ONE POWER CONSCIOUSNESS - BY SPIRIT I AM

One Power Consciousness

Volume 7

By Spirit

I Am

MANFRED H. E. ROHDE

Spirit, what about Spirit? I am seeking knowledge; I desire to understand? It is by spirit, which is mine by Divine Design that I understand.

I am a new creation, indeed, I shall not waver in disbelief, please come and see; by the Fruitage of the Spirit, I am, by One Power Consciousness I shall be.

One Power Consciousness, It is mine;
I love the Spirit of the Christ, within.
No longer do I believe in good and bad; I have changed and now I see; I see God in every face and good in every situation, because I love, because I care.

By Spirit there is Power, which causes me to be; I embrace it in love.

By means of the Spirit of the Christ, within, by One Power Consciousness, I come in.

Prologue

This is a time to think and think deep. People are searching for answers, to find the very purpose of life. Searching in the wilderness that is the here and now. Now is the time for the Divine Design of your life to manifest. Live this life.

The spirit of man is yearning to be set free, where are the men with insight to give the lead. There is the cry for change, but positive change, where is the one that is able to obtain it? People are hungry for answers that work; they are looking for knowledge, for the faith that can preserve alive its owner.

The time for change is here and now. Change to a belief in one power, and be turning away from believing in two powers, of good and bad. This is the one power, God and good.

By peace and poise, with love and goodwill, you can do it. You can rise to God power, to dissolve all negative thought vibrations, this is certain now. Now is the time to reach out for the healing of the nations, for the new Spirit, which is from God, the Spirit, which was also in Jesus Christ. This you need to know and here you will find it, now.

The writings of this book are not to be misinterpreted. They are not meant to change the world or the governments and its supporting organizations. The writings are not to change the financial system and the commercial establishment nor are they to change the religions of this world. These writings are based on the belief that you cannot change another all you can do is changing yourself.

Introduction

What are we to understand about the operation of Spirit? This is the power of God and nothing is accomplished in the universe without this power. Therefore, it is of great importance that we have a deep-rooted desire to consider the Spirit's operation and study its effects not only on our lives, but rather, on the lives of every living thing. No one living creation can exist and live without it, and therefore, it behoves us to study the operation of Spirit and its power, and consider the effect on our lives. Spirit is the operating principle in man and without spirit there can be no life at all. Take away the Spirit and every living thing fades away from existence. The greatest book ever written states of man, saying; 'in the beginning, God breathed his Spirit into the nostril of man, and man became a living soul'.

Spirit, Subservient To The Will Of The Fallen Flesh

It was the spirit that was in man, which became corrupted, in the days of Adam and Eve, when Eve, by strong desire, which was directed in wrong channels of thought, the Spirit in man became subservient to the will of the fleshly man, within. This was misdirected and wrongly applied desire, for the purpose and the perceived benefit, of the flesh. The consequences of this action, on mans part, were so profound, that it changed mans God given consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation with a belief in two powers, of God and evil.

Man Exists On The Third Plane Of Existence, The Human Plane

We have come to understand that there are 4 planes of existence of Gods creation. There is the first plane of existence, which is the animate plane of life. Here we find all plant life on land and in the sea. This plant life exists to feed and support the animal creation, which exists on the second plane of existence. Animals are supported by the life forms existing on the first and the second plane of existence.

We then move onto the next plane of existence, which is the third Plane of existence, where we find man, being a thinker and a free moral agent, made and created in the image and likeness of God. The physical man is sustained by the life forms existing on the first and on the second plane of existence. In addition to the three planes of existence, which we have considered above, there is also a fourth plane of existence. This fourth plane of existence is identified as the spiritual plane, or the plane of the Absolute, the God plane of existence. This shows, that man, who exists in a fleshly body, similar to that of the animals, has the ability to create and shape his surroundings by means of his mind, by thinking and by thoughts. Of man, the greatest book ever written, the Bible, states: 'it does not belong to man, who is walking, to direct his own footsteps'.

There Is Spirit On All Four Planes Of Existence

Being made in the image and likeness of God, man can rightly be understood to be a fleshly Son of God. On all four planes of existence there is spirit operating in physical bodies and giving life to all. However, man was different to the animal creation, man was a free moral agent, he was a thinker. That surely indicates that man had a free will to do the things desired, which are based on thoughts generated within his mind. Mans Spirit, was

differentiated Holy Spirit, from God, which allowed man to access the fourth plane of existence, the plane of the Absolute. This is the God Plane of existence and man has been given the privilege to enter this plane in a spiritual sense and have communion with Universal Mind, or God. That privilege, of communication with God, would require of man to be Holy, as God is Holy. At the fourth plane of existence all things are possible, for man, as he is declared to be One with God, on the basis of harmony with universal principles and laws.

This harmony with God, although not available to imperfect man, is mans longing to this day, as he lives out the consequence of his error, on earth. Man is conscious of being made in the image and likeness of God, the Father. We can ask ourselves: is it any wonder that man continues to reach out to the higher plane of existence, the God Plane? Now, that we are conscious of the link between man and God, which has been broken, indeed, we find ourselves living out an existence of lack and limitation with a consciousness that based on two powers, of God and evil. From this limiting existence we desire to be set free, as we strive to be liberated from the chains of ignorance. This liberation is now within reach of every man and woman, on earth, it is ours to take on the basis of faith, because man is a creature of belief and thought.

The Universe Is Governed By Love

We are reminded that the entire universe is governed by love, and love is a perfect bond of union. This understanding gives us hope, that in the near future, God, or Universal Mind, will bring about the changes necessary, in order to open the door to unbound possibilities, bringing about the prospect to successfully cultivate the qualities of love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. These qualities are to become a reality, which will bring changes to mankind until there is no more want. There must, and there will be an overflow of all that is good, because in the universe there are no limitations and we are a part of this glorious Universe, which is of Gods making.

The Need Of A Mediator, A Righteous one.

The application of universal laws, for the benefit of mankind, provides the foundation for change. However, man has no power to bring about the changes, necessary in human society, which changes are based on peace, love and goodwill. We need help from a trusted and reliable source of power and that source of power is God. By reason of mans alienation from God, on the basis of

error and sin, man is not able to communicate with God directly. Man needs a mediator, a Holy and righteous intelligence, to act between God and man. Therefore, God, by an act of love, facilitated the coming of the mediator, according to the written record found in the Bible. We know him to be the Word or the Spokesman of God, who came to be born of woman and took on the form of man. This is the Christ, the Last Adam, the one that was destined to give everlasting life, to every man and woman, on the basis of faith. Where Adam has failed, the Last Adam has succeeded in facilitating harmony between God and man.

By Spirit I Am

The spirit, which is operating in man, has to change, in order for man to become a new creation according to Gods will and purpose. That spirit in man was corrupted at the beginning, and therefore, man cannot access the source of all goodness and power, which is God. The new Spirit, which operated in the Son of God, Jesus Christ, was to be given to men of faith. Jesus kept his integrity unto death, and thereby, he was able to return his Spirit, at the time of his sacrificial death, to the father who gave that Spirit to Jesus Christ. From that day on, from the day of Christ's death, that Spirit returned to God who gave it, and thereafter, that Spirit, which was previously operative in Jesus, was now Gods to give, to anyone, on the basis of faith in the ransom sacrifice of

13

Jesus righteous body, his life. This was the most important day in the history of mankind. The door has been opened for every man, to obtain righteousness with God, on the basis of faith. However, the majority of mankind is in dense darkness, mentally, and ignorant of the changes, which are available, for man, for his eternal benefit and happiness. There are indeed few, if any, teachers who can bring light of understanding to the world of mankind.

We Are Facing A Conflict With The Source of All Power & All Good

This means that we have to change and change requires knowledge and understanding of God's will and purposes for mankind. If we fail to change, then we will continue to create an abundance of what is bad, in addition to the limited amount of good we cultivate. Therefore, this system, which we have created, is destined to continue exactly as before, unless we individually accept change. As a result of our failure, to bring ourselves into harmony with Universal Mind, or God, we are facing the prospect to lose out on the good that can be had. That means that we are facing a direct conflict with the source of all power, which is God. The dynamics of this conflict are highlighted for us in the greatest book ever written, in the Bible book of

Revelation, where we are told, in graphic detail, what shall shortly take place.

Belief In One Power, God And Good

We want to be in the know and take the kind of action that can lead to preserving alive its owner. We need to understand, the basic principles affecting our lives for the good and come to possess 'One Power Consciousness', a consciousness of God and good. We need to be set free from a belief in two powers, of good and bad, because by a belief in both good and bad, we will continue to create that which is bad and that causes us to remain enemies of God. Now is the time to reach out to the ultimate belief system, and become liberated, as children of the light. We want to become spiritualized and educated, so as to belief in only God and good, and thereby, we are creating the framework for harmony with God, which will bring about peace, happiness, health and wealth. Whereby, we will bring ourselves to be in line to be declared fit for purpose and enjoy the prospect of surviving the cataclysmic end game of this failed system of things, with everlasting life in view.

The Need Is To Change, To Become A New Creation

By Spirit, we are to be born again, to become a new creation according to Gods will and purposes. This takes place on the basis of faith, faith in the ransom sacrifice of the righteous life of Jesus Christ. Thereby, we receive the new Spirit. This new Spirit is from God, which Spirit was also in Jesus Christ, our Lord. This is the greatest gift of God for the benefit of man, which will lead to the transformation of man into a new creation, in order to obtain an approved condition of righteousness, with God, and in the end, obtain everlasting life. May the peace of God, that excels all thoughts, be with you, you, the one with little faith? We always want to remember that we have changed consciousness, at the beginning, from a consciousness of super abundance of good, to a consciousness of lack and limitation. This must be reversed now, and you can become the beneficiary of this change, with everlasting life in view.

ONE POWER CONSCIOUSNESS - BY SPIRIT I AM

Notes:

Chapter 1

Identity

There Is The Cry To Have, But Not The Cry To Be

There is the cry for knowledge and understanding, but seldom the cry to 'be'. There can be no progress in human thinking unless we have a clear understanding of what we are and where we are going. We have considered the great thinkers of past generation, the philosophers, who shaped modern thinking, leading to where we are at present.

Are we to accept the wisdom of the world, the knowledge of those who have added to the global lack mentality? This we never want to do. We are living in a world that has a huge appetite for spiritual knowledge, insight and understanding; however, there are not many teachers who can lead with insight.

Let us feed The Hungry Mind With Knowledge

You, the readers, are the privileged ones who loves what is good and hates what is bad. The world in which we live cannot be held back from satisfying their thirst for knowledge. Therefore, let us feed the hungry minds with the knowledge, that enlightens, which must lead to insight of the deep things of God.

Humankind Needs To Be Liberated

Humanity is on the move to liberation, to freedom from fear and freedom from lack and limitation. Now is the time to wake up as from a deep sleep and rise to acquire insight into the deep things of life. We want to learn to understand spiritual laws and how these laws affect our everyday lives for our benefit and for the benefit of those with whom we surround ourselves. We want to be in harmony with the source of all power and learn the perfect language, as a perfect self-expression, which will lead to health, wealth, love and a super abundance of good.

Rise all you hungry ones, who hunger for joy, peace and harmony, on the basis of the only potentate, the Son of God, Jesus Christ, our Lord and King.

Together, let us grow in knowledge and understanding of the deep things of God, and have the wisdom, which leads to righteousness with God and to a future of beauty and splendour, and in the finality, to everlasting life, as Sons and Daughters of God. Read, and feast upon the abundance of good, which is presented by means of the One Power Consciousness Books.

Read this publication often, in order to understand the deep things of God and if certain things are difficult to understand, then re-read it many times. Thereby, you will grow additional brain cells, with which you will come to understand the things focused on.

This book is not designed to replace the Greatest Book ever written, the Bible. No, rather, this publication is designed to give insight to troubled minds, for their upliftment and liberation from institutionalised ignorance, which is so prevalent in the world of our making.

Be blessed with joy, peace, poise, love and goodwill and then you are able to dissolve all negative thought vibrations.

To Be or Not to Be

The insecurities of today are a stark reminder of the world, which we have created. A world, where we, collectively, are moved on the basis of institutionalised ignorance, to follow in the way of error with lack and limitation on every human plane of existence. We are standing in awe before the achievements of modern man, forgetting the pains of the past as being no longer relevant. Having achieved so much, in a material and medical and social way, the question that comes into our minds, time and again, is; 'what are we meant to be and

where shall we find ourselves in times to come? Is this what life is all about, living with fear, anxiety, mayhem, sickness, poverty and war, with the inability of man to successfully manage his own affairs? Indeed, we are having our full share of living in a society where we have to face increased mental anguish, sickness and disease, which are taking on ever-greater threatening dimensions, as we are trying to live the good life.

Accepting the Degenerating Effect Of A Quick Fix Mentality

There is the cry for knowledge and understanding, but there is also the never-ending demand to be complicit to follow the dictate of human society, demanding compliance with oppressive laws and accepting the degenerating effect of a quick fix mentality, as the way of life, for today and for future generations. At the same time, the way of instant fame and fortunes is projected as the life to be desired, while the vast majority of mankind lives in abject poverty, not knowing the way out.

We Have Become Less Happy And At Times Even Depressed

The greater whole, or the society in which we live, is humanity on the move into an uncertain future. This is mankind, which reflects the effects of our limited

education, which has its source in governmental institutions. If we find ourselves to be part of the few privileged and educated of society, then we may even believe that we are lacking in nothing at all, except the benefit of our labour. In fact, we are made to believe that we are being constantly educated and growing in knowledge and understanding of the world around us. We feel a measure of contentment, until we realise that the life we live falls far short of our perceived ideal. We become less happy and at time even depressed. We may even feel being trapped, in an increasingly complex society, with high levels of crime, violence, anxiety and fear.

The Three Pillars Supporting Society Do Not Comply With Universal Law and Principles

There are three pillars of human society, which governs mankind. These are the pillars of politics, commerce and religion. Should anyone of these pillars be removed from society, for whatever reason, then we are at risk of facing global instability and human society will be finding it difficult to manage life itself. In order for these pillars of society to have lasting benefits, they must comply with universal principles. By further consideration of all the facts, we can see that all three pillars fall far short of this requirement. By man's failure to comply with universal

standards, principles and laws, our global situation of discontent will not bode well for our future. The removal of any one pillar of support, which exists for the benefit of organized human society, will result in most serious consequences for us all.

The Authorities Subjecting Man To Lack And Limitation

In order for society to continue to function for the benefit of all, the organisational structures, which are in support of human rule, can only continue to do so if humanity, as a whole, is kept in ignorance. This is accomplished, in the first instance, by the supply and use of stupefying substances and mind control, by means of education. These stupefying substances, such as drugs, alcohol and the use of tobacco, which are used to polluting our bodies, leading to drug dependency of many kinds and lack of good education, just to mention a few. Then, there is the bigger effect of mind control, through the media, advertising, the education system and systematic misinformation of the masses of men. The ruling authorities prove to be more successful by the use of stupefying substances and the spread of ignorance. In this way the ruling authorities are subjecting the minds of the majority, of humanity, to limited thinking and making them placid, docile and ignorant. The end

result will always be increased fear, anxiety and worry, leading to poor health, poverty and early death.

Uncontrolled Use Of Knowledge Will Not Bring Better Conditions

Today, the majority of mankind has become increasingly more educated, through access to the Internet, which, by itself, is now causing additional problems in society. Uncontrolled use of knowledge will not bring better conditions to mankind. It can only lead to additional depravity, violence and the rejection of established way of living. This is what we have witnessed on the global scale. This is not something that will go away of its own accord. No, this is the thin edge of the wedge of the coming of anarchy and lawlessness.

Global Instability, Which Surely Must Come

Religion has added its share to the complexity of the present worldwide instability. Here we need to understand, that to be properly informed may prove to be the way to survive the coming global instability, which is sure to come.

We Need To Break The Chains Of Ignorance

This is the status 'quo' for all of us. But, to move forward with a new vision, we need to break the chains of ignorance, and thereafter, move forward to our own perceived paradise, with health, wealth, love and perfect self-expressions. This is the perfect square of life, which, when properly applied, will lead to happiness and blessed global conditions.

There Is Always The Cry To Have But Seldom The Cry To Be

There is always the cry to have but seldom the cry to be. That is why it is necessary to establish the identity, which causes us to 'be'. If there is a desire to 'be', then there must be a reaching out to the things that causes us to 'be'. First there must be a strong desire to find the real purpose of life and then live the life of destiny. At the beginning there was the first man and woman made in Gods image and likeness. There was a link that was formed, between God and man, which was by means of Spirit, Holy Spirit. Here we need to understand that Holy Spirit is no longer the operating principle in man.

Spirit Is The Operating Principle In Man

Today we can talk about spirit, as the operating principle in man, but that spirit is not Holy Spirit, it is the spirit inherited from Adam and Eve by means of procreation. Here we want to consider the wider context of spirit. Every living thing has spirit, which spirit is from God, and therefore, spirit can not exist divided, it can only be understood that spirit in all living things is differentiated spirit from God, with its limitation for each creation as they exist on differing planes of existence. There are life forms, such as plants, which exist at the lowest plane of existence. Then there are moving animals existing on the next plane of existence and they have spirit operating in them. Then on the third plane of existence we find man, made in Gods image and likeness, and we have spirit from God operating in every cell of our body. Finally, there are also Spirit Creatures such as angels and God Himself, where God can be understood to be pure unadulterated Holy Spirit; the Great Spirit.

All Mind Is One Mind With God

In order to move forward in our understanding, we need to appreciate that we, as humans, are in fact spirit creatures with a human body. Spirit is moved by mind and the human mind and Gods mind are one Mind.

This is so, because mind cannot exist divided, all minds are one mind with Gods mind.

Spirit Inherited From Adam Is Not Holy Spirit

Therefore, if our spirit is not Holy Spirit, then we find ourselves to be out of harmony with God, being alienated from the source of all power. We need to understand that Holy Spirit operated originally in the first humans and Holy Spirit operated man's body in perfection. There was only good, which was generated in man, the concept of bad was not known to man, at that time. Bad is in fact nothing, because bad is not supported by principle, and therefore, bad can and is always destroyed by additional good.

Belief In Two Powers, Or In One Power, Indicates Belief In Bad Or In Good

In order to remain in perfection, man had to differentiate between two powers, on the one hand bringing about good and on the other hand bringing about what is termed bad. To express themselves in perfect ways, man has to belief in one power, God and good. This requires understanding that bad is not

supported by principle, because bad can always be destroyed by additional good. But more than that, perfect man had to understand that the universe is perfect, in every way, and bad is nowhere to be found. But, because early man was created in Gods image and likeness, man had to understand that the concept of bad can only exist in man if man reaches out to what is bad, and thereby, giving life to bad, becoming conscious of bad. Therefore, by reaching out for what is bad, man changed consciousness, and thereby, bad became manifest as a power in opposition to God power. Bad is a thought creation of fallen man.

In The Universe There Is Only One Power, God and Good

By his action, to create what is bad, man would become unfit for purpose, because man changed consciousness from a consciousness of super abundance of good to a consciousness of lack and limitation. In that case, man accepted, in his belief system that bad is truth, and from there, he kept on the development of bad concepts by means of his thoughts, which were focused on doing what is bad. Man accepted two powers, namely God and evil. But, in fact, in the universe there is only one power, which is God and good. Man gave his power to an illusion, and thereby, man became flawed and alienated from the source of all power, which is God and good.

Bad Cannot Exist In A Perfect Mind, Being Conscious Of Good

By thoughts, focused on what is bad, man became a creator in opposition to God, because God cannot create anything bad. Bad does not exist in a perfect mind and God is perfect, He is Omnipotent, Omniscient and Omnipresent. He is, God the Almighty, our maker and creator. We have been made in His image and likeness, and as such, we are required to display a consciousness of good, which is from God our Father, Holy and good.

Holy Spirit Is Uncorrupted Spirit From God Which Must Also Operate In Man

Here we want to make sure that we understand that spirit is the operating principle in every living thing. But Holy Spirit is uncorrupted Spirit from God, which operated in the first humans at the beginning. Today, that spirit, which we have from God, has been corrupted at the beginning by means of strong desire directed in wrong channels of thought. By cultivating strong desire, for something to which death is attached, as a retribution for error, Adam and Eve reached out for what has been identified by God as being bad and by this action Adam and Eve became the host of darkness and they changed

consciousness from a consciousness of super abundance of good to a consciousness of lack and limitation.

The Law Of Attraction Will Bring To You The Good Or The Bad

Therefore, Holy Spirit, as a link between God and man, was broken, at the beginning. At that time, God desired to lift mans consciousness to receive the full benefit of the creative Law of Attraction, by becoming Life Conscious. The Law of Attraction is an impartial law and will bring to man the good or the bad, it matters not to the law, but it depends on the thoughts of man. This law stated, that, whatsoever you desire this you shall also have, and that would include the good, or the bad. This is the privilege of the will of free moral agent, man.

In The Beginning, Man Only Knew God and Good

However, bad was not to be desired, because the universe, with God and man only desired super abundance of good, but bad, indicated an absence of additional good. As creatures made in the image and likeness of God, man had to buy into the principles, which operated on the spiritual plane of existence, the God plane. At the God plane, which is the Plane of the

Absolute, bad can not exist, because bad has no principle and can always be destroyed by additional good.

Man Is Giving Power To The Concept Of Bad, And Thereby, Man Loses God-Power

Bad was in fact nothing at all and it can only become something if bad was held in mans consciousness or in his belief system. This would require that man would have to pay attention to the concept of bad, by his thoughts, and thereby, creating the essence of bad. Once bad is created, then power is given to it through man, which changes consciousness in man and man's belief. Man became conscious of bad, and thereby, man lost consciousness of super abundance of what is termed good, and man became flawed in his thoughts for life, and he became alienated from the source of all power, which is God. Man's offspring suffered from the same lack mentality as Adam, our progenitor, through the Law of procreation.

To Live A Godlike Life, God Set A Limitation For Man's Benefit

For this reason, the tree of the knowledge of good and bad was indicated to Adam and Eve. This tree was

placed in the middle of the garden home and a limitation was attached to the tree. The Law of Attraction is the creative law, which brings to man according to his creative desire and thoughts, the good or the bad; it matters not to the law. Therefore, God instructed the first human pair not to eat and not to touch the fruit of the tree of the knowledge of good and bad in order for them not die. This limitation not to eat from the tree of the knowledge of good and bad was in fact an act of love on Gods part. After all, the first human pair was from God, Gods children in the flesh, and they needed to know about this only limitation in order to live a godlike existence in perpetuity and in happiness, which God had in mind for man.

They Started To Belief In Two Powers God and Evil

Failure to comply with Gods requirements, to act in faith, would lead to the creation of the concept of bad. In the case of Adam and Eve, their conscience, or their belief changed instantly, leading to a consciousness of lack and limitations. They started to belief in two powers, of God and evil, or good and bad. By their failure to comply with God's requirement, the first humans were declared unfit for purpose and they started to die, from a lack mentality, which brought forth sin, error, insecurities, anxieties, sickness and death. The first

humans became separated from the source of all power, which is God and good.

By Paying Attention To Bad, Man Becomes Unfit For Purpose

The man and the woman, the Son and Daughter of God, had to be like God, knowing only good and from this super abundance of good, man would be able to bring forth only what is good and beneficial for themselves and the human family. Taking ownership of the concept of bad, caused man to become unfit for purpose and by this action man would become alienated from the source of all love, justice, wisdom and power. Man's spirit had become corrupted by forced desire directed in wrong channels of thought.

The Curse Of Lack And Limitation Brings Death To Man

By their unlawful action, Adam and Eve changed consciousness, from a consciousness of super abundance of good to a consciousness of lack and limitation, which would limit man's life and bring about insecurity, sickness and death to Adam and Eve and to their offspring after them.

This proved to be the new identity, which they adopted on the basis of transgression of law, and this new identity was based on not having enough. This error, led to being out of harmony with God's requirements, and as a result of this, they were declared unfit for purpose, being cut off from the supply of God power, which came to man through the operation of Holy Spirit. The age of sin and death started to unfold with unimaginable mayhem, bloodshed and hurt with a limited life span of 70 to 80 years. Mankind entered into a life of condemnation and alienation from God, which led to death, because man, from that fateful day onward, became unfit for purpose.

Harmony With God Requires Changed Consciousness

Adam failed to be what God purposed him to be; and his sinful desire caused him to become conscious of not having enough. But, unless we reach out to harmony with our Maker God, we will continue to struggle with a clearly defined identity. Man's present identity, which is falling short of God's minimum requirement of righteousness, for man, is supported by lack and limitations. Therefore, for us to 'be' will require of us to reach out to oneness with God and change consciousness from a consciousness of lack and limitation to a consciousness of super abundance of good, with health, wealth, love and perfect self-expressions. This is the

perfect square of life, which must leads to perfect happiness. We need to change the corrupted spirit, within, to a new Spirit of Holiness with everlasting life in view.

Gods Rescue Package, For Man, is The Law Of Compensation

Over a long period of time, God finally comes to mankind's rescue by means of the Law of Compensation, or by means of a life for a life principle. This means that the life, which is equal to that which the perfect man Adam had at the beginning, needs to be brought about by God's will and purpose. That perfect life, which was lost, needs to be compensated by means of another perfect human life, of equal value. This perfect human life could not be provided through an act of procreation of Adam's offspring. This requirement, of God, was finally complied with through the life of Jesus Christ, a righteous one, who sacrifices his righteous life for the benefit of the whole human family. That life was righteous, according to universal law, and it had the right to live on earth for all eternity, even forever.

The Righteous Life Of Jesus Can Bring Life To Every Man Alive

However, because Jesus sacrificed his right to live forever as a perfect human, on earth, God could now use the benefit of this sacrificed righteous life to bring life to every man and woman, young and old, on the basis of faith in the ransom sacrifice of this righteous Jesus the Christ. This faith comes to us as an act of love and it is being displayed by means of our baptism. This baptism is a baptism of sinful man into the likeness of the death of Jesus Christ.

By means of the scriptural baptism, being baptised in the name of the Father, in the name of the Son and the name of the Holy Spirit, we are able to change consciousness to a consciousness of super abundance of all good. This change is based on a changed belief and on a changed identity, which is by means of a changed spirit, within. This is a change from Adams corrupted spirit, within, received by procreation from our forebears becomes manifest by taking possession of Christ's Spirit, within, which is from God, and that Spirit was also operative in Jesus Christ, our Lord, while walking the earth as a man. This takes place on the basis of faith in the ransom sacrifice of the righteous life of the only begotten Son of God, Jesus Christ, our Saviour. By this arrangement, we have to be baptised into the death of Jesus Christ; and be buried with Him in the likeness of His death. Thereafter, we will come alive in Christ as we come up from the baptismal water, and thereby, we become circumcised in the heart by Spirit. By this

process, we become clean, as children of God, on the basis of Gods Undeserved Kindness, or on the basis of Gods Grace. Thereby, this change opens up the way to obtain health, wealth, love and perfect self-expression. By this process we have become fit for purpose, on the basis of harmony with God, through the ransom sacrifice of Jesus Christ, being declared to be righteous by God with everlasting life in view.

We, The Progeny Of Christ, Will Receive The Request Of Our Hearts Desire

If we desire power and joy of heart, with wealth and health, then we shall also receive what we ask for, in faith, and it will be given to us. In fact, we will receive the request of our hearts desire at the very time of asking, and it will manifest, provided we do not doubt. We have become the progeny of the Christ and we have also become the offspring of the Last Adam, the Wonderful Councillor, the Eternal Father, the Prince of Peace and the Mighty God, by the new Spirit, within, which is Holy Spirit, which has been given to us by the Law of Transfer. This Spirit is from God, which Spirit was also in Jesus Christ.

At the time of Christ's death, according to the scriptural record, the Spirit, which was in Christ Jesus left his body

and returned to the Father, God, who gave it. Therefore, this Spirit is now God's to give, and He gave this Spirit to us on the basis of our faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord, King, High Priest and Leader. This means, that we have to take in knowledge of God and Jesus Christ and act upon this knowledge in faith, knowing that with God there is not a variation of the turning of the shadows.

The Question To Be Or Not To Be Is Ours To Make

The question to 'be' or not to 'be' is ours to make and we cannot pass this responsibility on to any others person, or organisation, for them to make for us. It is a conscious awareness, which must lead us to making ourselves available to be transformed in our consciousness, from lack and limitations, to a consciousness of super abundance of good. By this process we will become fit for purpose, as children of God, with unlimited power, to do what is righteous and good.

We Need To Have Gods Approval On The Basis Of Our Faith

In order to do this successfully we need to have Gods approval, on the basis of our faith, in the ransom sacrifice of the only begotten Son of God? Having accomplished this, we can say: I am Whole, I am perfect, I am strong, I am powerful, I am loving, I am kind, I am harmonious, I am righteous, I am joyful, I am happy, I am peaceable, I am healthy, I am wealthy and I am grateful. This understanding is by the operation of Holy Spirit, which operates in us, being a gift of God, the Great Spirit, the spirit of which was also in Jesus Christ.

We Are Born Of Water And Spirit

By this action we are born of water and Spirit, we are a new creation, indeed, but with an ailing body, which has been damaged by sin over our lifespan of up to 70 or 80 years. Unless, the day of Gods Judgment comes first, then we are in a position to have the prospect to go alive through the great tribulation and through the Day of Judgment, entering into the Kingdom of God as righteous ones, never to die at all. In the Kingdom of God, with Christ as King, our ailing body will be restored to perfect and vibrant health, with everlasting life in view. This will take place during the kingly reign of Christ Jesus, over a period of 1000years of Kingdom Rule.

You Have Entered The Plane Of the Absolute, The God Plane Of Existence

Based on this transformation, you are in a position to ask God, whatever good you desire, and it will be given to you; and whatsoever you desire, in a righteous way, will come to you as a gift. Therefore, God the Father becomes to you the Giver and the Gift. You have entered the Plane of the Absolute, the God Plane, on the basis of changed consciousness, and nothing, which you can conceptualise, is impossible for you.

Whatever You Want This You Shall Also Have

You can say, I am, and whatever you desire, this you shall also have, and this at the time of asking and it will manifest. You are indeed a Son or Daughter of God, the Almighty. But most people want to have, without first being, and therefore, they do not receive anything from God, because they are asking for the wrong purpose. They desire to satisfy the cravings of their hearts for sensual pleasures. They are in constant want of heart and by this they make themselves to be subject to the Judgement of God.

You Are blessed With Super Abundance Of Good

But you, the one with little faith, you are blessed with super abundance of good and whatsoever you ask of Him this you shall also have, and that at the time of asking, and it will be given to you. Because you have done this, you are encouraged to express yourself in perfect self-expressions, which are spoken words, from thoughts, which we think about, and these thoughts attract Gods blessings for the benefit of the individual of unwavering faith.

You Can Take Hold Of The Perfect Square Of Life

All your ways are ways of pleasantness and the way of Holiness is your way to success. You take possession of the perfect square of life, which include health, wealth, love and perfect self-expressions. You are at peace and you have complied with the entry requirements into the Kingdom of God, with Jesus Christ as King, who is leading us to fountains of water of life.

You have to 'be' first, and thereafter, you can reach out to have whatsoever you want. Enter the Plane of the Absolute, on the basis of harmony with God, and start

living with peace, poise, power, health, wealth, love and perfect self-expressions and this to Gods eternal praise and glory, into the everlasting future and even forever.

You have come to 'be' and you are happy, because you have taken hold of the perfect square of life, which is health, wealth, love and perfect self-expressions, and you are walking in the way of Holiness with godly fear and awe. You have come to be known by God the Father as his Son or Daughter, you are the progeny of the Christ. You have become the offspring of he Last Adam, by reason of your faith, and all the good you desire will come to you, in fact good is seeking you.

This is the will of God, the doing of righteousness for every man, which is based on the belief that with God there is not a variation of the turning of the shadows. A Son of God cannot look at bad, because bad does not exist with a Holy Son or Daughter of God. You have taken possession of a new consciousness that sees and does only what is righteous and good. On the other hand, evil has no power over a righteous person. You have been set free from a consciousness of lack and limitation of every kind and only good is able to attach itself to you.

*Super Abundance Of Good Is Your
Title Deed*

Your ways are ways of pleasantness and you have come into possession of super abundance of good. Bad is nothing at all; and it has no principle, because bad can always be destroyed by additional good. This super abundance of good is your title deed and you shall walk with God, to fully pleasing Him that called you into his glorious Kingdom. You are walking with God the Father; and you follow the directions of His Christ. You have become conscious of consciousness of power and your way is the way of goodness, with joy and peace today and into all eternity even forever.

By Your Circumcision Of The Heart You Are Clean

You have desired to 'be' first and now you have received the request of your heart. By the circumcision of the heart, by Spirit, the Spirit which was also in Jesus Christ, you have become clean and you have received the white outer garment, which identifies you as being fit to enter into the Kingdom of God, as a righteous survivor of the great day of God the almighty. May the peace of God be with you and may you be blessed, today and into all eternity, because of your love, which you have for God, his Christ and your neighbour.

Make Your Path Straight, By Blessing Your Fellow Man

Having come to know this, you can now make your way straight, by blessing your fellow man and blessing even your enemy. By this blessing, you will be able to transmute the arrows of your enemy into blessings for you. You have become a person that sees God in every face and good in every situation. By this you become master of all conditions. You have become conscious of consciousness of power and by this you have become Master of Law and you direct law for the benefit of all those that come in contact with you.

Remember The Undeserved Kindness Of God

Should you fail in some form or another then you are encouraged to remember the power of the Undeserved Kindness of God, which you have received at the time of your baptism, and you say: I call on this failure of mine and I baptise it success, in the name of the Father, in the Name of the Son and in the name of the Holy Spirit. By doing this you are perpetually happy and at peace, because you have become master of all conditions, you are indeed the blessed one of God, to become a source of

goodwill and blessing to every one that comes in contact with you.

You Walk As One That Is Clean And Holy By The Grace Of God

Now, you are no longer to practice sin, but you are perpetually free from sin by means of the Law of Forgiveness or by means of Grace; and God views you as clean and Holy and the love of God remains upon you as you continue to love God and neighbour, as you love yourself.

May you rejoice, as a blessed one, and come to be transformed by your changed consciousness, which brings to you blessings until there is no more want. Read this book often; in the morning and at night, and count your blessings and this to Gods eternal praise and glory even forever and ever.

Thoughts To Remember

You have the power to be. There are no others ways, but the way of knowledge and understanding, which leads to freedom. Mankind as a whole is increasingly troubled by world events, which manifest before our very eyes. The governments of the world are in serious trouble and they

have solicited the greatest thinkers of the world to help them in paving the way to a better future.

There is anger and frustration among the populations and the search is on for a better way ahead. We have been led along the path of ignorance and this will no longer do. Large sways of humanity awakening to the greater reality of reaching out to a better understanding of the world at large. The religious institutions have failed to bring about a better world with happiness, health, wealth, love and perfect self-expressions.

We have to gain insight and understand that we indeed have Gods eyes and we see with the eyes of the Spirit. You want to be able to say, I see the roadway of life free from obstacles and blockers. I see no bad, because I see God in every face and good in every situation, which makes me master of all conditions.

This is the new man, who has been born of water and Spirit and he or she understands that they are one with God. Whatever Gods wants for them, this he or she also desire for themselves, because you believe that the Father and I are one.

Continue the reading of Gods Word, the Bible, and be moved by prayer and a consciousness of harmony with God. In addition, make it a way of increased understanding and knowledge, to read the One Power

Consciousness books and become wise and be full of faith to preserving alive of the soul.

You desire to be with the source of all power and wisdom; as such you want to be reaching out to perfect happiness by taking possession of the Perfect Square of life with perfect health, perfect wealth, perfect love and perfect self-expression. This is the perfect square of life and this comes to you through faith, the faith, which is in the ransom sacrifice of the righteous life of Jesus Christ. By being born of water and Spirit, you have become a new creation, you are the progeny of the Christ; you have become the offspring of the Last Adam.

Blessed be you, the reader, who has the faith that can preserve alive its owner, may you have peace, poise, love and goodwill and happiness, today and even forever?

ONE POWER CONSCIOUSNESS - BY SPIRIT I AM

Notes:

Chapter 2

Perfect Self Expressions

Introduction

We are aware that we have a mind into which we have fed, over our lifetime, an abundance of information, some of it may be beneficial and some of it may be harmful. Some thoughts may have been good, but the majority of information we have taken into our mind are of little benefit, or they can even be termed outright damaging and harmful. A lot of this information has been received in ignorance.

Two Faculties Of The Brain, The Conscious And The Subconscious

From the beginning, man had to deal with the two faculties of the brain, which are the conscious and the subconscious mind. The conscious mind deals with the seen, the physical realities of life, which are observed with our five senses and that part of our mind we can call the reasoning mind. This is the reasoning faculty of mind and it is slow to respond to sudden changes. The other faculty of our mind is the sub conscious domain and the subconscious mind springs into action when the person feels threatened and when the well being of the person is perceived to be at risk. The sub conscious mind, which cannot reason, will act fast in cases of emergencies. From its storehouse, it can bring to the fore the good, or the bad, it depends entirely on what we have stored in the

51

subconscious domain. The bulk of the information stored in our subconscious domain of our mind, which comes to us through the teachings of our parents and persons we trust. It may even come to us through traumatic experiences, which may have threatened our wellbeing. This information is received into our mind as truth and is acted upon when there is a corresponding situation that may require protective actions on the part of the mind's owner.

The Subconscious Mind Will Act Upon Things Stored In The Mind, Good Or Bad

We want to remember that any information stored in the subconscious domain is truth to its owner, because the subconscious mind is a very moral faculty. However, over our lifespan, both good and bad has entered the subconscious domain, as truth. This may be so, because we may have considered the information received as being absolute and truthful, as it may have come to us by persons we trust or by events that changed our understanding. In that case, the subconscious mind will act upon the good or the perceived good, which may also prove to be bad, in order to protect the body from perceived harm. The things stored in our subconscious domain may prove to be a problem if it has not been

scrutinized or judged correctly by the conscious mind. This problem can threaten the well being of the person, which must be changed, if we want to become truly happy.

The Power Of Evil Is A Thought Creation Of Man

It is a good thing if we briefly consider why we keep on storing bad concepts into the subconscious domain of our mind. In our extended reality, we should be like God and bring only an abundance of good into our lives, through the good thoughts coming from a mind trained in right thinking. This good information should be based on good thought concepts, stored in our subconscious domain. But unfortunately, this is not the case with anyone of us. God is Spirit and Spirit is truth. However, this understanding is not fully supported by our mind, because, we are fallen men. Here the expression 'fallen' can be understood to mean fallen from an approved standing, with Universal Mind, or God. From the beginning of mans existence we have learned to believe in two powers, God and evil, or good and bad.

The concept of evil is a thought creation of man, because with God, bad or evil cannot manifest. It is due to the corruption of spirit, within, the spirit of which is from Adam, by procreation. That spirit now operates in every

man and woman, unless you already have changed consciousness in compliance with scriptural injunction. By this belief, in two powers of good and bad, we have become conscious of bad. However, bad is nothing, it has no principle and it can always be destroyed by an additional good. But, by our past actions and by our thoughts, we have given power to the concept of bad, and thereby, bad is manifest everywhere in human society. Bad is the product of our creative thoughts as a result of mans consciousness of bad.

Lack And Limitation Are Products Of Changed Consciousness

Through the operation of the subconscious mind, we act upon lack and limitations, in our lives; and lack and limitation are the products of changed consciousness. This took place in the Garden of Eden, when Adam and Eve reached out and ate of the fruit of the tree of the knowledge of good and bad. Here, we want to make clear that Adam and Eve were the ones who ate of the tree of the knowledge of good and bad. However, bad is not supported by principle, it is nothing at all, it can only exist in the consciousness of fallen man. Thereby, man has given the concept of bad a home. As a result of this, we have become creatures dominated by lack and limitations, by a belief in two powers, of God and evil.

Thereby, we are bringing about what is good and what is bad.

Conscious Mind is The Watchman At The Gate Of The Subconscious Domain

In order to manage our mental home, successfully, the conscious or reasoning mind needs to become active, as the protector of the subconscious domain. The conscious mind, thereby, becomes the Watchman at the Gate of the subconscious domain. This is a very important function, which, if not properly employed to protect our mental home from erroneous ideas, can lead to life long damages through the operation of the subconscious mind. Here, the affirmatives play a very important role in undoing some of the damage done. By allowing undesirable content, and thought forms, into the subconscious domain you are establishing what you have determined to be truth to you, which enters your subconscious mind as truth. Therefore, undesirable content may be acted upon as if it is truth. This is a very dangerous phenomenon, indeed.

This problem needs to be addressed and changed in order to live happy, successful and fulfilled lives. The subconscious mind is at the back of our paradigm and that paradigm must change. For that reason it was

55

necessary for the Last Adam, who is the Christ, to facilitate such a change of consciousness.

The Subconscious Mind that Never Sleeps

The subconscious mind is the seat of memory and it has the function to protect the life functions of the body, such as the heartbeat, the breathing as well as the blood circulations, to mention just a few of these life sustaining functions. In order to support these life-sustaining functions of the body, the subconscious can never sleep. This phenomena has been observed by men of the medical and psychological institutions and to some extend it has been used to manipulate large sways of humanity to do the bidding of their masters.

Mankind is Subjected To The Manipulations Of the Subconscious Mind

The whole world of mankind has been subjected, from the time of birth, to the manipulation of the subconscious domain, for the benefit of ruling authorities, such as the military, commerce and the system of education. This has resulted, to some extend, in mental disorders needing psychiatric attention and at

times it can even lead to hospitalization. Mind manipulation takes place through the use of institutionalized substances and the teachings of fear and ignorance.

Mental Disorders From The Teachings of Fear and Guilt

This has resulted, to varying degrees, in mental illnesses and social misconduct, leading to suffering, which is global in scope. The religious fraternity, among others, must be held accountable to answer for many of the mental disorders coming from the teachings of fear and guilt. Today, we have been enlightened to know, that the use of religious hypocrisy and indoctrination has given way to a string of wrong conduct. This would include sexual abuse of the young, by some members of organized religion and persons in position of power. This has resulted in nearly all cases in mental disturbances and mental illness, which may last a lifetime, with resultant damage even to future generations.

Proper Use Of Affirmatives Can Bring About A Reversal Of Mental Damages

Real help through the introduction and use of

57

affirmatives can reverse this social malaise. Here, we do not want to suggest that affirmative's are the beginning and the end of all mental problems. Rather, the use of affirmatives is a very powerful teaching aid that can have a huge beneficial effect on those who suffer mental disorders, including anxiety and fears, or who have experienced mental or other forms of distress and abuse at some time in their lives.

Negative Experiences Dominate Ones Life and it will harm you

Negative experiences enter the unsuspecting mind, the subconscious domain of persons, as truth, and from there, they brings forth depraved practices. These damaging practices affect the thought processes of the individual in order to dominate them, leading to practices that can harm them. This can result in physical sickness of many kinds, mental disorders and to increased misery, unhappiness and despair.

Mental Problems A Product of Erroneous Thought Pattern

This article is designed to bring real change to persons who have suffered mental abuse in childhood and who live out this damage through the subconscious mind.

The purpose of this article is to bring relief to those who are affected, by past experiences of abuse, and who are displaying mental problems in life. In most cases these mental problems are the product of erroneous thought pattern, which have at their base personal experiences, which we have stored in our subconscious domain. Our thinking must change and for that reason, this article has been written, to help the reader to change their thinking from negative and destructive thought forms to constructive thoughts, lifting the person up to a new and elevated plane of thinking. This will bring about a measure of happiness, with health, wealth, prosperity and peace, to the individual. However, to change consciousness would require further thought development through other articles produced by The Thought Revolution Publishers. These writings can be accessed through the 'One Power Consciousness' books and other motivational articles.

Affirmatives

We have a daily struggle with our inner self; nevertheless, we desire to go through life in a reasonable, happy and successful way. There are many who attempt to change themselves only to find that the power of the subconscious mind wins the day, time and again. You may even choose to go through a punishing physical exercise; however, they are not getting you to where you

want to be. What we need is the power to think correctly and here, the use of affirmatives is well placed to help achieving a measure of success.

Please take careful note of what is being presented in the following part of these writings.

We Are Dominated By A Consciousness of Lack And Limitations

We also have to consider the money making drive, which may absorb all ones time and energy, only to find, that, as soon we have acquired riches then these will pass by, being spent in the pursuit of excessive pleasure. We find that we are dominated by a consciousness of lack and limitations and by a belief in two powers, of God and evil, which will bring about the good or the bad. You may ask yourself, is there a way out of this madness? Indeed, there is a way out, which may empower you to get on top of the curse of ones thoughts of lack and limitations.

We Need To Become Empowered By A New Spirit

We have to realize, that as human beings, we are first

and foremost spiritual. Spirit is the force driving the human process, which is affecting our mind. We have to decide if we want to become empowered thinkers or not; and as such, the thinker needs to reach out to new levels of understanding with a changed consciousness, with happiness in view. Here we need to become empowered by a new spirit, which Spirit is from God, the Spirit of which was also in Jesus Christ. This Spirit is Holy Spirit, which was manifest in the life of the perfect man, Jesus Christ, God's Only Begotten Son.

We Have The Need To Become A New Creation

In order to reach out for this Spirit, which is from Universal Mind, or God, and become empowered to do the things pleasing in God's sight, we have to gain accurate knowledge of the deep things of God. We must cultivate strong desire for achieving harmony with Universal Mind, or God, which drives the process forward toward obtaining the things desired. We need to change our thinking, and therefore, we need to be born of water and Spirit, to gain the ultimate success mentality. We need to become a new creation that has the Spirit from God, the Spirit of which was also in Jesus Christ, our Lord.

Use Of Affirmations Will Manifest In Changes In Our Lives

To successfully change our thinking is not an easy thing to do. Some have advised the use of affirmations, which they believe, will bring them a more manageable and successful life. But what are these affirmations? Affirmatives are principles, or perfect self-expressions, which we desire to make part of our inner self, and then, by repetition, we believe that these affirmations will manifest in necessary changes in our lives, because they have the power to change our belief system, for the better. Here we follow the principle that whatever we think about, we also bring about.

Repeating Affirmations Often Brings Changes For The Better

By repeating certain affirmative's often, you may reach out for this change, in order to manifest these affirmatives in your life, which can bring happiness and success to the reader. Here are some, often used affirmatives, and it is a good thing to repeat these affirmative's often, in morning and in the day, in the evening and during wakeful hours of the night, when sleep is not easy to come by. You can also use these affirmatives during times of travel or even when at work,

where appropriate.

Here we find that some of the affirmations, which are essential for our progress toward a happy and peaceful life, need to be repeated often. Affirmations are spiritual in nature, because, they address the 'I am', the spiritual you, the Spirit, within. This understanding will be by the Law of Forgiveness, or by the Undeserved Kindness of God, whereby, you are forgiven on the basis of your faith. You believe that you have Gods favor, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. You are here encouraged to read the 'One Power Consciousness' books on a regular basis and become spiritualized in your thinking, and your understanding, of the deep things of Universal Mind, or God. Some affirmations are listed below for reading and repetition in the morning, in the evening, at night, during your travels or when at the place of work.

Affirmations

By Spirit from God, the Spirit of which was also in Jesus Christ, I am whole and I am perfect.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am strong and I am Powerful.

By Spirit from God, the Spirit of which was also in Jesus

Christ, I am love and I am kind.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am harmonious and I am righteous with God

By Spirit from God, the Spirit of which was also in Jesus Christ, I am joyful and I am happy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am peaceable and I am healthy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am wealthy and I am grateful.

These are the perfect self-expressions we all so desperately need. Whatsoever we think about this we will also bring about is a truism, because by thought we create the product, or the substance, of our thoughts. Therefore, let us be diligent in the application of these perfect self-expressions and see the power that can change many things. Not least, it will change the world around you, because of the use of these affirmations. Use these expressions often and retain these in the subconscious domain, of your mind, from there you will bring about peace, poise, love and goodwill. You will bring fourth the perfect square of life, which brings about health, wealth, love and perfect self-expressions.

By Spirit I Am

When you say 'I am', then you are affirming that this is what you are; and what you are is what the Spirit in you indicates for you to be. The spirit in you is differentiated Spirit from God, which is giving life to every cell in your body. Your Spirit, which is differentiated spirit from God, and Gods Spirit are one Spirit, because Spirit cannot exist divided. Your Spirit is one with God and the only thing Spirit can do is to think and bring about abundance of good. By your ability to think you are identified to be like God, bringing in what is desired, loving, good, holy and righteous.

Corrupted Spirit Became Subservient to The Fallen Flesh

At the beginning, Spirit, which is differentiated Spirit form God, became corrupted by man. Spirit became subservient to the desires of the fallen flesh. The immediate result was changed consciousness, from a consciousness of super abundance of good to a consciousness of lack and limitation, with fear, insecurity, sickness and finally death. The belief in two powers was born, causing you to believe in God and in evil, or in good and in bad.

Affirmations Are Based On The New Spirit, Which Is From God

The use of affirmations is reinforcing the belief system, which is based on the new Spirit, operating in man. That Spirit is from God, the Spirit of which was also operative in Jesus Christ, our Lord. Although, we are able to recite the affirmatives for our benefit, and it will have a beneficial mental effect on the user, it is nonetheless, at present, through the operation of spirit, which we have inherited by procreation, from Adam. That is the actual spirit, which is operating in sinful man and as a result of this, we will time and again fail in our endeavor to create harmony with God and good conditions in our lives.

Affirmatives Benefit Anyone; They Address The Spiritual Man Within

Therefore, the use of these affirmatives has benefits for anyone that desires to improve his or her life. These affirmations address the spiritual man, within. If the spirit, within, is corrupted then that spirit cannot bring eternal Life. Therefore, any improvements, as a result of these affirmations, are limited indeed. We have the need to receive the new Spirit, within, and that Spirit can only be created according to Gods will and purpose. This is

taking place at the time of our scriptural Christian baptism, where we come to understand that dying in the likeness of Christ's death is key in our understanding of Gods purposes, for man.

The New Man Desires Entry Into The Kingdom Of God, With Christ As King

This new man is he that desires entry into the Kingdom of God. In John Chapter 3, Jesus spoke to a member of the Jewish Sanhedrin, named Nicodemus. There, Christ Jesus stated that you couldn't enter or see the kingdom of God, unless you have been born of water and Spirit. You have to be born again and undergo a change of conscience, by means of which you are able to obtain the new life, everlasting life, with peace and poise, with love and goodwill.

Christ Died With Reference To The Sins of the World, for All Mankind

This takes place at the time of our baptism, where we, by faith, are being baptized into the likeness of Jesus Christ death. Christ died with reference to sin, the sins of the

world of mankind. We in turn also die with reference to sin, your own sins. This is on the basis of faith in the ransom sacrifice of Jesus righteous life, which he gave in our behalf, so that you can put on the Spirit from God, the Spirit of which was also in Jesus Christ, and thereby, we have the prospect to gain everlasting life and have righteousness with God, the Father, through Jesus Christ our Lord.

By Faith You Change Consciousness, You Live With Reference to The Spirit

By this act of faith you change consciousness and you come alive with reference to the Spirit within, which Spirit is from God and that Spirit was also in Jesus Christ our Lord and King. Baptism opens the door to receiving the Spirit from God, which Spirit was also in Jesus Christ, causing you to become like Christ, and thereby, you become the progeny of the Christ, the offspring of the Last Adam. When Christ died for you, Christ's Spirit returned to God who gave it. Therefore, that Spirit was Gods to give, the Spirit of which was previously in Christ Jesus. This gift can apply to anyone on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. The Christ is none other than Gods Only Begotten Son, the compensator or the facilitator of everlasting life.

You Become A New Creation, Born Of Water And Spirit

If you use the affirmations, you in fact affirm the operation of God's Spirit, which was also operative in Christ Jesus, our Lord, which means, you identify with the power of the Christ, manifesting, within, and through you, by means of a changed consciousness. You become a new creation, born of water and Spirit, as an adopted Son or Daughter of God.

You Become Conscious Of The Christian Identity

You have become conscious of the Christian identity, the new creation, which has been born of water and Spirit. This is causing you to be happy and you become conscious of having Oneness with God, the Father, through the shed blood of Jesus Christ. It is by blood that all agreements with God are being validated. You have become empowered to do the things the Christ did, while Christ Jesus lived on earth, in the likeness of Adams flesh.

By repeated use of the affirmatives you become conscious of the new identity, causing you to reach out and see yourself as being clean and holy, before our God

and Father. This causes you to be happy and joyful at all times, and thereby, you become positive in all your thoughts and you become a source of inspiration and encouragement to those that listen to you.

Harmony With God Brings Freedom Of Speech

You now have freeness of speech, on the basis of harmony with God, the Father, and you are able to use the Word of God in a convincing way and by this you become identified to be no part of the world, which exists alienated from God. You can now become a tool in the hand of the Almighty, through Jesus Christ our Lord, to make known the Kingdom of God to those asking of you a reason for your faith. By this new freeness of speech, you learn to express yourself perfectly together with health, wealth, love, which are manifested as the perfect square of life. You become happy and successful.

You Are The Progeny Of The Christ, The Offspring Of The Last Adam

May the blessings of God remain upon you, and empower you to fully emulate the Christ in all your ways

and this to Gods praise and glory, forever and ever. You are to keep moving forward in your Christian Identity and enjoy oneness with God, the father, and thereby, receive His Spirit, which Spirit was also in Jesus Christ. You are to believe that you are the progeny of the Christ, and by doing this; you are fully accepted into the family of those that love God and neighbor. You have the Spirit from Universal Mind, or God, which Spirit was also in Jesus Christ. You shall have all things asked for, and this at the time of asking and it will manifest in due time in your life. You must believe that you have already received it and it will manifest.

Undesirable Thoughts Are Driven Deep Into The Subconscious Domain

By the repeated use of the affirmatives, you force undesirable subconscious thoughts into the background of the subconscious domain. These undesirable thought forms are driven deep into the subconscious domain where they are no longer readily accessible, to cause disturbance and hurt to you. You have been set free, and you are a new creation, with a consciousness of abundance of all that is good and beneficial. You have received of the Undeserved Kindness of God and you are perpetually made clean and acceptable to God on the basis of the Undeserved Kindness of God, which is

given to you at the time of your baptism.

You Are To Receive The White Outer Garments Of Righteousness

May you be blessed in your endeavor to do the things pleasing in Gods sight and receive from God, the white outer garments of righteousness, which is identifying you as a survivor of the coming cataclysmic events of the Great Tribulation and of the day of judgment of the nations, by means of Jesus Christ, our King, High Priest and Leader.

Perfect Expressions

These Expressions are powerful thought forms, which are designed to help you focus your mind on constructive thoughts that can bring success and happiness to the individual. Chapter 3

By Spirit I Am

Introduction

Where there is life there must be Spirit. Spirit is manifest in living things and the outworking of spirit can also be seen in all creation. The very rock formation bear witness to the forces that were active during the creation of the earth. Spirit is from God, by means of which He made everything. Whatever we behold is the product of the operation of Spirit and the mind behind Spirit is Gods mind.

Now, Spirit is from God, and God is the source of all Spirit, by means of which He accomplishes His purposes, whether animate or inanimate creation. Every living thing has spirit from the Creator. Man is subject to spirit, to do the bidding of God. Therefore, when we observe the animal creation, we see the workings of spirit and we see the hand of God. When we look at man, we see more than just the spirit of God, we see the image of God, because, we are made in His image and likeness, being created free moral agents, and Spirit from God is the operating principle in man.

Mind Directs Thoughts To Accomplish Things

By the operation of mind, man develops and directs his thoughts to accomplish things according to his desire.

Through mind, concepts are developed and these concepts are dressed in thoughts and Spirit takes these thoughts and delivers the product of these thoughts through the Law of Attraction and through the power of God. This understanding reinforces the knowledge, that, whatsoever we think about, we also bring about. It is the Spirit in man that must have oneness with God in order to meet the minimum requirements of the universe, in order to display love, justice, wisdom and power, which are the cardinal qualities of God.

Man's Spirit Must Have Oneness With God

For the Spirit, within, to have oneness with God, it has to be Holy. But mans spirit is not Holy, because of the corruption of spirit, which took place at the beginning, when in the Garden of Eden. The Spirit in man yielded to the persistent and forced desire of the first humans, and by this desire, Spirit became corrupted to do the bidding of the flesh.

All Spirit Is One Spirit With God

Her we need to understand that all spirit, whether spirit in plant, animal, human or spiritual life, is one Spirit with God. Spirit cannot exist divided and each creation has differentiated spirit from God, to fulfill its purposes.

Now, the problem is that we are the progeny of Adam and Eve, who have broken the rules of engagement when they failed to abstain from the fruit of the tree of the knowledge of good and bad. They failed to discern the impartial Law of Attraction, the creative law, by means of which we can bring about the good or the bad; it matters not to the law. By deduction, bad has no principle, and therefore, bad can always be destroyed by additional good. Bad must not receive of our creative attention, or of our creative thoughts, because bad is nothing, it has no power and it can always be destroyed by additional good. Bad can only exist, in man, if man holds bad in his conscience; and in his subconscious domain, bad has been lodged, and from there, bad comes alive by thoughts to do its work. The person who desires bad believes in two powers, good and bad, or in God and in evil.

Adams Spirit Was Holy And It Came To Be Corrupted By Strong Desire Directed In Wrong Channels

Before Adams transgression, the Spirit in Adam was Holy Spirit, which was from God, the Father, and there was an abundance of good, within Adams reach and whatever Adam desired, this he could also obtain. However, Adam and Eve did not have any knowledge of the concept of bad. They had to be introduced to this

concept of good and bad in order to turn away from bad, which was to be by obedience to God's commands, by faith. The concept of bad came to man by the introduction of the proverbial tree of the knowledge of good and bad. This was an act of love, on Gods part. This tree was not designed to tempt man to eat it's fruit, rather it was a symbol of knowledge, which could assist man in working out his limitations as a godlike creation. This would include avoiding thoughts and cultivating desire, which would give life to the concept of bad. Believing in bad is based on a belief in two powers, the power of good and the power of evil. But with God, evil does not exist. It can only exist if we believe in evil, and thereby, we create evil as a power, to do what is bad.

Man Was Taught, By Means Of The Tree Of Good And Bad

Now, bad is in fact nothing, it has no principle and it can always be destroyed by an additional good; good has principle and has the right to exist eternally. Adam was not aware of this and he had to learn, by obedience, from the proverbial tree of the knowledge of good and bad. Some may reason that this may have been an unloving act, on Gods part, to place this temptation before man, at the beginning. But by careful consideration of all the facts, we must come to the conclusion that the tree communicated to man the good

and the bad, indicating to man that there was a choice to be had, the choice of obedience, by faith, or the choice of disobedience and willful transgression. Applying this knowledge to man's benefit would have lead man to everlasting life, in perfection.

The Tree Of Good And Bad Was A Loving Provision From God

But apart from the above, the first human pair was a product of love and they had the ability and the knowledge to love perfectly all the time, because they had Holy Spirit, within, which was the operating principle of God, operating within man. They could have first and foremost reasoned on the fact that God is love and the tree of the knowledge of good and bad had to be part of Gods loving arrangement, for life. In fact, God is love. It was Gods way, by means of which to teach man about responsible godlike existence and creator-ship, considering that man himself was made in the image and likeness of God.

Where Good Appears Bad Cannot Exist

Adam and Eve had to understand that good has principle, and therefore, good has the right to eternal existence and bad could always be destroyed by an

additional good. Where good appeared, bad must disappear. Good and bad cannot exist in the same place, at the same time. Additional good would always have destroyed what is bad. The first human pair did not choose to live by this principle. They were thinking inside of the box, so to speak, and they saw only the fruit of the tree, as a limitation, as a physical reality. They thought that there was nothing wrong with the fruit and that the fruit was good for food. They failed to act in faith, to God's command, to abstain from eating the fruit of the tree, whereby, they were acting in disobedience to God. Instead of reasoning on the right or wrong of the God given limitation, Adam and Eve failed to see the bigger picture, which was to pay attention to the Tree of Life.

Reasoning on the right or wrong of God's commands led to forced desire, a desire for the fruit of the tree of the knowledge of good and bad, and by this desire, they created the pretext to taking of the fruit and eating of it. But how, you may ask, was it possible for perfect man and woman, having been made in the image and likeness of God, to transgress, and eat of the fruit to which death was attached?

*Strong Desire Brought About The
Illusion Of The Speaking Serpent*

It was by failure to exercise faith, and therefore, cultivating strong and forced desire for the fruit of the tree of the knowledge of good and bad, which eventually resulted in the creation of an illusion including leading to a dialogue with a speaking serpent. This dialogue convinced Eve that the fruit was good for food, and therefore, she ate. She reasoned that God was holding something good back from her, which was to her understanding of benefit to her. That, so called, understanding, was a precursor for Eve, which led her to believe, that, what she was about to do would be good for her. Eve took of the fruit and she ate. Eve created, and acted on an illusion, which was brought about by forced desire, and by this illusion, she became convinced that the fruit of the tree of the knowledge of good and bad, was good for her. Eve came to believe in two powers, good and evil, when in fact, for us there is only one power, God and good.

This was a grave mistake, indeed, and a warning example to us all, to keep our desires in check and focus our mind, not on what we not have, rather, to focus our minds on the things we have. The use of affirmatives will help in focusing our mind on the good things, which we have.

But how was it possible for Eve to become convinced that what she was about to do was good for her, when the operating principle in her was Holy Spirit, which was

from God, the Father? Here we can learn an important lesson, for life. The only activity Spirit has is its ability to think. But thinking comes from concepts generated in the mind. Therefore, when a person keeps on cultivating desire for something to which death is attached, as an absolute, then the Spirit in man becomes corrupted to do the bidding of man, and thereby, bringing about the product of such desire. In this case, it was the speaking Serpent, which convinced Eve, by reasoning on the right or wrong of God's commandment, believing that the fruit was good for food. Spirit cannot reason on a matter; that reasoning is left to the conscious mind of man to do, and by this action, man must take responsibility for what he will allow into his mind. Man failed to exercise faith, in the God given command, not to eat of the forbidden fruit.

Spirit Cannot Reason It Can Only Do

It is by thought, which brings about a response from the Spirit, within. Now, there can be good thoughts and there can be bad thoughts, the Law of Attraction does not mind what thoughts are generated. Spirit cannot reason on any matter, it can only do the thinking and deliver the product of thought. But man is responsible for his own thinking, whether good or bad, because the Law of Attraction is an impartial law and it makes no

difference whether ones thoughts are good or bad. The Spirit in man will only bring about the things you think about and it will bring it in, because all Spirit is one Spirit with God. Therefore, by our thoughts and by Spirit we are linked to God and you are a creator, of good, which is the privilege of a free will. However, bad has no principle and can always be destroyed by additional good, therefore, good must be the foundation and the underlying principle, in all of our thoughts.

Eve Became Convinced That Eating Of The Forbidden Fruit Was Good

Instead of focusing on the good, which they had in abundance, in the Garden of Eden, Adam and Eve focused on 'bad' and whatsoever you think about, you will certainly also bring about. Therefore, Adam and Eve focused on the fruit to prove to themselves that it was good for eating, and by this action, Eve became thoroughly deceived and convinced that the fruit was indeed good for food and she ate. Their Spirit, Holy Spirit, which is from God, the Father, became corrupted by forced desire generated by man, to do the bidding of the flesh. That desire led to obtaining the fruit of the proverbial tree of the knowledge of good and bad. This action led finally to the corruption of spirit, within, by yielding to do the bidding of the fallen flesh. This action

led to alienation from the source of all power, God and good, because man started to believe in two powers, the power of good and the power of evil. But evil cannot exist where good appeared, therefore, Adam and Eve were delusional and were deceived to believe in two powers, when in fact, there are for us only one power, God and good.

The Tree Of Good And Bad Communicated God's Principle

Man finally found that the tree of the knowledge of good and bad had nothing to do with food; it had something to do with principle, the principle that bad can always be destroyed by additional good. Therefore, bad has no principle, it is nothing, and it can only exist in the consciousness of fallen man. Adam has become the host of darkness and he has become unfit for purpose and he died, because, the spirit in man was no longer Holy Spirit, it was corrupted spirit, to do the bidding of the fallen flesh. As a result of this, all of us are dying, because of the Law of Transference; all of us have received the corrupted spirit, which was in Adam. Therefore, that corrupted spirit has been corrupted to bring to man the desire of the fallen flesh, which must lead to death. The lack mentality was born. Adam changed consciousness from a consciousness of super abundance of good to a consciousness of lack and limitation, which brings to

man sickness and death. Adam paid attention to the things he did not have, when in fact he had everything that was good, he became flawed in his thinking. Adam started to believe in two powers, good and evil. This was a grave mistake, indeed, especially in the light of our understanding that Adam and Eve had created a power in opposition to God, which was the power of evil, and thereby, the devil was born.

Death Is Brought About By Imperfect Thought, By Lack

Since the original fall in Eden, the concept of death is part of man's conscience, and therefore, death is brought about by the imperfect thoughts of man and the spirit within man can only bring about the product of thought. Man's thoughts were on not having enough, expressing lack and limitations, which is the lack mentality, which must lead to death. We need a new spirit, holy Spirit, but how can that new spirit become ours, when all of us are alienated from the source of all power and love. The only time we are set free from the spirit of corruption is at the time of death, when our spirit leaves the body and returns to God, who gave it. It is then that we are acquitted from sin and death.

The Law Of Compensation, A Life

for A Life Principle

To rehabilitate man, to bring about salvation, would require the operation of universal law, the Law of Compensation, or the principle of a life for a life of equal value of what has been lost. The first man, Adam, brought about death, and the last Adam has the power from God to bring about everlasting life and a conscience of super abundance of all that is good. This would, by deduction mean to receive a new Spirit, Holy Spirit, which is from God, the Father. However, in order to obtain this Spirit, from God, man has to die with reference to his sins, first, as an act of faith. Sin is the mark of imperfection, which we have inherited from the first Adam through procreation, and sin must be removed from man's consciousness.

Man Can Now Look With Confidence To The Future

It is remarkable to think that the process of receiving a new Spirit is possible, when all we know is a short life dominated by lack and limitation and finally we have to bow down to the demand of grim reaper. By the God given Law of Compensation, the process of rehabilitation of man is acceptable to God, and thereby, mankind can look with confidence to a future of abundance of all good. This is by means of the Kingdom of God, for

which Christian Mankind has been praying, where Christ Jesus will rule as King with the assistance of 144000 associate Kings and Priests, bought from the earth, as first fruits to God, and this to Gods praise and glory. It will be a rulers-ship of love and of an abundance of all that is good.

Man Needs Grace, The Undeserved Kindness Of God

Now, therefore, in order to have a share in the future of God's making, any person can avail themselves of the undeserved kindness of God and follow the process set out in the Bible, which leads to salvation. This is what has to be done in order to qualify and enter into the kingdom of God, as a righteous one.

Take In Knowledge Of The Life Of Jesus Christ And Exercise Faith

You are to take in knowledge of Gods Word, the Bible and get to know the Last Adam, the Christ, who died a sacrificial death, for you, in order for you by an act of faith, to lay hold on this righteous life. Once you have taken in this knowledge, and acquired faith, a faith that can preserve alive it's owner, you then get baptized following the example of the Christ.

Christ Fulfilled Bible Prophecy when He Died A Sacrificial Death

Christ Jesus was born, according to the scriptures, at the appointed time and place recorded in the Bible and he lived a life in fulfillment of all the prophecies which were written before hand, so that you can obtain the faith that can preserve alive it's owner. Christ died for you, the one with little faith, a righteous man, for many unrighteous ones. Christ died with reference to the sins of the world. Therefore, you also, by faith can choose to die with reference to your sins, in the likeness of Christ's death. This takes place at the time of your baptism, when, by going under the baptismal water, you die in a spiritual sense, in faith, with reference to your sins. This is a spiritual death, which we have to die, in faith, in order to receive righteousness with God and Undeserved Kindness and everlasting life.

At the Time of Death The Spirit Within Returns To God Who Gave It

At the time of your literal death, the spirit, your spirit, which is from Adam, returns to God who gave it. As you come up from the baptismal water, you come up from the water as one being alive with reference to the Spirit,

which is from God, the Spirit of which was also in Christ Jesus, our Lord. This can only take place because the spirit, which was from Adam, left your body and returned to God, at the time of your spiritual death. Therefore, by this arrangement you have been set free from the spirit of corruption, which was in Adam, and you have thereafter, received Gods Spirit, Holy Spirit, which was also operative in Jesus Christ. The Spirit of the Christ returned to God at the time of Christ's sacrificial death, on the torture stake. There, Christ Jesus breathed out his last breath, when he said the words 'it has been accomplished'. This is the Spirit of Truth fit for righteous man, which God will give to you, the one with little faith. This is a remarkable happening, a transformation from death to life, for everyone, who is exercising faith in the ransom sacrifice of Jesus righteous life.

God Declares You Righteous By Faith And Not By Law

Because you have done this, in faith, God declares you righteous and He gives you Undeserved Kindness and everlasting life. By your willingness to die with reference to your sin, in faith, you are viewed by God as dead and a person that has died is acquitted from all his sins. Your spirit, which you had from the beginning, inherited from Adam by procreation, returns to God, who gave it. This

allows God to give you Holy Spirit, the Spirit of which was also in Jesus Christ, our lord.

You Are A New Creation Born Of Water And Spirit

You are now a new creation born of water and Spirit, according to Jesus words to Nicodemus, a member of the Jewish Sanhedrin, saying; 'you must be born of Water and Spirit in order to see and enter into the Kingdom of God'. (John Chapter 3.) You are indeed a new creation, and God calls you Son or Daughter and you call God, Father. Now you start to believe in one power, which is the power of God and good.

By Spirit From God, Which was In Jesus Christ, You will become The Offspring Of The Last Adam

By this Holy Spirit you are, and you have become, the progeny of the Christ, who, according to Isaiah Chapter 9, is the Wonderful Councilor, the Eternal Father, the Prince of Peace and Mighty God. This is the one that will be King in the kingdom of God, to bring resurrected mankind to physical, moral, mental and spiritual perfection.

By Spirit Within, You Are Declared To Be A Son of God

By the Spirit from God, by Holy Spirit, you can say; I am a Son of the Great Spirit, the 'I Am That I Am', who is God the Almighty, and God will become all things to all, when the Christ hands over his Kingdom Rule to his Father. This will take place at the end of the 1000year rule of Christ, when all things have been subjected to the Christ, and death will be no more nor outcry, or pain be anymore, the former things have passed away.

A period of unprecedented peace, prosperity and growth lies ahead for mankind with unimaginable joy, happiness and peace and a super abundance of all that is good and this will be our 'title deed' into all eternity even forever.

Holy Spirit Makes You Clean By The Circumcision Of The Heart

Because you have the Spirit from God, which Spirit was also in Jesus Christ, you can now receive the circumcision of the heart, by Spirit. Your new Spirit, Holy Spirit, makes you clean before our God. In addition, you are now able to cultivate the fruitage of the Spirit, which is love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. You are indeed happy and you have a consciousness of super

101

abundance of all that is good, constructive and beneficial. Bad is no longer a force in your life, because bad is nothing, it has no principle, it has no power and it can always be destroyed by an additional good.

You Are Born Of Water And Spirit

You are a new creation, born of Water and Spirit, and thereby, you are precious in Gods sight, and you are conscious that God loved you first, when you were in darkness mentally and alienated from the life that belongs to the light. Therefore, you love God and neighbor as you love yourself, and this in imitation of Gods love for you, because, you have been born of God as a product of Gods love.

By Spirit, which is from God, the Spirit of which was also in Christ Jesus, our Lord, you are saying, I am a new creation, born of water and Spirit, and this to Gods eternal praise and glory, forever and ever, amen. Whatsoever, you desire, which is on the basis of faith and joy, you shall also obtain and that at the time of asking and it will manifest. You have become 'one' with the Father, God, you are a Son or Daughter of the King Eternal, God, and therefore, you have become the progeny of the Christ.

By this new Spirit, within, you have become all things to God, and you belong to the family of righteous ones,

today and into all eternity, even forever and ever.

Eating From The Tree Of Life Would Have Made Adam Life Conscious

Remember the other tree, indicated by God, to man, in the Garden of Eden, which was the Tree of Life, which was also in the middle of the Garden of Eden. The spiritual man Adam had the choice to eat of the Tree of Life, in the first instance, and thereafter, Adam would have changed consciousness to become Life Conscious and have a consciousness of super abundance of good, with everlasting life in view. In that state of consciousness, Adam would have been perfectly able to reject any form of bad, having been in a position of power, to curse the tree of the knowledge of good and bad, and that tree would have withered and died. In that case, Adam would have been perfectly positioned to father perfect offspring and pass on to every one a consciousness of eternal life, with a consciousness of super abundance of what is good. However, this opportunity passed him by, when he failed in this respect and transgressed, thereby, passing on to all of his offspring the legacy of sin and death.

Obtaining this super consciousness is now in reach of every one, on the basis of faith in the ransom sacrifice of

the righteous life of Jesus Christ, our Lord and King, who is the last Adam. Study this book often and by this process you will be able to grasp the deeper things of life, more fully. May you be blessed by God, the One that loved you first, and who called you out of darkness into his wonderful light of truth and understanding?

Chapter 4

Progeny of The
Christ

A Reflection

You are acquiring accurate knowledge of the Christ. This you do by gaining understanding of universal principles and learn to live by them. It is necessary to engage in the reading of Gods Word, the Bible, and pray for understanding and wisdom. You will come to appreciate that if a passage is difficult to understand, at first, you must not give up. Rather, read the passage again and again until the necessary brain cells have been formed with which to understand the things focused on.

God Is The Almighty and His Son Is The Word Of God

After a reasonable time of study, you become aware of the principles surrounding the teachings of Christianity. One of the most important truth's to make your own, is the understanding that God, the Almighty, is the only true God and his Only Begotten Son, is the Word, or spokesman of God. Through this one, which is the Christ, all other creatures, including Spirit Creatures, came into existence. Jesus Christ is rightly called, the Word or Spokesman of God.

Holy Spirit Is The Facilitator Of Gods Purposes

Holy Spirit, as the third entity of Gods spiritual arrangement for salvation, is understood to be differentiated Spirit from God, which is given to righteous and free moral agent, man. Spirit is the operating principle in man and it is activated by thought. Holy Spirit, in man, has oneness with Gods Spirit, because, all spirit is one Spirit with God. Holy Spirit will deliver to you the request of your heart and will keep your body functioning in the best possible way.

Exercise Faith, In The Ransom Sacrifice, Of Jesus Life

Because you have taken in accurate knowledge from Gods Word, the Bible, you are able to exercise faith in the ransom sacrifice of Jesus Christ's righteous body. Now, mankind, as a whole, is alienated from God, because of not meeting Gods standard of righteousness. Therefore, it was necessary for the Christ to die a sacrificial death, a righteous man for many unrighteous ones. This is in compliance with the Law of Compensation, which is in support of the life for a life principle.

A Son of God, Has Everlasting Life, Within

Having the understanding that we are from God, we are aware that a Son of God has everlasting life within. Having everlasting life, within, was lost at the beginning when our first parents transgressed and failed in their loyalty and obedience to Gods Word. Changed consciousness has come about, by a willful and selfish action of man, leading to changed consciousness, from a consciousness of abundance of all good to a consciousness of lack and limitation, leading to fear, worry, sickness and death.

The Word Of God Became Flesh

As an act of love, the Word, the only begotten Son of Gods, the Christ, willingly became flesh and resided among men. He was the only righteous man after the fall of Adam. He became known as the Christ, who was born of women, as an act of God's love for the salvation of mankind. This love is now at work, trying to lead you to change and reach out to the new life, with a new consciousness, a consciousness of super abundance of good, as children of God.

Jesus Christ Is Indeed The Last Adam

By reading the prophesy of 70 weeks of years, as spoken

of by the Prophet Daniel, your understanding will grow to appreciate that Jesus Christ is indeed the Last Adam, referred to in Isaiah Chapter 9 as the, Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. By sacrificing his righteous life, he facilitated the doing away of the sins of the world and he has become to us a life giving Spirit. This takes place by giving us his Spirit, the Spirit of which returned to God at the time of Christ's sacrificial death. He died for us and was raised up from the dead, to become a Spirit person, destined to be a mighty King, in the kingdom of God. Jesus Christ is to rule from heaven, over resurrected mankind, residing here on this very earth.

Jesus Christ sacrificed his righteous human life, for you, the one with little faith, in order for you to have imputed righteousness and everlasting life, as adopted Sons and Daughters of God. Based on this understanding, you are willingly getting baptized into the death of the Christ, because Jesus Christ died a sacrificial death with reference to sin, the sins of the world of mankind.

Therefore, you also desire to die in Christ, in the likeness of His sacrificial death, and thereby, you willingly die, in faith, with reference to your own sins. The Apostle Paul stated, in the book of Romans, that we have been buried into Christ's death, which takes place at the time of our baptism. There, you were buried into the likeness of Christ's death and you come alive, in the likeness of His

resurrection, by becoming a new creation, indeed, as a slave of God, being a slave to righteousness.

You Are Raised In The Likeness Of Christ's Resurrection

You are raised in the likeness of Christ's resurrection. Christ Jesus died with reference to sin, and therefore, you also die with reference to your own sin, in Christ. Christ was raised with reference to the Spirit from God, and therefore, you also have the prospect to be raised up with reference to the Spirit from God, the Spirit of which was also in Jesus Christ. Christ is the only begotten Son of God, and you, on the basis of your baptism, are the progeny of the Christ, the Son or Daughter of God, by adoption, by Spirit. Remember, at the time of Christ's death, the Spirit of the Christ, returned to God, who gave it. By that very Spirit, through Gods will, you have come alive as the progeny of the Christ.

You are raised in the likeness of Christ's resurrection. This you can say with confidence, because, Christ has died with reference to the sins of the world, and by this sacrifice, Christ has made his sinless righteous life available, to anyone, who desires life, on the basis of faith, in order to be set free from the accusation of sin and death. At your baptism, you die in the likeness of Christ's death by going under the baptismal water.

There, you die with reference to the spirit, within, the spirit you have inherited from your forefather, Adam, which is by means of procreation. As you come up from the baptismal waters, you are raised up in the likeness of Christ's resurrection, you come alive, with reference to the Spirit of God, the Spirit of which was also operative in Christ Jesus, our Lord.

*You Are Conscious, Therefore, You
Have Been Acquitted From All
Your Sin*

At the time of your baptism, you have become conscious that you have been acquitted from all your sins, because you have died, as to sin. The scriptures state that anyone that has died is acquitted of all his sins. Now, that you have been set free from the bondage of sin, you have in fact died with reference to your own sins. In your case, the power of sin has been broken. This was possible on the basis of your faith, in the ransom sacrifice of Jesus Christ. Baptism changes consciousness, and consciousness is truth, is your belief, because you are what you think. This acquittal of sin allows God to make you come alive, by giving you his Spirit, which Spirit was also operative in Jesus Christ.

At Death, Your Spirit Returns To

God who gave it

The spirit, which is from Adam, corrupted indeed, is given to Adams offspring through the Law of Procreation. At the time of your spiritual death, your spirit, which is from Adam, leaves the body and returns to God who gave it. This takes place at the time of your natural death, or as in this case, at the time of your baptism. This is a remarkable understanding, which leads to changed consciousness. The released spirit, which is from Adam, goes back to God who gave it. It was originally Holy Spirit, operating in Adam, which became corrupted when Adam sinned. Now, by your baptism, you have been set free from the domination of sin and death, because your spirit, which is from your forefather, Adam, has returned to God, the Father, who gave it.

Being Set Free From Sin, You Receive The New Spirit From God

Being set free from sin, you receive from God, His Spirit, which was originally also operative in Christ Jesus, when Christ walked the earth as a man. You are a new creation, born of water and Spirit, according to the scriptural injunction of the Bible book of John 3. By partaking of the bread and the wine, at the time of the

celebration of the memorial, of Christ's death, you enter into an agreement with God, for a Kingdom, with Christ as King. As a baptized Christian, you may have a heavenly resurrection, if chosen by God, to rule as associated Kings and Priests, with Christ Jesus, over resurrected mankind. On the other hand, you may have an earthly resurrection, as a righteous one, to enter into the Kingdom of God, here on earth, with Christ Jesus as Heavenly King. Under this arrangement of God, you, willingly and happily, subject yourself to the rule of the heavenly King, Christ Jesus. However, the Bride of the Christ, numbering 144000 associated King's and Priest's, these are selected by God, the Father, to rule with Christ over the earth for a period of 1000years. Remember, God selected these ones who will rule with Christ Jesus in the Kingdom of God, which is from their heavenly abode. There, they will be ruling over resurrected mankind, here on earth, with love, justice, wisdom and power.

On the basis of being a new creation, born of water and Spirit, you, at the time of your baptism, are declared by God to be righteous, by faith. God imputes righteousness to you by reason of the Spirit, within, as an act of love and justice and with God's Undeserved Kindness upon you. You have become aware of changed consciousness and this causes you to love God and the Christ with all your heart, mind and vital energy, as you reach out to love your neighbor as you love yourself.

By God's Undeserved Kindness You Are Made Clean

This changed consciousness allows you to receive from Gods of His Undeserved Kindness, by means of which you can be declared clean. In Fact, you are being declared Holy, because of the Spirit of the Christ, within. As a result of this, you are receiving the gift of everlasting life, from God, although you may have an ailing body, you have nevertheless the prospect to live forever, because God sees you as being clean and Holy, on the basis of the Undeserved Kindness of God. The Spirit, which is in you, facilitates everlasting life and that Spirit will bring to you the request of your heart, which must include health, wealth, peace, poise, love and everlasting life. Should you die of old age, then you will become subject to a resurrection, as a righteous one, which is taking place in the Kingdom of God, with Christ as heavenly King. This is on the basis of having Gods Spirit, which Spirit was also in Jesus Christ.

You are in receipt of the circumcision of the heart, by Spirit, which Spirit was also in Christ Jesus. You are indeed clean. The urges, as to sin, are now subject to your God given self-control, which is a fruitage of the Holy Spirit, within. Should you willingly and purposefully cultivate strong desire for sin, and thereafter, you practice sin, then there can no longer be

any redemption for sin remaining, otherwise the Christ would have to die many times, on account of your willful sin. For a person that is conscious of having the Spirit of the Christ, within, willful sin is no longer considered unless it is willfully desired. After having received of the undeserved kindness of God, a willful sinner will have no resurrection into the Kingdom of God, with Christ as King. Such a person will die the second death, without having the prospect of a resurrection.

You Are A New Creation And God Declares You Holy

However, you have changed consciousness, from lack and limitations, to a consciousness of super abundance of all good. You are a new creation and you are conscious that you are in receipt of super abundance of good, which is supported by principle. As a result of the undeserved kindness of God, which is based on the mitigation of the Law of Consequences, you are clean before God, the Father, and God declares you to be Holy. You are a Son or Daughter of God and you call God, Father, which is a Father, Son and Daughter, relationship.

You can now enter into and see the Kingdom of God, to be subject to the kingdom rule by Jesus Christ, our King, High Priest and Leader, who is ruling for 1000years in

the kingdom of righteousness and peace.

You Have Become The Progeny Of Jesus Christ

You have become the progeny of the Christ, and you have the Spirit of God, within, which Spirit was also in Christ Jesus, our Lord. In addition to this, you have also put on the Christ, because he died for you and set you free, whereby, you are being liberated and set free from the accusation of sin and death. You are a Christian, clean and Holy, because of the Spirit of the Christ, within.

You Are No Part Of The World

You are no part of the world, because God has chosen you to be out of this world. You have been subjected to a changed consciousness and changed thinking, whereby, you no longer being identified as being part of the world of mankind whose thinking is based on a lack mentality. You have become Holy and righteous and you have received a consciousness of super abundance of good. You are clean and Holy.

You Are From Christ The Eternal Father

Christ Jesus has become to you the last Adam, the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. He is your King, High Priest and Leader. Christ Jesus has become to you the life giver, the Last Adam. You live, because Christ Jesus lives in you, by his Spirit, which is from God. You are indeed, the progeny of the Christ.

Now, you are able to love, because God loved you first, when God gave his only begotten Son as a propitiatory ransom sacrifice, for your sins, in order to do away with sin. You love God with all your heart, soul and vital energy and you love your neighbor as yourself. You are the progeny of the Christ, forever, and this to Gods eternal praise and glory. You are a spiritual Jew, by the Spirit of the Christ, within, by the circumcision of the heart by Spirit. You remember that God loved you first, when you were in darkness mentally and alienated from the light that belongs to life.

Notes:

Chapter 5

The Plane Of The Absolute

Introduction

It is with humility that we must acknowledge the wisdom of God, which has become manifest to men of ordinary means. To grasp the weightiness, of this statement, we need to go back to the time of long ago. This was a time when man started his debut on earth. It was when Universal Mind, or God, stated that what He had created was very good. It was the beginning of a new chapter in mans history, which must finally end in peace, glory, joy and happiness for all men of goodwill. This is the time of goodwill, to gather together all the righteous fruit, according to Gods will and purpose.

Man Made In Gods Image And Likeness

Man was, in the beginning, a physical manifestation of godliness, in the flesh, which was by means of Gods Spirit, the creation of the first man, Adam, the Son of God. Adam was perfect in all the physical aspect of life, and Infinite Spirit, the Father, continued with the process of grooming Adam, for a life of righteousness, for an eternity, on earth. This meant that Adam had to be introduced to the responsibilities of the godly life. Therefore, since Adam was declared to be Gods Son, he was also a creator in the likeness of God's creative

ability. Adam had to understand, that godly principles have the right to exist eternally and these principles have to be embraced by man, in every day life.

To Live By Principle Makes Man Fit For Purpose

However, there were also manifestations, which were not supported by principles and these needed to be avoided by free moral agent, man; although man may be conscious of their existence, these were nonetheless, not existing automatically, within man. This understanding and compliance with principles would make Adam's creative ability, godly, and fit for purpose. Therefore, additional knowledge would prove to be pivotal for the continued existence of Adam, manifesting in Adam being identified as an approved and righteous Son of God. Persons, desiring to have God's approval, have to be godlike, in thought and in deeds. We have to learn, to see ourselves the way God desires to see us; and thereby, seeing ourselves as being Holy and free from sin.

Two Trees Were Indicated To Adam

Universal Mind, or God stated that all creation, on earth, had to be subject to Adam and his offspring after

him. The earth was Adam's domain, and the power to accomplish all his responsibilities, with ease, came from Infinite Spirit, the Father, the source of all power and love. For this reason, God pointed out two trees, which were in the middle of their Garden Home, and He stated; from every tree in the Garden you may eat to satisfaction, but from the tree that is in the middle of the Garden, you must not eat, no, you must not touch it, that you may not die. Therefore, we need to call to mind that there was also another tree, which was also in the middle of the Garden, which was indicated to Adam. That tree was the Tree of Life, which had no limitation attached to it, the fruit of this tree was good for food and it had the power to change consciousness.

God Loved Man First

This instruction, not to eat, or touch, the fruit of the tree of the knowledge of good and bad, appeared to Adam and Eve as a restriction. It should have been, to Adam and Eve, a command from a loving Father, God, the commandment of which had to be obeyed by faith. However, this was to Adam and Eve the first limitation, which was introduced, to man, by God. The tree, of the knowledge of good and bad, should have caused Adam and Eve to think deep as to the purpose of its existence. They should have called to mind, the fact, that God loved man first, and therefore, the purpose of the tree

should have reinforced, in man, the love, which God has for man. Also, the first human creation should have understood that they found themselves on the Plane of the Absolute, the God Plane of existence, and at that plane of existence, there was only good and nothing would have been impossible for them. They had unlimited power from God to do good, which was by Spirit, to do the things pleasing in God's sight. They had to see, and understand, the good, which God communicated to Adam and Eve. This good, from God, was by means of obedience to the limitations God indicated to Adam and Eve. In addition, to Adams understanding, a tree producing fruitage leading to death has no right to exist in their Garden Home. It had to be removed by the power of spirit.

Eve Looked At The Tree With Eyes Of The Flesh

However, this was not to be the modus operandi for Adam and Eve. Eve kept on looking at the tree, and cultivating desire for the fruitage of the tree. This was a gross lack of faith, on the part of Eve. Eve was only looking at the physical reality, which was manifest, by means of the literal fruit, and the imagined benefit the tree and its fruit could have for the fleshly person, within. She saw, that the tree was good for food, but, she failed to see and consider the more important aspect of what

the tree stood for, which was that of love. The prohibition, not to eat from the fruitage of the tree, was meant to enlighten man, that even to God, there were, self-imposed, limitations. God expected Adam and Eve to be obedient, by faith, when God stated that they must not eat of its fruitage, or, even touch the tree, in order for them not to die. God wanted man to live, with the understanding that bad has no right to exist, and therefore, bad can always be destroyed by an additional good. This additional good could only come from eating the fruit of the Tree of Life.

Directing Desire In Wrong Channels Leads To Chaos

We know, that the end result was a catastrophic failure on the part of Adam and Eve; it was their failure not to discern the love of God. That love of God, was to protect the human couple from becoming unfit for purpose. That love included abstaining from the fruit of the tree of the knowledge of good and bad, by faith. However, as a result of Eve's failure, to obey the God given command by faith, she cultivated strong desire for the fruit of the tree of the knowledge of good and bad; and strong desire will always lead to obtaining the aspect of desire, because by desire we generate thoughts and thought is the strongest power in the universe. By desire we create, but by strong and forced desire, directed in wrong channels,

we bring about disastrous and chaotic results. This was the case, in point, with Eve's desire, which was directed in wrong channels of thought.

By Forced Desire and Corruption Of Spirit, the Speaking Serpent Came About

Eve had Holy Spirit Operating, within, and that Spirit did not know the concept of bad, in fact Holy Spirit cannot support the concept of bad. Bad could only be created by forced desire, which, when fertile, led to the corruption of Holy Spirit, and as a result of this, the spirit, within, became subservient to the flesh. Eve chose to reason on the subject of right and wrong, in respect of eating or not eating of the fruit, this in turn had become the dominating though force in her life. The spirit, within, Eve, in order to comply with Eve's strong desire, directed in wrong channels, produced an illusion, which manifested in the speaking serpent. The serpent was meant to deceive and to convince Eve, to believe that she could benefit from eating of the fruitage of the tree of the knowledge of good and bad. In the finality, Eve believed that the fruit was good for food, and thereafter, she took of the fruit and she ate.

Whatever You Believe Is Truth To

You

In order to satisfy her desire, Eve entered into dialogue with a lowly serpent, which manifested as a fictitious creature of the imagination, in order for Eve to become convinced of the rightfulness of eating from the fruit of the proverbial tree of the knowledge of good and bad. By a dialogue with the speaking serpent, she became thoroughly convinced that the fruit was good for food, and therefore, she took the fruit of the tree and she ate. Later she also gave some of the fruit to Adam and he ate. What they failed to realize was the full implication of ignoring the God given prohibition not to touch and not to eat of the tree's fruitage. This prohibition, which, if disobeyed, would lead to man's death, after it entered their perfect mind as truth, as an absolute, because Spirit is Truth. This instantly changed Adam and Eve's consciousness, it changed their belief system, because believe is truth to its owner.

Adam and Eve went against established truth, which was by means of Spirit, which was Gods Word. Therefore, their unrighteous action changed consciousness, in man, after eating of the fruit of the tree. They changed from a consciousness of abundance of good, to a consciousness of lack and limitation, leading to flawed thinking and finally it led to their death. For, whatsoever you are conscious of, this is truth to you. Therefore, Adam

became conscious of lack and limitations, and this was truth to them, it dominated their thought processes, leading to alienation from the source of all power, which is God. They started to believe in two powers, of God and evil; and evil was a power in opposition to God power. The Devil was born, in the consciousness of man.

Adam and Eve Failed To See The Good The Tree Of Good And Bad Communicated

They were cut off from the source of all power, and thereafter, they had to live with a consciousness of lack and limitation, which resulted in ageing, fear, sickness and death. Adam and Eve had failed to see the greater good, which is by faith, which was behind the tree of the knowledge of good and bad. This greater good would have prepared both of them, to become truly godlike in creative ability and discernment. They would have learned that a godlike creator, as Adam indeed was, should and would never create anything bad, because creating bad would make man unfit for purpose. They failed to appreciate a consciousness of super abundance of good. On the other hand, eating of the Tree of Life would have prepared man to become Life Conscious and that consciousness would lead to becoming truly godlike in thought, deeds and power.

Desire For The Tree Of Life Was Required In Order To Understand The Tree Of Good And Bad

Bad, in whatever form, has no principle, it has no purpose in the out-workings of what is beneficial and good for the godlike creator, man. Bad is nothing at all, because bad can always be destroyed by an additional good. Therefore, bad indicated an absence of good, but Adam and Eve had an abundance of good, they had a consciousness of good. Therefore, their action was inexcusable, it lacked faith, love and wisdom; it was a lack of faith that caused their wrongful action. If the first humans would have meditated on the love of God, then love would have been the power behind their action, and then the original sin could never have happened. Love would have caused them to eat from the Tree of Life, and thereby, they would have become Life Conscious. By Life Consciousness, they would have been able to reject and curse the tree of the knowledge of good and bad, and the tree would have withered and died.

Action By The Chief Agent Of Life Is Required

Now, however, many thousand of years have passed and mankind has literally filled the earth, not with righteous

offspring, no, but with unrighteous offspring to do what is bad, to the extent of every description and magnitude. It can be stated that wickedness has come into full expression, and Universal Mind, or God, is about to take action on behalf of righteous mankind. The Christ, who has become the Chief Agent of Life, is the Prototype who is in support of Gods judgment of wickedness.

Enter Into The Peace Of Infinite Spirit

However, many may be asking themselves, is it really possible to expect change, or a transformation from wickedness to righteousness? Can we ever expect to reach the 'Plane of the Absolute', the God plane, as was the case at the very beginning of man? Here we must deliver a resounding affirmation. It is indeed possible for individuals to find the way back onto the Plane of the Absolute, to reach harmony with God, the Father. This possibility has been made available since Christ Jesus made his debut here on earth and Jesus introduced to mankind the prospect of entering into the Kingdom of God on the basis of faith in the ransom sacrifice of his sacrificed, righteous life.

Can Your Faith Preserve Alive Its Owner?

This prospect of change is nearing its time of fulfillment and there is a measure of urgency attached to the call for change. Religion, as a whole, is under pressure from all sides; and Christian people, of faith, would do well to examine their belief. Can their faith preserve alive its owner? If it can, then that would prove to be the right faith. However, should there be any doubt, as to the truthfulness of their accepted teachings of righteousness, then it would be wise, for them, to re-examine their faith, referencing the written Word, the Bible, the greatest book ever written.

Take In Knowledge Of The Teachings Of The Christ

Now, this is what the scripture state; you are to take in knowledge of the deep things of God, and of His Christ, accepting the teachings of salvation. After you have made sure that the teachings of the Bible are fact, truthful, scientific and rooted in universal law, then you have found a treasure of immense value. You have found the highway, which leads to the 'Plane of the Absolute' the God Plane of existence.

Teachings Must Be Based On Universal Laws

Here we need to be sober-minded. Any teaching, which is not backed up by universal law, and universal principles, is not truth. Truth speaks with authority and it is certain and leaves the student without any doubt. Here we talk about the Law of Compensation, which is in support of the life for a life principle, which indicates that the righteous life, which was squandered by Adam, must be compensated, by a life of equal value, to that which was lost.

Love of Infinite Spirit, or God, Is Behind The Righteous Seed

This is a profound statement and it satisfies justice. But is it possible to bring about a perfect life again, after it was lost by a selfish act, lacking in faith, as was the case with the first man, Adam? Indeed, it is possible, because with Infinite Spirit, or God, nothing is impossible, he is our maker and statute giver, and he is our God, the Father of righteous ones. Out of love for mankind, he prepared a way from long ago, to raise up a righteous seed, the Messiah, who became manifest at the right time, to fulfill prophesy, so that no man could argue otherwise.

The Messiah Was Flesh, Born Of Woman

Over a period of 70 weeks, of years, from the first announcement to his arrival 490 years have passed, so that when he arrived, the written word would bear witness about the truthfulness of his identity. He became known as Jesus Christ, the son of man and the Son of God. Now, here we need to understand that Adam was also called, Son of God. Therefore, Jesus also came in the flesh, like that which Adams had before his transgression. Jesus was not God in the flesh, no, he was the son of man, he was and is the Son of God, and Jesus was flesh, born of woman, by God's will and purpose.

Jesus Christ Was Conscious Of Being The Last Adam

Now, the son of man, Jesus Christ had the righteous credentials to be called Holy, because he was clean from Gods point of view. He was without sin, and a righteous life like that, which was in Christ, has the universal right to continue to live for eternity. Jesus Christ was conscious of God's approval, therefore, he was conscious of the fact that his life was the only righteous human life on earth; it had the right to continue on earth, forever.

This Is The Faith

This is the faith; Christ laid down his righteous life as a sacrifice, for sinful mankind, in order that on the basis of

faith, in this sacrifice, God could redeem sinful man. Therefore, Christ Jesus died willingly, as a righteous man, with reference to the sins of world. Exercising faith in this sacrifice would require believing, that any person would benefit if he or she would die with reference to his or her own sins. This dying with reference to ones own sin, must be in the likeness of Jesus Christ's death. Thereby, the right to everlasting life could be transferred from the Christ to men, on the basis of faith. Jesus died, as a righteous man, for many unrighteous ones, once for all times, so that you, by faith, can choose to die in the likeness of Christ's death.

A Person That Has Died Has Been Acquitted From Sin And Death

This means that a person, who has died, has been acquitted from his sins; because, he has died with reference to sin. This is what the greatest book, Gods Word, clearly states. Here, a person of faith has been set free from sin. By faith, he or she can now receive the righteous life that was sacrificed. Jesus righteous life, which has the universal right to live eternally, on earth, can now become yours. It is by faith that you receive this life, from God, the Father; and this takes place, by God giving you His Spirit, which Spirit was also in Jesus Christ, our Lord.

By this process you become the progeny of the Christ; and God, the Father, gives you righteousness, Undeserved Kindness and everlasting life.

You Have To Die In The Likeness Of Jesus Death

What are we to say; are we to be declared righteous by faith and receive from God His Spirit, which was also in Christ Jesus, our Lord? Indeed, we have been declared righteous on the basis of our faith, in the ransom sacrifice of Jesus righteous body. Therefore, Christ Jesus becomes our progenitor, the last Adam. The first Adam passed on to us his spirit, which was corrupted due to sin, and thereby, we were sold into sin, by the law of genetics, by procreation. The last Adam has achieved a reversal, in that he died for us; and we ourselves also, in like manner, die willingly in the likeness of Christ Jesus death. This takes place at the time of our baptism, in order to receive from the Father, God, his Spirit, which Spirit was also in Jesus Christ our Lord.

God Gives Us His Spirit, Which Spirit Was Also In Jesus Christ

The process is this. Christ Jesus, who was flesh in the likeness of Adams flesh, died a sacrificial death as a

righteous man. At the time of his death he breathed out his last breath, and the Spirit, which was in Christ Jesus, left Christ's body and returned to God who gave it. In like manner, at the time of our baptism, we are submerged in a body of water, and there, we die in the likeness of Christ's death. That baptism is in fact also a sacrificial death, and by this action, our spirit, which we had from Adam, leaves our body and returns to God. Now, therefore, God, seeing that we have died and having been set free from the accusation of sin, steps in and He gives us His Spirit, which Spirit was also in Christ Jesus, our Lord? By this action, you have become a new creation, born of water and Spirit, and by this change you are declared righteous and you receive of Gods Undeserved Kindness and the promises of everlasting life.

A New Creation Indeed

By this arrangement, you have become a new creation, indeed. But now that you have received the Spirit, which was also in Christ, you have become like Jesus Christ. Thereby, you have become conscious of the love, which God has for us. The Spirit of the Christ is now operating in us, and by this process, we have become a much-loved creation, to God's glory. God calls us Sons and Daughters and we call Him Father, in the name of Jesus Christ.

We Have Been Circumcised In The Heart By Spirit

By the Spirit, that has been given us, by God, the Father, the Spirit of which was also in Christ, we have received the circumcision of the heart by Spirit. Thereby, God declares us clean and Holy, and that is what we are. This understanding is very precious to us, because, by this understanding we change consciousness, from a consciousness of lack and limitation, which comes with sickness and death, we now, have a consciousness of abundance of good, with everlasting life in view.

We Have The Power To Abstain From Practice Of Sin

By the Spirit, which was also in Christ, we have extraordinary power to abstain from the practices of sins. Therefore, being declared free of sin causes us to be joyful and happy, and as a result of this, we love God with all our heart and vital energy and we love our neighbor, as we love ourselves. We have become a new creation born of water and Spirit, the progeny of the Christ. Now is left for us the entry into the Kingdom of God, to be blessed with an abundance of health, wealth, and love, with righteousness and everlasting life.

We Love Because, God Loved us First

We have become, the product of Universal Mind, or God, and therefore, we love in imitation of the love God has for us, at first. We rejoice in our newly found freedom, as children of Universal Mind, or God, with everlasting life in view. We have the privilege of being used as fleshly foundation stones, in a new human society, made up of resurrected mankind. There, we will be of service to our King, High Priest and Leader, Jesus Christ, to become, in the finality, all things to God and this to His eternal praise and glory, with everlasting life in view.

We, thereby, have entered onto the 'Plane of the Absolute', and whatsoever we ask of Him, this we shall also have, because we belong to Him, who loved us first.

Life Consciousness Gives Insight To Reject Bad

However, without eating from the Tree of Life, there can be no lasting life. It was like this in the days before Adam's transgression. Adam failed to go to the Tree of Life and eat from its fruit, in order for Adam to change and become Life Conscious and enjoy a consciousness of

super abundance of good. Adam, thereby, would have been fit to reject all temptations out of a super consciousness of good, and therefore, he could have brought about an abundance of good, resulting in perfect harmony with his Father, God.

They Failed To Eat From The Tree Of Life

But as we have come to know, Adam and Eve failed to eat of the Tree of Life, and thereby, they were prevented from remaining in the paradise of plenty. Instead, they became conscious of lack or limitations, to live a life with death in view. They failed to see the overriding benefit of eating from the Tree of Life, and instead, they ignored the Tree of Life. However, they did not fail to notice the tree of the knowledge of good and bad, more than that, the tree of the knowledge of good and bad appealed to them in respect of food that was upon it

The Power Of Bad Was Created By Desire Directed In Wrong Channels

The tree appealed to them, in a fleshly way, lacking in faith, and therefore, they kept on looking at the tree and the tree was desirable to their eyes. They created the pretext, which allowed them to take of the fruit and eat

it, as a result of this, they changed consciousness from a consciousness of abundance of good to a consciousness of lack and limitations, and they started to die. Therefore, also today, we have to make sure that we remain on the 'Plane of the Absolute', living, as Sons and Daughters of God, in an earthly paradise, which is the Kingdom Of God, with Christ as King.

Jesus Christ gave us The Real Bread From Heaven

To accomplish this, we need to cultivate strong desire for the antitypical Tree of Life. Today we have again two trees, the tree of the knowledge of good and bad and the antitypical Tree of Life. The antitypical Tree of Life, appeals to the spiritual man; and this tree stands for taking in spiritual food with everlasting benefit. The food of the antitypical Tree of Life, is perfect food; and this food is the proverbial 'bread from heaven', which Universal Mind, or God, supplied through Christ Jesus. This bread from heaven was supplied when Christ offered his righteous life, as a sacrifice for the sins of the world. Christ is the real bread from heaven and anyone feeding of this bread will never go hungry again. The life sustaining power of this bread from heaven will give you everlasting life, in perfection.

You Have Been Born Of Christ

As a result of this, you change consciousness to super abundance of good, with everlasting life in view. When you have attained to a consciousness of super abundance of good, it will be very difficult to sin again, because you have become like God knowing the proverbial good and bad. Bad cannot manifest where there is a consciousness of super abundance of good, because you have been born of Christ, and therefore, you love in imitation of the love God has for you.

Backed By Gods Spirit, Changed Consciousness Is Truth

You changed consciousness, and changed consciousness is truth, because Gods Spirit backs it. Therefore, from the storehouse of super abundance of good, your Spirit can only bring forth good. The power of fear and bad has been broken, forever, it cannot manifest where there is a consciousness of super abundance of good.

By The Memorial Celebration of Jesus death You Eat Of The Tree Of Life

This eating from the antitypical Tree of Life, takes place, as you break the unleavened bread and drink the unfortified wine, during the memorial celebration of the

death of Jesus Christ, our Lord. By eating the unleavened bread, you take in or you partake, of the righteous flesh of the Christ; by drinking the wine, you take in the life sustaining benefit of the Lords sacrificed blood. By this action, you drink the atonement for your sins, which makes you righteous until the Christ comes in Kingdom power to bring resurrected mankind to perfection.

You Have Become Fit For Purpose

You have become clean and righteous with a conscience of super abundance of all good. You have become fit for purpose, and bad, in whatever form, cannot manifest in you, because of a consciousness of super abundance of good. Therefore, whatever you ask of God, this you shall also have; and that at the time of asking, and it will be given to you. You have changed, to be like the Christ, and Christ Jesus has become manifest in you, through the Spirit of God, which spirit was also in Jesus Christ.

You Have Entered The Plane Of The Absolute

You have entered the 'Plane of the Absolute', the God Plane, and you are, indeed, a Son or Daughter of God. You have harmony with God the Father, and

whatsoever you do will have success. You are at peace and you have joy and happiness, with health, wealth, love and perfect self-expressions, and in the end, you will have eternal life.

Chapter 6

Concluding Thought

Reflection

Without an understanding of Spirit, we cannot come to understand God and His Word, the Bible. We have learned, that Spirit, is the operating principle in man, and without Spirit, life cannot exist. The I Am, which is the spiritual you, thereby, you have come to understand the operation of Spirit, because these two are operating in conjunction with each other for the common good of man. Then, we have also learned about perfect self-expressions as a means to come into a harmonious relationship with Universal Mind, and Infinite Spirit, which is God. We have to learn to express ourselves in such a way, so as to attract Gods smile of approval, in everything we do, this is so, because, we create by means of thoughts generated in our mind.

We also have come to understand that by Spirit, which is from God, we are declared clean, Holy and fit for purpose, and therefore, whatever we ask of God this we shall also have, because of our asking. It will be given to us, at the time of asking, and it will manifest in our life. Finally, we have also learned that we can reach the 'God Plane' of existence, which is the 'Plane of the Absolute'. This is a reflection of the ultimate achievement of man. However, to do so successfully we need to bring ourselves into harmony with God, on the basis of

changed consciousness, which is One Power Consciousness.

We Need To See Ourselves as God Sees Us

We have the need to become spiritualized and to think outside of the box. We have to become familiar with Gods purpose for mankind. We have to see ourselves the way God sees us. What do we mean by this statement. We have come to understand and believe, that baptism, on the basis of faith, has power. It is no longer good enough if we say, I am a Christian. There are more than 2 billion individuals in the world calling themselves Christians, however, do all these Christians have the mind of the Christ? Most probably not, especially in the light of what is taking place in organized Christianity today. We need to make an honest value assessment of our belief system and prove to ourselves, what we are. It is through Spirit that we are declared righteous, by God. How can that be, when we are conscious that we are sinners? Here we want to reflect on what we have learned, so far. Is it not true that a perfect man cannot die, but he can be transformed? The Law of Compensation, which is a universal law, has to be complied with, in order to bring about the change, which is necessary, for the benefit of mankind as a whole. This requirement is rooted in the love of God and

we are well advised if we pay the closest of attention to this matter.

Show Faith In The Power Of The Ransom Sacrifice Of Jesus Christ

This is what took place, when Jesus sacrificed his righteous life, for us, in order for us to be declared righteous, by faith. This gives clear evidence, that faith matters to God, very much. This is so, because, by faith we give evidence that we believe in the laws governing the universe. We are indeed humans, free moral agents, who have their origin in God; that is the understanding, which underwrites the fact, that we are godlike, in essence. As godlike creatures we are under obligation to conduct ourselves in a godlike manner and that must include showing faith in the power of the ransom sacrifice of the only begotten Son of God, Jesus Christ, our Leader.

By The Spirit From God We Become A New Creation

Therefore, when we conduct ourselves in faith, believing that we have received a new Spirit, which Spirit is from God, and that Spirit was also in Jesus Christ. We believe this, because, Gods Word instructs us that at the time of

death, our spirit, which operates and gives life to our bodies, returns to God, who gave this spirit. Therefore, God can now give us what he has to give and that is, His Spirit, which was operative also in Jesus Christ, when walking the earth as a man, in the likeness of Adams flesh. By that gift, which is the Spirit from God, we come alive as a new creation, born of water and Spirit. As a result of an act of undeserved kindness, we become desirable and loved by God, because we are a new creation born of water and Spirit, and therefore, God is able and willing to give us Undeserved Kindness, which covers all incidental unintentional sins, keeping us clean. Thereafter, God also gives us eternal life. Therefore, we are very much loved by God and we ourselves must love, in imitation of the Love God has for us.

*If God Sees Us As Clean Then We
Also Have To See Ourselves, Clean*

This means we must become conscious of being a new creation, with the Spirit of the Christ, within. Therefore, we must learn to see ourselves, the way God sees us. We cannot see ourselves as sinners, when we know that God sees us as clean, deserving of everlasting life. We cannot have a conflict of conscience, within ourselves, believing that we are sinful when at the same time God sees us as clean. Therefore, we need to meditate on our standing before God, and thereby, we are to realize that we are

Holy and righteous, on the basis of the Undeserved Kindness of God. The law, of the Undeserved Kindness of God, which is applicable to Christians, mitigates the Law of Consequences, cleansing us of incidental sin and error. Therefore, to us, as true Christians, this law of God's Undeserved Kindness has become the Law of Forgiveness, or the Law of Grace.

*If We Believe That We Are Holy
Then We must produce The Fruits
Of Holy Spirit*

Is it not true, that, whatsoever we think about, this we also bring about? This must be so, because, we create by our thoughts. If our thoughts are based on a belief in good and up-building thoughts then that is what we bring about. If we believe that we are Holy, on the basis of Faith, in the ransom sacrifice of the righteous life of Jesus Christ, then we will be able to bring about righteous fruitage; and that would include love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. This fruitage is referred to in the Scriptures, as the fruits of the Spirit.

If You See One Power, God And Good, Then Keep On Walking And Never Look Back

You have received power to see only one power, which is God and good. That would mean, that you would no longer be inclined to give power to anything evil, because evil has no principle and it can always be destroyed by an additional good; of which you are super conscious and you have it in abundance. You have changed from a belief in two powers, of God and Evil, and now you believe in only one power, God and good. If you treasure this belief, and make this belief your own, then you will prosper. Whatsoever, you ask of Him, in faith, this you shall also receive, and that at the time of asking, and it will manifest. You can now enter into the perfect square of life, with perfect happiness, with health, wealth, love and perfect self-expressions.
