ONE POWER CONSCIOUSNESS – THE FALL

One Power Consciousness

Volume 10

The FALL

MANFRED H. E. ROHDE

There is a time for every occasion, a time to laugh and a time to cry, a time to sow and a time to reap. As for us, this is the time for courageous action, a time for faith that can preserve alive its owner.

Fallen, Fallen is Babylon the Great! She has become a dwelling for demons and a haunt for every impure spirit, a haunt for every unclean bird, a haunt for every unclean and detestable animal. For, all nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her. And the merchants of the earth grew rich from her excessive luxuries.

One Power Consciousness

The FALL

Content:

Prologue

Foreword

1. By Spirit I Am
2. Conscious of Two Powers
3. Thinking Outside Of The Box
4. Mayhem And Distress
5. The Wild Beast And Its Image
6. Religion No More
7. Remember The Wife of Lot
8. Blessed Are The Dead
9. Concluding Thoughts

Prologue

'On her forehead was written a mystery: 'Babylon the Great' the mother of the harlots and of the disgusting things of the earth'. She is about to fall. She is riding the wild beast of Revelation, that has seven heads and ten horns, and that beast is about to throw off the harlot, who is attired with gold and precious stones, and devastate her.

Her fall is inevitable and it will be sudden. As within one proverbial hour, her demise will come, 'the beast and the ten horns will make the harlot devastated and naked. It will eat up her fleshy parts and she will be completely burned with fire'.

For God will put it into the hearts of the beastly nations to carry out their one thought, by giving their kingdom to the wild beast, until the words of God will have been accomplished.

And the women whom you saw, means the great city that has a kingdom over the kings of the earth'.

This is a super dramatic event that will affect the populations of the whole earth. This event will usher in the proverbial Great Tribulation foretold by Jesus Christ, our Lord.

In order to stand firm on that day, we are in need to display unwavering faith, a faith that can preserve alive its owner.

Foreword

Disclaimer

The writings of this book are not to be misinterpreted. They are not meant to change the world or the governments and its supporting organizations. These writings are not designed to change the financial system, the commercial establishment or the religions of this world. These writings are based on the belief that you cannot change another all you can do is changing yourself.

Invisible Spirit Forces Put In Place For The Preservation Of Man

The time has come, and it is now, that forces, beyond human understanding, are being moved into place to bring about a dramatic change in man's way of life. These forces are the invisible Spirit forces, which are from God that causes those in power to act for the preservation of established human rule. The unthinkable is about to take place right here on earth. Babylon the Great, who has been riding on the back of the proverbial seven-headed scarlet colored Wild Beast of Revelation is about to be removed from her position of influence and power. She is described as being drunk with the blood of the holy ones and with the blood of the witnesses of Jesus.

The Great Harlot Riding The Wild Beast Of Revelation Is Religions

This great harlot cannot be a political figure, because the beast with the seven heads and ten horns, on which the harlot is riding, is the combine of the seven world powers of bible history. These ruling powers are the power of Egypt, the power of Assyria, the power of Babylon, the power of Medo-Persia, the power of Greece, the Power of the Roman Empire and the Power of the Anglo-American Empire. The great harlot cannot be a representation of the commercial powers of the world, because all the merchants of the earth lament over her destruction. Therefore, Babylon the Great can only be the representation of all the religions of the world that are in opposition to the incoming Kingdom of God. In Revelation 18:24 we read: ‘yes, in her was found the blood of prophets and of Holy ones and of all those who have been slaughtered on the earth’.

Here, the term, ‘all those who have been slaughtered on the earth’ must refer to a global religious structure.

Babylon The Great Will Be Subject To The Attack Of The Political Elements Of This world

The fall of Babylon the Great is indeed a remarkable event that will result in a united global attack by all the kings of the earth, who will give their power to the wild beast for a short period of time. This beastly power is the image of the wild beast, which has seven heads and ten horns. This image of the Wild Beast is none other than the United Nation Organization, who will be used by all the nations to bring about the fall of Babylon the Great, the mother of the harlots and of the disgusting things of the earth.

We Need The Faith That Can Preserve Alive its owner

It is important that we should know about this dramatic event. We need to have the faith that can preserve alive its owner. That kind of faith is the faith that was also displayed at the time of the patriarch Abraham, when Abraham in obedience to God's direction, was willing to sacrifice his son, Isaac. In like manner, we are also expected to show this living faith that can preserve alive its owner. This faith is displayed at the time of our baptism, where we, on the basis of faith, are willing to be baptized into the likeness of Jesus Christ's death.

Now Is The Time To Side With The Incoming Kingdom Of God

Now is not the time to change the governments of the world. No, now is the time to side with the incoming Kingdom of God, with Christ as King, with everlasting life in view. All the religions of the world, which must include all the religions who are opposed to the Kingdom of God, these are grouped together under the proverbial name of ‘Babylon the Great’, and they are altogether unclean, based on their record of being part of the political elements of the world. This may include many, if not all-Christian organizations on earth, because they may prove to be unclean, stained by the politics of this world.

We Have To Become Clean From All Contamination Of The World

We have the urgent need to examine our worship in the light of revealed truth, contained in the written word of God, the Bible. We have the need to become clean from all the contamination of the world around us. We have the need to understand that as baptized Christians, we have to be born of water and Spirit in order to enter into and see the Kingdom of God, with Christ as King. We have to be born of water and Spirit; and that requires faith. Having the faith that can preserve alive its owner, we become conscious that we are, indeed, a new creation. By this action we have become conscious that we have received from God, His Spirit, which was also

operative in Jesus Christ, our Lord.

The Spiritual You Has Received A Changed Consciousness

We have the need to understand and come to know that the person we are, within, according of God's making, is the 'I am'. This is the spiritual you, the person that has received a changed consciousness on the basis of a belief in one power, God and good. That means that we consciously make a stand against the arrangement of this world, where we have come to know, and have come to obey two powers, the power of God and the power of evil. Such a belief cannot please God well. This understanding is based on the belief that whatsoever we think about this we also bring about. In other words, by the belief in two powers, we create, time and again some good and some bad, and thereby, we create evil and that evil would make us unclean in the eyes of God. We may continue to be identified as being unclean. This is unacceptable conduct for a Christian. We are called, by means of Jesus Christ, to be clean and holy, in both our conduct and in our thoughts.

This would require of us to make changes in our thinking, from thinking lack and limitation to thinking super abundance of good. This can only take place if we become godly in our thinking, and as such, we have to

undergo fundamental changes. At the time of our baptism, we have become Christ-like, in our conduct and in our thoughts. This can only be achieved through a changed consciousness, through a re-creational process. That is exactly what takes place at the time of our baptism.

Baptism Into The Likeness Of Jesus Death Is Required For Salvation

After taking in accurate knowledge of God, and his Christ, we acquire true faith. That faith leads to action, or works of faith, which can preserve alive, its owner. You come to understand that it is necessary for you to get baptized into the likeness of Jesus Christ's death. That would mean that you understand that Jesus died for the sins of the world, and therefore, you also willingly die with reference to your own sins. This takes place as you are getting baptized in the name of God the Father, His Son Jesus Christ and in the name of the Holy Spirit. Therefore, you are now conscious of the power of God, within, you become conscious of the sacrifice of Jesus righteous life and the operation of God's Spirit in your life. As you go under the baptismal water, you die with reference to your own sins, by giving up your spirit, the spirit of which you received at the time of your conception, through procreation. This is the corrupted

spirit, which is from Adam, that is operating in you and now returns to God, on the basis of your dying in Christ Jesus, our Lord. A person that has died has been acquitted from all his or her sins.

God Gives You His Spirit That Was Also In Jesus Christ

Because you have done this, in faith, God steps in and gives you His Spirit, the Spirit of which is Holy Spirit, that returned to God at the time of Jesus death. That Spirit was good to be given to man, on the basis of faith. As you come up from the baptismal water, you come up as a new creation, being born of water and Spirit. God now declares you to be righteous and God give's you undeserved kindness and everlasting life. You are a new creation, indeed, with a new consciousness of super abundance of all good and a consciousness of one power, the power of God and good.

You Can Now Cultivate The Fruitage Of The Spirit

Having received the faith that can preserve alive its owner, you are well placed to grow in knowledge and understanding of the deep things of God and no man must come to you and say: 'know God'. You belong to

God and God will finish your training in holy conduct and godly devotion. You can now cultivate the fruitages of the Spirit, which are love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. You have peace and poise with love and goodwill and by this you will be able to dissolve all negative thought vibrations. With this new personality you are well equipped to go through the time of the great tribulation and witness the destruction of the great harlot of Revelation, and thereafter, you are able to face the destruction of all the ungodly political powers and their supporters, which are in opposition to the kingdom of God.

Awake you Dreamer

There is darkness everywhere, before the dawn of the new age, and there are expectations of beautiful things to come? Man's imagination and his creative thoughts are upon the things that must take place. Is it for nothing that we have arrived at this stage of our existence? Unlimited power is at play and mankind is finding himself in an agitated state. Where are we to go, what is our destiny? Awake; awake, all you dreamers, the ones who are in eager expectation of the things coming upon the inhabited earth.

There Is Darkness All Around

The dawn of a new age is upon us and who is there that is welcoming the new day? Mankind is asleep in their ignorance and the religious fraternity is leading the way of error. Humanity is in an agitated state; there is uproar among the populations, a cry for help. Many are searching for a new way, for a new life, for a new destiny but there is no light of understanding. Instead, there is darkness all around. The emancipation of man is at hand, but who is there to welcome the dawn of a new age? There are indeed many who want to add to our understanding of destiny, but to no avail, there is dense darkness all around.

They Are Frightening The Few Who Want to Believe

Where do we go from here? Religion has failed us in our search for a better understanding of destiny, steeped in error and plagued with wickedness and sin, where are the leaders of this world, the men of understanding of insight and destiny? There are some who make known their limited understanding by fearful explanations of human destiny. They are painting a picture of doom and gloom and frightening the few who want to believe.

Seeing The One, Who Is Invisible

There is the coming of a new day; there is the dawn of something new, something big, glorious and beautiful, beyond human comprehension. There is a way of peace and poise with love and goodwill. There is a way, the way of Universal Mind, the way of Infinite Spirit, the way of God and that way is the way of goodness and of power, the way of success, of happiness and of love. Now is the time to pay attention to what is coming upon the inhabited earth. Now is the time to embrace lasting change, the way of lifting up the man of little means to a position of hope and glory. The manifestation of Holiness is ours to embrace; understanding of universal laws is what will deliver, seeing the One who is invisible. This is the One that loved us first, when we were in dense darkness mentally and alienated from the life that belongs to the light.

Wake up All You Lovers Of What Is Right

This is the coming of the dawn, of a new age and you are invited to share in the splendor and the glory that is to be had, by men of ordinary means. Come and let us go up to the mountain of God to be instructed about His ways. Let us learn to beat our swords into plowshares and our spears into pruning hooks. Let us learn war no more. Wake up all you lovers of what is upright and good. Change is in the air and the religious harlot must fall and

be no more.

The System, Which We Have Created Lacks In Love

The nations have kept us in ignorance by the belief in two powers, God and Evil. But the new thought is to embrace the new belief, a belief in One Power, of God and good. Don't we know that whatsoever we think about this is also what we bring about? We have been thinking lack and limitation from the very beginning of man, and thereby, we have created this system of things, which we call modern society. Well, let's be frank, modern society has failed us in so many ways. The system we have created no longer works for the benefit of the greater whole. It is morally bankrupt and the system we have created completely lacks in love.

Pay Attention To The Things Coming Upon The Inhabited Earth

The sky of destiny is getting brighter and brighter, and therefore, the call is getting out: rise all you able bodied men and women and pay attention to the things coming upon the inhabited earth, as a blessing of extraordinary proportions. Get ready to share in the bounty of all the good things that will be released for the benefit of you

the reader and for the benefit of surviving mankind.

The Thinker Is Addressed To Share In The Abundance Of Good

The thinker is addressed to share in the abundance of good that is to be made known to man. The nations are in a state of agitation and the problems they are facing are getting worse. For those who are in search of the good there is a way, this is the way. Let us gather together the ones upright in heart, those who are searching for answers to all the problems facing mankind. Beware of those in power, there is no love for what is upright and good in them, they have one thing in their mind and that is maintaining the status quo and safeguarding their position of power and control.

Universal Mind is on the move with blessings until there is no more want. The new dispensation is readying itself to display the 'Constitution of Love' that will open the floodgates of prosperity to the point of overflowing. Get yourself ready to receive of the abundance of all that is good and partake of the love of God. The fall of Babylon the Great heralds the beginning of the end of an entire system of rule that can no longer be maintained.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 1

By Spirit I Am

Introduction

Where there is life there must be Spirit. Spirit is manifest in all-living things and the outworking of spirit can also be seen in all creation. The very rock formation bear witness to the forces that were active during the creation of the earth. Spirit is from God, by means of which God made everything. Whatever we behold is the product of the operation of Spirit and the mind behind Spirit is God's mind.

Now, spirit is from God, and God is the source of all spirit, by means of which He accomplishes His purposes, whether animate or inanimate creation. Every living thing has spirit from the Creator, including man, who is made in the image and likeness of God. Therefore, when we observe the animal creation we see the workings of spirit and we see the hand of God. Therefore, when we look at man, we see more than just the spirit of God, we see the image of God, because we are made in His image and likeness, being free moral agents, and spirit from God is the operating principle in man.

Mind Directs Thoughts To Accomplish Things

By the operation of mind, man develops and directs his thoughts to accomplish things according to his desire.

Through mind, concepts are developed and these concepts are dressed in thoughts, and spirit takes these thoughts and delivers the product of thoughts by means of the Law of Attraction, through the power of God. This knowledge reinforces our understanding that whatsoever we think about, we bring about. It is the spirit in man that must have oneness with God, in order to meet the minimum requirements of the universe, in order to display love, justice, wisdom and power, which are the cardinal qualities of God.

Spirit Must Have Oneness With God's Spirit, It Has To Be Holy

For the Spirit, within, to have oneness with God, it has to be Holy. But mans spirit is not Holy, because of the corruption of spirit, which took place at the beginning, when in the Garden of Eden. The Spirit in man yielded to persistent, forced desire, of the first humans, by thoughts directed in wrong channels, and by this strong desire, spirit became corrupted to do the bidding of the fallen flesh.

All Spirit Is One Spirit With God

Her we need to understand that all spirit, whether spirit in plant, animal or human life, is one Spirit with God. Spirit cannot exist divided and each creation has

differentiated spirit from God to fulfill its purposes. However, the problem is that we are the progeny of Adam and Eve, who have broken the rules of engagement when they failed to abstain from bad. They failed to discern the impartial Law of Attraction, the creative law, by means of which we can bring about the good or the bad. But bad has no principle, and therefore, bad can always be destroyed by an additional good. Bad must not receive of our creative attention, or of our thoughts, because bad is nothing, it has no power and it has no principle, bad can always be destroyed by additional good. Bad can only exist, in man, if man holds bad in his conscience, in his subconscious domain, and from there, bad comes alive through man's thoughts, to do its work. The person who desires and does what is bad, believes in two powers, in good and bad, he believes in God and in evil.

Adams Spirit Was Holy And It Came To Be Corrupted By Strong Desire

Before Adams transgression, the Spirit in Adam was Holy Spirit, from God, the Father and there was an abundance of good, and whatever Adam desired, this he could also obtain. However, Adam and Eve did not know the concept of bad. They had to be introduced to this concept of good and bad, which came to them by

the introduction of the proverbial tree of the knowledge of good and bad. This was an act of love, on God's part. This tree was not designed to tempt man to eat its fruit, rather it was a symbol of knowledge, which could assist man in working out his limitations as a godlike creation. This would include avoiding thoughts and avoiding the cultivating desire, which would give life to the concept of bad, or evil. Believing in bad is based on a belief in two powers, the power of God and the power of evil. But with God, evil does not exist. It can only exist if we believe in evil, and thereby, we create evil as a force for what is bad.

Taught By Means Of The Tree Of The Knowledge Of Good And Bad

Therefore, bad is nothing, it has no principle and it can always be destroyed by an additional good, but good has principle and a right to exist eternally. Adam was not aware of this and he had to learn from this proverbial tree of the knowledge of good and bad. Some may reason that this may have been an unloving act on God's part, to place this temptation before man, at the beginning. But by careful consideration of all the facts, we must come to the conclusion that the tree communicated to man, the knowledge of good, and encouraged man, to abstain from the knowledge of bad; there was a choice to be had. This knowledge, when

applied correctly, could and would have lead man to have everlasting life, in perfection.

The Tree Of Good And Bad Was A Loving Provision From God

But, apart from mans ability to choose, we want to remember that the first human pair was a product of God's love. They had the ability and the knowledge to live a life of love, because they had Holy Spirit, which was the operating principle, within. They could have first and foremost reasoned on the fact that God is love and the tree of the knowledge of good and bad had to be part of God's loving arrangement for life. In fact, God is the very manifestation of love. It was God's way of teaching man, which was teaching man about godlike responsibility and living a life of godlike creator-ship, creating only what is good from the storehouse of super abundance of good.

Where Good Appears Bad Cannot Exist

Adam and Eve had to understand, that good has principle and the right to eternal existence; and bad could always be destroyed by an additional good. Where good makes an appearance, bad must disappear. Good and bad cannot exist in the same place at the same time.

Additional good, of which there was abundance, would always have destroyed that which is termed bad. The first human pair did not choose to live by this principle. They chose to think inside of the box, so to speak, whereby, they saw only the physical realities, which were the fruit of the tree of the knowledge of good and bad, the fruit of which was seen as a source of sustenance to them, believing that there was nothing wrong with the fruit. For Eve that proverbial fruit was good for food. Adam and Eve failed to act in faith, failing to accept God's limitation, not to eat of the fruit of the tree of the knowledge of good and bad; by faith, Eve was expected to abstain from eating the fruit of the tree. Instead of complying with the admonition, not to eat from the fruit of the tree, Eve reasoned on the right and wrong of the God given limitation. Remember, what God calls good, is good; and what God identifies as being bad, that is bad. God is the Absolute Power of the universe and that power needs to be obeyed, by faith, on the basis of love.

Man's thinking, which was opposed to the commandment of God, must be subject to the Law of Karma; you're reaping what has been sown. Non-compliance with God's commandment requires power, and that power cannot come from God. It was a power, which operated on a lower plane than the God plane of existence. This evil power was generated by strong desire directed in wrong channels of thought. Desire for the forbidden fruit of the tree, of the knowledge of good and

bad, required power to do and that power had to be created. The desire to do that, which is bad, was strong desire, which was directed in wrong channels of thought. By this power, which was the pretext to taking of the fruit, was created. But how, you may ask, was it possible, for a perfect man and woman, having been made in the image and likeness of God, to transgress against God's arrangement and eat of the fruit, to which bad was attached? This was a grave transgression, by Adam and Eve, leading to their death, which was based on a consciousness of not having enough?

Strong Desire Brought About The Illusion Of The Speaking Serpent

It was their failure to exercise faith, and instead, cultivated strong and forced desire for the fruit of the tree, which eventually resulted in the creation of an intelligent speaking serpent, in order to reason with Eve on the right and the wrong of eating of the fruit of the tree. This dialogue, between the speaking serpent and Eve, convinced Eve that the fruit was good for food, and therefore, she ate. She reasoned that God was holding something back from her, which was good, that which Eve understood could be of benefit to her. That reasoning was the precursor for Eve's transgression, being convinced through a dialogue with a fictitious mind creation, which became manifest in the speaking

serpent. As a result of reasoning with the speaking serpent, this became the catalyst for Eve to eat of the fruit, believing that the fruit of the proverbial tree of the knowledge of good and bad would be good for her. Eve had created an illusion, manifesting in the speaking serpent, through forced desire, directed in wrong channels of thought. By this illusion, which manifested in a speaking serpent, Eve became convinced that the fruit of the tree of the knowledge of good and bad was good for her. By her failure to act in faith, on the God given limitation, she rejected God-power. Eve created a secondary power, which is based on inverted faith, which was brought about by forced desire, manifesting in a speaking serpent; that was an illusion. Instantly, Eve came to believe in two powers, in the power of good and the power of evil, when in fact, there was only one power and that power was God and good. She believed the suggestion of the speaking serpent, which, by itself, was an illusion, and thereby, Eve was deceived to obey her own desire.

This was a grave mistake, indeed and a warning to all of us today, to keep our desires in check and focus our minds not on what we not have, but rather, to focus our minds on the things we have. The use of affirmatives will help us in focusing our mind on the good things, which we have received from above.

But how was it possible for Eve to become convinced

that, what she was about to do was good for her, when the operating principle in her was Holy Spirit, which was from God, the Father? Here we can learn an important lesson, for life. The only activity Spirit has is its ability to think and to do. But thinking comes from concepts generated in the mind. Therefore, when a person keeps on cultivating desire for something, to which death is attached, as an absolute, then the Spirit, within, in order to comply with man's desire, becomes corrupted to do the bidding of that desire. Eve's forced desire led to her fall, before eating of the fruitage of the tree of the knowledge of good and bad. This process corrupted the flow of Holy Spirit, in man, to do the bidding of the flesh. It was the speaking serpent that convinced Eve, by means of a reasoning process, that the fruit was good for food. Spirit cannot reason on a matter, which is left to the conscious mind to do; and by this action, man must take responsibility for what he allows into his mind. Man failed in the exercise of faith, in the God given commandment, not to eat of the fruit of the tree of the knowledge of good and bad.

Spirit Cannot Reason It Can Only Do

It is by thought that Eve was deceived, which brings about a response from the Spirit, within. Now, there can be good thoughts and there can be bad thoughts, the

Spirit does not mind what thoughts are generated. Spirit cannot reason on any matter, it can only do the bidding of thinking man and deliver the product of thought. But man is responsible for his thoughts, whether good or bad. Because the Law of Attraction, which is an impartial law, responds to man's thought, whether a person's thoughts are good or bad. The Spirit in man will only bring about the things man thinks about and it will bring it in, because man is a creator in the likeness of God, and all Spirit is one Spirit, with God. Therefore, by our thoughts and by Spirit, within, are we linked to God, and thereby, we can choose to be creators of either good or bad, this is the privilege of a free will. But, bad is not guided by principle, therefore, bad can always be destroyed by additional good. Therefore, thinking good thoughts must be the foundation and the underlying principle in all our thinking. If there is a strong desire to do the good, then the power in support of the good will destroy the bad. We need to believe that the good, which we desire, is in support of one power and that power is the power of God and good.

Eve Became Convinced That Eating Of The Forbidden Fruit Was Good

Instead of focusing on the good, which they had in abundance, when in the Garden of Eden, they focused

on the bad, and therefore, whatsoever you think about, you will certainly also bring about. Eve focused on the fruit of the tree of the knowledge of good and bad, in order prove to her-self that the fruit was good for eating. By this action, Eve became thoroughly deceived, believing that the fruit was indeed good for food and she ate. Eve's Spirit, which was Holy Spirit, became corrupted by forced desire, directed in wrong channels of thought, to do the bidding of the flesh. Strong desire led to obtaining the fruit of the proverbial tree of the knowledge of good and bad. This, finally, led to the corruption of Spirit to do the bidding of the fleshly man, within. This action led to mans alienation from the source of all power, which is God and good, because man started to believe in two powers, in the power of good and in the power of evil. But evil cannot exist where good appears, therefore, Adam and Eve where delusional and they were deceived to believe in two powers, when in fact, there is for us only one-power, which is God and good.

The Tree Of Good And Bad Communicated God's Principle

Man finally found that the tree of the knowledge of good and bad had nothing to do with food; it had something to do with principle and knowledge transfer, which is the principle that bad can always be destroyed by additional

good. Therefore, bad has no principle, it is nothing, and it can only exist in the consciousness of fallen man. Adam has become the host of darkness, and he became unfit for purpose and he died, because the spirit in man was no longer Holy Spirit, it was corrupted spirit, to do the bidding of the fallen flesh. Therefore, all of us are dying, because of the Law of Transference, through the process of procreation. We have received the corrupted spirit, which was also in Adam, and therefore, that spirit has been corrupted to bring to man the desire of the fallen flesh, which must lead to sickness and death. The lack mentality was born. Adam changed consciousness from a consciousness of abundance of all good, to a consciousness of lack and limitation, which perpetuates wrong thinking, leading to sickness and death. Adam paid attention to the things he did not have, when in fact he had everything, he became flawed in his thinking. Adam started to believe in two powers, the power of good and the power of evil. This way of thinking is a grave mistake, indeed, especially in the light of our understanding that Adam and Eve created a power in opposition to God, which was the power of evil, and thereby, the devil was born.

Death Is Brought About By Imperfect Thought, By Lack

The concept of death is part of mans conscience, and

therefore, death is brought about by the imperfect thoughts of man. The spirit of man can only bring about the product of his thoughts, and in this case, mans thoughts were on not having enough, which must lead to death. We need a new Spirit, but how can that new Spirit become ours when we are alienated from the source of all power and love. The only time we are set free from the spirit of corruption and death is at the time of death, when our spirit returns to God who gave it. It is then that we are acquitted from all our sins.

The Law Of Compensation, A Life for A Life Principle

To rehabilitate man, and bring about salvation, requires the operation of universal law, which is the Law of Compensation, or the principle of a life for a life of equal value to what was lost. The first man, Adam, brought about death to us all, however, the last Adam, has the power from God to bring about everlasting life and a conscience of super abundance of all that is good. This would, by deduction, mean, to receive a new Spirit, Holy Spirit, which is from God, the Father, but in order to obtain this Spirit, man has to die with reference to his sins first, on the basis of faith. Sin is lawlessness, which is the mark of imperfection, we have inherited from Adam and Eve, at the beginning.

Man Can Now Look With Confidence To The Future

It is remarkable to think that such a process is possible when all we know is a short life of lack and limitation and finally we have to bow down to the demand of death. By the Law of Compensation, the process of the rehabilitation of man is acceptable to God, and thereby, mankind can now look with confidence to a future of abundance of good, on the basis of faith. Therefore, salvation is by means of the Kingdom of God, for which Christian Mankind has been praying, where Christ Jesus will rule as King with the assistance of 144000 associate Kings and Priests, bought from the earth, as first fruits to God. This ruler-ship is an everlasting ruler-ship and it will be a ruler-ship to God's praise and everlasting glory. It will be a rulers-ship of abundance, of all good.

Man Needs Grace, Which is The Undeserved Kindness Of God

Now, however, in order to have a share in the future of restored mankind, any person can avail themselves of the undeserved kindness of God and follow the process, which leads to salvation. This is what has to be done to qualify and enter into the kingdom of God, as a righteous one.

Take In Knowledge Of The Life Of Jesus Christ And Exercise Faith

You are to take in the knowledge of God's Word, the Bible, and get to know the Last Adam, the Christ, who died a sacrificial death, for you, in order, for you, by an act of faith, to lay hold on this righteous life. Once you have taken in this knowledge and acquired faith, that can preserve alive it's owner, you then can get baptized following the example of the Christ.

Christ Fulfilled Bible Prophecy And He Died A Sacrificial Death

Christ Jesus was born according to the scriptures at the appropriate time and place and he lived a life in fulfillment of all the prophecies, which were written before his time, so that you can obtain the faith that can preserve alive it's owner. Christ died for you, one righteous man for many unrighteousness ones. Christ died with reference to the sins of the world. Therefore, you also, by faith, can choose to die with reference to your own sins, in the likeness of Christ's death. This takes place at the time of your baptism, by going under the baptismal water, according to the scriptural injunction; there you die, in a spiritual sense, with reference to your own sins. This is a spiritual death, which we have to die,

in faith, in order to receive righteousness with God and Undeserved Kindness and everlasting life.

At the Time of Death The Spirit Within Returns To God Who Gave It

At the time of death, the spirit, your spirit, which is from Adam, leaves your body and goes back to God who gave it. As you come up from the baptismal water you come alive with reference to the Spirit from God, which Spirit was also in Christ Jesus, our Lord. This can only take place, because the spirit, which is from Adam, left your body and returned to God at the time of your spiritual death. Therefore, by this arrangement, you have been set free from the spirit of corruption, which was in Adam, and you can now receive God's Spirit, Holy Spirit, which was also operative in Jesus Christ. This Spirit, which was also in Christ, returned to God at the time of Christ's sacrificial death, when Christ Jesus breathed out his last breath, he said the words 'it has been accomplished'. This is the Spirit of Truth, the Spirit of which is from a righteous man. God is now able to give to you this Spirit and give it to the one with little faith. This is a remarkable happening, a transformation from death to life, for everyone having faith, in the ransom of the life of Jesus Christ.

God Declares You Righteous By Faith And Not By Law

Because you have done this, God declares you righteous, He gives you of His Undeserved Kindness and He gives you everlasting life. By your willingness to die, with reference to your sins, in faith, you are viewed by God as dead and a person that has died is acquitted from all his sins. Your spirit, which you had from the beginning, inherited from Adam, returns to God who gave it. This allows God to give you Holy Spirit, the Spirit of which was also in Jesus Christ, our lord. That Spirit, is suitable for operating in man, because it is from man, the son of man, Jesus Christ, the Son of God.

You Are A New Creation Born Of Water And Spirit

You are now a new creation, born of water and Spirit, according to Jesus words to Nicodemus, a member of the Jewish Sanhedrin, when he said: you cannot see and you cannot enter into the Kingdom of God, unless you have been born of water and Spirit. (John Chapter 3) You are indeed a new creation, and God calls you to be a Son or a Daughter, and you call God, Father. By the Spirit, within, by the Christ Spirit, you start to believe in one power, which is God and good.

By Spirit From God, Which was In Jesus Christ, You will become The Offspring Of The Last Adam

By this Spirit, you are, and you have become, the progeny of the Christ, who, according to Isaiah Chapter 9 is 'the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God'. This is the one that will be King in the Kingdom of God to bring resurrected mankind to physical, moral, mental and spiritual perfection.

By Spirit Within You Are Declared To Be A Son of God

By Spirit, which is the Spirit from God, by Holy Spirit, you can say: I Am a Son, or I am a Daughter, of the Great Spirit, that is the 'I Am That I Am', who is God the Almighty, and God will become all things to all, after the 1000year Kingdom Rule, when Christ hands over the Kingdom Rule to his Father. This will take place at the end, when all things have been subjected to the Christ, and the last enemy, which is death, will have been conquered, nor will there be any outcry nor pain be anymore, the former things have passed away.

A period of unprecedented peace, with prosperity and

growth lies ahead for mankind, with unimaginable joy of heart, with happiness and peace and super abundance of all that is good. This peace will be our 'title deed' into all eternity even forever.

Holy Spirit Makes You Clean By The Circumcision Of The Heart

Because you have the Spirit from God, the Spirit of which was also in Jesus Christ, you can now receive the circumcision of the heart by Spirit. Your Spirit, Holy Spirit, makes you clean and Holy before our God. In addition, you are now able to cultivate the fruitage of the Spirit, which are love, joy, peace, mildness, kindness, goodness, faith, self-control and long suffering. You are indeed happy and you have a consciousness of super abundance of good, being constructive and beneficial. Bad is no longer a force in your life, because bad is nothing and has no principle and can always be destroyed by additional good and that good is by means of Jesus Christ.

You Are Born Of Water And Spirit

You are a new creation, born of water and Spirit, and you are precious in the sight of God and you are conscious that God loved you first, when you were in dense darkness mentally, and alienated from the life that

belongs to the light. Now, however, you love God and your neighbor as you love yourself, and this in imitation of the love God has for you, because you have been born of God, being a product of God's love.

By Spirit, which is from God, the Spirit of which was also in Christ Jesus, our Lord, you are saying: I am a new creation, born of water and Spirit, and this to God's eternal praise and glory, forever and ever, amen. Whatsoever you desire, on the basis of faith, this you shall also obtain and that at the time of asking and it will manifest. You have become one with the Father, God, and you are a Son, or a Daughter of the King Eternal, who is God the Almighty, and you are the progeny of the Christ and the Son of God, by adoption.

By the new Spirit, you have become all things to God, and you belong to the family of the righteous ones, today and into all eternity and even forever and ever.

Eating From The Tree Of Life Would Have Made Adam Life Conscious

Remember, the other tree that was also in the middle of the Garden in Eden, which was the Tree of Life? The spiritual man, Adam had the choice to eat of the Tree of Life, in the first instance, and thereafter, Adam would

have changed consciousness to become Life Conscious, being conscious of having super abundance of life, within, and having a consciousness of everlasting life. In that state of consciousness, Adam would have been perfectly poised, by the power within, to reject any form of bad and Adam would have been in a position of power, to curse the tree of the knowledge of good and bad and the tree would have withered and died. Thereafter, Adam would have been perfectly positioned to father perfect offspring and pass on to every one a consciousness of eternal life, with a consciousness of super abundance of what is good. This opportunity passed him by, when he failed in this respect and passed on to all of us sin and death.

Obtaining this super consciousness is now in reach of every one, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord and King, the last Adam. Study this book and read it content often and by this process you will be able to grasp the deeper things of life, more fully. May you be blessed by the God, who loved you first and who called you out of this darkness into his wonderful light, of truth and understanding?

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 2

Belief In Two Powers

Humanity On The Move

Spirit dominates the world of our making; this is the spirit that operates in all living things. By spirit, within, we have grown from the time of conception to adulthood and from adults we have taken on responsibilities to become whatever we desired to be. Some have become housewives, and others have chosen to become leaders, in their respective field of activity, yet others have chosen to be doctors, tradesmen, engineers, nurses and accountants, some are disabled and sick and others are without work. However, what we see in the world of today, is manifest before our eyes, it is humanity on the move into a future, the future of which is dominated by fear, violence, sickness, uncertainty, anxiety and death.

Are We Led By The Right Leaders

This is what we have created, a society steeped in anxiety, fear, crime and violence and driven by a lack mentality. We have now arrived at a time, where we find ourselves on the slippery slope of destiny, which could lead to losing control of our lives with possible dire consequences for many. The question we have to ask ourselves is this; do we have elected the right leaders to navigate mankind through the stormy seas of discontent? We have arrived at a juncture of time, where the system, which we have created, is no longer serving us well?

Leaders To Rule For Justice Itself

When we consider that the motivation of the elected ones is always loaded by selfish desire and ambition, bend by corruption, proving themselves to be unfit for purpose? We need leaders that are committed to lead for justice itself, for the benefit of the greater whole. Trained in universal law and high standards of morality, we can say: we need people, to lead us, who are motivated by love, serving for the benefit of the greater whole and such persons are in very short supply. They have to be visionaries with insight and understanding of the things coming upon the inhabited earth.

Operating Principle In Man Is Spirit

We have made much progress in the study of man, the environment in which we live and in law. In the process, we have come to understand that the operating principle, in man, is spirit. Where there is spirit there must be life. This we can state with humility and with a measure of certainty, because all living things have spirit, differentiated Spirit, indeed, from God. All living things are from the source of Spirit, which we understand to be Infinite Spirit. We are from Spirit, and therefore, spiritual understanding and comprehension is of

paramount importance for our wellbeing and our future success.

Evolution Theory Underwrites Man's Lack Of Wisdom

Here we do not want to be ignorant to believe that we are evolved from lower forms of life, such as is indicated by men of so called higher learning. However, a statement in support of the evolution theory, of man, underwrites, to some extends, mans level of ignorance and lack of understanding of the powers at play. Teaching the evolution theory in support of mans origin, as a fact, is beyond comprehension. This fact escapes their notice that all life forms are in possession of differentiated spirit, the spirit of which is from Universal Mind, or God, and God is giving life to them all.

All Food Is Supplied By Spirit

We have to ask ourselves: from where does spirit, which is differentiated spirit, originate? In fact, we can take this matter even further and ask ourselves: who provides the food, which sustains us and keeps us supplied with the things that keep the body alive? Is this food not supplied by means of spirit that operates in all living things? From this analogy, alone, we have to conclude that differentiated spirit supports all life, and that spirit comes

from Infinite Spirit, which we call Universal Mind, or God. Therefore, we can state with a measure of certainty, that mans existence has its beginning in Universal Mind, in Infinite Spirit, or in God.

Human Institutions Keep Us In Ignorance

Now, we understand that to a greater or lesser degree, all of us are victims of institutionalized ignorance. That ignorance comes to us by means of the media, the institution of learning; from governments; from commerce and religion just to mention a few. All human institutions, to varying degree, are involved in keeping us in ignorance. Now, that we have come to understand this truism, we must come to appreciate that our belief-system, including much of our thinking, as well as the manipulation of our mind by those in power, is at the core of all human problems. This, so called badness, entered into man at the beginning. It was on the basis of the reasoning mind, and by desire directed in wrong channels of thought, that man brought about the concept of a changed consciousness.

Belief In Two Powers Is Based On Error, Rooted In The Law of Karma

By this erroneous process, man laid the foundation to believe in two powers, in infinite Spirit, which is God and evil, or, in good and bad. By this changed consciousness, man changed from a consciousness of super abundance of good to a consciousness of lack and limitation. This changed consciousness, is a belief system that is based on two powers, which is Infinite Spirit, or God, on the one hand and evil, or the devil, on the other hand. This belief is bringing about the product of our thoughts, which can be either good or bad. The phenomena of an abundance of bad necessitated the need for an abundance of man-made laws, to manage human affairs successfully, whereby, law perpetuates bad by its attention to badness. This underwrites the ongoing cycle of good and bad, and all of mankind is a victim of this never-ending process of good and bad, which is based on a consciousness of lack and limitation.

Universal Mind Really Cares

What are we to say? Are we doomed to self-destruction? If there were to be no Infinite Spirit, or God, as some intellectuals may want us to believe, then indeed, there would be a real possibility of total destruction of all life on Earth on the basis of increasing bad and oppressive laws. However, we are happy to confirm that there is indeed a God who cares, who is the God of love, justice, wisdom and power. This is the Great Spirit, the maker and the creator of us all. God, or Infinite Spirit, does not

49

entertain the concept of bad, nor does He support ignorance. The universe is ruled by love, by one power, which is the power of Infinite Spirit, the power of God and good.

Bad is Always Destroyed By Good

Therefore, it is impossible for Infinite Spirit to pay attention to what is bad, which is based on a consciousness of lack and limitations. Our Maker is omnipotent, omniscient and omnipresent, and for Him, bad has no principle, and therefore, bad can always be destroyed by an additional good. He is Infinite Spirit, or God, the source of good, and by the Spirit, which is from God; we have life in abundance with peace, poise, love and thinking ability. This is an amazing statement to make, because this statement indicates that our thinking ability has its origin in Universal Mind, and in Spirit. On the other hand, by thinking, we do have the power to create what is good, or what is bad. However, bad has no principle, and it is nothing at all. On the other hand, good has principle and cultivating good on a continuous basis needs help from the Source of all Power, the power of which is from God and good.

Now Is The Time To Wake Up

Here we can ask ourselves, can mankind afford to

continue in ignorance, when, by means of Infinite Spirit, we have unlimited access to knowledge, insight and good, which are in support of the deep things of God. We can make the affirmation that with Universal Mind, or God, there is not a variation of the turning of the shadows. Infinite Spirit does not change, and on the flipside of the coin, all other things, which are made are forever changing. All Spirit is one Spirit with Infinite Spirit, or God, and by the same token, we can add that all minds are one mind with God's Mind, or Universal Mind. This is the wake-up call for mankind as a whole, for those who are asleep in ignorance. Now is the time to wake up, as from a deep sleep and embrace love, justice, wisdom and power.

Belief In Two Powers Is Ignorance

Any teaching that does not acknowledge Universal Mind, or Infinite Spirit, as the source of all love, justice, wisdom and power, is in ignorance; God is the Source of all knowledge and of all insight, being the giver of every perfect gift. Persons in denial of the above statements are living a life of ignorance. These are the very ones that desire to enslave us all, to believe in two powers, in God and evil, in order to bring about an abundance of man made laws, by means of which to enslave us, to perpetuate the creation of every kind of evil. From these sources of evil and bad you are to become liberated. These are the men that hold us back from moving

51

forward. They desire to make us grope in dense darkness and to cause us to be led captive in ignorance, walking in dense darkness, in order for them to rule with injustice itself.

Lacking Understanding Of Destiny

Where do we go from here? Is there a way out of this misery, which we have created for ourselves? Yes, indeed, there is a way out and that way is by knowledge transfer, from Universal Mind, or God, to man. We have come to understand that even the greatest teaching institutions are in dense darkness, as to understanding of the destiny of man. They encourage a belief in the evolution theory in order to sell us into perpetual mental darkness and institutionalized ignorance. It is disturbing to see such wide spread teachings of error and such lack of basic understanding of destiny. All that these teachers desire to do is to continue exactly in the way of error, as before. They want you to continue in the way of lack and limitation, and thereby, follow in the way of ignorance and death.

Real Freedom From Ignorance Is By Means of Spirit

Therefore, you may ask, are we to become liberated and set free from this system of things, which holds us captive, to do the things not pleasing to God? You can only obtain real freedom from ignorance, through spiritual understanding and the enlightenment that comes to us by means of Universal Mind, or God, giving us insight into His purposes for our eternal good. For this reason, we have to obtain understanding of our human predicament, as it is seen in the world of today. We have to go back to the beginning of mans debut, on earth. Here we must understand, that as the material universe had a beginning, so man also had a beginning. This is the way with all material creation, including plant, animal, and human life. All the above life forms had a beginning, and the beginning of man has been recorded in the oldest writing available to man. God is the source of this written record, known to us as the Bible.

All That We Can Do Is Change Ourselves

We have to realize that man cannot change another person; all we can do is changing ourselves. This must be so, because we are from the source of unlimited power and knowledge, and by this understanding we have to realize that we cannot lord it over our fellow man, who, the scriptures indicates, is made in the image and likeness of God. All we can do is to acquire sufficient

understanding of destiny, and thereafter, it is our responsibility to grow in knowledge and understanding of the deep things of God, or Universal Mind, and He will finish our training. This understanding makes for peace, poise, love and goodwill, by means of which, you will be able to dissolve all negative thought vibrations. Your destiny is, to become fit for purpose, to live a life of destiny.

We Are From The Highest Source

There may be some who may suggest that nothing really matters to man. We are all doomed, in a never-ending cycle of good and evil, and all of us have to face, sooner, or later, possible annihilation. In the meantime, as some may say, let us eat, drink and have a good time, and tomorrow we are going to die. Such negative sentiments do not belong to man, who is walking in the way of Holiness. First and foremost, we must come to appreciate that we are from the highest source known to man and that is Universal Mind, or God. In fact the greatest book ever written states that man is made in the image and likeness of Universal Mind, or God. We are thinkers and by thoughts we create the things we think about, the things we desire.

Bad Does Not Belong To Man

Here, desire is the strongest thought form, and thereby, we can bring in the good or the bad. However, the aspect of creating what is bad was not the case at the very beginning of man. The concept of bad does not belong to man, who is made in the image and likeness of Universal Mind, or God. The concept of bad must be removed from our consciousness. We have to change and learn to believe in One Power, in God and good.

*On The Plane Of The Absolute
There Is No Reasoning, Only
Believing*

At the beginning, we have been given a consciousness of abundance, of what is good. There was no concept of bad. Bad has been introduced to man by means of reasoning on the subject of good and bad. This concept of good and bad was introduced to man at the beginning and reaching out to bad would carry with it the penalty of death. To turn away from bad was a necessary requirement, and this requirement, needed to be obeyed by faith, because man is a creator, a creation made in the image and likeness of Universal Mind. With God there cannot be the concept of bad. Bad is nothing, it has no principle and it can always be destroyed by an additional good. In respect to the above statement, man was expected to reject bad, as a non-entity. However, man paid attention to the concept of bad, which was manifest

55

in the tree of the knowledge of good and bad. That tree was in the middle of their garden home. Man reasoned on the right and wrong of the prohibition of Universal Mind, or God, which stated that man was not to touch and not to eat of the fruit of the tree of the knowledge of good and bad. However, reasoning, on the rightfulness of the God given command, was based on a gross lack of faith, and lack of faith is sin. Early man was created perfect; he had the ability to reject or to accept the tree of the knowledge of good and bad, but under no circumstances was man to touch, or to eat from, the fruit of this tree.

On The Plane Of The Absolute There Can Be No Error

Here we need to appreciate that the prohibition came from the highest power known to man, and that power was Infinite Spirit, or God, the omnipotent, omniscient and omnipresent Spirit. It does not belong to man to question the rightfulness of God's instructions. God operates on the 'Plane of the Absolute' and there can be no error nor can there be any wrong. Infinite Spirit, or Universal Mind, is Holy; He is the Supreme Ruler of the universe. With Him, there cannot exist error, nor can there exist any evil. As children of God, all we have to do is show faith, and believe that God's commandments are necessary for our good and these commandments are

true. By reasoning on the subject, and on the rightfulness of the God given commandments, man started to behave in an inappropriate and faithless manner.

By Forced Desire We Create Illusions

In addition, man, being a free moral agent, cultivated strong desire for the fruit of the tree of the knowledge of good and bad, the desire of which was directed in wrong channels of thought, leading to illusionary thought creations. That illusionary thought creation brought about the concept of a speaking serpent, which was a non-reality, it was a product of mans vain imagination. This serpent was used to reason on the rightfulness of God's commands in order to convince man that what God required was, according to mans understanding, wrong. Man lacked in faith, and he chose to use forced desire, which proved to be wrongly directed thought power. This wrongly directed thought power led to the creation of a speaking serpent. It led to man's isolation from the source of all power and that was God, or Universal Mind. Man has created a secondary power to God power and that was the power of evil. From that moment in time, man started to believe in two powers, of God and evil, which is a sin.

Changed Consciousness Has At Its

Core A Belief In Two Powers

This error, at the beginning, on the part of free moral agent man, ushered in a new era based on a belief in lack and limitations. It was an era, which was based on changed consciousness, changed from a consciousness of abundance of good, to a belief in evil and bad. This changed consciousness has at its core a belief in two powers, God and evil, or good and bad. This meant that God's influence in human affairs became limited, since God cannot facilitate or allow any form of bad to have access into his presence. The result of this lack of access to the source of all power was catastrophic for man's future. Man became isolated from the source of all power and he started to be in fear of not having enough. As a result of this, the lack mentality was born, and man started to have fear, anxiety, being subjected to ageing with sickness and death. The life span of man was eventually reduced to 70-80 years.

The World Is United In Doing The Things That Do Not Serve Us Well

We have arrived in the now, and what we see is of concern to most of us. We have made progress in a material, medical and technological way and the world is united in doing the things that do not serve man well. The belief in two powers has resulted in hate and

58

murder, in mayhem and war. To the level of evil there appears to be no limit and insecurity is everywhere. In the progression of man, we have constructed impressive buildings and bridges spanning rivers and valleys. We have come to travel at ever grater speed and we have even succeeded to fly to the Moon. The proverbial expression has come true, that, by being united in our aspiration, nothing is impossible for man to achieve. However, there is no peace, which we can enjoy and man is killing man in one place after another. But peace and happiness, within, or without, is ever so fleeting, being so far removed from man.

We Are Victims Of A Belief In Two Powers

What can we say; are we doomed to self-destruction in our way of life? May that never happen? All of us are victims of a two-power consciousness, believing in God and in evil, and bringing about the good and the bad. However, the world in which we live is not getting a better place. Mental illness is on the rise and so is insecurity. If there is a higher power, which we call God, then where is the evidence of this power of doing only what is termed good? The churches of Christendom are no longer filled with believers. Many church buildings have been sold to developers and faith in the promises found in God's Word, the Bible, seem to be of little value

for men lacking in faith.

We Cannot Find Peace and Poise With Love And Goodwill

We need a new way of thinking. The religious institutions are disunited in their understanding of human destiny and mankind is leaderless in their ignorance, not knowing the way out. We are living at a time of the revival of new thought concepts, which are based on the understanding of universal laws. We have come to understand the creative Law of Attraction, which is giving to many an understanding of thought power, to bring about riches and material blessings. However, we have not been able to find lasting peace with health, wealth, and love. We have not been able to obtain power and faith that can preserve alive its owner. Fear is ruling the minds of the majority, bringing about the product of their thoughts, which must be more fear and insecurity, more wars and hatred, more lack and limitations. We continue to be unfit for purpose, within.

Law Creates Fear and Fear Creates More Things To Fear

Where do we go from here? We have established the fact that the world of our making is based on a mentality of

lack and limitation and on a belief in two powers, of God and evil or in good and bad. The problem of belief is that it is supported by thoughts and by thought we create. Therefore, we continue to create some of what is perceived to be good, and on the other hand, we create an abundance of bad. Add to this man made laws, which are designed to bring about a better world on the basis of fear and of law. Instead of peace there is more fear, which creates more of what is bad, and so it continues. Our prisons are filled to the point of overflowing, and as a result of this, we are changing the laws to reduce imprisonment in order to save money. Therefore, lawlessness increases everywhere in this world and the global situation is increasingly more difficult to manage.

We Need To Change Consciousness To Believe in One Power, in Good

From the above thought considerations we come to conclude that we need to change the consciousness of man, changing our belief system, from a belief in two powers of good and bad to a belief in one power, God and good. But how, you may ask, can this be achieved, and thereby, change man's destiny? We have to change our belief system and that would mean changing consciousness.

At The Beginning There Were Two

Trees In The Middle Of The Garden

There are some who may argue that Universal Mind cannot be a God of love if He tempted man by means of the tree of the knowledge of good and bad. Here we need to consider all the facts, which are at our disposal. By this knowledge we come to know that God indicated to man another tree, that was also in the middle of their garden home. That tree was identified as the Tree of Life. However, man ignored to pay attention to the Tree of Life, because that tree offered nothing new to man, but life, which they thought, they had in abundance.

Behind Both Trees Was The Principle Of Love

There is a fundamental flaw in the thinking of man, at that time, in the Garden of Eden. Man was conscious that he had life and the Tree of Life did not communicate to man anything new. Man failed to appreciate to pay attention to the Tree of Life, the action of which required faith. It was God's desire for man to have strong faith, which was faith in the life that will not end. Here again, man showed a lacked of appreciation for the Tree of Life, and instead, man was attracted to the tree of the knowledge of good and bad, because this tree of the knowledge of good and bad communicated something new. Instead of meditating on the purpose of

these two trees and working it out for themselves what these two trees stood for? Man should have appreciated that behind both trees was the principle of God's love and faith. Eating from the Tree of Life would have changed man's consciousness, because man was at that time not as yet 'Life Conscious'. Eating from the 'Tree of Life' would have resulted in man becoming super conscious of life, becoming conscious of eternal life. This new consciousness would have included becoming super conscious of abundance of good.

Man Became Conscious Of Power

With a super consciousness of life and good, man would have been well placed to reject the fruit of the tree of the knowledge of good and bad, without any hesitation. Man would have become conscious of power, and by that power, man would have been in a position to curse the tree of the knowledge of good and bad and that tree would have withered and died. It was man's failure to see the love of God in all their surroundings, which would have required faith. That failure, to see the love of God, resulted in man reasoning on the good and the bad of the fruit of the tree of the knowledge of good and bad. This was a grave mistake and a gross lack of faith.

Man Failed To Become Life Conscious

This was man's failure, his failure to act in faith on what was provided through the Tree of Life. Both trees served the purpose of giving man life. In the case of the Tree of Life it was 'Life Consciousness' that would have given man everlasting life. In the case of the tree of the knowledge of good and bad, it was obedience by faith that would have resulted in understanding the Law of Attraction more fully. Acting in support of the love of God would have lead to eating from the Tree of Life and thereafter, cursing the tree of the knowledge of good and bad, and as a result of this action, the tree of the knowledge of good and bad would have withered and died.

Man Started To Believe In Two Powers, Good And Evil

In the final out-working of the drama in the garden home, in Eden, by an act of disobedience and by forced desire, man changed consciousness, from a consciousness of abundance of good, to a consciousness of lack and limitation, believing in two powers, in God and in evil. This resulted in creating a new power, the power of evil, which was in opposition to God power. Bad had found a home in man's consciousness, and from there, man produced an abundance of bad, leading to error, sickness and death.

Man's Belief In Two Powers Brought Us To Where We Are Today

The history of mankind bears witness to the march of wickedness and the wanton destruction of both human and animal life. Everything that has been created by man, in the world as we have come to know it, bears witness to man's lack mentality and his belief in two powers, the power of good and the power of bad. Every religious organization, every governmental authority, every commercial endeavor gives evidence of man's lack mentality and his belief in two powers, of God and evil.

We Can Be Certain Of Future Success Through Changed Consciousness

We have established that the presently held belief in two powers has come to us on the basis of error of omission. We have also established the inability of man to reverse the effect of sin and error, which resulted in his failure to bring about one power consciousness, of God and good. This is a problem, which, if not acted upon, can ultimately lead to the end of intelligent life on earth. All our attention must be on our Maker, the source of all

love, justice, wisdom and power. With universal Mind the concept of failure and the concept of bad does not exist. Therefore, all of our eyes and of our attention must be directed and focused on Universal Mind, and thereafter, we can be certain of future success in the out-working of God's purposes.

With God, Two Powers Do Not Exist

Some may argue that our continued existence, on the basis of a belief in two powers, will be good. However, this fact escapes their notice, that, with God, bad is not a viable concept and it cannot exist with God; only one power exists, and that is the power of God and good. On the other hand, with man, there exists the belief in two powers of good and bad, and for man, his understanding supports the notion that law can always be used to control additional bad. But, because we belong to the universe as creators in the likeness of God, error and bad has no right of existence, it is an abnormality, an illusion, and therefore, bad and error must be removed from the universe and from mans consciousness. As light destroys darkness, good destroys what is bad, and so also, bad has no future and it can only exist in the consciousness of fallen man. It does not belong to man who is walking to direct his own footsteps; it belongs to Universal Mind, or to Infinite Spirit, the originator of all life, to set the standard for peace, between God and man.

The Way Of Infinite Spirit Is The Way Of Truth

We are encouraged to take note of the more important things in life and that must include harmony with our Maker, Infinite Spirit; and compliance with God's plan for man and for the earth will bring peace. The ways of Infinite Spirit are righteous, and this righteousness is based on laws and principles. These principles apply to God and to mankind, because we are from Source. The law that can change consciousness, in man, is the universal 'Law of Compensation', which is in support of a life for a life principle.

The Law Of Compensation Is In Support Of A Life For A Life Principle

This Law of Compensation speaks this way: when a righteous intelligence has been removed, or it has ceased to exist, then a vacuum is formed in the arrangement of the universe. That vacuum has to be filled with the same value of what has been lost. If we apply this requirement to mankind, then we can say that the righteous life, which Adam had, at the beginning, was lost when Adam transgressed against Universal Mind, or God. By his transgression man lost the ability to have contact with

the source of all power, and as a result of this failure, Adam became unfit for purpose and eventually died. He failed to father righteous offspring, and therefore, all of mankind is dying. The transgression of Adam was against the arrangement of God; it was against the principles of love and peace.

Infinite Spirit Brings About The Last Adam, The Righteous One

The Law of Compensation States that a righteous life squandered, as is the case with Adam's life, has to be replaced by another perfect human life, of equal value to the life that was lost. This life, that was to replace what Adam lost, could not have been delivered by anyone of Adams offspring. Therefore, Infinite Spirit allowed the righteous life, which was in the Only Begotten Son of God, to be transferred to a Jewish virgin, in order for that seed to be born of woman. By this arrangement, Infinite Spirit could provide another righteous life, in the likeness of the life which Adam had before he sinned. This righteous life was born of woman, in the likeness of Adams flesh. This one was called the Messiah, or the Christ, His name was Jesus, who was from Universal Mind, or from God; he was born to a Jewish Virgin, named Mary, to be wholly man.

Jesus Was Born To Become The

Savior Of The World

Jesus Christ was born in humble beginnings and he came to fulfill the Law of Moses and to announce the coming of God's Kingdom and the salvation of man from the bondage to the kingly authority of sin and death. Jesus finally died a sacrificial death, as a righteous human. Here we need to take notice that Jesus sacrificial death, as a righteous man, had everlasting benefits for the entire human family of unrighteousness ones. We understand from the written record, in the Bible that at the time of man's death, his spirit, which operated in man, returns to God who gave it. This must be so, because, spirit cannot die and all spirit is one Spirit with God. Therefore, the Holy Spirit of the righteous man Jesus Christ also returned to Universal Mind, or to God, at the time of Jesus sacrificial death. That Spirit was Holy Spirit, which previously operated in the righteous man, Jesus. From that time onward, from the time of Jesus death, this righteous Spirit was now with God, to give to anyone on the basis of faith in the ransom sacrifice of Jesus life. This is the life Jesus had as a man, while walking on earth, as God's Son.

The Spirit That Returned to God at
Time Of Jesus Death Was Holy
Spirit, The Christ Spirit

The Spirit, which was in Jesus Christ returned to God, at the time of Jesus sacrificial death. That Spirit was Holy Spirit, which has the power to give everlasting life and righteousness to anyone on the basis of faith. This was of enormous value, to God, and of unspeakable benefit to mankind. By means of this Spirit, and on the basis of the Law of Compensation, anyone, who exercised faith in the ransom sacrifice, of God's Son, could be given imputed righteousness, from God. Thereby, they would have everlasting life and receive from God of His undeserved kindness, which mitigates the Law of Consequences.

Only Faith Can Bring To All Mankind Everlasting Life

This was an amazing arrangement that could change consciousness with man, on the basis of faith in the ransom sacrifice of Jesus righteous life. Changed consciousness has far reaching consequences for the good of mankind. Here we want to remember that it was changed conscious, at the beginning of man, which resulted in man being ousted from God's favor. Now, we have a reversal of man's consciousness, from a consciousness of lack and limitation, with a belief in two powers, to a consciousness of super abundance of good, and of everlasting life, on the basis of a belief in one power, which is God and good.

The Last Adam, Jesus Christ, Had To Die For Us All To Give us Everlasting Life

This change is now in reach of the whole of mankind, on the basis of faith. The scriptures state that man needs to read the Word of God, the Bible, often, in order to cultivate faith in the things read, the promises of salvation for mankind. The things read in the Bible are the things about Jesus Christ, the Last Adam, who gave his righteous life, as a sacrifice, in order for man to obtain righteousness by faith. This would lead us to believing that it was necessary for Jesus Christ to die, in order for many to be brought to righteousness.

In Faith You Are To Be Baptized

This is the process, leading to righteousness with God, and to everlasting life, on the basis of faith and a changed consciousness. You are to take in accurate knowledge of Jesus Christ, and of the prophesy of his coming, his birth, his baptism and his ministry and finally his death. When you have come to believe that it was necessary for the Christ to die, being a gift from God, in order to give his life a ransom for many, then you are ready to get baptized in the name of the Father, God, the Son Jesus Christ and in the name of the Holy

Spirit.

Infinite Spirit Gives His Spirit to you, which Spirit was Also in Jesus Christ

The benefits of this baptism are many, indeed. First of all you understand that the Christ died, with reference to the sins of the world, of mankind. Then, you, in faith also willingly die with reference to your own sins, by going under the baptismal water, to be fully submerged in imitation of Jesus baptism in the Jordan River. You believe, that by doing this, Infinite Spirit, or God, acknowledges that you have indeed died, and a person that has died is acquitted from all his sins. At the time of your baptism, your spirit, which is from Adam, returns to God, who gave that spirit, at the time of procreation. You are submerged under the baptismal water and there you die in the likeness of Jesus death; your spirit is thereby released and returns to God who gave it. You are without spirit, but for a moment. Now God gives you His Spirit, the Spirit, which was also in Jesus Christ. This Spirit was in Jesus and it returned to God at the time of Jesus sacrificial death. That Spirit is now with God, to give to anyone, on the basis of faith in the ransom sacrifice of the righteous life of Jesus. You have received God's Spirit, the Spirit of which was previously also in Jesus Christ.

By The Law Of Forgiveness, By Grace You Are Cleansed

In order for you to be clean, after your baptism, Infinite Spirit, or God, gives you of His undeserved kindness, which is in compliance with the 'Law of Forgiveness'. By this Undeserved Kindness, or by the God given forgiveness, you become conscious of being clean. Any unintentional sin is covered, and thereby, you become conscious of being clean and as a result of this understanding, you received a consciousness of super abundance of good. You are indeed a new creation, born of water and Spirit.

You Are Set Free From The Kingly Authority Of Sin And Death

We want to remember that we need to become children of Universal Mind, or God, and become like God, we, therefore, are no longer conscious of sin. We have been set free from the kingly authority of sin and death and now we have become conscious of the Undeserved Kindness of God. This new consciousness leads to peace and poise with love and goodwill, making us happy and conscious of having the Christ, within. We are a new creation, indeed.

As Christians We Have To Learn To See Ourselves The Way God Sees Us And That Is Clean

We need to remember that God is teaching us; to see ourselves the way God sees us and that is being clean. This understanding will help us to embrace a changed consciousness, a consciousness that changed us from seeing no longer sin and death. Thereby, we become free from a belief in lack and limitation by being born again to have a consciousness of super abundance of good. By this changed belief, we see what God sees, and that must be holiness, which is based on one power, of God and good. Everything else is nothing more than an illusion, which is rooted in error.

We Have Received The Spirit From God, Which Spirit Was Also In Jesus Christ

By this transformation, of consciousness, we have become a new creation, having been born of water and Spirit. The Spirit, which we have received, on the basis of faith, is not the spirit we had from Adam, no, the Spirit, which we have received is the Spirit that is from Universal Mind, or God, it is the Spirit, which was

operative in Jesus Christ, when he walked the earth as a righteous Son of God. By this Spirit, within, we are walking as the progeny of the Christ, as the offspring of the Last Adam. This is the one that is identified for us in Isaiah chapter 9 where the Last Adam is referred to as the Wonderful Councilor, Eternal Father, Prince of Peace and Mighty God and we are from this one, and we are like Him, and we have the power from Him, to do that which is good, on the basis of a new consciousness.

Walking As Seeing The One Who Is Invisible

Now, we are walking as seeing the one who is invisible. We are walking, as, indeed, Christ Jesus also walked when on earth as a man, he being from Universal Mind, or God. Therefore, let us walk in humility and with lowliness of mind, being of the understanding that we have an abundance of peace and poise, with love and goodwill and by this we are able to dissolve all negative thought vibrations. We are clean and Holy; as, indeed, Christ Jesus walked, we are walking as children of Universal Mind, or God, and He loves us as his own. In fact we understand, that Infinite Spirit, or God, loved us first when we were in darkness mentally and alienated from the life that belongs to the light.

Believe In One Power, God and Good

Let us continue to walk in the belief of one power, believing in God and good, with a consciousness of super abundance of good. We have access onto the 'Plane of the Absolute', the God Plane of existence, where there is no lack and no limitation; and everything we ask of Him we shall also have, because we asked it of Him in faith.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 3

Thinking Outside Of The Box

At The Beginning, Man Was Conscious Of Abundance Of good

From the beginning of man, the prospect for mankind was to have oneness with God and having in subjection all living things, on earth. This meant that man, having been made in the image and likeness of God, had to be like God, knowing good and giving no place for bad; because bad is nothing, it has no principle and it can always be destroyed by additional good. Man was conscious of having abundance of what is good and he was a thinker. By thought man created whatever he desired, but for a Son of God, that would mean thinking thoughts based on universal principles and natural law, thinking for the good and for the benefit of the greater whole.

The Law Of Attraction Is Neither Good Nor Is It Bad, It Is Neutral

Now, however, man had to be introduced to the creative law, the Law of Attraction. This law is totally impartial and neutral. This law is neither good nor is it bad, it is neither righteous nor is it wicket, and the Law of Attraction is just neutral. Through this law, man could create whatever he desired and it was meant to be always good. Good, or bad, did not matter to the law, but it

mattered to man, who was, at the beginning a godlike creator. To God, believing in only God and good, was a matter of principle, it had to be complied with if man wanted to live the godly life. For this reason, God placed the proverbial tree of the knowledge of good and bad into the middle of their Garden Home and God attached to it the limitation, not to eat from its fruitage, no, not even to touch it, in order for man not to die. Man had to understand that desire, for something that has been identified by God as being bad, had to be avoided on the basis of faith, because if man would not avoid objects of what is bad, then bad would become manifest and it would lead to mans alienation from the source of all power, which is God, leading in the finality to mans death.

Man, As A Free Moral Agent, Can Choose To Do Good Or Bad

This tree of the knowledge of good and bad required clear thinking ability in respect of the purpose of such a limitation. Man is a free moral agent and that meant that he could do what he termed to be good, for him and his offspring, after him. The worst thing that could be done was to cultivate desire for the fruitage of the tree of the knowledge of good and bad, which would, of course, lead to the fall of man, namely mans alienation from the source of all power and life. Here we need to remember

that bad is destructive and good is creative. As a creator of his environment, man, being made in the image and likeness of God, would not ever want to entertain any desire for what is bad. Bad has no principle and bad has therefore no right to exist for a godlike creator, bad has no power, within, it self, and it can always be destroyed by additional good.

The Creative Principle In Man Was Spirit, which Is From God

Here we need to consider the fleshly creation, man, who was supported by Spirit, which, in this case, was the Spirit from God that operated in Adam. This Spirit was the God given creative principle in man, and it was perfect, and could only bring about perfect conditions. By means of this Spirit, which was Holy Spirit, man had unimpeded access to the Great Spirit, God, to accomplish whatever good he desired, and this in compliance with natural laws. By the original transgression, in Eden, the corrupted spirit, in man, which became corrupted by forced desire directed in wrong channels of thought, became manifest in Adams offspring, through the law of genetics, or through procreation. Adam could only pass on that what he himself had and that was his spirit, which had become corrupted, and therefore, all of us are alienated from God, the Father, the source of all power. All of us are

dying, on account of the spirit, within.

Man, At The Beginning Lost The Ability To Think Outside Of The Box

Man, instantly, changed consciousness from a consciousness of abundance of good to a consciousness of lack and limitations. Mans ability changed, from thinking outside of the box, to thinking inside of the box. This box can be understood to mean mans environment or his sphere of understanding. All of us are affected by this limited way of thinking, leading to error, weakness, sickness and finally death.

Thinking Outside Of The Box Requires Spiritual Insight

However, there are schools of thoughts that advocate, to be thinking outside of the box. Here we need to consider the essence of the matter. To think outside of the box requires more than mere desire to expand your thinking in a superficial way. It requires spiritual insight into the workings of God and of the universe. It requires compliance with physical, mental, moral, spiritual and natural laws.

We, Time And Again, Gravitate To Think Inside Of The Box

What we have seen, in the wider context of this discussion is that there is desire to think outside of the box, but, because of our inherent lack mentality, we gravitate time and again to think in terms of the here and now, the visible and physical realities of life. This shows that we are focusing on the limitations, which are manifest in the physical, in all our lives. What then is the case? Are we eternally flawed and condemned to live our pitiful life, with all the pain and sufferings, which it brings about? Is there another way, which is requiring our most serious attention?

We Are About To Be Set Free From Our Limited Way Of Thinking

Indeed, we are about to be set free from the limiting thoughts and thinking, which has brought about so much pain and suffering to mankind. We are about to be enlightened, to see the bigger picture, which will enable us to reach out to powers of understanding never before realized, or attained. We have the prospect to become super humans in our abilities to shape our future and the future of mankind, as a whole. This aspect of our lives will, of course, be with God's blessings, through Jesus

Christ, our Lord.

Understanding Oneness Of Thought Can Affect Destiny

Let us go back to the beginning of man, to the time of the original transgression in the Garden of Eden. Adam could have affected the destiny of mankind in a positive way, by realizing his oneness with God, the Father. He could have rejected to think inside the box, when being fully aware that he had the ability to think outside of the box. He transgressed against the arrangement of God, based on forced desire and his failure to exercise faith. Adam entered the age of limited thinkers, willingly, with all the bad that is associated with this way.

Man Changed Consciousness From An Abundance Of Good To Lack And Limitations

Adam changed consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation, with resulting sickness, anxiety, fear, ageing and finally death. This changed consciousness resulted in his inability to think outside of the box. We now realize the demise that was brought about by Adams original transgression and sin. All of us have inherited this lack

mentality and that is what must change. If we want to have a share in the future blessings of mankind, then all of us need to learn to think outside of the box.

Adam Had Changed Consciousness When He Realized That He was Naked

Let us consider the facts. How do we know that Adam's sin has brought about a changed consciousness from a consciousness of super abundance of good to a consciousness of lack and limitation, with sickness and finally death? Well, remember that after eating of the tree of the knowledge of good and bad, Adam became instantly conscious that he was naked. When God called on him, during the breezy part of the day, Adam did not answer and when questioned later by God, Adam said: 'I am ashamed, because I am naked. Then God said to Adam; who told you that you are naked? Have you eaten from the tree of which I told you not to eat?' So, here we have the first account of Adams lack mentality, when he covered his loins, because he realized that he was naked.

We Lost Unimpeded Access To The Source Of All Power

Therefore, it was not God who put Adam to death, no; it was Adam who caused his own death when he partook of something to which the prospect of death was attached. Therefore, all of us are dying, because the spirit, which has been given to us, through Adam, by an act of transference or procreation, is corrupted and that corruption is in all of us; it is transferred to us by the Law of Genetics. From that day on, we lost unimpeded access to the source of all power, which is God, the Father, and we became subject to live a life of lack and limitation, leading finally to death.

Access To God Has Been Blocked By Changed Consciousness

This also led to our inability to think outside of the box. Here the box can be understood to be our sphere of physical, mental and spiritual operation. Therefore, to think outside of the box, we need to have access to the power of God, which includes the power of love, justice and wisdom. This access has been blocked out by our changed consciousness and we became obsessed with the physical, the seen manifestations of our world. The spiritual world, so to speak, was cut off from our environment on the basis of our lack mentality.

With Man Everything Is Forever

Changing, But With God, There Is Not A Variation Of The Turning Of The Shadows

Here, on earth, we have explored every conceivable aspect of the material world and we indeed have made amazing inroads into understanding matter, the physical creation, be it the animate or inanimate creations. But the things, that are the more important realities of life, these are not the physical realities but the spiritual realities. The physical realities are forever changing and there is no constancy. But with God, as stated in the greatest book ever written, there is not a variation of the turning of the shadows.

The Desire Of Thinking Man Must Be For The Things Not Seen

Therefore, the desire of thinking man must be for the things not seen, which are the spiritual realities of life. We need to learn to think outside of the box. Are we here to conclude that we are doomed into bondage to the limitation of the box, in which we find ourselves, to finally face annihilation, because we have remained unfit for purpose? It is good to remember that we have been made aware that there is a way out, but not all of us have reached out to this new way. As a result of this inability

to think outside of the box we suffer lack and limitations, which brings to us fear, sickness, violence, uncertainty, insecurities and finally death.

We Are On The Brink Of Unprecedented Growth

What are we to say; is man condemned to futility; not at all, we are on the brink of unprecedented growth and prosperity on the basis of change, which we will want to embrace, if we desire to have any share in the abundance of good, which is to come upon humanity as a whole. Outside of the box there is abundance and the invitation has gone out; come and take your share and live a life of abundance until there is no more want.

The Realities, Outside Of The Box, Are The Spiritual Realities Of Life

The realities, which are outside of the box, are the spiritual realities, which are perfect, dependable and constant. These realities have their origin in God, the Great Spirit, who loves us, and who cares. This we know, because with God there is omnipotence, omniscience and omnipresence and his cardinal qualities are love, justice wisdom and power. The greatest of these qualities is love. Indeed, love is the constitution of the

incoming Kingdom of God and it is this quality of love, which needs to be cultivated by man.

God Provided For The Way Out, By Means Of The Law Of Compensation

This requires, ability to think outside of the box, where there is perfection, unlimited possibilities, with constancy and love. Therefore, God provided the way out by means of the Law of Compensation and the Law of Love. This comes to us by an exchange, of the bad for the good, which will bring unprecedented growth and prosperity to mankind.

The Right To Everlasting Life Is Rooted In Universal Law Of Exchange

This comes to us by means of faith, faith in the ransom sacrifice of God's only begotten Son, Jesus Christ, who laid down his righteous life, everlasting life, in sacrifice, in order that everyone that exercises faith in him, or in his sacrifice, shall have everlasting life. This right to everlasting life is rooted in universal law, the Law of exchange, and the Law of Compensation. A righteous

life, lost, as in the case of Adams life, which needs to be compensated by means of a righteous life that is gained, as in the case of Jesus Christ's. This must be so, because a righteous life sacrificed has attached to it the right to eternal life and this right to eternal life cannot be lost when it has been sacrificed. You are invited to be, a suitable and acceptable, claimant for this eternal life.

The Righteous Life From God Is Now Available By Means Of Jesus

God, through Jesus Christ, has provided this righteous sacrifice, which is by means of Jesus Christ. This righteous life is now available, to be given to anyone of Adams offspring, on the basis of faith. By thinking outside of the box, you perceive the righteousness and justice of this arrangement, which is leading you to cultivate a strong desire to obtain the benefit of that righteous sacrifice, on the basis of faith.

Christ Jesus Died For You, And Therefore, You also Willingly Die

This faith speaks this way; Christ Jesus died for you, and therefore, you willingly die at the time of your baptism, dying in the likeness of Jesus Christ's death. He died with reference to sin, the sins of the world of mankind, a

righteous one for many unrighteousness ones. This means, that you, the one desiring to benefit from the ransom sacrifice of Jesus Christ, you willingly, in faith, die in the likeness of Christ's death by going under the baptismal water, whereby, you are considered, by God, as having died with reference to your own sins. Now, a person that has died is acquitted from all his sins, because he has died, and therefore, he or she has been declared free from sin. A sinless body has the God given right to everlasting life.

The Righteous Life Is Now Available Everyone On The Basis Of Faith

What is the case? You are now able to claim the right to eternal life that was sacrificed by Jesus Christ. Indeed, it is available to everyone who exercises faith in this sacrifice. Remember, at the time of your death, the spirit, which is from Adam, returns to God who gave it. Now, God steps in, at the time of your baptism, and gives you His Spirit, the Spirit of which was also in Jesus Christ. By this arrangement you are a new creation, you are the progeny of the Christ and the offspring of the Last Adam. As you come up from the baptismal water, God gives you righteousness, undeserved kindness and everlasting life. You have now received a changed consciousness, by means of which you have been freed

91

from the domination of a consciousness of lack and limitation, and you have received a consciousness of super abundance of good, with everlasting life in view. You are a new creation, born of water and Spirit, indeed.

By Spirit From God, You Receive The Circumcision Of The Heart

Because of the Spirit, which is from God, the Spirit of which was also in Jesus Christ, you receive the circumcision of the heart by Spirit. You are now clean and Holy, and God calls you Son, or Daughter, and you call God, Father. But the progenitor is none other than Jesus Christ, who has become to us the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God, according to the scriptural injunction of Isaiah chapter 9.

You Are Born Of Water And Spirit, A New Creation, Indeed

You are now born of water and Spirit, you are a new creation, and you shall enter into the Kingdom of God as a righteous one. Should that Day of God's Judgment arrive in your lifetime, then you will be privileged to enter into the Kingdom of God as a righteous one, never

to die at all. Should you die of old age, before that pivotal day, or you die of sickness, then you will receive a resurrection as a righteous one, ready to enter into the Kingdom of God, as a Son or a Daughter of God.

You Are Now Able To Think Outside Of The Box

You have been set free from lack and limitations and you are now able to think outside of the box, because you have a changed consciousness, and in addition, you have the power and the wisdom from God, the Father, to do the things pleasing in His sight and this to God's glory and praise forever and ever. Remember, you have the Spirit from God, which is Holy Spirit, the Spirit, within, which was also in the Christ. You are from God and you love God and neighbor as you love yourself, because God loved you first.

The Spirit Of God Gives You Unimpeded Access To The Father, God

You think in unlimited terms, and the Spirit of God, which was also in Jesus Christ, our Lord, gives to you unimpeded access to the Father, God. This in turn allows you to grow in wisdom and understanding of the

deep things of God. There can no longer be any limitation to our ability to affect our future. Sickness is a matter of the past and ageing is continuing without the fear of death. By our imagination, we are able to shape our future into something wonderful. We will be able to create super abundance of good with love and justice.

You Have Unlimited Power To Do The Good For Your Fellow Man

We have unlimited power to do the things, which are good, the things which are for the benefit of the greater whole. Each one of us will be able to create his own environment with love, health and wealth and all the good that can be had. By means of Spirit, which has been given to us by God, the Father, we are able to bring about any and all things into our lives and pollution and overcrowded cities are to be done away with, it will be a thing of the past, the changes of which, are by means of the Kingdom of God.

We Are Called Upon To Rally Around The Call Of God

Understanding the above, we are called upon to rally around the call of God; come and let us set matters straight. The time has come, and it is now, that every

one that cares reaches out to the things outside of the box, and thereby, becomes empowered to do the things pleasing in God's sight. Therefore, let us go up to the mountain of our God and worship him with Spirit and Truth. Spirit is Truth, and this Spirit is from God, the Spirit of which was also in Jesus Christ. By this Spirit, we will be able to have audience with God, the Almighty, to obtain the desires of our clean hearts, which brings about righteousness, goodness, faith, love and power and this to God's praise and glory, today and into all eternity, even forever.

Reach Out To The New Life Of Plenty

Reach out to the new life, of plenty, rejoice and be happy, because you have changed consciousness and you have received understanding of the deep things of God. Your subconscious mind has stored many undesirable things, within, over many years of your life when you walked in ignorance of the splendor, which is now yours. You have the need to prevent the undesirable things stored in the subconscious domain of our mind, from surfacing and causing disturbances in your mind and heart. For this reason, you are encouraged to consider the affirmative's, which, when practiced and repeated often, will push undesirable thought forms deep into the subconscious domain of your mind, where they are no

longer to cause disturbances.

Perfect Affirmations To Be Read Often

You are to go through the affirmative's given below and retain them to memory by repeated use, and thereby, they will create the needed perfect self-expressions. These perfect self-expressions, together with wealth, health and love will become to you the perfect square of life, which will lead to perfect happiness.

Affirmations:

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am whole.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am perfect.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am strong.

By spirit, which is from God, the Spirit of which was also in Jesus Christ, I am powerful.

By Spirit, which is from God, which Spirit was also in Jesus Christ, I am love.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am kind.

By Spirit, which is from God, which Spirit was also in Jesus Christ, I am in harmony with God.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am righteous.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am joyful.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am happy.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am peaceable.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am healthy.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am wealthy.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am grateful.

By Spirit, which is from God, the Spirit of which was

also in Jesus Christ, I am born of Water and Spirit.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am a new creation.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am the progeny of the Christ.

The Spirit, which is from God, the Spirit of which was also in Jesus Christ, circumcises me, in the heart.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am clean.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am Holy.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am a Son, or a Daughter, of God.

By Spirit, which is from God, the Spirit of which was also in Jesus Christ, I am conscious of super abundance of good.

You Are Very Desirable In The
Sight Of God

You have complied with entry requirements into the

Kingdom of God and you are very desirable in the sight of God. Whatsoever you desire, and whatever you ask of God, this you shall also have and this at the time of asking and it will be given to you. You have become an empowered thinker and you are an encouragement to many. You will be happy and you are able to help many who come to you and ask of you a reason for your faith. You are able to help these to come to an accurate knowledge of truth, because Spirit is Truth and this Spirit you have received as a gift from God, on the basis of your faith.

You are an inspirational thinker and you love God and neighbor as you love yourself. No man is going to teach you about God, saying, know God; because God is your teacher and instructor and He will finish your training and He will lead you to fountains of water of life. May you be blessed to become fully mature in Christian living and reach out to take possession of abundance of good and this to Gods praise and glory? This you do in the name of Jesus Christ, our Lord, King, High priest and Leader into all eternity, even forever. You are the progeny of the Christ, the Son or Daughter of God.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 4

Mayhem and Distress

Humanity Is On The Move And Their Destiny Is Fear

Humanity is on the move and their destiny is fear and anxiety. A strong statement, indeed, however, we would be in denial if we would paint a picture of peace and security. Here we want to consider the reality on the ground. We are facing the turbulent and foaming elements of the angry sea of humanity, as they are taking steps to imprint a seal of stability on a worsening global situation. This world, which we have created, is based on a lack mentality, and therefore, whatever is accomplished by means of the so-called good, or the bad, is rooted in ignorance.

There Are Many Who Voice Their Concerns; and We Need to Pay Attention

We find ourselves coming through a serious global financial crisis and now we are facing a humanitarian crisis, as well as a religious crisis. We are interconnected by education, the Internet, the food industry, the clothing industry and by the way we govern ourselves. We see people from middle-eastern countries and from African nations, making their way to Europe in search of a better life. We see that these people bring with them

their culture and their religions, which will lead to disharmony in our way of life. There are many who voice their concern and we would do well to pay attention to the problems, which we have created for ourselves.

To Have Unity Among Nations We Need Unity Of Thought

We have to remember that there is nothing new under the sun. If we think that we can create the good life, for ourselves, being inclined to extend the good life globally, then it is time to think again. To have unity among the nations, we need to have unity of thought. It will be impossible to strive for a united humanity without understanding Spirit. If we are from Spirit, then we must also be from Source, and that Spirit must be in harmony with Universal Mind, or with God. Here, it will be good to consider a universal truism, which means that Spirit, which is from Universal Mind, or from God, cannot exist divided, because all spirit is one Spirit with God's Spirit.

To Be United In Spirit We Have To Be In Harmony With God

If we are to be united by Spirit, being united with God's

Spirit, then our belief system must be in harmony with Universal Mind, or God. Here we are facing a serious barrier to unity among the differing population groups. There are over 2000 differing Christian religious teachings, in addition to the other mainstream religious teachings such as Muslim, Shinto, Buddhist and Jewish teachings, just to mention a few. How can we ever be united, when there is such division in belief among the population groups? Do we not know, that our belief system is consciousness to us, and consciousness drives the man? That is why, we have not, and we will no, achieve unity among mankind? Where there is division of consciousness, there can be no unity of thought.

The Political Leaders Selling The Nations Into Ignorance And Fear

What the politicians are doing is miss-using their power and acting in ignorance; thereby, they are selling the nations into inevitable mayhem and anarchy. Is this too strong a statement to make? Not at all, this is a statement that will always play out according to the power, within. That power, within, is motivated in compliance with the consciousness of man, according to man's belief system. A divided belief system is the ultimate receipt for conflict. That is also the reason, why, the greatest book ever written, indicates in prophetic terms what shall shortly take place, at the time of what is called, the conclusion of

this system of Things.

We Need To Look Into The Things That Must Take Place, To Bring About Change

Let us read the account in the book of Daniel: where we are invited to look into the things that must shortly take place. These changes are in connection with the incoming Kingdom of God, with Christ as King, ruling over resurrected mankind. Let us explore this account, which is found in the book of Daniel Chapter 2:29 to 2:49. There, King Nebuchadnezzar, of Babylon, had a dream, which had to be revealed and its interpretation be given to the King. Daniel was a Jewish captive in Babylon and he was grouped together with the wise men of Babylon, which were serving Nebuchadnezzar in a spiritual capacity. However, none of the wise men in Babylon could comply with the request of the King, only Daniel was able to receive the revelation and its interpretation from his God, the Almighty.

The Dream Of Nebuchadnezzar Has Meaning For Us Today

Daniel goes on to relate that the dream was about an immense image, constructed of varying metals. The

head, of which, was pure gold, the breast was of silver, the torso or the belly was of copper and the hips and the legs of the image were constructed of iron. Then Daniel explains that the feet and the toes of the image were constructed of molded clay and iron. He relates that iron and clay do not mix, and therefore, the feet of the image were identified as the weakest part of the immense image. The King was impressed with Daniel's interpretation.

Daniel Explains The Dream Of The King, Nebuchadnezzar

Thereafter, Daniel explained the dream image and he gave meaning to the various metals. Daniel said: the head of gold stands for Nebuchadnezzar and his Kingship, this was to be followed by a new leader representing a weaker metal, that of silver, which is identified as the succeeding kingdom that would follow after King Nebuchadnezzar's reign. The belly of copper was weaker than the breastplate of silver and that metal stood for the next succeeding Kingdom, which would follow. Finally, Daniel arrived at the legs of the immense image, which were constructed of iron and that would prove to be the strongest part of the image. However, the feet and the toes of the image are the weakest portion of the immense image and that would prove to be the part that would lead finally to the collapse, pulverization and

to the total destruction of the entire image.

We Are Encouraged To Take Note Of The Stone That Was Not Cut Out By Hands

Finally the revelation of the dream concluded in the explanation from Daniel, saying: A stone was cut out of the mountain. Here the mountain stands for the universal ruler ship of Infinite Spirit, or God. It goes on to relate that a stone was cut out, not by hand, and that stone was hurled toward the image of gold, silver, copper, iron and molded iron and clay. The stone struck the image at its feet, and the entire image was destroyed and pulverized and the dust of it was blown away so that no trace of it could ever be found. After the interpretation, which was given by Daniel, to Nebuchadnezzar, Daniel was made second ruler to Nebuchadnezzar in the Kingdom of the Chaldeans. Nebuchadnezzar ruled as King, followed by his son, and he ruled the kingdom until his overthrow by the kings of Media and Persia.

The Dream Of The King Is Played Out In Human Rule Of Today

What can we learn from this dream? This dream has its

parallel in the out-workings of human rule, until the time of the end. This is of great importance to all of us, who are living today. This is so, because we are living at the time of the end of this system of things and that would mean; we are living at the time of the proverbial feet and the toes of that immense dream image. That immense image is manifest in this time of the end, when we see part of the iron, which was also present in the Roman Empire, before it was succeeded by the last world power, the Anglo American world power of Bible prophesy. This world power has its weakness in mixing the iron hard elements of the Roman Empire with the weak clay like elements represented by the proletariat of mankind, which are manifest in democratic human rule of today. This is a great weakness indeed.

The Stone Is A Representation Of The Kingdom Of God

This is the time, where we will see the stone that crushed the immense image, which was cut out of God's proverbial mountain of his sovereignty. The stone that was cut out of the mountain of God's sovereignty is none other than the Kingdom of God. This proverbial Kingdom of God is being hurled, by God, toward the weakest part of the remaining immense image, which are the feet and the toes, made from iron and molded clay. These clay like proletarians are seen everywhere in this

world and these are the elements of weakness, which will cause the catastrophic collapse of the global structure of human rule as represented by this immense image. The stone, which was cut out of the mountain of God's sovereignty, is none other than the Kingdom of God, which will be hurled toward the weakest part of modern day human rule. This is the proverbial stone that is thrown, pictorially speaking, by God, or Universal Mind, toward the immense system of human rule; it will destroy the entire structure of man made institutions. This is the ruling arrangement of today, which includes the Anglo American World Power, which will face destruction at the hand of God, using the agency of Jesus Christ and his Kingdom. This Kingdom of God is the proverbial stone that is cut out of God's Mountain like universal sovereignty.

*We Are In The Last Days, Of A
System of Human Rule; That Is
On Its Way Out*

Therefore, there is no doubt that we are in the last days of a global system that is on its way out. This system, as we have come to know, is to be replaced with a new system of governance, which is the Kingdom of God. What we see, playing out before our very eyes is nothing more than the human manifestation of weakness, which is manifest by means of the masses of semi educated and

109

ignorant humanity. The mass migration that is being viewed by many with concern is part of the weakness, which is manifest in human society that must lead to the inevitable collapse of man-made rule. The destruction of all governmental organization is at hand.

We Do Well To Pay Attention To The Written Word Of God

What are we to say? Are we to see these events unfolding before our very eyes, coming upon us all at this time? Indeed, this is the time of great importance and we do well to pay attention to the time and season of global discontent. We need to have the faith that can preserve alive its owner. The "One Power Consciousness" books are the faith builders, which we all need, in order to stand firm on the side of the incoming power, which is God's Kingdom. This Kingdom has Jesus Christ as King, to rule over the earth of surviving mankind and over resurrected mankind, to finally bring remaining man to perfection over a 1000year period of Kingdom Rule, which is designed to bring about an abundance of peace, poise, love and goodwill.

Pay Attention To The Eights King That Springs From The Seventh

What can we expect, as we continue to pay attention to God's Word, the Bible? We need to understand that the Anglo American World Power holds sway on the world scene until its destruction, by God's Kingdom. There will be no other human ruler ship or organization that will take the place, or succeed, the Anglo American world power. However, there is another world power that sprang from the Angle American world power and that is identified in the book of revelation as an eighth king, ruling, but not with the power of a king. This eighth king is identified as the United Nation Organization, which plays the role of an eighth King, but not with the power of an eighth king. The United Nation Organization has its origin, which is from the seventh King of biblical world rulers. That seventh king is the Angle America World Power. The United Nation Organization is also identified as being the image of the Wild Beast of Revelation.

*We Are Collectively Moving Ever
Closer Toward The Final
Destruction Of Man Made Rule*

According to the written Word of God, the Bible, the nations of the world are moving ever closer to the foretold times of trouble, as we collectively move toward the event of final destruction of Human rule that is in opposition to God rule. The human proletariat is to play

an important part in the decline and corruption of human rule. What we see, manifesting before our very eyes is the mingling and mixing of all sorts of differing religious persuasions in the structures of human rule. However, this may not bode well for the governments who are in control.

The Image Of Nebuchadnezzar's Dream Will Not Survive The Impact Of The Proverbial Stone

We want to remember, that the proletariat in Daniels prophecy, is the weakest link in the iron hard elements of the Roman established human rule. That weak link manifests at the time of the end, as it is manifest in the immense image of Nebuchadnezzar's dream, symbolized by the feet and toes of that immense image. These feet and toes are made up of iron and molded clay, a fragile mixture of metal and clay that will not survive the impact of that proverbial stone that is cut out of the mountain of God's Sovereignty.

Religion Will Be An Unbearable Burden For The Rulers Of The Day

In the near future, we will find that human rule will be put under severe pressure by the proletariat and the

religious elements of society will become a heavy burden, an unbearable load, for governments to carry. Continued functioning of human society, for the benefit of all, will become impossible. Mayhem and anarchy will be the power of the proletariat and that will make human rule very difficult, indeed. Under the leadership of the United Nations Organization, which is the eighth king of Bible prophesy, and with the support of the seventh king, which is the last world power, of Bible prophesy, which has been identified as the Anglo American world power, the religious Harlot of Revelation is revealed. According to the record found in the Bible, this harlot is riding the seven-headed scarlet colored wild beast of Revelation.

The Wild Beast Of Revelation Is A Reflection of all the Seven World Powers Of Bible Prophecy

The scarlet colored wild beast is the combine of all the elements of the seven preceding world powers, of Bible prophesy, as seen in the present Anglo American World Power. In graphic detail, the Bible describes the harlot sitting on a seven-headed wild beast and she is apparently drunk with the wine of her fornication. Now is not the time to explore the action of this Harlot, however, what is certain is that her time of control of the nations is about to be permanently terminated.

Who Is The Great Harlot That Is Riding The Wild Beast

Who is this great Harlot that is riding the seven-headed political wild beast? Well, it cannot be the political elements of this world. Nor can she be the prototype of the commercial elements of this world. It must be a religious harlot that has committed spiritual fornication with the Kings of the earth, from time immemorial. Indeed, this is her identity, because religion has been the prominent part of her activities throughout human history until now. She is indeed guilty of religious fornications with all the Kings of the earth.

Babylon The Great, The Harlot, Will Be Destroyed Within One Hour

The particular details of her shameful conduct will not be discussed in this book. However, the record in the Bible indicates that her demise will be sudden, as within one prophetic hour, the demise is to come upon this religious harlot and she will be completely destroyed. This indication of a short time, which is indicative that her fall will be sudden and humanity as a whole will be in shock. When the political elements proceed with the attack on the religious harlot, people of faith will find

that they have been vindicated. People of faith will enjoy the protection of Universal Mind, or God and they expect to go through this time of trouble unscathed and happy.

*We Do Not Become Subject To Fear,
Rather We Want To Have The
Faith That Preserves Alive*

We are now very close to this event. Here we want to be reasonable in our assumptions. We do not want to create fear in the minds and hearts of people of true faith. Fear is a destructive emotion and such fear has no place in our thoughts and actions. To the contrary, we believe that the "One Power Consciousness" books have been proven to be an excellent faith builder. People who have enjoyed reading these motivational books and articles are in a good place to display the faith that can preserve alive its owner.

*These Book Have The Power To
Transform Lives, Giving Faith*

Indeed, the writings of these books are a source of enlightenment and knowledge that has the power to transform lives. Now is the time to straighten ones back and display that life giving faith? It is at this time period

that we may be required to show that kind of faith and stand firm to see the changes coming upon the inhabited earth. The governments will, under the leadership of the Anglo American World Power and with the help of the United Nation Organization, come up with outrageous plans to gain control over the agitated national groups. As humanity enters the time of the Great Tribulation, which is to come upon us all, there will be mayhem and anarchy everywhere.

Being In A Position Of Power Will Prove To Be No Safeguard

A position of power will be no safeguard during this time of trouble. What is needed for those in high station of life is a clearly defined understanding of destiny. We need to have an abundance of peace and poise with love and goodwill to see us through the great time of trouble. This peace and poise will be ours if we have become conscious of the fact that we belong to the King of Kings, Jesus Christ. This means that we must have changed consciousness, which has been changed from a consciousness of lack and limitation to a consciousness of super abundance of what is good. This new consciousness is a belief in one power, which is God and good, with super abundance of good. We need to be in possession of Life Consciousness.

Now Is The Time For Unwavering Faith

Previous books of the "One Power Consciousness" series have prepared you well to find yourself in the right spiritual place of safety and security. Now is not the time to ask questions of; where I am going and where will I find myself to be? Now is the time of unwavering faith. Let us rejoice and be overjoyed in our understanding that we have truth. Truth can only be reliable if it comes to us by means of Spirit, because Spirit is truth.

We Want To Display Peace, Poise, Love And Goodwill

At the time of the Great Tribulation, we want to be ready to have peace to enter into our inner chamber and obtain salvation at the hand of Universal Mind, or God. There is no salvation by means of the political beast, or the Anglo American World Power? We want to remember that the greatest book ever written, the Bible, in the book of Revelation, states that the Anglo American World Power is in fact a false prophet. It will mislead nations and the whole world of mankind.

You Are Encouraged To Cultivate

A Changed Consciousness Of One Power, God and Good

We want to remember that these writings are not designed to instill a morbid fear into the heart and mind of individuals. In fact, by the reading of the previous books, published by the Thought Revolution Publishers, under the subject heading of ‘One Power Consciousness’, you are certain that you have become individuals of strong faith. You are encouraged to change consciousness, from a consciousness of lack and limitation, which is based on a belief in two powers, of God and Evil, to a belief in one power, which is God and good with a consciousness of super abundance of good.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 5

The Wild Beast And Its Image

Now Is The Time To Contemplate All The Facts Leading To Survival

We are living at a time of great importance, at a time of lasting change. The turbulent sea of humanity is foaming up anger and restlessness. Individuals are concerned of what may yet lie ahead, in the near future. We are encouraged, to understand that these writings are for our upliftment, to prepare us for the necessary changes that must come upon us all. Now is not the time to debate the purpose of mans existence. Nor do we want to enter into a debate discussing the evolution theory. Now is the time for sober contemplation of all the facts, leading to our survival through the coming time of trouble, now so close at hand?

The Bible Book Of Daniel Teaches Us As To What Must Shortly Take Place

We have learned about the prophecy contained in the book of Daniel, Chapter 2. There is a prophetic fulfillment of prophecy that is taking place, which is playing out in our time. We have considered the stone that was cut out of the mountain of God's Sovereignty, not by hands, and that stone is being hurled toward Nebuchadnezzar dream image and it will strike that

image at the weakest part, being the feet, and pulverize it. Thereafter, that same proverbial stone will grow and fill the whole earth. Indeed, this stone is none other than the Kingdom of God, that was promised to come, and we are witnessing its debut.

You Are Invited To Be A Survivor Of The Coming Destruction

That Kingdom of God, with Christ as King, will grow, after the destruction of the immense political image of Daniels prophesy; it will grow into a global kingdom, and that ruler ship is of the makings of Universal Mind, or God. You are invited to be a survivor of the coming destruction of the present dispensation of human ruler ship. You are invited, to have a part in the Kingdom of God, and enjoy peace, poise, love and goodwill, now and even forever. Therefore, you need to have the knowledge, the understanding and the faith that can preserve alive its owner.

We Have To Change Consciousness To Be Saved

We have learned that the last world power, making its debut on the world scene, according to Bible prophecy and chronology, which is the Anglo American World

Power. This world power is going to be destroyed by the Kingdom of God, with Christ as King. These are big events and in order for us to be prepared, to face these events, without fear, we need to have strong and unwavering faith. We have to change consciousness, because changed consciousness is changed belief, and belief, which is backed up by Spirit, is truth. These articles are produced by the Thought Revolution Publishers delivering the necessary tools, which we need, to prepare us for a happy future of peace, poise, love and goodwill, with health, wealth and everlasting life.

For People Of Faith There Is Only The 'Now' That Counts

We are progressing along the path of revealed truth, which makes us happy. We know that we are living in the 'now' and for people of faith, there is only the 'now' that counts. The future is ours for the taking; it is not of our concern at this time. What we need to understand, more fully, is the role that the 'Wild Beast' of Revelation is designed to play in the near future. We want to know what to expect and how we may safeguard our loved ones and ourselves, from the things that must take place, in the not so distant future.

Fear Is Inverted Faith, It Cannot

Deliver The Good

Now is not the time to fear the things that must take place. Fear is a negative emotion and underwrites a lack of faith. In fact, we can state, with a measure of certainty, that fear is faith turned upside down; fear is inverted faith. Fear will always bring the product of fear to its owner. The more you fear, the more you have to fear, and thereby, you become the sole responsible person that will be subjected to such fear. Fear has no place in the heart and mind of the man of faith. Fear is death dealing, but faith, in God and good, is life giving.

The Wild Beast Of Revelation Is For The End Game

The manifestation of the ‘Wild Beast’ of Revelation is reserved for the end game. If the end is far away, as some may suggest, then there will be little or no interest in its activities, it might not affect us in any way, as of now. This is so, because human existence is limited to the duration of mans life span. Should we die before that great event comes upon the inhabited earth, then we will be subject to the out-workings of God’s Kingdom; we can expect a resurrection, as a righteous or as an unrighteous one. We will have to die in order to be acquitted of our sins, and thereafter, to enter into the Kingdom of God during the resurrection of the

124

righteous, or of the unrighteous.

The Love Of God Is Manifest In The Coming Of The Righteous Seed

The resurrection of the righteous and the unrighteous is a fact. There is no purpose for the ransom sacrifice of the righteous life of Jesus Christ and the coming of the promised Kingdom of God, if there is no resurrection. All mankind, from the very beginning until now have been subjected to sin and death, which has been inherited from our forefather, Adam. Humanity collectively is a victim of the inherited sin from Adam, and as such, we are all subject to the mercy and undeserved kindness of Universal Mind, or God. Love of God is manifest in the coming of the righteous seed, which became manifest in the life of Jesus Christ, for the benefit of the resurrection of the righteous and the unrighteous.

The Unrighteous Are Those Who Have Not Come To Know God

The 'righteous', who is declared to be such, by God, these are those who have lived a life of righteousness and then they died. These will have a resurrection as

righteous ones into the Kingdom of God, with Christ as King. Here we want to remember that the Christ rules, as a Spirit person, from his heavenly abode. The unrighteous are those who have not come to be known by God, before Christ's Kingdom rule, which may be due to circumstances beyond their control. These also died and they are also subject to the undeserved kindness of God, and they will be resurrected into the Kingdom of God, to grow to physical and spiritual perfection. Both the righteous and the unrighteous will be in need of the healing and restoring power of Christ's Kingship. They are to be brought to physical and spiritual perfection, as humans, living upon a restored paradisiac earth. This process will take place during the 1000year Kingdom rule of Jesus Christ.

For Some There Will Be The Opportunity To Enter Alive Into The Kingdom Of God

However, there will be many persons who will be living, at the time of the cataclysmic events, coming upon the inhabited earth. It may be you or I and for us there will be given the opportunity to enter into the Kingdom of God, alive, without the need to literally die. This means, that persons now living may never die at all. This is so, because we have the opportunity to enter into the Kingdom on the basis of our faith. Here, we come to

126

understand that our faith must be able to preserve alive its owner. This is possible through our scriptural baptism, on the basis of faith, where we change consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good, having received Life Consciousness. We will have become conscious of one power, which is the power of God and good.

The Wild Beast Is The Seventh World Power Of Bible Prophecy

Having established the necessary requirements for our survival into the promised Kingdom of God, we need to consider what comes next, as the drama of the time of the end unfolds. The great tribulation that will come upon mankind, as a whole, is the troublesome time of the end game. The ‘Wild Beast’ of Revelation has been identified as being the seventh world Power of Bible prophecy. This ‘Wild Beast’ is also identified as the false prophet that will mislead all the nations of the world. We have also learned that through the ‘Seventh World Power’ the eighth King is empowered and makes its debut.

The Eighth King Has No Kingdom It Receives Power From All The

Kingdoms

The eighth King has no Kingdom over which to rule and so it receives its power from all the Kings of the earth, and they give it power for a very short period of time. That time, of the ‘Eighth King’, is to come shortly to an end, which is after the events of the great tribulation. The sole purpose of the ‘Eighth King’ is to receive its power, for a short while, indeed, and that power is to come from all the governments and kingdoms of the earth.

The Seventh King Is The Anglo American World Power

The seventh king of Bible prophecy is the Anglo American World Power, and together with the eighth King, which is the ‘United Nation Organization’, they will be instrumental in bringing about the Great Tribulation. Together, these two Kings will bring about the demise upon the religious Harlot, which is sitting on the scarlet colored ‘Wild Beast’, controlling its activities. The problems, which the nations will be facing, will grow exponentially to the point of realization that mankind can no longer be supported by the three pillars of ruler ship, which have supported human rule from the beginning, until now.

The Religious Pillar Of Support Is To Be Removed By The United Nation Organization

With the help of the ‘United Nation Organization’ the religious pillar of support is to be removed, forever. The difficulties on the ground, as a result of this forced removal of the religious pillar, are so severe that control of humanity can no longer be assured with the operation of thousands of disunited religious persuasions. Religion has become an intolerable force in opposition to the so-called successful human rule. This difficulty, leads to the combined action of all the governments of the earth, to destroy all of the religious structures and organizations of the earth.

At The end Only Two Pillars OF Governmental Support Remain

The seventh King, the ‘Anglo American World Power’ and the eighth King, the ‘United Nation Organization’ desires to retain power and that will lead to the unprecedented upheaval in human society, with unimaginable mayhem and anarchy. This will take place during a short period of time, and the end result will be a calm that will allow the nations to reorganize human society with a different future in mind. That future ruler

ship no longer has the support of the three pillars of human rule, which are the pillars of Politics, Commerce and Religion, but only two pillars remain to provide stability in human affairs, which are the pillars of politics and commerce.

Now Is The Time To Support The Incoming Kingdom Of God

Now, this is the time to take courageous action in support of the incoming Kingdom of God, with Jesus Christ as King. We have the need to think deeply about what is coming upon the inhabited earth. We have to meditate, and consider the consequences of our failure to act upon revealed truth. The changes we have considered are deemed necessary in order to bring about a human society that is in compliance with universal principles and laws, which are in harmony with Universal Mind, or God.

The United Nation Organization Have One Aim, To Make Human Rule Work For Themselves

We must not underestimate the power of the 'Wild Beast' and the Power of the 'United Nation Organization'. They have no spiritual understanding of

the deep things of God. They have their eyes fixed on the physical realities of human life on earth; they have only one desire, and that is, to make human rule work for themselves. They do not believe in Universal Mind as a universal power. They only believe in two powers, good and bad. The power of God has been removed from their conscience, through the destruction of all religious institutions.

We Need To Be Set Free From Lack And Limitations

We understand that insight, knowledge and wisdom are the prerequisites for human beings. We need to become separated from a consciousness of lack and limitations of human life and we need to understand that we are from Universal Mind, from Infinite Spirit; and we need to change, if we want to have a share in the out-working of Universal Mind, or God and His Kingdom.

Without Changed Consciousness We Will Not Be Able To Survive

Without changed consciousness, or changed belief, which is based on the Spirit, within, we will not be able to survive the cataclysmic events coming upon the inhabited earth. We need to become conscious of being,

and having become, a new creation, being born of water and Spirit, and thereby, we have become conscious of one power, which is the power of God and good. We have to learn to have godlike thoughts and to understand why humanity, as we see it today, is unfit for purpose, and therefore, we need to change. Read this book often, and thereafter, you will be able to grow new brain cells with which to understand the things that are written about in this book.

Become Blessed With The Spirit From God That Was Also In Christ

Become blessed with insight, understanding and receive the wisdom of God, as you apply yourself to the changes at hand and become a new creation, born of water and Spirit, according to God's will and purposes.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 6

Religion, No More

We Are Entering The End Game Of This System Of Things

We are entering the end Game, which is the game of life that brings to you success, happiness, love and eternal life. We have come to understand that the human drama plays out according to the way of Universal Mind, or God. We have seen that to man, his way does not belong. Now, the nations have experienced the destruction of the entire religious system. What we have learned is that the gods of this world have proven to be powerless to prevent the destruction and devastation of all religions and their institutions.

This is the end game of this system of things, made up of the governments of this world and the masses of humanity. This will include the remaining two pillars in support of human rule. Are we to conclude that this event can be avoided, most certainly not? What must take place is the removal of man-made rule, as represented by the remaining two pillars in support of human rule. The rule, in support of two powers, of good and bad, is coming to its deserved end. What shall remain is one power consciousness. Man has to know and acknowledge that there is only One Power, which is God and good.

With God, Bad Is Nothing More Than An Illusion

With Universal Mind, there is only the concept of good. Bad is nothing more than an illusion. Persons who gave the concept of bad a home, in their belief system, in their consciousness, they have no future and they will not survive. They have given evidence, throughout mans existence, until now that good is bad and bad is good. They are unfit for purpose, their thinking is flawed, and as a result of this, they shall not enter into the Kingdom of God, with Christ as King.

We Have Created A Society That Reasons On Everything

We have created a society that reasons on every possible thing, they are lacking in faith. Their trust is in this system of things, which is based on a lack mentality; they believe only in perceived scientific evidence, but with Universal Mind there is only success. This must be so, because Universal Mind operates on the Plane of the Absolute, which is the spiritual plane, the God Plane, of existence. What people of the nations have not come to realize, is the fact that we are from Universal Mind, we are from God, made in God's image and likeness, and as such, we are to operate within the same value system as

that, which is with Universal Mind, or God.

Do Not Resist Bad, Because Bad Is An Illusion

We have progressed to the point of no return, as to badness. The 'Law of Non-resistance' teaches us that we are not to resist bad, because bad is an illusion it is nothing, with reference to Universal Mind, or God; bad will fall away by its own weight. Mankind has reached saturation point, as to badness, and therefore, there is no longer any support for a system, which is based on a belief in lack and limitation. Bad has reached saturation point, and now, the destruction of all religions must take place. For that reason, the ruling authorities no longer rule with the permission of God. The religious harlot of Revelation is about to be destroyed, she will be gone forever and she can never rise up again.

The Better System Of Rule Is Based On The Kingdom Of God

Universal Mind, or God, has something better, which can be used to replace the rule, which is based on two powers, of good and bad. That 'better system' of rule comes to us by means of the Kingdom of God, with Jesus Christ as King. However, the remaining ruling

establishment, headed by the seventh King, of world ruler ship, which is known to us as the Anglo American World Power the proverbial Wild Beast, must give way to the incoming Kingdom of God.

There Is A Confrontation To Come, Between The Wild Beast And The Kingdom Of God

There is a direct confrontation that is to come, which is a confrontation between the Anglo American World Power and the Kingdom of God. The Kingdom of God is ruling in support of One Power, the power of God and good. The opposing human powers are based on the belief of an illusion of bad. To a man of faith, there should be no question as to ones loyalty and allegiance. However, the faith that can preserve alive its owner, is a faith that is rooted in a firm belief in universal principles, it cannot be corrupted by the remaining corrupted human powers.

Faith That Moves To Right Action Is The Faith That Has Its Power From God

The kind of faith that moves to righteous actions is the

faith that has the power from God; and that power is by means of the Law of Compensation. Previously published "One Power Consciousness" books have provided detailed information, which will lead to true faith that can preserve alive, its owner. That is the kind of faith we need, in order to make our stand against the machinations of this dying system of things.

There Is The Need For Reorganizing Humanity

Under the guidance of the 'United Nation Organization', the remaining humanity has the need for re-organization. Since the destruction of all religions, there is no longer the balancing force in the arrangement of human rule, which could be used to stabilize the masses of humanity. Something else has to replace that, which was lost. Human rule stands supreme and needs to be kept standing and functioning in the eyes of their human masters. The prophetic word indicates that under the dictate of the proverbial image of the 'Wild Beast', which is the United Nations Organization, a unifying mark is being considered to provide urgently need global stability. In the Greatest Book ever written, the Bible, this stabilizing element is pictured by the number 666, which is the identifying number of the 'Wild Beast', which is in opposition to God's Kingdom. This number is to be given to all, the small and the great,

and it is to be displayed on their hands, or on their foreheads. Anyone, who is not accepting the mark of the ‘Wild Beast’, is prevented from buying and selling anything. Such persons are excluded from the functioning human society, being considered to experience total isolation.

Giving All A Unifying Mark Is Called The Mark Of The Wild Beast

This marking of humanity is of paramount importance in controlling humanity and it is giving all a unifying identity, which is called the mark of the Beast. Anyone, who is not in possession of this identification mark, will not be employable and such a person will not be able to buy or sell anything. The final details of this unfolding drama will become known, at the final stage, on the road to the Kingdom of God.

Many, Who Profess To Be Christians, Will Accept The Mark Of The Wild Beast

What is important to us is the fact that there are indicators, which show that many who profess to be

Christians, will, under the pressure of the given situation, yield to the dictate of the 'Wild Beast' and accept the mark on their hands or on their foreheads. This mark will identify such persons as belonging to the 'Wild Beast'. They no longer belong to the Kingdom of God, with Jesus Christ as King; rather they belong to the 'Wild Beast' and its organization. The beastly organization will finally be removed by God's Kingdom, as being unfit for purpose. But this will take place not without a final battle.

*All, Who Comply With The
Demands Of The Seventh King,
Believe In Two Powers*

All those who comply with the demands of seventh King, the Anglo American World Power and the eighth king, they also will be identified with the image of the 'Wild Beast'; these continue to believe in two powers, of good and evil. Thereby, they will continue to create bad and they finally make a stand against the arrangement of God. Anyone that has not received the mark of the 'Wild Beast' will be subject to the fury of the King of the rising sun, the King of the east.

*The Final Aggression On Gods
People Amounts To Touching The*

Apple Of Gods Eye

When the attack on God's people occurs, there will come to be a final push to eliminate God's people, who are being considered to be the enemies of the 'Wild Beast'. That will prove to be the final aggression against the Kingdom of God, which will amount to touching the apple of God's eye and that will precipitate the final destruction of all the enemies of Gods Kingdom, on earth.

Armageddon, The War Of God The Almighty Leads To The Removal Of All Traces Of Human Rule

Now, this is the time of sober contemplation of all the factors leading to this inevitable demise and the removal of all traces of present day human rule. This is called the day of Armageddon, the war of God the almighty. We need to see ourselves as being blessed with insight and with the knowledge of the deep things of God. As such, we want to use the remaining time to our advantage and study the content of the Bible and acquire the faith that can preserve alive, its owner.

Gods People Will Inherit The

Kingdom OF God, On The Basis OF Their Faith

Those who are on God's side of the issue, these are the ones who will inherit the Kingdom of God. These are the privileged ones of mankind, who may never die at all. They will be subject to the rule of Jesus Christ, our King, and they will become subject to the healing of the nations. This healing of the nations will start with the survivors of the present system of things. These are the ones who have received of Gods Spirit, the Spirit of which was also in Jesus Christ. They are, in fact, the offspring of the Last Adam, the progeny of the Christ. Some of them will have the privilege to become human foundation stones in the Kingdom of God, which will be laid by Jesus Christ, as a foundation of a new human society, into all eternity.

Use The Time Remaining To Our Advantage And Reach Out To Be Born Of Water And Spirit

Let us use the time remaining to our advantage and acquire the faith the can preserve alive, its owner and rejoice to time indefinite, even forever. These are simple words designed to give understanding to the man of ordinary means, in order for you to be among those who

look forward to enter into the Kingdom of Gods making, on the basis of being born of water and Spirit. This is a new creation indeed. Blessed are the dead who die in the Lord, from now on.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 7

Remember The Wife
Of Lot

A Reflection

Some, who are inclined to read this article, may be in need of this timely reminder, to remember the wife of Lot. There are over 2 billion Christians who belong to the Christian faith and these are not the only ones in need of this reminder. Humanity, as a whole, needs to become one power conscious and get to know the One that loved us first. This one is Universal Mind, or God, who, while we were yet in darkness mentally and alienated from the light that belongs to the Life, gave His Only Begotten Son as a propitiatory ransom sacrifice for our sins. We, in turn, are encouraged to get to know God and learn to love God, His Christ and our neighbor as we love ourselves. This love must be firmly rooted in the belief of one power, which is the power of God and good. You cannot love God and believe in the power of good and in the power of evil.

Knowledge That Can Preserve Alive

Treasure this book and become the owner of the knowledge that can preserve alive its owner. Read this publication often and retain this information in your memory, as your own. Reach out to many of the other writings that are published by means of the 'One Power Consciousness' books, through the Thought Revolution

Publishers.

In the days of Lot there were calamitous days, which Lot and his Family had to face. Lot and Abraham were cousins, and Lot had departed from the company of Abraham, after sharing the land between them, the land they had been given to them, by God. Lot chose the more fertile area of the Jordan River valley, which was the Land that was occupied by the enemy of Gods people, who were the Canaanite's. Lot finally settled among the people of Sodom and Gomorrah and it was there that two young good-looking men, the messengers of the true God, came to visit Lot. These messengers can also be understood to be the two witnesses, who were necessary in order to verify that their message is true, because by two witnesses, truth is established.

Preservation of the righteous

The two men were messengers from God and they took up lodging with Lot. Sodom and Gomorrah were prosperous cities, however, the inhabitants were sexually depraved. The men in those cities preferred to have intercourse, man with man and woman with woman, and they practiced a form of sexual intercourse that is inappropriate and this practice of homosexuality is a grave sin. This was the environment in which Lot with his wife and their two daughters dwelled.

The visitors were welcomed in a traditional middle eastern way; and they took up lodging in Lot's house and there they were entertained and given protection. When the townsfolk came to know of the visitors, in Lot's house, then they came and requested the release of the two men into their hands, in order for them to have inappropriate sexual intercourse with them. Lot on the other hand was not prepared to violate the hospitality offered to his visitors. The final outcome was plain for Lot; he refused to allow his guests to be violated, in a sexually depraved way. This action, on Lot's part, attracted God's blessing.

Lot Had Merited Gods Favor

The two men, that visited Lot, made the purpose of their visit clear, and they stated that God had taken note of the deprave conditions, which were prevalent in the two cities of Sodom and Gomorrah. These two cities and their inhabitants were about to be subjected to destructive natural forces, because there was no one in those two cities, that were in need of salvation, except Lot and his family. The handsome visitors were in fact messengers of the true God. They had come to warn Lot and his family of the impending destruction and they indicated that God had favored Lot and his family with salvation. Remember, the reminders, found in the Bible, which indicate that the evidence of two witnesses establishes truth. This truth is in support of the two messengers of the true God.

God-Ordained Salvation Always Requires Sacrifice

The destruction would come upon the two cities including Lot's dwelling. There was no time to be wasted, because the destruction, which was to come upon the two cities was imminent. In that day, Lot took his wife and the two daughters and they left Sodom, led by the two messengers, to find shelter in the nearby mountains and the adjacent town, which would be spared from the destructive forces. They took none of their belongings with them. Here we need to understand that Lot's family was well off and they had a good life, which they were to leave behind. This was a big sacrifice, which Lot was expected to make, in the light of the impending calamity and the urging of the messengers of the true God.

Obedience to God Given Direction Are Essential For Survival

According to the instruction, delivered by the two messengers, Lot came to understand that the survival of his family required following the given instruction of the two messengers in every detail. After all, this was an instruction from God, the source of all power and salvation. The direction given by the messengers was not

to stand still and not to look back at the destruction of Sodom and Gomorrah. Compliance to these directions required obedience by faith. Lot's wife desired to take some of her belongings with her, but the messengers of the true God stated that none of their belongings were to be taken along. The messengers of God warned again not to take anything along on their way to the mountain of safety, and then they added, that Lot and his wife were not to look back as they were on the way to God directed safety. We need to understand that this restriction, or limitation, given by the messengers of the true God, had to be obeyed by faith. Only faith would attract the blessings of God and that faith would, and did, work out righteousness with God. This is a powerful message, from which we can learn many things as we face the greatest calamity ever to come upon the whole of mankind. It is faith that has the power to preserve alive its owner, because faith works our righteousness with God.

Lot's Wife Looks Back

After leaving the city, and under the guidance of the two visitors, they reached safe grounds. Then the visitors left Lot and his family, and thereafter, these messengers were not to be seen again. Sudden destruction came upon the two cities, as was spoken of by the messengers of the true God. It rained down fire and sulphur and destroyed everything, including the cities and its inhabitants. As

151

they continued to walk to safety, it was the wife of Lot that looked back, and as a result of her disobedience and her lack of faith, with respect to the instruction of the two messengers of the true God, she died instantly and she was turned into a pillar of salt.

Seeing Only God And Good Brings Salvation

Some of us may think that this was a very severe punishment for such an insignificant error. However, we need to be careful to pass any such judgment on this situation. We have to remember that Lot and his family had received of God's protection during their journey to safety to the nearby mountains. That protection was based on God's undeserved kindness, and that kindness was not without a preconditions; it required obedience by faith, in compliance with the instructions received from the two visitors. Lot and his family were instructed not to look back. The salvation from God, in this instance, would be based on faithful obedience to the God given command. Lot and his family were expected to see with eyes of faith, seeing only God and good. That faith would have worked our righteousness with God. Their salvation required of the family, to look ahead as seeing the one who is invisible, because in front of them was God and their salvation. An act of faith would have please God well and that was the minimum requirement

for Lot and his family. The act of faith required that Lot and his family kept on walking in faith toward their God directed salvation. In like manner, we also, as we are facing grave calamitous condition we have the need to live by faith and not by work. Our salvation is in Christ Jesus our Lord, because we have received his Spirit.

Explicit Compliance to Gods Command Is An Act Of Faith

This command, not to look back, may seem strange when they were already on the way to safety. However, their life was spared not because they were righteous, but because of God's mercy and God's imputed righteousness, by faith. This action, on God's part, to provide safe passage to the mountains required explicit compliance, as an act of faith, to prove they were worthy of God's protection, because faith would have worked out righteousness with God. Therefore, the command was given not to look back, which required obedience by faith. This was not a time to reason on the rightfulness of the command, which was communicated to them by the two true messenger of God. This was not a casual affair. This was a matter of life and death.

Lot And His Wife Believed In Two Powers, of God and Evil

God operates on the Plane of the Absolute, the God Plane of existence. Although, we understand that Lot was conscious of two powers, of good and evil, however, Lot had not as yet received the Christ Spirit, within. The Christ would come much later in the out-workings of God's purposes. However, they could benefit from God's mercy, on the basis of faith in the God ordained direction, not to look back. While walking in faith, they were under God's protection, and during that time, there was for them only one power and that was God and good. In addition to the above, we also have to realize that Lot and his family were under instruction not to look back and that on the basis of faith. With the powers, which were at play, it should have been unthinkable to disobey the God given command. It was necessary for Lot and his wife to show this faith that can preserve alive its owner. Lot's wife failed in this regard. May we never forget the expression to show the kind of faith that can preserve alive its owner?

We Have To Learn To Believe In Only One Power, God And Good

Lot and his wife were expected to act in faith and not according to their reasoning, their emotions or their desire for the things left behind. That desire was misplaced, because it was based on a belief in two powers, believing in God and in evil. That belief resulted

in expressing a lack mentality and a lack mentality was a sin, and therefore, it was unclean. During their journey to safety they were under the protective power of God and obedience by faith was the minimum requirement for them. Obedience, as in the case of Lot and his wife, would bring righteousness with God on the basis of faith. Lots wife failed to appreciate God's way of doing things by placing her desire, and her reasoning, ahead of what God required. As a result of putting her desire first, she paid the ultimate price for her error, according to the Law of Attraction, Lots wife could attract the good or the bad, which was subject to her thoughts. Instead of salvation, Lots wife attracted destructive power, which was based on fear and a lack of faith. This destructive power, which came upon the two cities of Sodom and Gomorrah, did also come upon Lots wife according to the operation of the universal Law of Attraction. This is a most powerful reminder to all of us as we are facing a much greater destruction during the final part of the fall of proverbial Babylon the Great. The Bible Book of Revelation helps us to understand that Babylon the Great is the global Empire of false religion.

We Have To Learn Form The Error Of Lots Wife

What has happened to Lots wife is a stark reminder to all of us to see our situation in the right light, in the light of

revealed true understanding. We are entering a calamitous period of an even greater magnitude than that, which came upon the cities of Sodom and Gomorrah. We are to take note, because God will again provide safe passage for his people through and during the destruction of this system of things. We would be wise to consider this account in great detail. The time will come, and it will be sooner than we may think, when humanity, as a whole, will face a calamitous situation of a much greater magnitude than what took place in Lot's days. Having witnessed the destruction of the religious Harlot, Babylon the Great, the way is now open for the destruction of the political powers. These are the enemies of the Kingdom of God with Christ as King. All of these remaining political and commercial elements of this world, which are in opposition to God's Kingdom, will experience the wrath and destruction by God, through the agency of the Kingdom of God.

Belief In God And Evil Cannot Please God

The whole world of mankind is under the Karmic Law, that is; 'you reap what you sow'. We can also say that the powers to be, and all their followers, believe in two powers, which are the power of God and the power of evil. This belief system cannot please God well, because it is based on two powers, of good and bad. However,

156

bad is nothing, and therefore, bad can only exist in the vein imagination of fallen man. Therefore, those who have God's blessings at that critical time, those are the Holy ones of God, who have died in the Lord, their belief is in One Power, which is the power of God and good. They are single minded and they are in harmony with the Father, God. That belief is going to be put to the test, in every one of us, therefore, we have the need to get to know the Father and his Only Begotten Son, Jesus Christ, and that knowledge must lead to the kind of faith that can preserve alive its owner.

We Have To Be Single Minded To Belief Only in God And Good

This will be at a time when the Holy ones seeking safety on the basis of their faith. We have to be clean and Holy and be obedient to the commandments of God and have the faith of Jesus Christ. We have to be absolutely single minded, because we are under the direct protection of God and His Christ. That would mean that we have to believe, and act unswervingly, in support of this One Power, which is God and good. That faith must manifest in a consciousness of One Power, the power of God and good, which will manifest in a solid and unwavering faith.

Attract The Smile Of Approval Of

The One Who Judges In Righteousness

That time will not be the time to longingly look back, with strong desire, for the things left behind. That would be a gross lack of faith. Nor do we want to be looking back in fearful expectation of the destruction that will come upon this system of things, as though there may be any benefit in doing this. Rather, we want to be like our Father, God, and His Christ, having a consciousness of God and good, Holy and righteous, which attracts the proverbial smile of approval of the one who judges in righteousness. Looking back, at that time, to the things left behind is nothing more than a gross lack of faith. Behind us is a failed system of things, which was based on a belief in two powers, of God and evil. A belief system in support of two powers could make all humanity unfit for purpose. Let us make sure that this may never happen to anyone of us, who have the faith of Jesus, as we face this upcoming time of destruction. We want to understand and have the faith that in front of us will be the splendor, the beauty, the glory and the One Power of God and good, leading us to the safety of God's Kingdom, with Christ as King. The radiant manifestation of glory and the brightness of the eternal light that radiates from our eternal father, which is the Christ, will lead us to fountains of water of life.

Victory Belongs To Those Who Have The Faith To Preserve Alive Its Owner

This will prove to be a time of splendor and glory never before seen, and the joy will be ours, as we behold the kingdom of God, with Christ as King, opening for us the proverbial doors into the Kingdom of God. We will be there to see it. This is victory day, for all those that have the faith to preserving alive its owner. We, the survivors of this system of things have the prospect never to die at all. This will be the unforgettable time of joy, glory and victory for all the forces, which are manifest in the power of God, the Almighty. May we prove ourselves to be ready and face this event with unswerving faith and with the Spirit of the Christ, within, and this to God's eternal praise and glory, even forever?

Never Walk By Sight, But, Walk By Faith, As Seeing The One Who Is Invisible

Let us keep close in mind and always remember the wife of Lot, the account, which has come upon us as a warning example, to keep on walking by faith, and not by sight, or walking by the reasoning faculty of our mind.

We want to learn to walk by Spirit, as seeing the One who is invisible. This faith is based on a one-power consciousness that will win the day for us. Never do we want to waiver in a lack of faith, but, instead become powerful by the Spirit, within, the Spirit of which is from God, the Spirit of which was also operative in Jesus Christ when walking the earth as a righteous Son of God. Let us move ever forward to receive the reward of life, and having life in abundance and that into all eternity, even forever. Do not forget the wife of Lot, who serves as an everlasting reminder to all those having faith. Never let it be that we should look back in fear, or looking back longingly to the things left behind. The faith that can preserve alive its owner belongs to him who loves God, and His Christ, with all his heart and all his soul and with all his vital power and who loves his neighbor as he loves himself.

Blessed are all those who read these reminders and learn from the one power consciousness and a belief in only One Power, which is God and good.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 8

Blessed Are The
Dead

The Last Blessing

‘Blessed are the dead who die in union with the Lord from this time onward. Yes, says the spirit, let them rest from their labors, for the things they did go right with them’.

This is the last blessing, pronounced by God’s angel and we do well to consider the bigger picture in connection with this blessing. The whole process of salvation is based on God’s love and justice. Today, we are aware that there are thousands of differing Christian religious groups and congregations, each one desiring to have God’s favor. However, we also need to realize that many Christians may not be considered being clean, or holy, from God’s point of view, nor may they be sure to have God’s approval for salvation.

They Have Not Been Baptized Into The Christ

They may not have been baptized into Christ's death and they have not as yet received, from the Father, his Spirit, the Spirit of which was also operative in Christ Jesus, our Lord. In addition, some of them look upon God as a Trinitarian God, together with Jesus Christ and the Holy Spirit. According to that teaching, all three entities, together, are one god and this as an expression

of their faith. On the other hand, they are perceived to have done so called good works, according to their own point of view, but failing to obtain the righteousness by faith. As a result of this, they may not qualify to receive the white outer garment of righteousness, because they have not been born of water and Spirit, they have not as yet been proclaimed to be a new creation, which is the minimum entry requirement into the Kingdom of God. Many of these Christians are sincere and they may have done many loving and kind deeds, and for them, there is reserved a blessing at this late hour, because of God's unfathomable love, forbearance, kindness and mercy. They may be crying out to God for salvation and God is listening. For this reason, and on the basis of love, a blessing awaits these dead ones at the proverbial last hour.

The Last Blessing Before The Judgment Of The Nations

Here we are brought face to face with the last blessing, during the remaining time before the judgment of the nations. There are many questions that need answers. In Revelation 14:12 we hear about the admonition to the holy ones who have not sided with the Wild Beast and who have not received the 'Mark of the Wild Beast', the proverbial number 666, a mans number, on their hands or on their foreheads.

The Holy Ones Are True Christians With Holy Spirit From God

These are the holy ones, true Christians, who have received from God, His Spirit, which Spirit was also operative in Jesus Christ and they have made their robes white in the blood of the Lamb. These are the ones, who received an encouragement, to endure, and keep the commandments of God and the faith of Jesus Christ.

There Are Many Christians Who Have Not Received The Mark of the Beast

Here we want to be sober minded, in that there are many Christians, at this critical time, who have not sided with the 'Wild Beast' of Revelation and they have not accepted the 'Mark of the Wild Beast'. These are Christians with a strong desire to please God, but who may be viewed, from God's point of judgment, as being dead, because they have not as yet complied with the entry requirements into the Kingdom of God.

The Resurrected Have Not As Yet

Come Alive From Gods View point

Here we can reflect on the book of Revelation, where the writing speaks about the dead of mankind, who are sleeping in the common grave. These physically dead ones can expect a resurrection into the new earth where they may live under Kingdom Rule, but not as yet having come to have life, from God's point of view. These resurrected ones come under the care of the King, Christ Jesus, to be brought to bodily, physical, spiritual and mental perfection, which they will reach at the end of the 1000year Kingdom Rule of Christ Jesus. It is then that they will come to have everlasting life, being holy and clean, according to God's will and purpose.

This understanding can also be applied to all people who are standing outside of God's entry requirement leading into the Kingdom of God, with Jesus Christ as King, High Priest and Leader. These may be the people of any religious persuasion, who have lived and died on earth.

Not All Christians Are Viewed As Holy, From Gods Position Of Judgment

In addition to those mentioned above, not all so called Christians, as we understand it today, are viewed by God

as being Holy, as having attained to be a Son or a Daughter of God, by adoption. These may not, as yet, have come alive with reference to the Spirit of God, the Spirit of which was also in Jesus Christ, our Lord.

Christians, Who Are Dead, Could reject The Mark Of The Wild Beast

But now, that the 'Day of Judgment' has arrived, Christians become acutely aware that they are in need of salvation, desiring to be viewed by God as having His favor. Because of their situation, being viewed by God as being dead, they may face certain destruction unless they become aware that their baptism, of long ago, has not met with God's approval, and thereby, not meeting God's minimum requirement of entry into the Kingdom of God. They are seeking to be clean and seeking to have the smile of approval from God, and become conscious of having the Spirit of Holiness, within.

These are the ones that will have witnessed the destruction of Babylon the Great, the World Empire of False Religion, and they will have witnesses the destruction of their houses of worship, but God, has not as yet recognized them, as deserving of entry into the Kingdom of God, with Christ as King.

The Holy Ones May Have Become

Conscious Of The Blessings

The Holy Ones of God have been identified in Revelation 14:12, who have the need for endurance and through these Holy Ones, others may have become conscious of obtaining the blessings of God, which are available to those who are dead from God's point of view.

These Christians Are In Need Of Being Born Of Water And Spirit

These are Christians, who are being brought face to face with the reality of the words of Jesus Christ, spoken to a Jewish member of the Sanhedrin, Nicodemus. These, so called Christians, are the ones that are in need of God's blessings, for them to be born of water and Spirit. This demands their most urgent attention in order to obtain the final blessing, from God. This blessing is in support of the scriptural record found in the Book of John, chapter 3, where it stated that you couldn't see, or enter, into the Kingdom of God, unless you have been born of water and Spirit.

Those That Survive The Great Tribulation Standing On Earth

Also, the scripture in the book of Revelation states that those who survive the Great Tribulation and the day of God's wrath, at Armageddon, are standing on the new earth, they have made their outer garments white in the blood of the Lamb.

This signifies that they are clean, and they have washed their robes and made them white in the blood of the Lamb. They are Holy and they have the approval of God, the Almighty. They are happy, because they have the Spirit from God, the Spirit of which was also operative in Jesus Christ, our Lord.

To Die In The Likeness Of Jesus Death Will Prove To Be A Blessing

These dead ones are now realizing that there is a need to get baptized in a scriptural way, and to die with reference to our own sins. This dying as to ones own sins, which must be in the likeness of Jesus Christ's death, applies to all Christians who will be in line for God's blessing, at this late hour. These are the ones who need to die with reference to their sins, once and for all times, dying in the likeness of the death of the righteous Son of God, Jesus Christ, who died for many unrighteous ones. This understanding will result in many, of those so called dead ones, to reach out for the blessing, which the angel announced to John, in the Book of Revelation

chapter 14:13.

The Humble Ones Will Bow Their Heads Before God And His Christ And Get Baptized

By realizing the need for this blessing, at this late and most critical hour, before the judgment of God begins, they will understand the need to be humble and be full of gratitude. They will want to bow their heads before God, and His Christ, and get baptized in the likeness of the death of Jesus Christ. By this action, they will instantly be born of water and Spirit and they receive of God's Spirit, the Spirit of which was also in Jesus Christ.

The Humble Ones, Happily Die In The Likeness Of Jesus Death

Therefore, having realized the importance of this pivotal hour, many so called Christians will reach out for this blessing and happily die in the likeness of the death of Jesus Christ, dying with reference to their own sins, and thereafter, receiving from God of His Spirit, the Spirit which was also operative in Jesus Christ, when walking on the earth as the sacrificial Lamb of God. By this Spirit, from God, which Spirit was also in Christ Jesus, by Holy Spirit, the Father, God, gives those deserving,

imputed righteousness, undeserved kindness and everlasting life.

By Them Dying In Christ They Have Complied With The Entry Requirements Into The Kingdom Of God

By their dying in the Lord, they have complied with the scriptural requirement, to be born of water and Spirit, in order to enter into the Kingdom of God. They are now ready to receive the white outer garments, which have been made white in the blood of the Lamb. They change consciousness from a consciousness of lack and limitation, with death in view, to a consciousness of super abundance of good, with everlasting life and harmony with God, the Father, in view. They have become conscious of one power and that power is God and good.

The Resurrected Ones Will Be Taught To A Gain Clear Understanding Of God and His Christ

The Spirit underwrites this event, stating that they can now rest from their fruitless labor, which they may have

171

performed during all their Christian lives, but, which could not bring them salvation. However, the deeds of their labor will follow them into the Kingdom of God, where they will be able to assist many of the resurrected ones, who are in need of knowledge and understanding and of god's loving care. Thereby, these resurrected ones will be gaining a clear understanding of the deep things of God.

Now, in conclusion, the dead ones, who had no basis of surviving the great day of God the Almighty, have now received a blessing. In the last moments of this old system of things, the dead have indeed died in the likeness of Christ Jesus death and they have come alive with reference to the Spirit, the Spirit of which was also in Christ Jesus, our Lord and King.

*The Dead In Christ Receive
Righteousness, Undeserved
Kindness And Everlasting Life
From God*

God views these ones as being clean, and therefore, they receive righteousness and undeserved kindness from God, the Father. They are born again and they are fit to go alive through the Day of Judgment, not being judged at all, because they have been declared righteous by the

Father, God, and they are happy, they are clean and they are at peace.

The Holy ones rejoice, because of the great love, which God has poured out for all those that love Him. Now, all the righteous ones are gathered together for salvation and they rejoice together in having the prospect of everlasting life as God's children and this to God's eternal praise and glory, forever and ever, amen.

*Some, Who Previously were Viewed
As Dead, Are Now Considered To
Become Foundation Stones in The
Kingdom Of God*

Some of these, who were dead, can now be considered to receiving an assignment in the Kingdom of God, with Christ as King, and thereafter, some of them may have the prospect to become fleshly foundation stones of the new earth society, of resurrected mankind. This is a great privilege, indeed. Together with the holy ones, they will rejoice and be overjoyed to enter into the Kingdom of God, with the prospect, never to die at all.

*Together, The Holy Ones Will
Teach The Resurrected Ones*

Together, they will be eligible to teach the resurrected ones and to assist Christ, the King and the 144000 associated Kings and Priest, who were bought from the earth as first fruits to God. Together, under the leadership of Jesus Christ and the 144000 associates they will see resurrected mankind being brought to perfection, helping them to stand before God, as those having come alive.

At The End Of The 1000year Rule Of Christ, Christ Will Hand Over The Kingdom To His Father, God

At the end of the 1000year rule of Christ Jesus, the last enemy, which is death, will be defeated, then, Jesus will hand over the Kingdom to the Father, so that all things may be all things to God and this to God's eternal praise and glory forever and ever, amen.

However, the final meaning of what has been prophesied will be revealed at that particular time and that outcome will be indeed a blessing for those resurrected dead, when they come alive in Christ, with the Spirit of God, within, the Spirit, which was also operative in Jesus Christ, when walking the earth as the Lamb of God and this to God's praise and glory for all eternity and even forever.

.

ONE POWER CONSCIOUSNESS – THE FALL

Notes:

Chapter 9

Concluding
Thought

A Reflection

This Book has covered the fall and destruction of ‘Babylon The Great’, the proverbial whore, who is riding the seven-headed ‘Wild Beast’ of Revelation 13. This is the one major event that will affect all the nations of the earth and any and all religious beliefs of the world. This event is now very close at hand, and the evidence of the coming of this event, can be seen everywhere. Is this something that Christians should be concerned about? Indeed, they should be very concerned about this event, because their belief system will be under severe attack. Many may lose faith, because of the severity of the situation on the ground, during these last day events. Therefore, take note, not out of fear of what is coming upon the world of mankind, but rather, because of our faith.

That faith, of ours, is precious, because it has the power to deliver us from every stressful situation. In fact we believe that we have harmony with God, based on being a new creation, born of water and Spirit. That Spirit will deliver oneness with God, the Father, leading to our salvation with peace, poise, love and goodwill.

It is God’s will that many and all Christians, attain to Holiness and everlasting life with health, wealth, love and perfect self-expressions. You are encouraged to look at you belief and make sure that your belief is in

harmony with universal principles and with God's will and purposes. Only then will you stand firm and facing the destruction of an entire religious system, with unwavering faith and with a consciousness of one power, the power of God and good.

Read God's Word the Bible, and the 'One Power Consciousness' Books, often. Then you will be found, to be firmly resolved, to stand upright before our God and His Christ, having nothing to fear, being full of love and goodwill.
