accomplish and that on a global scale. This is a reality, in fact the Kingdom of God is far advanced to take control of human affairs; universal laws supports it.

## *Use Affirmations Often In Order To Reinforce The Doing Of Good*

Now is the time to make a choice, either for or against the incoming Kingdom of God. We can show our desire, which is in support of this kingdom, by reading this book time and again, thereby, we keep on growing brain cells with which to understand these writings more fully. In the meantime, you are encouraged to use the affirmatives considered in this book. This will help you in your effort to change thought pattern, from limiting thoughts to expanding your mind to embrace positive thought forms. We want to remember that whatsoever we think about we also bring about. Therefore, by thought and by thinking, we create. We either create a good outcome in life or we create a negative and hurtful outcome in life. You decide, which way you want to go. The saying goes; perfect happiness comes to us by means

of the perfect square of life, which brings about health, wealth, love and perfect self-expressions.

## All You Need To Do Is Change Your Thinking, Your Conscience

There is no need to suffer ill health or economic misfortunes in life. All you need to do is change your thinking and that would ultimately lead to finding the faith that can preserve alive its owner. We must learn to think outside of the box of lack and limitation. We have to become empowered thinkers, becoming empowered by the Spirit, within. That is the Spirit that changes everything in our life and it will bring about the fruitage of the Spirit, which is love, joy, peace, mildness, kindness, goodness, faith, self control and long suffering.

## Change Will Come To You By Means Of Water And Spirit

Through the written content of this book you are encouraged to reach out to changes and become born of water and Spirit. Here you come to realize that you have the prospect to become the offspring of the Last Adam and the progeny of the Christ. Powerful thoughts indeed, which can cause you to see yourself as powerful and strong, full of peace, poise, love and goodwill and by this

you will be able to dissolve all negative thought vibrations. This way of thinking opens up the way for super human conduct and thoughts, this is your future. You no longer desire to think in limiting terms, no, you are encouraged to become empowered by the Spirit of the Christ, within. This you can do by the study of this publication and by the application of the many given directives. Reach out for the real life, reach out for a future of peace and become the owner of everlasting life; you can do it. In fact, personal study and knowledge transfer is the right thing to embrace, because it leads to real faith and the preserving alive of the soul.

The time has come to take stock of our lives, and look at ourselves, to see which way we want to go. These are momentous times and this is the time of sober contemplation of all the factors, which are affecting our lives. We have the need to rise up and consider the changes coming upon the inhabited earth. This is not the time to withdraw into our world of limited understanding. No, now is the time to stand up and be counted among those that have faith. It is by faith that we shall live and have life in abundance.
