One Power Consciousness

A New Creation

Content:

Prologue

Foreword

1. The Greatest Expression Of Love
2. Share In Gods Goodness
3. By Love And Undeserved Kindness
4. By Self Control
5. By Peace, Love And Goodwill
6. Remember The Wife Of Lot
7. You Are A New Creation
8. Concluding Thoughts

Prologue

Now, there remain faith, hope and love, these three, but the greatest of these is love.

We have come to know the love of God, that, while we were yet sinners, being in ignorance and in darkness mentally, Jesus Christ died for us.

The dawn of a new beginning is upon us and the call has gone out to the world, saying: Come, you people, and let us go up to the mountain of God, to the house of the God of Jacob; and He will instruct us about His ways, and we will walk in His paths. For out of Zion law will go forth; and the Word of God goes forth out of Jerusalem. And He will certainly render judgment among the nations and will set matters straight respecting many peoples and they will have to beat their swords into plowshares and their spears into pruning hooks. Nations will not lift up swords against nation; neither will they learn war anymore.

And God will wipe out every tear from their eyes and death will be no more, neither will outcry or pain be anymore. The former things have passed away.

Look, I am making all things new. Also He says: Write, because these words are faithful and true.

Foreword

Disclaimer

The writings of this book are not to be misinterpreted. They are not meant to change the world or the governments and its supporting organizations including the financial system and the commercial establishment or the religions of this world. These writings are based on the belief that you cannot change another; all you can do is, change yourself.

Stand Up To Be Counted

The time has come and it is now that men of faith stand up to be counted among those that have life and have it in abundance. Wickedness is everywhere to be seen and those who are righteous are standing back and watching the world scene with eyes of faith. We have heard of wickedness before but not to the same extend as we behold it today. The time has come to make our stand, not on any side of the political elements of this world, no, but firmly on the side of God's loyal ones, the men of faith.

Get Out Of Babylon The Great

Never have we seen such prolific wickedness in the churches of Christianity. Everyone who is conscious of being a Christian should by now be conscious of the time

to get out of Babylon The Great, the World Empire of False Religion. According to the teachings of the Bible book of Revelation, chapter 18, the call of the Angel of God is clear, saying: 'get out of her my people if you do not want share, with her, in her sins'. This is the call to every Christian to examine the teachings of the church and realize that the error of the churches have become public knowledge. The time has come to leave the world empire of false religious teachings, Babylon the Great, because her destruction is imminent.

Now Is Not The time To Side With Political Elements Of The World

We may have been associated with Church institutions, believing that we are under the Grace of God. However, the errors of many church teachings have become exposed and the sins of religious organizations have become public knowledge. This is not the time to side with any political persuasions or any religious organizations and give it your support. No, now is the time to leave the churches, because God has caused the sins of the churches to be exposed. The churches are unfit for purpose, they have kept their flock in ignorance in order to retain power and influence over them. It is God's purpose for us to side with the incoming Kingdom of God and keep the commandments of God and the faith of Jesus Christ.

Leaving The Houses Of Worship Is Not An Easy Thing To Do

However, leaving the Houses of Worship is not an easy thing to do, as you are expected to stand before God and before His Christ on the basis of Faith. This faith speaks this way: 'I have resolved to be obedient to the commandments of God, to get out of Babylon the Great, the world empire of false religion. As Eve, while in the Garden of Eden, was admonished to obey God's command, not to eat from the tree of the knowledge of good and bad, we also want to obey the instructions of the Angel of God and get out of Babylon the Great. Are we not conscious of being a new creation, born of water and Spirit? Indeed this is our identity, this is the person we are, within, by the Spirit from God, who gave us His Spirit, the Spirit of which was also operative in Jesus Christ, our Lord.

The Destruction Of The Harlot Of Revelation Is Imminent

Are we expected to do anything different from what God commands his people, by his angel, as recorded for us in the book of Revelation saying: 'get out of her my people'? The destruction of the harlot of Revelation is imminent and this will be indeed a very great event. In

fact, when Jesus Christ spoke about the last days of this system of things, stating that: ‘a great tribulation is to come upon the entire inhabited earth for a witness to all the nations and then the end will come’. The time for this event is now very close at hand. Therefore, every Christian is encouraged to heed the warning of the Angel of God, recorded for us in the book of Revelation, Chapter 18 and get out of organized religion, because all man made religious institutions have failed the will of God. These organizations are to be done away with, by means of the militaristic 10 horns of the Wild Beast, of Revelation. This will be a terrifying event and obedience to God’s warnings and instructions are to be received with a joyful and obedient heart. God’s final admonition has to be obeyed on the basis of faith and not on the basis of reasoning. Remember the wife of Lot.

We Are To Stand On The Basis Of Faith And See Salvation

This book is written as a loving encouragement, which is given to Christians, wherever they are to be found. Therefore, every reader of this book, who understands that Spirit is truth, is encouraged to pass this message on to their loved ones and their neighbours and read the content of the Holy Bible, in order to acquire true faith, the faith that can preserve alive its owner. We must become conscious of one power, of God and good, and

thereby, we will be able to stand firm on the basis of faith and see the salvation of God, by means of His Son, our Saviour, who is Jesus, the Christ.

We Have To Be Baptised Into The Likeness Of Jesus Death

In order to become a new creation, we have to remember that every Christian belongs to God, the Father, and the scriptures indicate that after our baptism, which baptism is into the death of Jesus Christ, we become the property of God and God will finish our training to full Christian maturity. Now is the time to allow God to finish your training? That Christian training must lead us to reflect on our baptism and then make sure that at the time of our baptism we are baptised into the likeness of Jesus death. This will mean that we will have died as to sin, because God's Word says: everyone that has died has been acquitted from all his sins. Getting baptized in the name of the Father, the Son and the Holy Spirit means believing that God will give you His Spirit, the Spirit of which was also operative in our Lord, Jesus Christ, when walking the earth as the Lamb of God and as the Last Adam. By means of your baptism, you will be declared righteous, Holy, being a new creation. As a result of this, you will receive from God, the Father, the Spirit of the Christ, within.

Christian Baptism Must Lead To Changed Consciousness

Christian baptism must lead to changed consciousness, from a consciousness of lack and limitation, inherited from the first Adam, to a consciousness of super abundance of good, inherited from the Last Adam. Your baptism must lead to a belief in one power, which is God and good. By your baptism, you have become Christ Conscious, and thereby, you have become conscious of being the offspring of the Last Adam, according to the scriptures, which is recorded for us in the Bible book of Isaiah, Chapter 9 verse 6. There, the Last Adam is identified as the Wonderful Counsellor, the Mighty God, the Eternal Father and the Prince of Peace.

Christians Who Have Not Received The Mark Of The Beast Will Be Blessed

At the time of the end, according to Revelation 14:13, many professed Christians, who are considered dead in God's sight, who have not accepted the mark of the Best of Revelation, will be blessed by means of faith in the shed blood of the Lord, Jesus Christ. These are those who die in the Lord at that time, which is immediately preceding the judgment of the nations. These blessed

ones are Christians, who have not accepted the Mark of the Wild Beast. God views these individuals as being dead, because they have not, as yet, died in the likeness of the death of the Lord, Jesus Christ. The proper way of baptism must include being conscious of having died in the Lord. This must be so, because by thus dying in the Lord, we are able to change consciousness, from a consciousness of lack and limitation, to a consciousness of everlasting life. Thereby, we become conscious of having received the Spirit from God, the Spirit of which was also operative in Jesus Christ, when Christ walked the earth as a man, as the Lamb of God. This new consciousness will lead to obtaining one power consciousness, of God and good. This is the consciousness, which Jesus had when walking as a Son of God, on earth.

The Head Of The Christ Is God

In addition, there are many Christians, who are well versed in the use of biblical scriptures, but, who have failed to recognize that the Father, the Son and the Holy Spirit are three distinct Powers in support of the baptism of man. True Christians are no part of the belief in the Holy Trinity of God; rather, these powers are three separate powers, which are in support of baptismal candidate being born of water and Spirit. Thereby, the baptised individual is becoming a New Creation. We cannot expect to be declared righteous, by God, the

13

Father, when we believe that the Father, the Son and the Holy Spirit are three gods in One God. The bible does not teach such an understanding. The Bible teaches truth and Spirit is truth. Therefore, Spirit revealed to us that the head of a Christian woman is the man and the head of every Christian man is the Christ and the head of the Christ is God.

The Last Adam Is A Mighty God

At Isaiah 9:6, the Last Adam is identified, being the Wonderful Councillor, The Mighty God, the Eternal Father, and the Prince of Peace. Here, Jesus Christ is identified as being a Mighty God, but we know that the Father of Jesus Christ is none other than God the Almighty, the Alpha and the Omega, the Beginning and the End. The Holy Spirit is under the full control of God, the Almighty, because we read in the Bible that at the time of our death, the spirit of man returns to God who gave it. This indicates, to us that spirit is the operating principle, which operates in all living things. Spirit is not a person; it is a God given Principle, a power to do, which makes human life possible. By means of Holy Spirit, we have direct access to God, and thereby, we are able to obtain whatsoever we ask of him, provided that by our Spirit we are in harmony with God's Spirit. Now, we understand, that there cannot be life without spirit, and that is why, at the time of Jesus

Christ's sacrificial death, his Spirit, which is Holy Spirit, left Christ's body and returned to God who gave it. Therefore, by Spirit from God, the Spirit of which was also in our Lord, Jesus Christ, the baptismal candidate comes alive, after first yielding up his corrupted spirit, which is from the first Adam, our forefather, according to the flesh.

*Unless Anyone Is Born From
Water And Spirit, He Cannot
Enter Into The Kingdom Of God*

Any baptismal candidate that does not comply with the foregoing statements cannot have harmony with God nor does such a person have the approval of God, during Judgment Day. To be a Christian, approved by God, that person has to die in the Lord, in order to come alive with reference to God's Spirit. Thereafter, such a person comes alive with reference to the Spirit, which is from God. This is the Spirit that was also operative in Jesus Christ, when Jesus walked the earth, being wholly man. At the time of Jesus death, the Spirit, within Jesus Christ left the Christ and returned to God who gave it. Remember, Christ died with reference to the sins of the world, and a Christian also dies, but in his case, he dies with reference to his own sins. Therefore, any Christian that has not been baptised in compliance with revealed

truth, as stated in the Bible, cannot enter into the Kingdom of God, with Christ as King. This statement is based on the understanding of the words of Jesus, spoken to a member of the Jewish Sanhedrin, who was Nicodemus, which is recorded for us at the Bible book of John, chapter 3, verse 5, where Jesus sated: ‘Most truly I say to you, unless anyone is born from water and Spirit, he cannot see, or enter into, the Kingdom of God’.

A Christian Needs To Die In The Lord In Order To Be Born Of Water And Spirit

Now is the time, for every Christian to ask themselves the question: Have I been baptised in the name of the Father, the Son and the Holy Spirit, and in the process of this, have I died in the Lord, Jesus Christ, and have I come alive, as a new recreation, being born of water and Spirit? If you answer in the affirmative, you will be saved. However, there could be certain individuals who view themselves as being Christian, who have not accepted the Mark of the Wild Beast, of Revelation, nor have they died in the Lord. To these, there may be a blessing that awaits them at this late hour. They may be viewed by God as being dead, which means that they have not as yet died in the Lord. They have the prospect to come alive, to receive of the God given salvation, and

thereby, they receive the right to enter into the Kingdom of God, being alive with reference to the Spirit

The blessing may be reserves for such-like individuals, who are ready to see the need to die in the Lord, at this late hour. By exercising faith in the ransom sacrifice of the Only Begotten Son of God, and understanding the need to die in the likeness of Jesus death, you can now be baptised in the way of the scriptures and be declared, by God, to be righteous. These persons are to receive, from God, of His Undeserved Kindness and everlasting life. By the sequence of these events, on your behalf, you are in line to be blessed by God, to die in the Lord, from now on, and become liberated from your works, which cannot bring salvation.

Notes:

Chapter 1

The Greatest Expression Of Love

‘The one that does not love has not come to know God, because, God is love’.

Be Part Of The Blessed Of God And Oppose The Prince Of Darkness

We are living in the closing chapter of the present dispensation. We have, at present, a global population of approximately 7.5 billion humans and the total numbers, of those who follow the Christian Faith, are numbering in the billions. However, their Christian faith is growing weaker from day to day. What can any one of us expect from the final out-workings of God’s purposes? Many of us may not be fully aware of the seriousness of the situation, for each one of us. Therefore, the question comes up, in our mind, what can we do in order to be part of the blessed ones of God? First of all, we have to understand that according to the written Word of God, the Bible, the whole world is lying in the power of the wicked one. Here, the wicked one is none other than the spirit of darkness that keeps the vast majority of mankind in ignorance.

There Is Always The Possibility To Be Declared Unfit For Purpose

The wicket one has been personified as being Satan or the Devil, which is the evil one. On the basis of this understanding, we have come to the realization that all the teachings of the religions of the world are, to a lesser or greater extend, subject to error; and error is sin. Therefore, the Scripture states that all have sinned and fall short of the glory of God. This understanding leads us to realize that without help from a super human source, we are condemned to certain destruction, being condemned as being unfit for purpose. This is what we have to realize in the first instance and this realization must lead to repentance. Here, repentance means asking God for forgiveness of our sins, which is based on the knowledge that God's Son has been given to us as the Chief Agent of life.

We Need To Become Conscious Of Having Everlasting Life

Now, let us get some clarity on the subject of error and sin. At the beginning, Adam and Eve were created free moral agents, being free of sin, and they had the prospect of everlasting life. They had no consciousness of lawlessness, because they did not live under law. They lived as being the full beneficiary of universal law, and that meant, that they had to live a life free from sin. But what is sin? Sin is lawlessness and, in order to continue to live a life without sin, such individual had to become

conscious of having everlasting life. That consciousness of eternal life required making a choice for everlasting life that is based on the will of God.

We Had To Know That Bad Or Lack Has No Place In Mans Consciousness

Therefore, God placed two trees in the middle of the Garden Home, in Eden, and God called the one tree 'the tree of the knowledge of good and bad' and the other tree God called the 'Tree of Life'. There were no restrictions given to man, with respect to the Tree of Life. However, in respect of the tree of the knowledge of good and bad, God has said that; 'man was not to touch and must not eat from the fruitage of that tree, in order for man not to die'. Thereafter, man was assured that in the case of eating from this tree, he would positively die because he disobeyed the commandment of God. Man was told, stating: 'in the day of your touching or eating from this tree, you will positively die'.

Disobedience To God's Command Is Sin, It Had To Be Obeyed By Faith

God did not say that He would cause man to die? He stated that in the day of their eating, or touching, of the fruit of the tree of the knowledge of good and bad, man would positively die. This statement came from the source of all power and wisdom, which was from infinite Spirit, and that meant that this was a statement of truth, because Spirit is truth. Now, there were two choices to be had, eating from the fruit of the tree of the knowledge of good and bad, or eating from the Tree of Life. Eating from the Tree of Life was based on mans choice, without God's direction to do or not to do. By exercising his free will, based on his desire to have life and have it in abundance, man, by his action, would have attained to Life Consciousness. Life Consciousness is being conscious of having everlasting life, within. However, Adam and Eve chose not to eat from the Tree of Life; rather, they gave their full attention to 'the tree of the knowledge of good and bad' and they ate from that tree.

*As Light Destroys Darkness, So,
Life Consciousness Destroys Bad*

Eating from the fruit of every fruit-bearing tree was a command from God, which excluded 'the tree of the knowledge of good and bad'. The right thing for man to do was to ignore the tree of the knowledge of good and bad and pay attention to the Tree of Life. By doing that, Adam and Eve would have changed consciousness to

have a consciousness of everlasting life, or being Life Conscious. By this consciousness of having everlasting life, Adam and Eve would have had the power and the motivation to reject the tree of the knowledge of good and bad, with contempt. The result would have been the same as when light destroys darkness. However, in disobedience to the God given directions, they paid attention to ‘the tree of the knowledge of good and bad’, to which death was attached, as a retribution for error.

A perfect Man Cannot Disobey The Express Will of God And Live

A perfect man cannot disobey the express will of God and continue to live and have a life of harmony with God. That express will of God must always be obeyed on the basis of faith and that faith springs from a consciousness of super abundance of good. Had they first eaten from the Tree of Life then they would have been Life Conscious and such consciousness, being present in perfect man, would have caused man to curse the tree of the knowledge of good and bad and the Spirit from God would have obeyed, and the tree would have withered and died. This must be so, because bad, or any form of evil, can always be destroyed by an additional good. The problem associated with the tree of the knowledge of good and bad would have been resolved and all of Adams offspring would have inherited a perfect

consciousness, which after all, was Adam and Eve's power to give. However, this was not the way things turned out to be.

Changed Consciousness Was The Immediate Consequence of Mans Erroneous Action

Adam and Eve took of the fruit of the tree of the knowledge of good and bad, in disobedience to the God given command, not to eat and not to touch the fruit of that tree, and they ate. Immediately they changed consciousness from a consciousness of superabundance of good, to a consciousness of lack and limitation, leading to lack and limitation of every conceivable kind and finally that lead to mans death. The lack mentality was born and man became unfit for purpose, and thereafter, the man was driven out of the Garden Home of Eden, which was up to the time of that tragic event, an environment of super abundance of good.

Adam Became Instantly Conscious of Not Having enough

We know that the lack mentality was born, there in the Garden of plenty, because of Adams rebellion. Adam, after his sinful action, became troubled in mind, leading

him to avoid talking with God during the breathy part of the day. Later on, when God called on Adam again and God questioned Adam why he did not answer in the first place, then Adam stated; ‘I am ashamed, because I am naked. Then God said to Adam; who told you that you are naked, have you eaten from the fruit of the tree of which I said you must not eat, in order for you not to die?’ Here, the lack mentality was born.

The Ransom Sacrifice Of God Offers The Needed Change

Adam was cursed to live and work outside of the Garden Home of plenty and he had to work until his death. This was the tragic event that has led to all the wars and all the mayhem until this very day. Today, we, by the written word of God, have been invited to partake of God’s love and change our thinking, which means, changing consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good. A consciousness of super abundance of good is now available to anyone, based on the God given provision of the Only Begotten Son of God. Therefore, God invites every man and woman, of every race, creed and colour, to benefit from this sacrificial provision, which is also called the ransom sacrifice of the Only Begotten Son of God.

The Only Event Remaining To Be Fulfilled Is The Destruction Of The Religious Harlot Of Revelation

We are now living very deep in the time of the end of this system of things, and all the prophetic indicators show that the only thing remaining, to be removed from humanity, is the religious Harlot of Revelation, who is riding the seven headed, scarlet coloured, Wild Beast. This ride is to come to a sudden end when the political elements of the earth, as represented by the ten horns of the Wild Beast, will turn on the harlot and devastate her and eat up her fleshy parts. However, you are not to be afraid of the coming destruction of the religious elements of the entire earth, because, you have exercised faith in the ransom sacrifice of the Only Begotten Son of God. This faith has the power to preserve alive its owner. The Son of God is also identified as being the Last Adam, and everyone, who accepts this Last Adam as his, or her, eternal father, is to be declared a Son, or Daughter, of God, by adoption.

Faith Like That Of Abraham Preserves Alive its owner

The Last Adam is also to us a life giving Spirit, because, in the scriptures at Isaiah 9:6 the Last Adam is referred

to as the Wonderful Councillor, the Eternal Father, the Mighty God and the Prince of Peace. To His princely rule there will be no end. He is destined to be the King in the Kingdom of God, and by that kingly power Jesus Christ will replace all other human authorities. You are invited to have a part in this wonderful arrangement, and survive, to enter into the Kingdom of God, never to die at all. You can be among the blessed ones of God, by taking in the knowledge of the King of Kings, Jesus Christ, and exercise faith in the promises of salvation. It is this faith that can preserve alive its owner. Abraham, the forefather of the nation of Israel, showed this kind of faith when he walked, as directed, to offer to God a sacrifice. This sacrifice could ultimately be his only son, Isaac, the son of a promise, which was by Sarah, his wife. When walking on the way, with his son, toward the place where the sacrifice was to be offered, Isaac asked Abraham, his father, to show him the sacrificial subject. Abraham stated and said: 'God will provide'. At the time of the sacrifice, Abraham prepared the altar and the wood and then bound his son and placed him on the altar to be sacrificed, because God had not at that moment in time indicated to Abraham any other suitable sacrificial subject. However, before Abraham could offer his son, God stepped in and indicated to Abraham a ram that was caught in a nearby thicket. Abraham then took his son and loosened his hands, and he took the ram and offered this as an approved sacrifice to God.

Here we want to remember, that the faith of Abraham manifested in obedience to God's instruction, to go and offer a sacrifice, which could have been his only son, at a place indicated by God. As for us, today, we understand that it was necessary for one man to die, in order for many to attain to salvation and to everlasting life. After all, the human drama, which is unfolding before our eyes, is bringing about the salvation of mankind. This salvation is now very close at hand and we would do well to pay extraordinary attention to the time and season of the fulfilment of God's promises for salvation.

The Greatest Expression Of Love

This is the greatest expression of God's love, that, while we were yet sinners, God gave his Only Begotten Son, as a propitiatory ransom sacrifice for our sins, in order, for us to be done with sin. This ransom sacrifice, of the Only Begotten Son of God, is for the benefit of the whole world of mankind, for the salvation of every man and woman, in order to embrace the new identity of being a New Creation, born of water and Spirit on the basis of faith, and receive the smile of approval of the Father, God. It is a great privilege, indeed, to be afforded the opportunity to benefit from this great love of God. It is by exercising faith, in the shed blood of the righteous Son of God, that we will be declared righteous, in order to have life, everlasting life. In the out-working of God's

purposes, at this late hour, it is unlikely that the majority of mankind will be saved to enter into the Kingdom of God. That privilege, of salvation, is reserved for those who love God.

Remember, God Loved Us First

This love of God is not something we can express as a statement of logic, no, this love of God is based on a deeper understanding that God loved us first, while we were yet in dense spiritual darkness mentally, being alienated from the light that belongs to life. This appreciation will require of us the reading of God's word, the Bible, reading in an undertone, day and night. Thereby, we will grow in understanding, in knowledge and appreciation, of the deep things of God. On the basis of that appreciation, we will cultivate strong desire for the love and the blessings that come to us on the basis of faith, the faith of which is in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ, a righteous one.

Become Reconciled To God By Means Of Faith In The Ransom Sacrifice Of Jesus Christ

It is love that moves us to action and that love is from

God. However, we have to cultivate this love by the reading and meditation on God's Word, the Bible. This love will build, within us, a desire to become the subject and the beneficiary of this great love of God, which is manifest in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ, our Lord, King, High Priest and Leader.

Notes:

Chapter 2

Share In God's Goodness

Be Part Of The Blessed Ones

We are living in the closing chapter of this present dispensation. We have a global population of approximately 7.5 Billion humans; those sharing in the Christian Faith are numbered to be approx. 2 Billion. That faith of ours is weakening from day to day, on a global scale. What can any one of us expect from the final outworking of God's purposes? Many of us may not be fully aware of the seriousness of the situation for each one of us. Therefore, the question comes up in our minds, what can we do in order to be part of the blessed ones of God. First of all, we have to understand that according to the written Word of God, the Bible, the whole world is lying in the power of the wicked one. Here, the wicked one is none other then the spirit of darkness that keeps many of us in ignorance.

God's Son Is The Chief Agent Of Light And Life

The wicket one has been personified, as being Satan, the devil and the evil one. On the basis of this understanding, we have come to the realization that all the teachings of the religions of the world is, to some extend, subject to error; and error is sin. Therefore, the Scripture states that all have sinned and fall short of the glory of God. This understanding leads us to realize that

without help from a super human source, we are condemned to certain destruction, being condemned as being unfit for purpose. This is what we have to realize in the first instance, and this realization must lead us to repentance. Here, repentance means asking God for forgiveness of our sins, based on the knowledge that God's Son has been given to us as a ransom sacrifice for our sins and he has become to us, the Chief Agent of life.

Man Has To Become Conscious Of Having Everlasting Life

Now, let us get some clarity on the subject of error and sin. At the beginning, Adam and Eve were created perfect, with no consciousness of sin and they had the prospect of everlasting life. They had no consciousness of error, because they were perfect, and they did not live under law. They lived, being conscious of being God's children, and that meant, they were under obligation to do God's will, on the basis of faith and not according to law. But what is sin? Sin is lawlessness, in order to continue to live a life without sin, man had to become conscious of having everlasting life. That consciousness of everlasting life required making a choice for everlasting life, based on the will of God, by eating from the Tree of Life. By eating from the Tree of Life, man would have become conscious of everlasting life, by the will of God.

Man Had To Understand What Good and Bad Meant For Man

Therefore, God placed two trees in the middle of their Garden Home, and God called the one tree the tree of the knowledge of good and bad, and the other tree God called the Tree of Life. In the beginning there were no restriction given to man, in respect to eating from the fruitage of the Tree of Life. However, in respect to the tree of the knowledge, of good and bad, God said that man was not to touch and not to eat of the fruit of that tree, in order for man not to die. Then the assurance was added, stating: in the day of your touching or eating of this tree, of the knowledge of good and bad, you will positively die.

Adam And Eve Had Two Choices

God did not say that He would cause man to die? He stated that in the day of their eating, or touching of the fruit, of the tree of the knowledge of good and bad, they would die. However, this statement came from the source of all power and wisdom, which was Infinite Spirit, which meant that this was a statement of truth, because Spirit is truth. Now, there were two choices to be had, eating, or not eating, from the fruit of the tree of the knowledge of good and bad, or, just eating from the Tree of Life. Both options were open to perfect man,

Adam and Eve, and these options had to be obeyed on the basis of faith.

By An Act Of Obedience, Adam And Eve Could Have Become Life Conscious

Eating from the fruit of every fruit-bearing tree was a command from God, however that excluded the tree of the knowledge of good and bad. The right thing for man to do was to ignore the tree of the knowledge of good and bad, because death was attached to it if God's commandment was disobeyed. Instead, man was to pay attention to the Tree of Life, which was also placed in the middle of their Garden Home. Obedience to the God given admonition was to be on the basis of principle, on the basis of faith. By their obedience to the God given command, Adam and Eve could have considered eating first from the Tree of Life, and thereby, they could have changed consciousness, to have attained to Life Consciousness, having a consciousness of everlasting life, on the basis of faith. However, they paid attention to the tree to which death was attached, as a retribution for error.

Man Disobeyed God, On The Basis Of Strong Desire, Directed In

Wrong Channels Of Thoughts

A perfect man may find it impossible to disobey the express will of God, except, when man's thoughts are being directed in wrong channels of thought. The express will of God must always be obeyed on the basis of faith, and faith springs from the operation of Holy Spirit, which is based on a consciousness of super abundance of good. Had Adam and Eve first eaten from the Tree of Life, they would have become conscious of everlasting life. That consciousness, operating in perfect man, would have caused man to become conscious of god-power, resulting in man cursing the tree of the knowledge of good and bad. The Spirit from God would have obeyed the man and the tree of the knowledge of good and bad would have instantly withered and died. The problem associated with the tree of the knowledge of good and bad would have been resolved, there and then, and all of Adams offspring would have inherited perfection of consciousness, which would then also have become manifest in their parents. However, this was not the way things turned out to be.

By Failure To Oppose The Evil One,
We May Encourage The Evil One
To Draw Us Away From God

Today, we live deep in the time of the end. This means that we have very little time to adjust our ways and to bring our lives into harmony with God's ways. The whole world is lying in the power of the wicket one, and by our failure to oppose the wicket one; we allow the power of evil to draw us away from the source of all power and love, which is manifest in Infinite Spirit, or God. This is because of a lack of faith, and the pervading spirit of corruption that became manifest in man. We have the need to cultivate a deep-rooted desire to be doing the will of God, and that of His Christ. We have to read God's Word, in an undertone day and night, which is not always easy to do. We have the need to become enlightened and powerful thinkers, because by thought we create. Therefore, we have to learn to think in the way of Holiness and righteousness, that comes to us through the shed blood of the righteous life of Jesus Christ, our Lord and King.

Do Not Say, 'Let Us Eat And
Drink For Tomorrow We Are To
Die'

Let us not say, as do those who have no faith, saying: 'let us eat and drink for tomorrow we are to die'. That is the thinking of the world, which is lying in the power of the wicket one. However, for the man and the woman of God there is only one way of thinking and that is

39

thinking to preserve alive of the soul. This power, to preserve alive the soul, is now available to every man and woman, both young and old. It comes to you on the basis of desire, and that desire must be cultivated and directed in right channels of thought, on the basis knowledge and understanding. By the reading of the Word of God, reading in an undertone day and night, we will become empowered to see the things that are not and to comprehend the things that have the right to remain forever.

Notes:

Chapter 3

By Love And
Undeserved
Kindness

Our present Belief System Makes Up Our Consciousness

We have the need to change consciousness, and that changed consciousness can only come to us through the application of universal laws and universal justice. This change cannot come by means of mans work of righteousness, performed by fallen man, because fallen man can only give what he himself has and that is imperfection, which is based on lawlessness. We need to think about this matter carefully and weigh up the positive and the negative sentiments of changed consciousness. We need to understand what changed consciousness is, and what it can accomplish. Consciousness is rooted in the subconscious mind where we have stored life's experiences that make up our present belief system.

There Is Only One Truth To Us And That Is Spirit, Spirit Is Truth

Our belief system is made up of all the basic teachings and experiences, which we have considered, as being truth to us. However, from the teachings of God's Word, we have come to understand that there is only one truth and that is Spirit, and Spirit is from God. Everything else is forever changing, but Spirit, which is from God, never

changes at all. It is constant and that would mean that our thinking has to change, it must be based on the Spirit, within, the Spirit of which is from God.

Holy Spirit From God Is Creative And It Brings About Perfection

Since we have come to understand that all living things have differentiated spirit, from God, and that by means of spirit all creation is being given their food at the right time in order for all living things to continue on this earth. However, Holy Spirit is from God, it is creative, and that Spirit is not differentiated spirit from God, but rather, it is God's Spirit that operates every cell in our body and causes the whole body to function perfectly, leading to never ending life with love, peace, poise, power and goodwill. Love, peace, poise and power can come to be ours, on the basis of faith, the faith that can preserve alive its owner.

Our Spirit Inherited From Adam Is Corrupted Spirit And It Must Lead To More Corruption

We also have come to understand that the spirit, which operates in every sinful man, is corrupted spirit, inherited from Adam. This corruption is in all of us, and therefore,

any effort on our part to do away with this corruption can only produce more corruption. Here, we need to appreciate that the corruption of spirit was brought about through an act of disobedience, through rebellion. This rebellion, to the God given command, is given to Adam and Eve when in the Garden of Eden. It led to the corruption of spirit. That command was simple, and it required obedience by faith, because obedience by faith would have reinforced Adam belief system, to abstain from anything negative or bad. Obedience to God's Commandments would ensure that Adam and Eve's offspring would come into possession of the same belief system that Adam and Eve had, before they sinned. That belief system was based on obedience by faith, which would ensure perfect procreation, leading to eternal life to all of Adams offspring.

Strong Desire Directed In Wrong Channels Of Thoughts Must Lead To Error

However, as we have come to understand, Eve cultivated very strong desire for the fruit of the tree, to which God's prohibition, not to touch and not to eat, was attached. That strong desire was not natural, since Adam and Eve had a consciousness of super abundance of good. Such desire was based on reasoning on the God directed limitation, which lead to forced desire that had at its aim

45

disobedience to God's commandments. Eve, being perfect, was not able to be disobedient to God's commandments. However, reasoning on the good, or the bad, of God's commandments could only lead to desire, which was directed in wrong channels of thought. Such desire, to reason on the God given commandments, was not natural and if applied with determination, then it would lead to the corruption of the Spirit, in man. Reasoning on a God given commandment will corrupt the God given spirit, which was operative in man. Corrupted Spirit would yield to the mans desire, which was directed in wrong channels of thoughts. Sin was born, leading to a changed belief system and changed consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation.

At The Beginning, Perfect Man Had No Understanding Of The Concept Of Bad and Evil

Furthermore, we need to understand that a godlike creature, such as man, who was created in the image and likeness of God, had no understanding of the concept of evil, or bad. The thought concept of evil, or bad, was created by wilful desire for what is bad. This in turn, caused man to become ungodly in thought, which is sin and sin is lawlessness. Adam and Eve violated, or

transgressed, the Law of Perfection, leading to changed consciousness and bringing about a consciousness of lack and limitation.

After Adam's Sin, Adam Became Conscious of not having enough

This was a catastrophic game changer, between man and God. The spirit in man had no longer unimpeded access to the source of all power, which is God, and that change manifested in Adam, whereby, Adam realized that he needed covering, because he was naked. Immediately, Adam hid himself from God, while in their Garden Home, because he had lost consciousness of super abundance of good, which he had before his transgression and sin. Adam's spirit could no longer produce perfection, because of denied access to God's Spirit. Man's spirit and God's Spirit were no longer in harmony. Gods Spirit is Holy and Adams spirit had become unclean. Eventually, Adams lack mentality brought about fear and thoughts of fear will always bring more fear and the end result will always be ageing, sickness and death.

*The World Which We Have Created
Is Unfit For Purpose It Must Pass
Away With A Hissing Noise*

No man made law could bring about perfection in man. The lack mentality was born and the world, as we know it, has come about as a result of this lack mentality, which is based on wrong thinking, it is flawed and imperfect. From this understanding we have come to know that the entire system of things has been created, on the basis of our flawed thinking, leading to a world that cannot be sustained, it must pass away, it will indeed pass away with a hissing noise.

Love Can Only Come To Be Manifest In Us Through Knowledge Of God

The good news is that we are facing a new world order based on the biggest change the world has ever seen. The incoming changed ruler-ship is based on the dispensation of love. Love, is a word much misused and abused. At 1 John 4:8 it is sated that: 'he that dose not love has not come to know God, because God is love'. Therefore, we are made to understand that real love can only come to be manifest in us through knowledge of God, and the knowledge of God is by means of Jesus Christ, our Lord.

We Have To Understand That God Loved Us First

At the time of our baptism we have come to realize that before we are able to love, we have to understand that God loved us first. This realization becomes manifest on the basis of the understanding that while we were yet sinners, when we were ignorant and in dense darkness mentally and spiritually, God gave His Only Begotten Son as a propitiatory ransom sacrifice for our sins. Yet, God did not only give His Son for our sins, but also for the sins of the whole world. This was at a time when there was not even one man that deserved of God's mercy. But God showed mercy and gave us of His undeserved kindness, resulting in love, not only for the few of us who have the faith that can preserve alive its owner, no, but God's love applied to the whole world of mankind. This love of God is the foundation for a new human society, which is expressed in the Kingdom of God, with Christ as king.

With God There Is Love

As to love and undeserved kindness this is coming to us individually through faith in the ransom sacrifice of the Only Begotten Son of God. Here we are invited to acquire knowledge and insight of the deep things of God. Love and undeserved kindness are based on universal laws and these laws cannot become man's, who is walking in error. Love is the constitution of the incoming Kingdom of God, and that means that our thinking must change to bring our thoughts into harmony with God's

thoughts. With God, there cannot be a consciousness of bad, including lack and limitations, there can only be super abundance of good. This must be so, because with God there is not a variation of the turning of the shadows. With God there is Love.

*Change in Man can Only come
By means OF Deep Thinking,
Which is By means Of Gods Word*

This godliness must also become manifest within man, because man is a thinker and a creator, who is made in the image and likeness of God. Therefore, man has to become like God, in his thinking, and that would require of man to become Holy, as God is Holy. That requirement for holiness must lead to changes in man, for man to be changed and to be born of water and Spirit. That change can only come to us by means of faith in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ. This faith is by means of Jesus Christ. We have to take in accurate knowledge of the deep things of God, and that can only come about by prayerful reading of the Word of God, the Bible, reading the Word of God in an undertone, day and night.

By Changing Our Belief System

We Become Spiritualized In Our Thinking

By the acquisition of accurate knowledge of God's purposes, for both the universe and for the earth, with man on it, we are changing our belief system. We become spiritualized in our understanding of the deep things of God, and with it, we cultivate a strong desire to obtain God's approval and share in the prospect to live eternally on a cleansed earth. That is the reason why it was necessary for the Christ to become manifest in the flesh, taking on the flesh, which Adam had at the beginning. This must be so, because Adam squandered perfect life for the whole of humanity, and therefore, the Christ takes on the role of the Last Adam, according to the scripture of Isaiah 9:6, where the Last Adam is identified as being the Wonderful Counsellor, the Eternal Father, the Mighty God and the Prince of Peace.

By The Love Of God WE Experience A Rebirth On The Basis Of Faith

This understanding must lead us to change, through our baptism, whereby, we become the offspring of the Last Adam. As such, we will become a new creation, born of water and Spirit, on the basis of faith in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ.

This is the ultimate expression of God's love, the giving of his Only Begotten Son, as a ransom sacrifice, for our sins, and thereby, facilitating the rebirth of man on the basis of faith, by means of the Spirit from God, the Spirit of which was also in Jesus Christ, our Lord. This becomes manifest at the time of our baptism, where we go under the water, by faith, and there we spiritually die in the likeness of Jesus death, and then, we receive the Spirit from God, the Spirit of which was also in Jesus Christ, when walking the earth as a man.

You Have The Prospect To Enter Into The Kingdom Of God As A Righteous One, Never To Die

This is the crowning achievement of godliness, the transformation into a new creation, with the Spirit of the Christ, within. When you come up from the baptismal water, God declares you righteous and you receive of God's undeserved kindness and you also receive everlasting life. By this action, you have complied with the entry requirements into the Kingdom of God, with Christ as King, and thereby, you have the prospect of entering into the Kingdom of God as a righteous one, never to die at all, provided you have not, in a literal sense, died before the coming of the Kingdom of God. You have become the progeny of the Christ, with peace, poise, love and goodwill. You have the prospect to

52

become circumcised in the heart, by Spirit, and thereby, you are declared to be clean, on the basis of the undeserved kindness of God. By the undeserved kindness of God, the Law of Consequences has been mitigated with reference to the man of faith. This is a source immense joy, to the baptismal candidate, as you consider the privilege to see only one power, which is the power of God and good. By your newly found consciousness, you have become one-power conscious. You have died with reference to sin and death, and thereby, you have become conscious of one power, which is the power of God and good. You no longer believe in two powers, of good and evil, because of the Spirit of the Christ, within. You have become truly free.

Notes:

Chapter 4

Self Control

Self Control Requires Power

Most of us understand that self-control, which is a fruit of God's Spirit, requires power. But where we have failed in the past is in taking possession of the power that can transform. This power is God power and it comes to us by Spirit. But, what spirit are we here emphasising. There is spirit in every living thing and there is Infinite Spirit, or God, the source of all Spirit and power.

The Spirit that Is From God

In our discussion, we want to focus on the Spirit, which is from God, the Spirit of which was also operative in Jesus Christ, our Lord. By laying hold on this Spirit, we will be able to cultivate the most powerful qualities, which are needed, in order to exercise self-control, as a fruit of God's Spirit.

Self-Control A Fruit Of Gods Spirit

Self-control is a word, much emphasised in the Bible, being part of the fruits of God's Spirit. Men of knowledge have considered it a necessary quality to have, which needs to be cultivated in order to enter the fourth dimension of the universe, which is the Plane of the Absolute, the God Plane.

This Book Is Written For The Upliftment Of Man

The Plane of the Absolute is the God Plane of existence and that plane can only be reached through the Law of Compensation, and the Law of Forgiveness, which is through Grace, by becoming conscious of consciousness of power. This book has been written with the ordinary man in mind, for the upliftment of the man and the woman, to bring about the change that is based on faith, which can preserve alive, its owner. Without self-control there can be no lasting success.

Without Consciousness of Power There Can Be No Self Control

On the other hand, without consciousness of power, there can be no self-control? Real power is displayed through self-control and unless we realise this fact we will not be able to progress to obtain love, lasting happiness, peace and success.

Lack Of Self-control was manifest From The Beginning Of Man

The history of mankind is a story, which is underwritten by a lack of self-control. This lack of self-control was

introduced to mankind at the beginning, in the Garden of Eden, when Eve wilfully displayed lack of self-control. There, in the Garden of Eden, Eve reached out to the fruit of the tree of the knowledge of good and bad, although having the understanding that this action would lead to death. As a result of reasoning, on the purpose of the tree of the knowledge of good and bad, Eve finally became convinced that the fruit was good for food; she yielded to satisfy her desire for the fruit, to which death was attached, as a retribution for their error, and the man and the woman ate. This action resulted instantly in changed consciousness, from a consciousness of abundance of good, to a consciousness of lack and limitation. This event ushered in the age of lack and limitation, with man being in possession of spirit that had been corrupted, by Adam and Eve's transgression, resulting in sickness and death.

The Age Of Enlightenment Has Arrived

We are living at the time of great changes where old values are being replaced with new ones and uncertainty can everywhere be found. The age of enlightenment has arrived and many are searching for a higher calling in life. This is the time of sober contemplation of the deep things of God, and there is a need to reach out to

knowledge and understanding that liberates and transforms, to give freedom from want.

Watchman What Of The Night?

Today, new universal laws are being discovered and old human values are being overthrown for the benefit of the greater whole. This raises the question: Watchman, what of the night? Indeed, the night is fast approaching and fearful indicators show that the survival of mankind, as a whole, may be at stake.

Faith That Can Preserve Alive Its Owner

Now is not the time to seek riches and wealth for ones own selfish gratification and pleasures? No, now is the time to cultivate the faith that can preserve alive its owner. Therefore, arise and look at the harvest and see that it is white for harvesting. Now is the time for sober contemplation of the deep things of God and take in the life giving knowledge that will lead to true faith and everlasting life.

Self-control Is Important For Success

Self-control is a vital quality, which is important in order for us to succeed in our lives, and therefore, we need power to exercise self-control. But where do we obtain this power. This power is God-power, by means of which we will be able to cultivate self-control. This power of self-control is a fruitage of Gods Spirit. This power can only come to us on the basis of faith. This book is written to helps the reader to grow in the knowledge and understanding, which must bring power to the reader, the power of which is from God, and that power will lead to self-control, with happiness, joy and peace by the Spirit of the Christ, within.

In The World There Are Two Powers, Good And Bad

But, by closer examination of all the facts, including applied knowledge, which gives understanding, we have come to believe in two powers. However, this understanding may escape our notice that there are two powers to which mankind has subjected itself, from the beginning. There is God-power and there is evil power. God-power brings about what is good and evil power brings about what is bad. Because man has accepted the power of good and the power of bad, from the beginning, he has accepted a consciousness of lack and limitations, which are the dominant thought forms in our lives.

However, with God, there is constancy, and with Him, there is not a variation of the turning of the shadows. With God, there is no consciousness of evil, nor is there any consciousness of bad, or of lack and limitation. These concepts are mind creations of fallen man, these are illusions, which dominate our thoughts and from there we bring forth every creation of good and bad.

What is needed is correct understanding, which belongs to the man who has a standing of righteousness with God, the Father. This understanding is based on a belief in one power, believing in God and good. Therefore, our belief in two powers must change and be replaced with a belief system that is free from error, which ultimately must be leading to truth.

Self-control Is A Fruitage Of Gods Spirit

We believe that we can obtain this power, which is from God, and that belief is rooted in changed consciousness, which is a product of faith, which is based on the ransom sacrifice of the Only Begotten Son of God, Jesus Christ, our Saviour and Leader. Self-control and faith are both fruitages of the Spirit, the Spirit of which is from God, and that Spirit was also in the man, Jesus Christ. But in the meantime, while we are contemplating our standing with God, the power of evil dominates our thoughts,

because we keep on giving power to what is bad by our thoughts of lack and limitations. We are conscious of two powers, of God and evil and that is a real problem that will bring to us pain, suffering, sickness, fear, insecurity and finally death. These are just a few of the problems we are creating for ourselves, apart from a lack of self-control.

Real Power Is From God, By Spirit

Everything that we want to accomplish in life requires power of one sort or another, and true, or real power, is from God, by means of Spirit and this Spirit was also in Jesus Christ. To obtain this power, which is from God, we need to become subjected to the transfer of Spirit, which is from God, the Father, given to men, on the basis of faith. This comes to us at the time of our scriptural baptism, which is on the basis of faith in the ransom sacrifice of the Only Begotten Son of God, Jesus Christ.

Dying In The Likeness Of Jesus Death

At the time of our baptism, we are required to willingly die in the likeness of Jesus Christ's death, which is based on faith. Here, we need to remember that Christ Jesus died with reference to the sins of the world, of mankind.

One man died for the benefit of many. Individually, we in turn also are required to die on the basis of faith, with reference to our own sins. Therefore, the person that has died, according to the scriptural injunction, will also be acquitted of all his sins, because he has died. The Greatest Book, ever written, bears witness to the fact that a persons sins are wiped out at the time of one's death. At that time, the person who has died has been set free from the accusation of sin, he is free from the effect of sin, because sin is no longer counted to him, because he is no longer conscious of any condemnatory thoughts, because, he has died.

Christ's Spirit Returned To God Who Gave It

This change takes place while we, in faith, are going under the baptismal water, and there, God gives us His Spirit, the Spirit of which was also in Jesus Christ, our Lord. It is good to remember that at the time of Jesus sacrificial death, on the torture stake, he breathed out his last breath and he died. At that time of his death, the Spirit, which operated in every cell of Christ Jesus body, left the body and returned to God, who gave it. The scripture indicate, in the Bible book of Ecclesiastes Chapter 12:7, that man, at the time of his death, returns to the dust and the spirit in man returns to God, who gave it. Now, that Spirit, which was in Jesus Christ is

Holy Spirit, which returned to God, and from that day on that Spirit is God's to give, to anyone, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ, our Lord.

You Are A New Creation Born Of Water And Spirit

After our baptism, we become conscious that we are a new creation, born of water and Spirit. Therefore, let's be humbled under the mighty hand of God, and become empowered, to do what is good, by the Spirit, within, by means of changed consciousness. This must manifest in a transformed personality, which is to be like that of Christ Jesus's, because of the Spirit, which dwells in us, the Spirit of which was given to us by God, and that Spirit was previously operative in Jesus Christ. This is a remarkable and glorious transfer of Spirit, which causes the recipient to be changed at an instance. Therefore, a new creation is manifesting in a Christian personality.

By Christ's Spirit We Cultivate The Fruitage of Gods Spirit

By the power of that Spirit, which now supports and operates our Christian life, we have the power of Holy Spirit, which was also operative in Christ Jesus, our Lord and the power of that Spirit allows us to cultivate the

fruitage of the Spirit, according to Paul's writings to the Galatians, in Chapter 5. The fruitage of the Spirit, according to the book to the Galatians, Chapter 5:23, must include love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control.

We Are The Progeny Of The Christ

We are here reminded, that in fact, we are a new creation born of water and Spirit; and by this process we have been born again, we have become the progeny of the Christ, and in addition, we also have become the offspring of the Last Adam. We are declared to be Sons and Daughters of God, by adoption, through Jesus Christ, our Lord. What a wonderful understanding of the deep things of God. This knowledge and spiritual comprehension will help us to believe in only one power, which is God and good.

Why can we say this with a measure of certainty? This is true understanding, which we have by means of the fact that Holy Spirit gives no recognition to evil and no recognition to bad, because bad has no principle, and therefore, bad can always be replaced or destroyed by additional good. This is the change that every Christian has to experience, in order to be set free from the urges of the fallen flesh. By our baptism we have become conscious of being clean and Holy, as adopted children of God. In addition, we have also become conscious of

65

having received of God's undeserved kindness, which has the power to mitigate the Law of Consequences. This means that any incidental minor error, or sin, which becomes manifest after our baptism, is nullified by God's undeserved kindness, thereby, setting us free from a consciousness of sin and death. This is the ultimate consciousness, which leads to freedom as children of God.

Adam Had To Exercise Self Control But Failed

From the beginning of man, lack of self-control was introduced to mankind, when Adam and Eve ate from the proverbial tree of the knowledge of good and bad. It was a time of change, and self-control was the fruitage of God's Holy Spirit, which had to be displayed, or exercised, by the first human couple. However, they failed to exercise true faith, by giving way to reasoning on the right or wrong of taking and eating of the forbidden fruit.

Why do we make this statement? Because, every fruit of the Spirit is part of perfect man's way of life and this must included self-control. In fact, there are nine fruits of the Spirit that are in support of man and these are love, joy, peace, mildness, kindness, goodness, faith, long suffering and self control.

Self-control Demands from us One Power Consciousness

Self-control requires a pre-condition, which is supported by belief, and that belief demands to see only one power, which is God and good. For this reason, a tree was indicated to the first human couple, in Eden, with a given limitation, not to eat of the fruit of the tree of the knowledge of good and bad. In fact, they were not to touch the fruit of the tree of the knowledge of good and bad, in order for them not to die.

This commandment came from God, the highest authority in the universe, which entered the subconscious domain of the mind of man, as an absolute. However, for Eve, there was a clarification, which she desired to be given, which raised the question; why should Eve not be eating from the fruit of this tree, when Adam and Eve were told to eat from every tree of the garden to satisfaction? Eve started to reason on this subject of the rightfulness of the limitation imposed by the tree of the knowledge of good and bad. Eve started to cultivate a strong desire, which was directed in wrong channels of thought. That desire was for the fruit of the tree of the knowledge of good and bad. Strong desire directed in wrong channels of thought, must bring in the bad or the good from the Law of Attraction, it matters not to the Law of Attraction.

Eve failed to consider the fruit of the Tree of Life, which was also indicated to her and that tree was also in the middle of their garden home. Her faith in God had become marginalised, by her reasoning on the subject of the rightfulness of God's requirements, not to eat and not to touch the fruit of the tree of the knowledge of good and bad.

With God There Can Be No Bad

Eve should have exercised faith in God's word, believing that with God there can be no bad, because bad has no principle and can always be destroyed by an additional good. Therefore, by an additional good, the temptation of eating from the fruit of the tree of the knowledge of good and bad would have vanished. This additional good would have come to the first human pair by eating from the fruit of the other tree, the Tree of Life, which was also in the middle of the Garden of Eden. This tree, which was in the middle of their Garden Home, was the Tree of Life. They failed to eat from the latter, and Adam and Eve were aware of the fact that to one tree death was attached and to the other tree eternal life was given to the eater. It was a catastrophic mistake to reason on a direct commandment from God, whereby; they paid attention to the tree of the knowledge of good and bad and they cultivate desire for the forbidden fruit, desire that was directed in wrong channels of thought. Remember the Law of Attraction responds to thoughts

directed in any channels of thought, which then is leading to either good or to bad, it matters not to the law.

Eve Reasoned On The Law of God - Not By Faith

Eve reasoned on the matter of good and bad. Why should she not have eaten from the tree of the knowledge of good and bad, when the fruit appeared to be good for food? Her Spirit would not have allow her to take and eat the fruit of the tree, because her conscious mind, which was the guardian, or the watchman, over the protective life functions of the subconscious domain. Subjecting her conscious mind to error would have serious consequences. Eve desired to be convinced herself that what she was about to do was good for her, which in the finality led to the creation of an illusion and the manifestation of an intelligence manifesting in the speaking serpent. The intellectual communication, which took place between the speaking serpent, convinced Eve that what she was about to do would be good for her, and she ate. Eve changed her own belief system in her sub conscious mind, and she started to believe in two powers, of power of good and in the power of bad, when in fact, there was only one power, the power of God and good. Eve was deceived, by her own mind, be her own

desire, when she accepted the power to do that which was indicated to her, by God, to be bad.

The Exercise Of The Fruits Of The Spirit Required God Power

Violating her subconscious mind should have been no option for Eve. She should have exercised the power of self-control, which was a fruitage of the Spirit, and as a result of this, Eve would have been able to prevent the taking of the fruit and eating it. But self-control, as a fruitage of the Spirit, operated in Eve, among the other eight fruitages of God's spirit, mentioned previously. The exercise of self-control and the operation of all the nine fruits of the Spirit, required power from God, the power of which, was in plentiful supply, because of the righteousness that was in them. However, Eve's strong desire, directed in wrong channels of thought, blocked access to the power of self-control.

Desire Needs To Be Directed In The Right Channels

What Eve failed to appreciate, was the fact that desire for a godly person needs to be directed in appropriate channels of thought in order to operate for her benefit. However, Eve cultivated desire for something that would bring death. This was inappropriate and not the right

70

thing to do for a righteous person. Such a desire was contrary to God's will and purpose, and therefore, it could not be beneficial to her. In fact, it would lead to alienation from the source of all power and Spirit, which must lead to death, for her and her husband and the offspring after them.

Eve Kept On Looking At The Tree Of Good And Bad, Cultivating Desire To Obtain Its Fruitage

In addition to wrongly directed desire, Eve kept on looking at the fruit and allowed her desire to become stronger. Her subconscious mind could not support her desire, and therefore, she allowed persistent and forced desire to motivate her. Thereby, she create an intelligent creature, an illusion, in order to reason with this creation on the subject of right and wrong of eating of the forbidden fruit. This led her to being convinced that eating from the tree of the knowledge of good and bad would be good for her. Here we want to be reminded that Adam and Eve were creators, made in the image and likeness of God, their Father. Creating an illusion that would lead to what is bad should have been no option. However, their persistent desire, directed in wrong channels of thought, brought about the creation of an illusion, which was a fictitious thought creation. A

speaking serpent manifested, as part of this illusion, and that serpent reasoned with Eve in support of her desire.

Eve Created Belief In Two Powers

During this reasoning process and by the dialogue that followed, Eve became convinced that eating of the fruit of the tree of the knowledge of good and bad would be of benefit to her. Through her reasoning, Eve created a belief in two powers, when in fact there was only one power, God and good. Eve gave power to the concept of evil, which operated in opposition to God power. By this power, which is in opposition to God power, Eve became convinced that eating from the tree of the knowledge of good and bad would be good for her.

A Secondary Power was Created By An Illusion, Which Manifested In The Speaking Serpent

As a result of this transfer of power, the power, which Eve had from God, Eve was able to give some of her power to the speaking serpent. Thereby, Eve marginalised her God given power and gave some of that power to the serpent, the power of which was nothing more than an illusion. As a product of her illusion, a secondary power was created, which would give her the belief that eating from the fruit of the tree of

the knowledge of good and bad would be good for her. This illusion brought about an imaginary and illusionary power, which was in opposition to God-power and when obeyed, it would rob Eve of God-power, which became manifest by cutting access off from God's Spirit.

Evil Was Born Leading To Death

As a result of this process, Eve changed consciousness, from a consciousness of abundance of what is good, to a consciousness of abundance of what is bad. Evil was born, to bring to man every form of badness, leading to sin with anxiety, fear, worry, insecurity, sickness and finally death. The devil was born.

By Her Desire, Eve Became Weakened In Her Power To Do Good

Eve became convinced that what she was about to do was good and beneficial for her, and as a result of this, Eve became isolated from the source of all Power, which is God and good. She became weakened in her power to do good and she became strengthened in the power to do bad, resulting in her taking of the fruit of the tree of knowledge of good and bad and eating it. Later she also gave some of the fruit to Adam and he ate.

Adam and Eve's Sin Changed Consciousness

As a result of this, Adam and Eve instantly changed consciousness, from a consciousness of super abundance of what is good to a consciousness of lack and limitation. Adam and Eve became instantly conscious of not having enough, and thereby, they displayed a lack mentality, which brought sickness and death to Eve and her husband and to the entire human family. Adam manifested this lack mentality, in the Garden of Eden, by covering his loins. When God ask Adam why he was hiding himself from God, Adam replied to God, saying: 'I am ashamed, because I am naked'. Then God answered and said: 'Who told you that you are naked'? Have you eaten of the fruit of the tree, of which I commanded you not to eat? Then God gave them a loin covering. Adam and Eve became flawed for life, which led to lack of self-control.

Adam and Eve Created An Illusion To Believe In Two Powers, Good And Bad

Adam and Eve had unlimited power from God to display perfect self-control, being a fruitage of the Spirit, Holy Spirit. However, by forced and uncontrolled used

of desire, as was the case when considering the fruit of the tree of the knowledge of good and bad, Adam and Eve created an illusion, a thought creation of an imaginary power in opposition to God-power. By this illusion, they became convinced to believe, that by taking from the fruit of the tree of the knowledge of good and bad, they would be like God, knowing good and bad. This plunged humanity into isolation from God and they began to display a mental condition of lack and limitation. The lack mentality was born, which led to a life of limitation and isolation from God, the source of all power and love. They began to believe in two powers, of good and bad, which led to their isolation from God power.

Evil Was Born By Forced Desire

Adam and Eve created a power, based on an illusion, which was in opposition to God. That illusion was the product of evil, or error. However, bad has no principle, and therefore, bad could always be destroyed by an additional good. Today, mankind, as a whole, believes in two powers, in God and good, as well as believing in the power of evil and bad. By this duality of belief, man found himself to be isolated from the source of god-power. They obeyed an illusionary source of power, which is a thought creation of fallen man and this power has no right to exist, it is in opposition to God-power. Man's tragedy unfolded and to this end, the history of

75

mankind is written in fear, violence, sickness and death, which serve us to be our witness.

The Law Of Compensation, Gods Way To Bring Change

Today, we are in a situation of a similar magnitude, as that which took place in the Garden of Eden. God has come to our rescue by means of the Law of Compensation. By this law, the righteous life of the first man, which was lost at the beginning, had to be compensated, or replaced, with another righteous life, of equal value to the righteous life that was lost. This came about through a man, who came in the likeness of Adam's flesh and that righteous man was Jesus Christ, who is destined to become our King, High Priest and Leader.

The Messiah Had Come To Change Mans Consciousness

The written account in the Bible bears witness to the prophecies in support of the coming of the Messiah, the Christ. Man had changed consciousness in the Garden of Eden, from a consciousness of super abundance of good to a consciousness of lack and limitation. They started to believe in two powers, the power of good and the power of bad, instead of a belief in one power, God

and good. The Messiah had been given the assignment to change the consciousness of man, from a consciousness of lack and limitation to a consciousness of super abundance of good. This change is now taking place with startling accuracy. Mankind is in need to embrace this good news.

For us There is But One Power, God and Good

The power, which was needed to display self-control, was lost at the beginning, and this power needs now to be restored. This means, that all of us, on earth, are to benefit from a new power, which is god-power. First of all, we have to understand that there are not two powers, good and evil, but rather, there is for us only one power, which is God-power leading to an abundance of good.

The Messiah, The Last Adam

Today, the Messiah, or the Christ, who has come a long time ago, became manifest on earth as the son of man, the Son of God. This one is righteous and Holy and he proved this by a life of righteousness on earth. He was indeed the Messiah, the Son of God and the Last Adam, who was promised to come. Through Christ Jesus, our Lord, all mankind can change consciousness and take on the Christ, within, on the basis of faith in the ransom

sacrifice of the righteous life of Jesus Christ, and thereby, belief in one power, in God and good.

By Love God Gives us His Spirit Which was Also in Jesus Christ

On the other hand, God will do His part and that would include giving us His Spirit, the Spirit, which was also in Jesus Christ, our Lord. This would lead to obtaining a changed consciousness, being restored to God's favour and receiving the gift of eternal life. All the things necessary, for anyone, or all, is to exercise faith in the Last Adam, or in the Christ, and be born water and Spirit. It is by a living faith that a person would change consciousness, from lack and limitation to a consciousness of super abundance of good. This 'good' would include an abundance of power, which is from God, and by that power we are able to produce the nine fruits of God's Spirit, which also includes self-control. This causes us to be happy, being at peace.

The Biggest Change Takes Place On The Basis Of Love

By means of Spirit, which is from God, the Spirit of which was also in Jesus Christ, the biggest change in man is taking place, as an act of God's love and this to His praise and glory. This change can come to anyone

by means of the scriptural baptism. In addition, we are to receive the blessings of the undeserved kindness, which is from God, which is also known to us as the Law of Forgiveness. This makes us perpetually clean and happy, so as to receive of God's blessings, and in the end, everlasting life.

Take In Knowledge Of Gods Word

In this process, we are to take in knowledge of God's Word and of the life of the Only Begotten Son of God, Jesus Christ. This we can do, first of all, by reading and studying the four gospel accounts in the Bible. Thereafter, we are to express faith, in the things learned, and exercise faith in the ransom sacrifice of the righteous life of Jesus Christ. At the time of our baptism, we are required to die in the likeness of Jesus Christ's death. He died with reference to the sins of the world of mankind. We in turn are also to die in the likeness of Jesus Christ's death. He died for the sins of the world of mankind, and you also, die in like manner, in reference to your own sin.

Be Willing To Exercise Faith In Christ

You in turn need to be willing to exercise faith in Gods provision for salvation, and die with reference to your

own sins, by being submerged under the baptismal water, where you die in a spiritual way, as to your own sins. Thereby, you are being set free from the accusation of sin through the ransom sacrifice of Jesus Christ. This is so, because the scriptures stated; that anyone that has died has been acquitted from all his sins. By your willingness to die, at the time of your baptism, dying in the likeness of Jesus Christ's death, you are set free from the accusation of sin, and as such, you are also set free from the dominance of death.

God Gives You His Spirit, Which Was Also In Jesus Christ

Because you have done this, God now gives you His Spirit, which Spirit was also in Jesus Christ, and by this act you come alive with reference to the Spirit of Holiness. You are in fact a new creation, born of water and Spirit, which gives to you entry into the Kingdom of God, with Christ as King. As you come up from the baptismal water, you take in your first breath and God declares you righteous, and He gives you Undeserved Kindness, or Grace and everlasting life. This is a new creation, indeed.

You Are A New Creation Born Of Water And Spirit

You are now a new creation, a Christian, with the Spirit of the Christ now operating in you. You have become conscious of harmony with God, by the Spirit, within. As a result of this, you are to have whatsoever you desire and you take possession of it, at the time of asking and it will manifest.

Circumcision of The Heart By Spirit

Because you have the Spirit of the Christ, within, you have in fact Holy Spirit operating in every cell in your body. By this Spirit, you can now receive the circumcision of the heart by Spirit, and thereby, you are declared to be a Son of God, or a Daughter of God, by adoption. You are happy and you cannot be judged at the time of God's judgement of the nations, at Armageddon. You are clean.

You Can Exercise Perfect Self Control

Therefore, as to self-control, you now have the power, which is from God, to do the things willed by the Spirit, within. In fact, you have become conscious of consciousness of power, and thereby, you can exercise perfect self-control by means of the Spirit, which operates inside of you. Where Adam and Eve failed, in

81

their exercising of self-control, you, the one that has the Spirit from God, the Spirit of which was also in Jesus Christ, you have succeeded and are standing firm in faith with a consciousness of super abundance of good.

There Is Super Abundance Of Good For All Of Us

A person who has perfect self-control can also control the world. This you can also do, as you walk as one who is fully pleasing God in all your ways. There is no longer any lack and limitation in anything you desire. All things are possible for you as you venture out into the world with a new conscience, a consciousness of super abundance of good. You can conquer the world, as Jesus Christ also conquered the world. You are a super human and nothing is impossible for you.

Moved By Unlimited Power From God

You have a consciousness of abundance, of all that is good, and you are moved, by the unlimited power of God, to display the fruitage's of the Spirit, which are love, joy and peace, mildness, kindness, goodness, faith, long suffering and self-control. You are happy in walking as a Son, or Daughter, of God and nothing is impossible

for you. You have changed consciousness and all things are possible with you, be reason of the Christ, within.

Use Your God Given Power Wisely

Use your God given power wisely and the peace of God, which excels all thought, will guard your heart and vital power by means of Jesus Christ, our Lord. You are a Son, or Daughter, of God; you are the progeny of the Christ, and the offspring of the Last Adam. Enter into the Kingdom of God, with Christ as heavenly King, and enjoy growing to perfection over the 1000year rule of Christ, the King, being in the Kingdom of God.

People Are Searching For A Way Forward

The unthinkable has taken place. Thousands of years of mankind's journey to the presence were dominated by lack and limitation, of every kind. This lack mentality is about to come to an end. Changes are everywhere to be seen and people are searching for a way forward, to a better life, with a better understanding of one's destiny.

The problem of self-control is universal in scope. Most people have given up in trying to improve their understanding of the forces at play. But the problem has

always been a lack of accurate knowledge and the lack of understanding of the things pertaining to life, itself. Many have made much progress in the new psychology to find the answers to the complexity of life. However, time and again, they fail to see the bigger picture. They are lacking in self-control, and that is why, there are wars and human conflict.

Reaching Out To The Last Vestiges Of Lack Of Spiritual Comprehension

This is now changing as mankind reaches out to the last vestiges of lack of spiritual comprehension. Now, we can overcome guilt and fear, as we reach the ultimate plane of existence, the God Plane. The search is on for a fuller understanding of our spiritual identity, which must lead us to the conclusion that we are first and foremost spiritual. Therefore, the progress, which we desire to make, must include our spiritual identity.

Grow In The Knowledge of God

This book deals with the power of Spirit, in order to conquer human weaknesses and shortcomings. However, without a thorough knowledge of the deeper things of God, we will time and again fail to comprehend what the

will of God is in the out-workings of human destiny. This article, which has been written for your enlightenment and encouragement, needs to be studied in depth and read often, in order for you, the reader, to grow in the knowledge of God and to have a peaceful and poised life.

Understanding Human Destiny

There are many articles written, like this one, discussing the deeper things of life, which are essential for our personal growth. It is the desire of the writer that many more come to an understanding of human destiny with insight into the deeper things of God. This must include the things pertaining to the life and death of the Last Adam, Jesus Christ, our Lord.

Read This Book Often

Please read this short book often and by doing so you will be able to grow new brain cells with which to fully understand the thing spoken about, in this book. Please, continue in the way of enlightenment and grow in spiritual understanding of the deeper things of life. May you be blessed, as you apply yourself, to the reading of the Word of God in an undertone day and night?

Notes:

Chapter 5

By Peace, Love And
Goodwill

By The Love Of God We Will Have Peace And Goodwill

We have come to embrace life, and have life in abundance, with peace, poise, love and goodwill, and by this, we will be able to dissolve all negative thought vibrations, today and into all eternity, even forever. This we are able to do, because of the love of God, which is manifest, within, by means of the Spirit from God, the Spirit of which was also in our Lord, Jesus Christ, while walking the earth, as a man, in the likeness of the flesh of Adam. This is God's expression of love, which was not known by man until the manifestation of the ransom sacrifice of the righteous man, Jesus Christ, our Lord, King, High-priest and Leader.

By The Undeserved Kindness Of God We Are Declared Clean And Holy

Anyone conscious of this truth, the truth, which manifest in our lives, by having the Spirit of the Christ, within, we are irresistibly drawn to God to manifest harmony between man and God and that to God's praise and glory. This manifestation of Holiness, within, is by means of Jesus Christ, our Lord, King, High Priest and Leader. This Holiness, of ours, which is from God, is subject to the undeserved kindness of God. By means of God's undeserved kindness, we have become clean, as children

88

of God. Thereby, we have become conscious of being clean by reason of the mitigation of the Law of Consequences. The undeserved kindness of God continuously cleanses us of all minor sins.

By The Christ Within We Have Become Godly Thinkers Bringing About An Abundance Of Good

We are nothing but joyful, in consciousness, of having been given the Spirit of the Christ, within. By this changed consciousness, our thinking has changed, and thereby, our thoughts have changed. This changed consciousness has changed from a consciousness of lack and limitation to a consciousness of super abundance of good. This consciousness of good brings about perfect self-expression, manifesting in the perfect square of life, which brings about perfect health, perfect wealth, perfect love and perfect happiness. We have become conscious of being godly thinkers, and thereby, we will bring about whatsoever we think about.

We Love, Because, God Loved Us First

Since we have become conscious of being clean, our thoughts have changed, to think only harmonious

thoughts, which are of a Christ-like nature. What we think about this is what the Spirit, within, brings about and that Spirit is Holy Spirit. The Spirit of God, in man, cannot bring about anything bad, because bad has no principle, it is nothing more than an illusion, which is the product of fallen man's vein imaginations. To the contrary, we think only godly thoughts, in imitation of the Spirit of the Christ, within. Thoughts of love, which are based on faith, are what Christ Jesus manifested in his daily conduct, while walking the earth as a perfect man. We will focus no longer on the things of the world; rather, we imitate God, the Father, and Christ Jesus, His Son. We have a consciousness of love, and by that love we have come to know God, because God is love. We bring about the product of love, for the benefit of all those who have come to know God, because God is love.

The Law Of The Undeserved Kindness Keeps Us Clean, It Is, Above all other Laws

Minor sinful inflection, because of the weakness of the flesh, which has been corrupted and weakened over the length of our lives, are made to no effect, due to the God given undeserved kindness, which mitigates the Law of Consequences, because the Law of Undeserved Kindness is above all other laws. This Law of the Undeserved Kindness is given to us by God, in order to

reinforce, within us, a new consciousness, a belief, which has the power to keep us Holy and clean, at all times. This very fact causes us to be joyful and happy. This in turn gives us freedom of speech, before God and men. Therefore, as a result of this, we are a blessing to all those who pay attention to the things we speak about.

We See God In Every Face And We See Good In Every Situation

Due to changed consciousness, we have become very desirable, in God's sight, and God's blessings rest upon us for the benefit of all those who listen to us. We see God in every face and good in every situation, and that makes us masters of all conditions. We are indeed blessed. We will not yield, to judging our fellow man, because we see in every man the full potential, in his ability to do what is good. Every man is endowed with the same potential to do what is good, as is indeed the man of God. Therefore, the poorest and indeed also the richest person have the same potentiality: to do what is clean and good. It does not depend on the present condition of the individual, rather, it depends upon a persons desire, to be and do that, which he has come to understand to be his destiny. Individuals, according to the divine design of their life, may reach out to obtain that full potential, which is indicated to them, as a possibility, as a reality.

The Ransom Sacrifice Is Available To Us All On The Basis Of Faith

We need to remember that the ransom sacrifice of the righteous life of God's Only Begotten Son, Jesus Christ, is available on the basis of faith, for every man and woman, of every person, alive. The ransom sacrifice is available, to us all, on the basis of faith. All we have to do is to reach out for the free gift, of God, whereby; we cultivate the desire to imitate the Christ. Accomplishing this, we can become the offspring of the Last Adam, who is the Wonderful Councillor, the Eternal Father, the Mighty God and the Prince of Peace, according to the words of Isaiah 9:6, which can be found in the Greatest Book ever written, the Bible.

To Love, Joy, Peace, Mildness,
Kindness, Goodness, Faith, Long
Suffering and to Self Control
There Is No End

To the splendour of God, and to love, joy, peace, mildness, kindness, goodness, and faith, long-suffering and to self-control there is no end. Rise up and see the splendour of the dawn, the everlasting glory of God, as it is manifest in the ransom sacrifice, of the only begotten

Son of God, Jesus Christ, our Lord, King, High Priest
and Leader, today and even forever and ever.

Notes:

Chapter 6

Remember The Wife Of Lot

A Reflection

Some, who are inclined to read this article, may be in need of this timely reminder, to remember the wife of Lot. There are over 2 billion Christians who belong to the Christian faith and these are not the only ones in need of this reminder. Humanity, as a whole, needs to become one-power conscious and get to know the one that loved us first. This One is Universal Mind, or God, who, while we were yet in darkness mentally and alienated from the light that belongs to the Life, gave His Only Begotten Son as a propitiatory ransom sacrifice for our sins. We in turn, are encouraged to get to know God and learn to love God, His Christ and our neighbor as we love ourselves. This love must be firmly rooted in the belief of one power, which is the power of God and good. You cannot love God and believe in the power of good and the power of evil. By being conscious of evil, you will time and again create evil by your attention to that, which is bad and evil.

Knowledge That Can Preserve Alive

Treasure this book and become the owner of the knowledge that can preserve alive its owner. Read this publication often and retain this information in your memory, as your own. Reach out to many of the other

writings, which have been published by the Thought Revolution Publishers.

In the days of Lot, there were calamitous days, which Lot and his Family had to face. Lot and Abraham were cousins, and Lot had departed from the company of Abraham, after sharing the land, which was indicated to them by God. Lot chose the more fertile area of the Jordan River valley, which was the land that was occupied by the enemy of God's people. Lot finally settled among the people of Sodom and Gomorrah and it was there, that two, young and good-looking, men, who were the messengers of the true God, visited Lot.

Preservation of the righteous

The two men were messengers of the true God and they took up lodging with Lot. Sodom and Gomorrah were prosperous cities, however, the inhabitants were sexually depraved. The occupants in that city preferred to have intercourse, man with man and woman with woman, and they practiced a form of sexual intercourse that is inappropriate and this practice was and is a grave sin. This was the environment in which Lot with his wife and two daughters dwelled.

The visitors were welcomed in a traditional middle eastern way; and they took up lodging in Lot's house, and there, they were entertained and given protection.

When the townsfolk came to know of the visitors in Lot's house, then they came and requested the release of the two men, into their hands, in order for them to have inappropriate sexual intercourse with them. Lot, on the other hand, was not prepared to violate the hospitality offered to his visitors. The final outcome was plain for Lot; he refused to allow his guests to be violated, in a sexually depraved way. This action, on Lot's part, attracted God's blessing.

Lot Had Merited Gods Favor

The two men that visited Lot, made the purpose of their visit clear, and they stated that God had taken note of the deprave conditions, which were prevalent in the two cities of Sodom and Gomorrah. These two cities and their inhabitants were about to be subjected to destructive natural forces, because, there was no one, apart from Lot and his family, who were in need of salvation. The handsome visitors were in fact messengers of the true God. They had come to warn Lot, and his family, of the impending destruction of the cities and they indicated that God had favored Lot and his family with salvation. Here we want to remember that by the witness of two truth is established.

God-Ordained Salvation Always Requires Sacrifice

The destruction would come upon the two cities including the dwelling place of Lot and his family. There was no time to be wasted, because the destruction was imminent. In that day, Lot took his wife and the two daughters and they left Sodom and Gomorrah, led by the two messengers, to find shelter in the nearby mountains and the adjacent town, which would be spared from the destructive forces. They were expected, to take none of their belongings with them. Here we need to understand that Lot's family was well off and they had a good life, which they were to leave behind. This was a sacrifice, Lot was expected to make, on the basis of faith, in the light of the impending calamity and the urging of the two messengers of the true God.

Obedience to God Given Direction Are Essential For Survival

According to the instruction, delivered by the two messengers of God, Lot came to understand that the survival of his family required following the instruction of the two messengers in every detail. After all, this was an instruction from God, who is the source of all wisdom and power; who is the God of salvation. The direction given by the messengers was not to stand still, and not to look back, at the destruction of Sodom and Gomorrah. Compliance to these directions required obedience by faith. Lot's wife desired to take some of her belongings

with her, but the messengers of the true God stated that none of their belongings were to be taken along. The messengers of the true God warned Lot again, not to take anything along on they're way to the mountain of safety. Furthermore, they added that Lot and his wife were not to stand still and not to look back as they were on the way to God directed safety. We need to understand that this restriction, given by the messengers of the true God, had to be obeyed, by faith. Only faith would attract the blessings of God and that faith would, and did, work out righteousness with God. This is a powerful message, from which we can learn many things as we face the greatest calamity ever to come upon the whole of mankind. It is faith that has the power to preserve alive its owner, because faith works our righteousness with God.

Lot's Wife Looks Back

After leaving the city, and under the guidance of the two visitors, they reached safe grounds. Then, the two visitors left Lot and his family, and thereafter, the messengers of the true God were not seen again. Sudden destruction came upon the two cities as was spoken of by the messengers, of the true God. It rained down fire and sulphur and destroyed everything, including the two cities and its inhabitants. As they continued on the way to safety, it was the wife of Lot that looked back, and as a result of her disobedience and her lack of faith, with

100

respect to the instruction of the two messengers of the true God, she died instantly and she was turned into a pillar of salt.

Seeing Only God And Good Brings Salvation

Some of us may think that this was a very severe punishment for such an insignificant error. However, we need to be careful to pass any such judgment on this situation. We have to remember that Lot and his family had received of God's protection, during their journey to safety, to the nearby mountains. That protection was based on the undeserved kindness of God, and that kindness is not without preconditions; it required obedience by faith, in compliance with the instructions received from the two visitors. Lot and his family were instructed not to look back. Their salvation from God, in this instance, would be based on faithful obedience to the God given command. Lot and his family were expected to see with eyes of faith, seeing only God and good. That faith would have worked out righteousness with God. Their salvation required, of the family, to look ahead, as seeing the one who is invisible, because in front of them was God and their salvation. An act of faith would have pleased God well and that was the minimum requirement, for Lot and his family, to obey. The act of faith required that Lot and his family kept on walking in

faith toward their salvation. In like manner, we also, as we are facing grave calamitous condition, during the great tribulation now so close at hand, we have the need to live by faith and not by work's. Our salvation is in Christ Jesus, because we have his Spirit, within.

Explicit Compliance to Gods Command Is An Act Of Faith

This command, not to look back, may seem strange when they were already on the way to safety. However, their life was spared, not because they were righteous, but because of God's mercy and God's imputed righteousness, by faith. This action on God's part, to provide safe passage to the mountains, required explicit compliance, as an act of faith, to prove that they were worthy of God's protection. This was so, because faith worked out righteousness with God. Therefore, the command was given, not to look back, which required obedience by faith. This was not a time to reason on the rightfulness of the command, which was communicated to them by the two messenger of the true God. This was not a casual affair. This was a matter of life and death. Remember, by the witness of two, every truth is established. Therefore, Lot and his family was blessed, having received the instructions by two witnesses. It was truth to them, and this truth needed to be obeyed.

Lot And His Wife Were Under the Belief In Two Powers, God and Evil

God operates on the Plane of the Absolute, the God Plane of existence. Although, we understand that Lot was conscious of two powers, of good and evil, however, Lot had not as yet received the blessing of Christ Spirit, within. Therefore, instead, they could draw benefit from God's mercy, on the basis faith in the God given direction, not to look back. While walking in faith, they were under the God given protection. During that time, there was for them only one power, and that was, the power of God and good. In addition to the above, we also have to realize that Lot and his family were under instruction not to look back and that on the basis of faith. With the powers, which were at play, it should have been an unthinkable thing to disobey the God given command. It was necessary for Lot and his wife to show this faith that can preserve alive its owner. Lots wife failed in this regard. May we never forget to show the kind of faith that can preserve alive its owner?

We Have To Learn To Believe In Only One Power, God And Good

Lot and his wife were expected to act in faith and not according to her reasoning, her emotions or her desire

for the things left behind. That desire was misplaced, because it was based on a belief in two powers, the power of God and the power of evil. That belief, as displayed, resulted in expressing a lack mentality and a lack mentality was a sin, and therefore, it was unclean. During their journey to safety, they were under the protective power of God, and obedience by faith was the minimum requirement for them. Obedience, as in the case of Lot and His wife, would bring about righteousness with God, on the basis of faith. Lots wife failed to appreciate God's way of doing things, by placing her desire ahead of what God required. As a result of putting her desire first, she paid the ultimate price for her error. According to the Law of Attraction, Lots wife could attract the good or the bad, it mattered not to the law, it was subject to her thoughts. Instead of salvation, Lots wife attracted destructive power, which was based on fear, which was based on a lack of faith. This destructive power, which was to come on the two cities of Sodom and Gomorrah, did also come upon Lots wife, according to the operation of the universal Law of Attraction. This is a most powerful reminder to all of us, as we are facing a much greater destruction during the final part of the days, when we finally face the fall of the proverbial Babylon the Great. The Bible Book of Revelation helps us to appreciate, and giving us the understanding, that Babylon the Great is the global Empire of false religion. It is unclean and it must go.

We Have To Learn Form The Error Of Lots Wife

What has happened to Lots wife is a stark reminder to all of us today, to see our situation in the right light, in the light of revealed understanding. We are entering a calamitous period of an even greater magnitude than that, which came upon the cities of Sodom and Gomorrah. We are to take note, because God again will provide safe passage for his people through and during the destruction of this system of things. We would be wise to consider this account in great detail. The time will come, and it will be sooner than we may think, when humanity as a whole will face a calamitous situation of a much greater magnitude, than that, which took place in Lot's days. Having witnessed the destruction of the religious Harlot, Babylon the Great, the way is open for the destruction of the political powers of this world. These are the enemies of the Kingdom of God, with Christ as King. All of these remaining political and commercial elements, of this world, which are in opposition to God's Kingdom, will experience the wrath and destruction, by God, through the agency of the Kingdom of God.

Belief In God And Evil Cannot Please God

The whole world of mankind is under the Karmic Law, that is; 'you reap what you sow'. We can also say that the powers to be, and all their followers, believe in two powers, in God and evil. This belief system cannot please God, because it is based on two powers, of good and bad. However, bad is nothing, and therefore, bad can only exist in the consciousness and vain imagination of fallen man. Therefore, those who have God's blessings, at that critical time, who are the Holy ones of God, who have died in the Lord, their belief is in One Power, which is the power of God and good. They are single minded and they are in harmony with the Father, God. That belief is going to be put to the test, in every one of us, therefore, we have the need to get to know the Father and his only begotten Son, Jesus Christ, and that knowledge must lead to the kind of faith that can preserve alive its owner.

We Have To Be Single Minded To Belief Only in God And Good

This will be a time, when the Holy ones seeking safety on the basis of their faith. We have to be clean and Holy and be obedient to the commandments of God and have the faith of Jesus Christ. We have to be absolutely single minded, because we are under the direct protection of God and of His Christ. That would mean that we have to believe and act, unswervingly, in support of this one

power, which is God and good. That faith must manifest in a consciousness of one power, the power of God and good, which will show itself in a solid and unwavering faith.

Attract The Smile Of Approval Of The One Who Judges In Righteousness

That time will not be a time to longingly looking back with strong desire for the things left behind. That would be a gross lack of faith. Nor do we want to be looking back, in fearful expectation of the destruction that will come upon this system of things, as though there may be any benefit in doing this. Rather, we want to be like our Father, God, and His Christ, having one-power consciousness, of God and good, Holy and righteous. This is the consciousness, which attracts the proverbial smile of approval of the one who judges in righteousness. Looking back at that time, to the things left behind, is nothing more than a gross lack of faith. Behind us is a failed system of things, which is based on a belief in two powers, of God and evil. A belief system in support of two powers could make all humanity unfit for purpose. Let us, instead, make sure that this may never happen to anyone of us, who have the faith of Jesus, as we face the upcoming time of destruction of this wicked system of things. We want to understand and have the faith that in

front of us will be the splendor, the beauty and the glory of seeing only one power, which is God and good, leading us to the safety of God's Kingdom, with Christ as King. The radiant manifestation of glory, and the brightness of the eternal light, will radiate from the eternal father, who is the Christ. This spiritual light will lead us to fountains of water of life with health, wealth, love and perfect self-expressions, which is the perfect square of life.

Victory Belongs To Those Who Have The Faith To Preserve Alive Its Owner

This will prove to be a time of splendor and glory never seen before and the joy that will be ours will become manifest, as we behold the kingdom of God, with Christ as King, opening for us the proverbial doors into the Kingdom of God. We will be there to see it. This is victory day, for all those that have the faith to preserving alive its owner. We, the survivors of this system of things have the prospect never to die at all. This will be the unforgettable time of joy, glory, splendor and victory for all the forces, which will become manifest in the power of God, the Almighty. May we prove ourselves to be ready and face this event with unwavering faith and with the Spirit of the Christ, within, and this to God's eternal praise and glory, even forever and ever?

Never Walk By Sight, Walk By Faith, As Seeing The One Who Is Invisible

Let us keep close in mind and always remember the wife of Lot, that account will be with us as a warning example, to keep on walking by faith and not by sight; This is not a time to engage the reasoning faculty of our mind. We want to learn to walk by Spirit, as seeing the one who is invisible. This is the faith that is based on one-power consciousness that will win the day for us. Never do we want to waiver in a lack of faith, but become powerful, by the Spirit, within, the Spirit of which is from God, the Spirit that was also operative in Jesus Christ, when walking the earth as a righteous Son of God. Let us move ever forward, to receiving the reward of life, and having life in abundance, and that into all eternity even forever. Do not forget the wife of Lot, who serves as an everlasting reminder to all those having faith. Never let it be, that we should look back in fear, or looking back longingly to the things left behind. The faith, that can preserve alive its owner, belongs to him who loves God and His Christ, with all his heart and all his soul and with all his vital power and who loves his neighbor as he loves himself.

Blessed are all those who read these reminders and learn from a one-power consciousness and a belief in only one

power, which is God and good.

Notes:

Chapter 7

You Are A New Creation

Every Christian needs to Examine Their Faith

The time has come, for every Christian, to examine their faith, whether it is true or whether it is false, whether it is a living faith, or whether it is disempowering faith. You are the judge. However, whatever it is, it must give you a new consciousness, believing that you have died in the Lord, Jesus Christ, and that you have come alive in the Spirit. This Spirit is the Spirit, which is from God, and that Spirit was also operative in Jesus Christ, when walking the earth as a man.

You Are Being Transformed, To Be A Son Or Daughter Of God

Having come alive in God's Spirit, you have become conscious of being transformed from a man, or woman of the world, to a Son, or Daughter, of God, adopted indeed by God, but born of water and Spirit. You are conscious of having an ailing body, damaged, indeed, by sin over the duration of your life. However, the man or woman you are, within, determines your consciousness, of having righteousness with God, and having received of God's undeserved kindness and everlasting life.

You Are Free From The Consequences Of Sins

You are a new creation, in that you are conscious that you are free from the consequences of sin, error and death. Should you die, before the arrival of the Kingdom of God, with Christ as King, then you, in fact, just go to sleep in death until you receive a resurrection as a righteous one, in the Kingdom of God, with Christ as King. By this understanding you are walking every day of your life, on this earth, with peace, poise, love and goodwill; and by this you will be able to dissolve all negative thought vibrations. You are happy, indeed.

You Are Able To Cultivate The Nine Fruits Of The Spirit

As a new creation, you are conscious of having power to display the nine fruits of the Spirit, which are in compliance with the scriptures of the Bible book of Galatians, Chapter 5 verse 23. There it is stated that the fruits of the Spirit are love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control. The greatest among these fruits of the Spirit is the fruitage of love, of which the scripture states that if you do not have love, you have not come to know God, because God is love.

You Are A New Creation Born Of Water And Spirit

You are indeed a new creation, born of water and Spirit. This is accomplished by means of faith, in the ransom sacrifice of the righteous life of Jesus Christ. At the time of your baptism, which is in the name of the Father, the Son and the Holy Spirit, you die in the likeness of Jesus death by going under the baptismal water, and thereby, you die in a spiritual sense. You die with reference to your sins, and as you come up from the baptismal water you come alive with reference to the Spirit, the Spirit of which is from God, the Spirit of which was also operative in our Lord, Jesus Christ.

You Are In A Position To Accept A Consciousness Of One Power, Of God And Good

You are now in a position to accept a consciousness of super abundance of good and a consciousness of one power, which is God and good. This is the consciousness of a Son, or Daughter, of God, and thereby, you are no longer under sin, which is from Adam by means of which, you have received a consciousness of lack and limitation. From this consciousness of lack and limitation, you have been set free to enjoy the freedom of

the children of God. This is the ultimate freedom, which gives you access onto the God Plane of existence with everlasting life in view.

Sin Is No Longer Counted To You, You Are Under The Undeserved Kindness Of God

You are no longer conscious of the practices of sin, because, you have come under the undeserved kindness of God, whereby, the Law of Consequences has been mitigated and any minor daily transgressions are no longer counted against you, as a debt. No, you are blessed to having been set free from all sins, because of your consciousness of one power, and a consciousness of super abundance of good. You are conscious of having the eyes of God and you see clearly with the eyes of the Spirit.

You Have The Capacity For Doing Righteousness, Being Set Free

You understand that every man, and every woman has the same God given capacity for manifesting righteousness, by being set free, as children of God. Therefore, you cannot judge your fellow man, because every man and every woman has the same capacity for

being and becoming a Son, or a Daughter, of God, with blessings until there is no more want. Therefore, you see God in every face and good in every situation, which makes you master of all conditions.

You Can Express Yourself By The Man Or Woman You Are Within

As such, you are able to express yourself this way: By the man I am, within, I am whole and I am perfect; by the man I am, within, I am Strong and I am powerful; by the man I am, within, I am loving and I am kind; by the man I am, within, I am harmonious and righteous; by the man I am, within, I am joyful and happy; by the man I am, within, I am peaceable and healthy; by the man I am, within, I am wealthy and grateful. Repeat the above expressions often and they will become an integral part of your Christian personality, your consciousness.

You Will Be Called Upon To Reject The Mark Of The Wild Beast Of Revelation

Blessed be the man, or the woman, who walk in the way of Holiness, with godly fear and awe. May you continue to walk in the way of goodness, until the day of your calling, when you have rejected the mark of the Wild

Beast, of Revelation, and you have acted in obedience to the direction of the angel of God, to enter into your place of safety and keep the commandments of God and keep the faith of our Lord, Jesus Christ. This you are able to do on the basis of your faith that has the power to preserve alive its owner.

The World Empire Of False Religion, Which is Babylon The Great, Has been destroyed

As a Christian we are facing a test of faith at the end of the great tribulation. When the world empire of false religion will have come to nothing, being defeated and destroyed by the seven-headed Wild Beast of Revelation. God's new Christian world order has come upon us, and Christians everywhere, are under pressure to be part and become subject to the total control of the Wild Beast. By accepting the number 666 of the beast's name, on the right hand or on the forehead, you will thereby, come under its total control. May that never be the case, in respect of the Christian you are, within, which is your true identity into all eternity?

By Faith, You Have Decided With The Kingdom Of God, To Embrace

The Constitution Of Love

By Faith, you will have sided with the King of Kings in the Kingdom of God, to be subject to the constitution of love. Thereby, you have the prospect to become fleshly foundation stones in that kingdom, here on this cleansed earth. You will see the fulfilment of your Christian faith, to grow to full understanding of the things coming upon the earth.

You Have Become Conscious Of Having Everlasting Life With Peace, Poise, Love and Goodwill

By your Christian consciousness, you have become conscious of having everlasting life, with peace, poise, love and perfect self-expressions. You can become a blessing to resurrected mankind, as you assist your fellow man in his transformation to become a new Creation, at the end of the 1000year rule of Christ, the King. At the end of that kingly rule, when the last enemy of man, which is death, has come to nothing, Christ will hand over the kingly rule to his Father, God, in order that God may be all things to everyone.

At that time, every man and woman, who is alive, will have come to have life, everlasting life, by having eaten of the proverbial Tree of Life.

Notes:

Chapter 8

Concluding Thoughts

Faith Is The Assured Expectation Of Things Hoped For

It is faith that preserves alive its owner, but what is this faith and how does it work? At Hebrews 11:1 we read: 'faith is the assured expectation of things hoped for, the evident demonstration of realities, though not beheld'. There are expressions of faith, in everyday affairs, such as faith in the way of life, which has taken you to the desired destination. On the other hand, there may be the faith in the sun is rising every morning, or faith that the bridge you travel on will not collapse. But any of such faith's cannot preserve alive its owner, at the time when it counts most.

True Faith Is Based On The Love Of GOD

True faith is the faith that demands understanding and a belief in God's Love. Such a belief, in the love of God, requires evidence of the superiority of the power of love. The scripture says, in the Book of John 4:8, the person that does not love has not come to know God, because God is love. Indeed, God is the very personification of love, because God loved us first, when we were in darkness mentally and being alienated from the light that

belongs to life. It was at the time when God gave his only begotten Son, as a propitiatory ransom sacrifice, for our sins, but not for our sins only, but also for the sins of the whole world of mankind.

God Loved The World So Much That He Gave His only Begotten Son

This understanding requires deep thinking and meditation, on the part of the Bible student. For us, to understand the love, which God has for us, we have to acquire understanding of the purpose and the necessity for the ransom sacrifice of the Only Begotten Son of God. The scripture state: God loved the world so much that He gave His only begotten Son, in order that everyone that exercises faith in him might not be destroyed, but have everlasting life. The purpose of the writings of the one-power consciousness books is to impart the faith that will lead to everlasting life, to anyone on the basis of belief in the ransom sacrifice, of the righteous life of Jesus Christ.

Become Enlightened Thinkers

Here we have come to understand that we are deep into the time of the end of this system of things. We are on

the threshold of a, God ordained, new world order, which is manifest in the Kingdom of God, by means of Jesus Christ, our King, High Priest and Leader. God does not want us to be ignorant, respecting his purposes. We are destined to become enlightened thinkers, who understand the purpose of God's will for us. We are encouraged to buy into godly thought concepts, which are designed to bring about harmony with God that opens the door to obtain a consciousness of super abundance of what is good. This is what Adam had, at the beginning, which was manifest in an abundance of good. However, Adam failed to reach out to super abundance of good, which was by means of the Tree of Life. Thereby, the Tree of Life could have changed mans consciousness, to take possession of a consciousness of never ending life, of perfection and super abundance of what is called good.

While We Were Yet Sinners, God Loved Us First

In this aspect Adam and Eve failed, when they reached out for the fruit of the tree of the knowledge of good and bad. This tree was nothing more than a symbol of the Law of Attraction. Today, we have become conscious of having received, from the Father, righteousness, undeserved kindness and everlasting life, on the basis of faith. Let us meditate on this great gift, of God. While we

were yet sinners, God loved us first, when He gave us the saviour, the Last Adam, who has become to us the potentate of everlasting life, on the basis of faith. By Christ's Spirit, which returned to God at the time of Jesus sacrificial death, we, as believers, have become the offspring of the Last Adam, according to Isaiah 9:6. By the process of being born of water and Spirit, we have attained to the right of entry into the Kingdom of God, under the leadership of Christ, our King.

We Have Received Of Gods Smile Of Approval

Now, we have indeed become conscious of being born again, and this at the time of our baptism, and thereby, we have received God's smile of approval and we have attained to harmony with God, on the basis of being a new creation, born of water and Spirit. And whatsoever we ask of God, through Jesus Christ, our Lord, this we shall also have and that at the time of asking and it will manifest. We are indeed blessed, with super abundance of good and that to God's praise, honour and eternal glory.

We Have The Spirit Of God Within

We have indeed become conscious of having the Spirit of the Christ, within, and thereby, we have received of

126

God's smile of approval, and not only that, we have also become conscious that we have the Spirit of God, within, and by that Spirit, we have the prospect of personal communion with God, as Son's and Daughter's of God. We have received the ability to cultivate the fruitage of the Spirit, and that includes cultivating the Spirit of love, joy, peace, mildness, kindness, goodness, faith, longsuffering and self-control.

*By A Consciousness Of Peace,
Poise, Love and Goodwill We Will
Be Able To Dissolve All Negative
Vibrations*

Joy of joys, by the fruits of the Spirit, we have been given consciousness of power, with peace, poise, love and goodwill, and thereby, we are able to dissolve all negative thought vibration. By our thoughts we will continue to bring about what is good, because we have become conscious of one power and that is, being conscious of the power of God and good. The power of evil, we no longer entertain in our thoughts, because we understand that evil power can only exist in a consciousness of evil, but we have a consciousness of love and where there is love, evil cannot exist. Evil, or bad, can always be destroyed by additional good.

This Earth Will Be Restored To A Paradise Of Plenty

The new creation is born, to enter into the Kingdom of God, which has its domain here of this earth, the earth, which will be restored to a paradise of plenty. Any Christian, that survives the end of all things, will survive to enter into the Kingdom of God, as a righteous person. Therefore, many of the righteous survivors of the great tribulation and of Armageddon have the prospect to become fleshly foundation stones in the Kingdom of God, with Christ as King. You have the prospect to enter into the Kingdom of God, on the basis of faith, the faith, which works out righteousness with God. There you will become eyewitnesses of the resurrection of the righteous and the unrighteous. As a righteous survivor, you can fulfil your destiny, to teach many about the righteousness of God, with Christ as King, High Priest and Leader.

You Have Become Conscious of The Power Which Is From Above

It is all about identity, to know who you are and where you are going. You have come to understand that you have grown to embrace the identity of being a Son, or a Daughter, of God, to receive of God's blessing now and

even forever. You have come to be conscious of power, the power, which is from God. You have become conscious that you are from the Christ, that you are from the Last Adam, who is the Wonderful Councillor, the Eternal Father, the Mighty God and the Prince of Peace. You are no longer part of the world of mankind, which is identified as an enemy of God.

You Are A New Creation, A Spiritual Jew, From The Last Adam, which is Jesus Christ

You are Holy, as Jesus Christ is Holy, and you are circumcised in the heart, by Spirit, and that gives you an identity of being a spiritual Jew, born of water and Spirit. You have the Spirit of the Christ, within, and that means that you are indeed a new creation. You no longer see your fellow man as being a sinner, rather, you see what God sees, and that is seeing the potential that is manifest in every man and woman, to be like God, Holy and righteous. You understand that you see what Jesus Christ also saw, and that is one power, which is the power of God and good. You are indeed happy and you have a consciousness of super abundance of good, which is bringing to you super abundance of what is good, including bringing about the perfect square of life that will give you health, wealth, love and perfect self-expressions.

You are blessed, indeed, you are a new creation and that blessing is to God's eternal praise and everlasting glory. Amen.
